Any required answers or responses to any amendments filed pursuant to this paragraph shall be filed within fourteen (14) days of the filing of the related amendment.

4. Within twenty-one (21) days of this Order, if Welded has filed an adversary proceeding relating to the subject matter of the Adversary Proceeding (the "**Welded Proceeding**"), such proceeding shall be consolidated with the Adversary Proceeding pursuant to Fed.R.Civ.P. 42, made applicable by Fed.R.Bankr.P. 7042, for all purposes, including administration, discovery, and trial; *provided, however*, that Earth Pipeline shall have fourteen (14) days from the date that Welded files the Welded Proceeding to file an objection to consolidation of the Welded Proceeding and the Adversary Proceeding. If Earth Pipeline files an objection to consolidation, Columbia Gas Transmission, LLC and Welded shall each have a right to file a response to the objection within seven (7) days of Earth Pipeline filing said objection.

5. The discovery planning conference described in Fed.R.Civ.P. 26(f), made applicable by Fed.R.Bankr.P. 7026, shall take place no later than forty-five (45) days after the date of this Order.

6. The parties shall provide the initial disclosures under Fed.R.Civ.P. 26(a)(1) no later than fourteen (14) days after the discovery planning conference. Any extension of the deadline to

7. All fact discovery shall be completed by a date no later than two hundred and forty (240) days from the date of this Order.

8. The parties shall provide expert reports for any issue on which they bear the burden of proof by a date no later than two hundred and seventy (270) days after the date of this Order. The parties shall provide rebuttal expert reports by a date no later than three hundred (300) days after the date of this Order. All reports shall provide the information required by Fed.R.Civ.P. 26(a)(2)(B). Within sixty (60) days after the entry of an Order Assigning the Adversary Proceeding to Mediation, the mediator shall either (a) file the mediator's certificate of completion, or (b) if the mediation is not concluded, file a status report that provides the projected schedule for completion of the mediation.

10. All dispositive motions shall be filed and served by a date no later than fifteen (15) days after the close of all discovery and shall be subject to Rule 7.1.2 of the Local Rules of Civil Practice and Procedure of the United States District Court for the District of Delaware.
