Understand the terms used in this form

Administrative expense: Generally, an expense that arises after a bankruptcy case is filed in connection with operating, liquidating, or distributing that bankruptcy estate.
11 U.S.C. § 503.

Claim: A creditor's right to receive payment for a debt that the debtor owed on the date the debtor filed for bankruptcy. 11 U.S.C. § 101 (5). A claim may be secured or unsecured.

Claim Pursuant to 11 U.S.C. § 503(b)(9): A claim arising from the value of any goods received by the Debtor within 20 days before the date of commencement of the above case, in which the goods have been sold to the Debtor in the ordinary course of the Debtor's business. Attach documentation supporting such claim.

Creditor: A person, corporation, or other entity to whom a debtor owes a debt that was incurred on or before the date the debtor filed for bankruptcy. 11 U.S.C. §101 (10).

Debtor: A person, corporation, or other entity who is in bankruptcy. Use the debtor's name and case number as shown in the bankruptcy notice you received. 11 U.S.C. §101 (13).

Evidence of perfection: Evidence of perfection of a security interest may include documents showing that a security interest has been filed or recorded, such as a mortgage, lien, certificate of title, or financing statement.

Information that is entitled to privacy: A *Proof of Claim* form and any attached documents must show only the last 4 digits of any social security number, an individual's tax identification number, or a financial account number, only the initials of a minor's name, and only the year of any person's date of birth. If a claim is based on delivering health care goods or services, limit the disclosure of the goods or services to avoid embarrassment or disclosure of confidential health care information. You may later be required to give more information if the trustee or someone else in interest objects to the claim.

Priority claim: A claim within a category of unsecured claims that is entitled to priority under 11 U.S.C. §507(a). These claims are paid from the available money or property in a bankruptcy case before other unsecured claims are paid. Common priority unsecured claims include alimony, child support, taxes, and certain unpaid wages.

Proof of claim: A form that shows the amount of debt the debtor owed to a creditor on the date of the bankruptcy filing. The form must be filed in the district where the case is pending.

Redaction of information: Masking, editing out, or deleting certain information to protect privacy. Filers must redact or leave out information entitled to **privacy** on the *Proof of Claim* form and any attached documents.

Secured claim under 11 U.S.C. § 506(a): A claim backed by a lien on particular property of the debtor. A claim is secured to the extent that a creditor has the right to be paid from the property before other creditors are paid. The amount of a secured claim usually cannot be more than the value of the particular property on which the creditor has a lien. Any amount owed to a creditor that is more than the value of the property normally may be an unsecured claim. But exceptions exist; for example, see 11 U.S.C. § 1322(b) and the final sentence of 11 U.S.C. § 1325(a).

Examples of liens on property include a mortgage on real estate or a security interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In states, a court judgment may be a lien.

Setoff: Occurs when a creditor pays itself with money belonging to the debtor that it is holding, or by canceling a debt it owes to the debtor.

Uniform claim identifier: An optional 24-character identifier that some creditors use to facilitate electronic payment.

Unsecured claim: A claim that does not meet the requirements of a secured claim. A claim may be unsecured in part to the extent that the amount of the claim is more than the value of the property on which a creditor has a lien.

Offers to purchase a claim

Certain entities purchase claims for an amount that is less than the face value of the claims. These entities may contact creditors offering to purchase their claims. Some written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court, the bankruptcy trustee, or the debtor. A creditor has no obligation to sell its claim. However, if a creditor decides to sell its claim, any transfer of that claim is subject to Bankruptcy Rule 3001(e), any provisions of the Bankruptcy Code (11 U.S.C. § 101 et seq.) that apply, and any orders of the bankruptcy court that apply.

Subject: RE: Potential instructions to assist with a leasing transaction [HFWLDN-HFWLDN.FID2065055]

Dear Zohar,

We would be happy to assist:

- (i) reviewing the draft of the Lease Agreement from an Indonesian law perspective,
- (ii) preparing an enforceability opinion in respect of the enforcement of the transaction documents in Indonesia, and
- (iii) providing assistance with the CP's including closing mechanics and assisting on any required local filings.

Our estimated fees for legal services within this scope of work would be USD 9,500 excluding 5% out-of-pocket expenses, disbursements (e.g.: notary fee, translation fee) and 10% VAT. We hope that these estimated fees are acceptable.

In connection with the CPs to be fulfilled, we believe it is of utmost importance that Air Born Indonesia provides Waypoint Leasing with a duly drafted and executed Irrevocable Deregistration and Export Request Authorization ("IDERA") to be registered with the Directorate General of Civil Aviation of the Indonesian Ministry of Transportation ("DGCA"). The IDERA can be considered as the only instrument approved by the DGCA that is protecting the owner's/lessor's interests towards the leased aircraft.

However, please note that currently all new IDERA submissions are on hold pending the issuance of a new regulation which will specifically address additional provisions on IDERA. We believe that the new regulation will be more detailed and conclusive than the current regulation. The new regulation will likely introduce a new procedure, with a new IDERA form to be submitted and new requirements to be fulfilled. We are checking with the DGCA on a regular basis to try and obtain updates on this new regulation, but so far there is no new information we can share.

We hope this is useful. Please let us know if you have any further questions.

Best wishes,

Oene

Subject: Potential instructions to assist with a leasing transaction [HFWLDN-HFWLDN.FID2065055]

Dear Mr Marseille

I am advising Waypoint Leasing in connection with the proposed lease of one AW139 helicopter to an Indonesian operator called Air Born Indonesia. The deal needs to close by the end of January.

Waypoint have worked with you before and have asked me to write to you in connection with this and to see if you could assist us with the following:

1. General review of the Lease Agreement (which we will draft) from a local law perspective;
2. enforceability opinion (in respect of the enforcement of the transaction documents in Indonesia);
and
3. assistance with CPs, closing mechanics and any local law filings that are required

Please can you let me know if you are able to accept instructions to act for Waypoint Leasing on this matter and if so please can you also let me have a fee estimate covering all three aspects of the advice needed?

I look forward to hearing from you and hopefully working with you soon.

Thanks,

Kind regards

Hi Zohar,

Hope all well with you. With year-end approaching we would like to send you our invoice for legal services in connection with the lease of a helicopter by Waypoint Leasing to Air Born (MSN 31414). Attached is the draft overview of hours.

Based on emails below we agreed to an estimated fee for legal services in the amount of USD 9,500. However the actual work performed is mostly out of scope and as you will note, our fees are significantly higher than quoted.

How should we proceed with this, perhaps already invoice USD 9,500 and discuss later how much we can charge for the additional work once the file can be closed? Or better we settle now for 2017 fees? In the latter case, please let us know what you believe would be a fair amount to charge.

Many thanks in advance.

Best wishes,

Oene

Subject: RE: Potential instructions to assist with a leasing transaction [HFWLDN-HFWLDN.FID2065055]

Dear Zohar,

We would be happy to assist:

- (i) reviewing the draft of the Lease Agreement from an Indonesian law perspective,
- (ii) preparing an enforceability opinion in respect of the enforcement of the transaction documents in Indonesia, and
- (iii) providing assistance with the CP's including closing mechanics and assisting on any required local filings.

Our estimated fees for legal services within this scope of work would be USD 9,500 excluding 5% out-of-pocket expenses, disbursements (e.g.: notary fee, translation fee) and 10% VAT. We hope that these estimated fees are acceptable.

In connection with the CPs to be fulfilled, we believe it is of utmost importance that Air Born Indonesia provides Waypoint Leasing with a duly drafted and executed Irrevocable Deregistration and Export Request Authorization ("IDERA") to be registered with the Directorate General of Civil Aviation of the Indonesian Ministry of Transportation ("DGCA"). The IDERA can be considered as the only instrument approved by the DGCA that is protecting the owner's/lessor's interests towards the leased aircraft.

However, please note that currently all new IDERA submissions are on hold pending the issuance of a new regulation which will specifically address additional provisions on IDERA. We believe that the new regulation will be more detailed and conclusive than the current regulation. The new regulation will likely introduce a new procedure, with a new IDERA form to be submitted and new requirements to be fulfilled. We are checking with the DGCA on a regular basis to try and obtain updates on this new regulation, but so far there is no new information we can share.

We hope this is useful. Please let us know if you have any further questions.

Best wishes,

Oene
