Response: No.

Question: If the fees sought in this fee application as compared to the fees budgeted for the time period covered by this fee application are higher by 10% or more, did you discuss the reasons for the variation with the client?

Question: Have any of the professionals included in this fee application varied their hourly rate based on the geographic location of the bankruptcy case?

Response: No.

Question: Does the fee application include time or fees related to reviewing or revising time records or preparing, reviewing, or revising invoices? (This is limited to work involved in preparing and editing billing records that would not be compensable outside of bankruptcy and does not include reasonable fees for preparing a fee application).

Response: This Application includes time and fees related to reviewing or revising time records or preparing, reviewing or revising invoices in connection with the preparation of the Monthly Fee Applications.

Question: Does this fee application include time or fees for reviewing time records to redact any privileged or other confidential information?

Response: No.

Question: Does this fee application include any rate increases since retention?

Response: Effective January 1, 2019, LRC implemented annual step increases in its hourly rates consistent with LRC's ordinary course practice due to advancing seniority and promotion.
