STATUS REPORT

Sunbelt Equipment Marketing, Inc. (“SEMI” or “Plaintiff”), by and through its undersigned counsel, hereby submits this Status Report for the two related, above-captioned Adversary Proceedings, and sets forth the following:

I. PROCEDURAL HISTORY

1. SEMI, a company which provided equipment and related services to Welded Construction, L.P. (the “Debtor”) as part of the Mountaineer Express Pipeline Project in West Virginia, filed Mechanic’s Liens in Marshall and Wetzel Counties, West Virginia in January

¹ The debtors in these Chapter 11 cases are Welded Construction, L.P. and Welded Construction Michigan, LLC (together, the “Debtors”).

2019, as a result of non-payment by the Debtor.

2. On July 5, 2019, SEMI filed a motion in this Court for relief from the automatic stay (the “Stay Relief Motion”) [D.I. 825], seeking authority to pursue mechanics lien actions in West Virginia against Columbia Gas Transmission, LLC (“CGT”), the reputed owner of the real property interests in the Project, and TransCanada USA Services, Inc. (“TransCanada”), which SEMI asserted may also own a real property interest in the Project. Consistent with West Virginia law, SEMI also needed to include the Debtor as a nominal defendant in such actions.

3. This Court granted SEMI’s Stay Relief Motion by Order dated July 16, 2019 [D.I. 867].

4. On July 19, 2019, Plaintiff filed two complaints for enforcement of its mechanics liens against CGT and TransCanada and, nominally, against the Debtor: one in the Circuit Court of Wetzel County, West Virginia [C.A. No. 19-C-53] and the other in the Circuit Court of Marshall County, West Virginia [C.A. No. 19-C-186] (collectively, the “Actions”). Two filings were required because the real property interests to which the liens apply (the “Property”) are located in both Wetzel and Marshall Counties.

5. In each complaint, Count I is based on breach of contract, Counts II and III are counts based on unjust enrichment, and Count IV is based on enforcement of mechanics lien.

6. On or about November 25, 2019, CGT and TransCanada filed Notices of Removal, removing both Actions from state court to the United States Bankruptcy Court for the Northern District of West Virginia (the “W.Va. Bankruptcy Court”), where the Actions were docketed respectively as Adv. Pro. No. 5:19-ap-00053 (Wetzel County action) and Adv. Pro. No. 5:19-ap-00055 (Marshall County action).

7. On December 2, 2019, CGT and TransCanada filed motions for partial dismissal

of the complaints (the “Motions to Dismiss”), seeking dismissal of the two unjust enrichment causes of action.

8. On December 2, 2019, CGT and TransCanada also filed and served an answer to Count IV of SEMI’s complaints [docket nos. 5 and 3, respectively, in the removed Wetzel County and Marshall County actions].

9. The Debtor, as nominal defendant, has not answered the Complaint.

10. On December 2, 2019, the United States District Court for the Northern District of West Virginia (the “W. Va. District Court”) entered Orders *sua sponte*, withdrawing the automatic reference of the Actions and directing that the Actions proceed in the District Court [no. 5:19-ap-00055 was docketed as Civil Action No. 5:19-cv-320; and no. 5:19-ap-0053 was docketed as Civil Action No. 5:19-cv-322].

11. On January 7, 2020, the W.Va. District Court entered orders in both Actions granting the dismissal of counts II and III of the complaints – the two unjust enrichment counts – but denying dismissal of any of the rest of the complaints.

12. On January 22, 2020, the W. Va. District Court entered orders in both Actions granting motions made by CGT and TransCanada to transfer the venue of these Actions to the United States District Court for the District of Delaware (the “Delaware District Court”).

13. In the Delaware District Court, the Action that was originally the Marshall County action was docketed as Civ. No. 20-cv-0092-CFC; the Action that was originally the Wetzel County action was docketed as Civ. No. 20-cv-0095-CFC.

14. On February 3, 2020, the Delaware District Court, having received these actions, entered an order of referral of these Actions to this Bankruptcy Court. In this Court, they were docketed as captioned above.

II. STATUS OF ADVERSARY PROCEEDING

15. Since the commencement of the Actions, the parties and their counsel have engaged in discussions regarding the factual and legal matters at issue.

16. The parties have engaged in limited settlement discussions. To date, the parties have not been able to reach a settlement. Plaintiffs believe that an additional 21 days' time is warranted for allowing the parties to explore settlement, prior to setting a pre-trial discovery schedule.

17. Thereafter, the parties are prepared to proceed with necessary discovery and will prepare a proposed scheduling order for the Court's consideration and approval.

18. Because the Actions and the corresponding two (2) above-captioned Adversary Proceedings are related, Plaintiff suggests that the Adversary Proceedings be consolidated and administered as one proceeding.
