TO THE HONORABLE UNITED STATES BANKRUPTCY JUDGE:

Westinghouse Electric Company LLC and its debtor affiliates, as debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, the “**Debtors**”), respectfully represent as follows in support of this motion (the “**Motion**”):

Background

1. On the date hereof (the “**Petition Date**”), each Debtor commenced with this Court a voluntary case under chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”). The Debtors continue to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No trustee, examiner, or statutory committee of creditors has been appointed in these chapter 11 cases.

2. Contemporaneously herewith, the Debtors have filed a motion requesting joint administration of the chapter 11 cases pursuant to Rule 1015(b) of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”).

3. Additional information regarding the Debtors’ business, capital structure, and the circumstances leading to the commencement of these chapter 11 cases is set forth in the *Declaration of Lisa J. Donahue Pursuant to Rule 1007-2 of the Local Bankruptcy Rules for the Southern District of New York*, sworn to on the date hereof (the “**Donahue Declaration**”), which has been filed with the Court contemporaneously herewith and is incorporated herein by reference.

Jurisdiction

4. The Court has jurisdiction to consider this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2). Venue is proper before the Court pursuant to 28 U.S.C. §§ 1408 and 1409.

Relief Requested

5. By this Motion, pursuant to sections 105(a) and 366 of the Bankruptcy Code and Bankruptcy Rules 6003 and 6004, the Debtors request entry of interim and final orders (i) approving the Debtors' proposed form of adequate assurance of payment for postpetition Utility Services (as hereinafter defined); (ii) establishing procedures for resolving objections by Utility Companies (as hereinafter defined) relating to the adequacy of the proposed adequate assurance; and (iii) prohibiting the Utility Companies from altering, refusing, or discontinuing service to, or discriminating against, the Debtors on the basis of the commencement of these chapter 11 cases or that a debt owed by the Debtors for Utility Services rendered before the Petition Date was not paid when due.

6. Proposed forms of order granting the relief requested herein on an interim basis and a final basis are annexed hereto as **Exhibit A** (the "**Proposed Interim Order**") and **Exhibit B** (the "**Proposed Final Order**"), respectively.

The Utility Companies

7. To operate their businesses and manage their properties, the Debtors obtain telecommunications, waste disposal, water, gas, electricity, and other utility services (collectively, the "**Utility Services**") from a number of utility companies (collectively, the "**Utility Companies**"). A nonexclusive list of Utility Companies that provide Utility Services to the Debtors as of the Petition Date is provided on **Exhibit 1** annexed to both the Interim Order and Final Order (the "**Utility Services List**").²

² The inclusion of any entity in, or omission of any entity from, the Utility Services List is not an admission by the Debtors that such entity is, or is not, a utility within the meaning of section 366 of the Bankruptcy Code, and the Debtors reserve all rights and defenses with respect thereto.

8. Historically, the Debtors have a good payment record with the Utility Companies. To the best of the Debtors' knowledge, there are no defaults or arrearages of any significance for the Debtors' undisputed invoices for prepetition Utility Services, other than payment interruptions that may be caused by the commencement of these chapter 11 cases. Based on their monthly average for the 12 months before the Petition Date, the Debtors estimate that their cost of Utility Services for the next 21 days will be approximately \$1.7 million.

9. Uninterrupted Utility Services are essential to the Debtors' ongoing operations and, therefore, the success of the Debtors' reorganization. The Debtors' plants and other facilities require electricity, internet access, telecommunications, and other standard utility services. Should any Utility Company alter, refuse, or discontinue service, even briefly, the Debtors' business operations could be severely disrupted. Furthermore, the Debtors coordinate their business operations through their headquarters in Cranberry Township, Pennsylvania, and their 26 regional offices. Interruption of the Utility Services provided at these locations would disrupt the Debtors' ability to communicate with, and provide the necessary support to, their employees, vendors, customers, and various regulatory authorities. Such interruption would negatively impact the Debtors' reorganization efforts and all parties in interest.

Proposed Adequate Assurance Deposit

10. Pursuant to section 366(c)(2) of the Bankruptcy Code, a utility may alter, refuse, or discontinue a debtor's utility service if the utility does not receive "adequate assurance of payment" for postpetition utility services from the debtor within 30 days after the commencement of the debtor's chapter 11 case. Section 366(c)(1) of the Bankruptcy Code defines "assurance of payment" of postpetition charges as "(i) a cash deposit; (ii) a letter of credit; (iii) a certificate of deposit; (iv) a surety bond; (v) a prepayment of utility consumption; or (vi) another form of security that is mutually agreed on between the utility and the debtor or the trustee."

11. The Debtors intend to pay all postpetition obligations owed to the Utility Companies in a timely manner and have sufficient funds to do so. Nevertheless, to provide the Utility Companies with adequate assurance pursuant to sections 366(b) and 366(c) of the Bankruptcy Code, the Debtors propose to deposit cash in an amount equal to two (2) weeks' payment for Utility Services, calculated using the historical average for such payments during the past 12 months (the "**Adequate Assurance Deposit**") into a newly created segregated account for the benefit of the Utility Companies (the "**Utility Deposit Account**"). The Adequate Assurance Deposit may be adjusted by the Debtors if the Debtors terminate any of the Utility Services provided by a Utility Company, make other arrangements with certain Utility Companies for adequate assurance of payment, determine that an entity listed on the Utility Services List is not a utility company as defined by section 366 of the Bankruptcy Code, or supplement the Utility Services List to include additional Utility Companies. The Adequate Assurance Deposit will be placed into the Utility Deposit Account within 20 days after the Petition Date. Based on the foregoing, the Debtors estimate that the total amount of the Adequate Assurance Deposit will be approximately \$1.108 million. The Adequate Assurance Deposit will be held by the Debtors in the Utility Deposit Account for the benefit of the Utility Companies on the Utility Services List during the pendency of these chapter 11 cases.

12. The Debtors further request that the Adequate Assurance Deposit will automatically, without further Court order, be available to the Debtors upon the effective date of a chapter 11 plan of the Debtors. Additionally, if the Debtors terminate any of the Utility Services provided by a Utility Company, the Debtors request that they immediately be permitted to reduce the Adequate Assurance Deposit to reflect the termination of such Utility Services.

13. The Adequate Assurance Deposit, in conjunction with the Debtors' ability to pay for future Utility Services in the ordinary course of business (collectively, the "**Proposed Adequate Assurance**"), constitutes adequate assurance to the Utility Companies under section 366 of the Bankruptcy Code.

Objections to the Proposed Adequate Assurance

14. To balance the right of each Utility Company to evaluate the Proposed Adequate Assurance for itself and the harm to the Debtors' businesses that would result from any interruption in services provided by the Utility Companies, the Debtors propose the following objection procedures (the "**Objection Procedures**") in the event that any Utility Company is not satisfied with the Proposed Adequate Assurance:

- a. Within two (2) business days after entry of the Interim Order, the Debtors will mail a copy of the Interim Order and the Motion (including the Proposed Final Order) to the Utility Companies on the Utility Services List.
- b. If a Utility Company is not satisfied with the Proposed Adequate Assurance, it must serve a written request (a "**Request**") upon the proposed counsel to the Debtors: (i) Weil, Gotshal & Manges LLP, 767 Fifth Avenue, New York, New York 10153 (Attn: Garrett Fail, Esq. and Charles Persons, Esq.), (ii) counsel to the lenders under the Debtors' proposed DIP Facility, (a) Paul, Weiss, Rifkind, Wharton & Garrison LLP, 1285 Avenue of the Americas, New York, NY 10019-6064 (Attn: Jeffrey D. Saferstein, Esq.) and (b) Paul, Weiss, Rifkind, Wharton & Garrison LLP, 2001 K Street, NW, Washington, DC 20006-1047 (Attn: Claudia R. Tobler, Esq.); and (iii) counsel to the agents and letter of credit issuer under the Debtors' proposed DIP Facility, Shearman & Sterling LLP, 599 Lexington Avenue, New York, NY 10022 (Attn: Fredric Sosnick, Esq. and Ned S. Schodek, Esq.), and the Request must set forth: (1) the location(s) for which Utility Services are provided, (2) the account number(s) for such location(s), (3) the outstanding balance for each account, and (4) an explanation of why the Utility Company believes the Adequate Assurance Deposit is not adequate assurance of payment.
- c. If the Debtors, in consultation with the DIP Lenders, determine that a Request or any consensual agreement reached in connection therewith is reasonable, the Debtors, without further order of the Court, may enter into agreements granting additional adequate assurance to the Utility Company serving such Request and, in connection with such agreements, provide the

Utility Company with additional adequate assurance of payment, including payments on prepetition amounts owing, cash deposits, prepayments, or other forms of security.

- d. If the Debtors, in consultation with the DIP Lenders, determine that a Request is unreasonable, then they will, within 30 days after receipt of such Request, or such longer period as may be agreed to between the Debtors and the Utility Company, file a motion (the “**Determination Motion**”) pursuant to section 366(c)(3) of the Bankruptcy Code seeking a determination from the Court that the Proposed Adequate Assurance, plus any additional consideration offered by the Debtors, constitutes adequate assurance of payment. Pending notice and a hearing on the Determination Motion, the Utility Company that is the subject of the unresolved Request may not alter, refuse, or discontinue services to the Debtors.

15. The Debtors request that the Proposed Adequate Assurance, taken together with the Objection Procedures, will be deemed adequate assurance of payment for any Utility Company that fails to make a Request. Any Utility Company that does not make a Request or otherwise comply with the Objection Procedures will be prohibited from altering, refusing, or discontinuing Utility Services, including as a result of the Debtors’ failure to pay charges for prepetition Utility Services or on account of any perceived inadequacy of the Proposed Adequate Assurance.

Subsequent Modifications of Utility Services List

16. Although the Debtors have made an extensive and good faith effort to identify on the Utility Services List all of the Utility Companies that provide Utility Services, certain Utility Companies inadvertently may not be listed therein. To the extent that the Debtors identify additional Utility Companies, the Debtors will promptly file amendments to the Utility Services List and serve copies of the orders granting this Motion on any newly identified Utility Companies, provided that the Debtors shall give prior notice of any such amendment to counsel to the DIP Lenders. In addition, the Debtors will increase the amount of the Adequate Assurance Deposit to account for any newly identified Utility Companies. The Debtors request that both the

Proposed Interim Order and Proposed Final Order approving this Motion will be binding on all Utility Companies, regardless of when the Utility Companies are added to the Utility Services List.

Relief Requested Should Be Granted

17. The relief requested will ensure the continuation of the Debtors' businesses at this critical juncture as the Debtors transition into chapter 11. The relief requested also provides the Utility Companies with a fair and orderly procedure for determining requests for additional adequate assurance, without which the Debtors could be forced to address multiple requests by Utility Companies in a disorganized manner at a critical period in these chapter 11 cases when the Debtors' efforts should be focused on restructuring their business for the benefit of all parties in interest.

A. The Proposed Adequate Assurance Is Sufficient

18. Section 366 of the Bankruptcy Code is designed with the dual purpose of protecting debtors from being cut off from utility services and providing utility companies with adequate assurance that the debtor will be able to pay for postpetition services. *See* H.R. Rep. No. 95-595, at 350 (1978), *reprinted in* 1978 U.S.C.C.A.N 5963, 6306. To that end, pursuant to section 366(c), during the first 30 days of a chapter 11 case, a utility company may not alter, refuse, or discontinue service to a debtor solely because of unpaid prepetition amounts, but after the first 30 days, a utility company may alter, refuse or discontinue service if a debtor does not provide "adequate assurance" of payment for postpetition services in satisfactory form.

19. Section 366(c)(3)(B) provides a list of factors that courts are *not* to consider when evaluating whether a proposed adequate assurance payment is in fact adequate. These factors are: (i) the absence of security before the petition date, (ii) the debtor's history of timely payments, and (iii) the availability of an administrative expense priority. Although section 366(c) clarifies what does and does not constitute "assurance of payment" and what can be considered in

determining whether such assurance is adequate, Congress, in enacting that section, did not divest the Court of its power to determine what amount, if any, is necessary to provide adequate assurance of payment to a Utility Company. *See* 11 U.S.C. § 366(c)(3)(A). Specifically, section 366(c)(3)(A) states that, “[o]n request of a party in interest and after notice and a hearing, the court may order modification of the amount of an assurance of payment” *Id.* Thus, there is nothing to prevent a court from deciding that, on the facts of the case before it, the amount required of the debtor to provide adequate assurance of payment to a utility company should be nominal or even zero. *See, e.g., In re Pac-West Telecomm., Inc.*, Case No. 07-10562 (BLS) (Bankr. D. Del. May 2, 2007) (Docket No. No. 39) (approving adequate assurance in the form of one-time supplemental prepayment to each utility company equal to prorated amount of one week’s charges).

20. Although section 366(c)(2) of the Bankruptcy Code allows a utility to take action if the debtor fails to provide adequate assurance of payment that is “satisfactory” to the utility, it is the Court and not the utility that is the ultimate arbiter of what is “satisfactory” assurance after taking into consideration the needs of the debtor as well as the utility. *See, e.g., In re Penn. Cent. Transp. Co.*, 467 F.2d 100, 103–04 (3d Cir. 1972) (affirming the bankruptcy court’s decision that no utility deposit was necessary where such deposits would “jeopardize the continuing operation of the [debtor] merely to give further security to suppliers who already [were] reasonably protected”). Indeed, section 366 only requires that assurance of payment be “adequate” and courts have not construed section 366 to require an absolute guarantee of the debtor’s ability to pay. *See, e.g., In re Caldor, Inc. – N.Y.*, 199 B.R. 1, 3 (S.D.N.Y. 1996) (“Section 366(b) requires the Bankruptcy Court to determine whether the circumstances are sufficient to provide a utility with ‘adequate assurance’ of payment. The statute does not require an ‘absolute guarantee of payment.’” (citation omitted)), *aff’d sub nom. Va. Elec. & Power Co. v. Caldor, Inc. – N.Y.*, 117

F.3d 646 (2d Cir. 1997); *In re New Rochelle Tel. Corp.*, 397 B.R. 633, 639 (Bankr. E.D.N.Y. 2008) (“Adequate assurance, however, is not a guarantee of payment; rather, it is intended to guard against the utility assuming an unreasonable risk of non-payment.”); *In re Adelpia Bus. Solutions, Inc.*, 280 B.R. 63, 80 (Bankr. S.D.N.Y. 2002) (“In determining adequate assurance, a bankruptcy court is not required to give a utility company the equivalent of a guaranty of payment . . .”).

21. Further, courts consider what is “need[ed] of the utility for assurance, and . . . require that the debtor supply *no more than that*, since the debtor almost perforce has a conflicting need to conserve scarce financial resources.” *Va. Elec. & Power Co. v. Caldor, Inc.* – N.Y., 117 F.3d at 650 (emphasis in original); *see also In re Penn Cent.*, 467 F.2d at 103–04. Indeed, “[c]ourts will approve an amount that is adequate enough to insure against unreasonable risk of nonpayment, but are not required to give the equivalent of a guaranty of payment in full.” *In re The Great Atl. & Pac. Tea Co.*, No. 11-1338 (CS), 2011 WL 5546954, at *5 (S.D.N.Y. Nov. 14, 2011).

B. The Objection Procedures Are Reasonable and Appropriate

22. If a Utility Company does not believe the Proposed Adequate Assurance is “satisfactory,” such Utility Company may file an objection pursuant to the Objection Procedures described above. The proposed Objection Procedures are reasonable because they will ensure that the Debtors’ Utility Services continue while providing a streamlined process for Utility Companies to challenge the adequacy of the Proposed Adequate Assurance or seek an alternative form of adequate assurance. The Court has the power to approve these Objection Procedures pursuant to section 105(a) of the Bankruptcy Code, which provides that a bankruptcy court may “issue any order, process, or judgment that is necessary or appropriate to carry out the provisions” of the Bankruptcy Code.

23. In light of the foregoing, the Proposed Adequate Assurance and the Objection Procedures are reasonable, and the relief requested herein is necessary and appropriate in the best interests of the Debtors' estates and creditors, and should be granted in full.

24. Courts in this District have granted similar requests for relief. *See In re The Great Atl. & Pac. Co., Inc.*, Case No. 15-23007 (Bankr. S.D.N.Y. Jul. 28, 2015) (Docket No. 203) (finding that the debtors' two week cash deposit adequately assured its utility providers); *In re Chassix Holdings, Inc.*, Case No. 15-10578 (Bankr. S.D.N.Y. Apr. 4, 2015) (Docket No. 274) (same); *In re The Great Atl. & Pac. Co., Inc.*, 2011 WL 5546954, at *6 (S.D.N.Y. Nov. 14, 2011) ("The [bankruptcy] court weighed the evidence and did not clearly err in determining that, in light of the low risk of default given the DIP Facility, the utility providers were adequately assured payment through the [two-week] cash deposit."); *see also In re J & B Partners Mgmt., LLC*, Case No. 15-22017 (Bankr. S.D.N.Y. Jan. 21, 2015) (Docket No. 56) (approving the issuance of security deposits equal to two weeks of average utility consumption to each utility provider as adequate assurance of payment for postpetition utility services); *In re dELiA*s, Inc.*, Case No. 14-23678 (Bankr. S.D.N.Y. Dec. 24, 2014) (Docket No. 105) (approving as adequate assurance separate deposits made into an interest-bearing, segregated account equal to the projected charge for approximately 14 days of utility service); *In re MPM Silicones, LLC*, Case No. 14-22503 (Bankr. S.D.N.Y. May 16, 2014) (Docket No. 220) (same).

Debtors Have Satisfied Bankruptcy Rule 6003(b)

25. Bankruptcy Rule 6003(b) provides that, to the extent relief is necessary to avoid immediate and irreparable harm, a bankruptcy court may issue an order granting "a motion to use, sell, lease, or otherwise incur an obligation regarding property of the estate, including a motion to pay all or part of a claim that arose before the filing of the petition" before 21 days after filing of the petition. As described in the Donahue Declaration, any lapse in Utility Services could

severely disrupt the Debtors' business operations, essentially bringing their operations to a standstill, and thus seriously jeopardize the Debtors' ability to successfully reorganize. Should any Utility Company refuse or discontinue service, even for a brief period, the Debtors' estates would suffer immediate and irreparable harm if the relief sought herein is not promptly granted. Accordingly, the Debtors submit that the relief requested herein is necessary to avoid immediate and irreparable harm, and, therefore, Bankruptcy Rule 6003 is satisfied.

Request for Bankruptcy Rule 6004(a) and (h) Waivers

26. To implement the foregoing successfully, the Debtors seek a waiver of the notice requirements under Bankruptcy Rule 6004(a) and the 14 day stay of an order authorizing the use, sale, or lease of property under Bankruptcy Rule 6004(h). As explained above and in the Donahue Declaration, the relief requested herein is necessary to avoid immediate and irreparable harm to the Debtors. Accordingly, ample cause exists to justify the waiver of the notice requirements under Bankruptcy Rule 6004(a) and the 14 day stay imposed by Bankruptcy Rule 6004(h), to the extent such notice requirements and such stay apply.

Reservation of Rights

27. Nothing contained herein is intended or shall be construed as (i) an admission as to the validity of any claim or lien against the Debtors, (ii) a waiver of the Debtors' or any appropriate party in interest's rights to dispute the amount of, basis for, or validity of any claim against the Debtors, (iii) a waiver of any claims or causes of action which may exist against any creditor or interest holder, or (iv) an approval, assumption, adoption, or rejection of any agreement, contract, lease, program, or policy between the Debtors and any third party under section 365 of the Bankruptcy Code. Likewise, if the Court grants the relief sought herein, any payment made pursuant to the Court's order is not intended to be and should not be construed as

an admission to the validity of any claim or a waiver of the Debtors' rights to dispute such claim subsequently.

Notice

28. Notice of this Motion will be provided to (i) the Office of the U.S. Trustee for Region 2; (ii) the holders of the 30 largest unsecured claims against the Debtors (on a consolidated basis); (iii) the Securities and Exchange Commission; (iv) the Internal Revenue Service; (v) the United States Attorney's Office for the Southern District of New York; (vi) proposed counsel to Debtor Toshiba Nuclear Energy Holdings (UK) Limited, Togut, Segal & Segal LLP, One Penn Plaza, Suite 3335, New York, NY 10119 (Attn: Albert Togut, Esq.); (vii) counsel to Toshiba Corporation, Skadden, Arps, Slate, Meagher & Flom LLP, 300 South Grand Avenue, Suite 3400, Los Angeles, CA 90071 (Attn: Van C. Durrer II, Esq. and Annie Z. Li, Esq.); (viii) counsel to the Debtors' prepetition agent under that certain Second Amended and Restated Credit Agreement, dated as of October 7, 2009 (as amended), Latham & Watkins LLP, 330 North Wabash Avenue, Suite 2800, Chicago, IL 60611 (Attn: Zulfiqar Bokhari, Esq.); (ix) counsel to the lenders under the Debtors' proposed DIP Facility, (a) Paul, Weiss, Rifkind, Wharton & Garrison LLP, 1285 Avenue of the Americas, New York, NY 10019-6064 (Attn: Jeffrey D. Saferstein, Esq.) and (b) Paul, Weiss, Rifkind, Wharton & Garrison LLP, 2001 K Street, NW, Washington, DC 20006-1047 (Attn: Claudia R. Tobler, Esq.); (x) counsel to the agents and letter of credit issuer under the Debtors' proposed DIP Facility, Shearman & Sterling LLP, 599 Lexington Avenue, New York, NY 10022 (Attn: Fredric Sosnick, Esq. and Ned S. Schodek, Esq.); and (viii) the Utility Companies (collectively, the "**Notice Parties**"). The Debtors submit that, in view of the facts and circumstances, such notice is sufficient and no other or further notice need be provided.

29. No previous request for the relief sought herein has been made by the Debtors to this or any other court.

WHEREFORE the Debtors respectfully request entry of the Proposed Interim Order and Proposed Final Order granting the relief requested herein and such other and further relief as the Court may deem just and appropriate.

as more fully set forth in the Motion; and the Court having jurisdiction to consider the Motion and the relief requested therein in accordance with 28 U.S.C. §§ 157 and 1334 and the Amended Standing Order of Reference M-431, dated January 31, 2012 (Preska, C.J.); and consideration of the Motion and the requested relief being a core proceeding pursuant to 28 U.S.C. § 157(b); and venue being proper before the Court pursuant to 28 U.S.C. §§ 1408 and 1409; and due and proper notice of the Motion having been provided to the Notice Parties; and such notice having been adequate and appropriate under the circumstances, and it appearing that no other or further notice need be provided; and the Court having reviewed the Motion; and the Court having held a hearing to consider the relief requested in the Motion on an interim basis (the “**Hearing**”); and upon the Donahue Declaration, filed contemporaneously with the Motion, and the record of the Hearing; and the Court having determined that the legal and factual bases set forth in the Motion establish just cause for the relief granted herein; and it appearing that the relief requested in the Motion is necessary to avoid immediate and irreparable harm to the Debtors and their estates as contemplated by Bankruptcy Rule 6003, and is in the best interests of the Debtors, their estates, creditors, and all parties in interest; and upon all of the proceedings had before the Court and after due deliberation and sufficient cause appearing therefor, it is

ORDERED that the Motion is granted on an interim basis to the extent set forth herein; and it is further

ORDERED that until such time as the Final Order is entered, all Utility Companies listed on **Exhibit 1** attached hereto are prohibited from altering, refusing, or discontinuing Utility Services or otherwise discriminating against the Debtors on account of any unpaid prepetition charges or any perceived inadequacy of the Debtors’ Proposed Adequate Assurance; and it is further

ORDERED that the Debtors shall deposit the Adequate Assurance Deposit in the amount of \$1.108 million in a newly segregated account for the benefit of the Utility Companies (the “**Utility Deposit Account**”) within 20 days after the Petition Date. The Utility Deposit Account shall be maintained at a bank or financial institution that is a party to a Uniform Depository Agreement (a “**UDA**”) with the office of the United States Trustee or that is immediately willing to execute such a UDA; and it is further

ORDERED that the following Objection Procedures are approved on an interim basis:

- a. Within two (2) business days after entry of this Interim Order, the Debtors will mail a copy of the Interim Order and the Motion (including the Proposed Final Order) to the Utility Companies on the Utility Services List.
- b. If a Utility Company is not satisfied with the Proposed Adequate Assurance, it must serve a written request (a “**Request**”) upon the proposed counsel to the Debtors: (i) Weil, Gotshal & Manges LLP, 767 Fifth Avenue, New York, New York 10153 (Attn: Garrett Fail, Esq. and Charles Persons, Esq.), (ii) counsel to the lenders under the Debtors’ proposed DIP Facility, (a) Paul, Weiss, Rifkind, Wharton & Garrison LLP, 1285 Avenue of the Americas, New York, NY 10019-6064 (Attn: Jeffrey D. Saferstein, Esq.) and (b) Paul, Weiss, Rifkind, Wharton & Garrison LLP, 2001 K Street, NW, Washington, DC 20006-1047 (Attn: Claudia R. Tobler, Esq.); and (iii) counsel to the agents and letter of credit issuer under the Debtors’ proposed DIP Facility, Shearman & Sterling LLP, 599 Lexington Avenue, New York, NY 10022 (Attn: Fredric Sosnick, Esq. and Ned S. Schodek, Esq.), and the Request must set forth: (1) the location(s) for which Utility Services are provided, (2) the account number(s) for such location(s), (3) the outstanding balance for each account, and (4) an explanation of why the Utility Company believes the Adequate Assurance Deposit is not adequate assurance of payment.
- c. If the Debtors, in consultation with the DIP Lenders, determine that a Request or any consensual agreement reached in connection therewith is reasonable, the Debtors, without further order of the Court, may enter into agreements granting additional adequate assurance to the Utility Company serving such Request and, in connection with such agreements, provide the Utility Company with additional adequate assurance of payment,

including payments on prepetition amounts owing, cash deposits, prepayments, or other forms of security.

- d. If the Debtors, in consultation with the DIP Lenders, determine that a Request is unreasonable, then they will, within 30 days after receipt of such Request, or such longer period as may be agreed to between the Debtors and the Utility Company, file a motion (the “**Determination Motion**”) pursuant to section 366(c)(3) of the Bankruptcy Code seeking a determination from the Court that the Proposed Adequate Assurance, plus any additional consideration offered by the Debtors, constitutes adequate assurance of payment. Pending notice and a hearing on the Determination Motion, the Utility Company that is the subject of the unresolved Request may not alter, refuse, or discontinue services to the Debtors; and it is further

ORDERED that the Adequate Assurance Deposit shall be deemed adequate assurance of payment, and any Utility Company that does not make a Request or otherwise comply with the Objection Procedures shall be prohibited from altering, refusing, or discontinuing Utility Services, including as a result of the Debtors’ failure to pay charges for prepetition Utility Services or to provide adequate assurance of payment in addition to the Proposed Adequate Assurance; and it is further

ORDERED that the Adequate Assurance Deposit shall automatically, without further Court order, be available to the Debtors upon the effective date of a chapter 11 plan of the Debtors; and it is further

ORDERED that the inclusion of any entity in, as well as any omission of any entity from, the Utility Services List shall not be deemed an admission by the Debtors that such entity is, or is not, a utility within the meaning of section 366 of the Bankruptcy Code, and the Debtors reserve all rights and defenses with respect thereto; and it is further

ORDERED that the Debtors are authorized to amend the Utility Services List to the extent the Debtors terminate the services of any Utility Company or identify additional Utility Companies. This Interim Order shall apply to any such Utility Company that is added to

the Utility Services List, provided that the Debtors shall (i) file any such amendment on the Court's docket and serve such amendment on any affected Utility Company and all other parties entitled to notice pursuant to Bankruptcy Rule 2002 and (ii) give prior written notice of any such amendment to counsel to the DIP Lenders; and it is further

ORDERED that the Debtors shall increase the amount of the Adequate Assurance Deposit in the event an additional Utility Company is added to the Utility Services List by an amount equal to two (2) weeks of Utility Services provided by such additional Utility Company, calculated using the historical average for such payments during the past 12 months; and it is further

ORDERED that the Debtors may terminate the services of any Utility Company and are authorized immediately to reduce the Adequate Assurance Deposit by the amount held on account of such terminated services; and it is further

ORDERED that the Debtors shall serve a copy of this Interim Order and the Motion upon any Utility Company added to the Utility Services List; and it is further

ORDERED that nothing contained in the Motion or this Interim Order, nor any payment made pursuant to the authority granted by this Interim Order is intended to be or shall be construed as (i) an admission as to the validity of any claim or lien against the Debtors, (ii) a waiver of the Debtors' or any appropriate party in interest's rights to dispute the amount of, basis for, or validity of any claim against the Debtors, (iii) a waiver of any claims or causes of action which may exist against any creditor or interest holder, or (iv) an approval, assumption, adoption, or rejection of any agreement, contract, lease, program, or policy between the Debtors and any third party under section 365 of the Bankruptcy Code; and it is further

ORDERED that notwithstanding entry of this Interim Order, nothing herein shall create, nor is intended to create, any rights in favor of or enhance the status of any claim held by, any party; and it is further

ORDERED that the requirements of Bankruptcy Rule 6003(b) have been satisfied; and it is further

ORDERED that under the circumstances of these chapter 11 cases, notice of the Motion is adequate under Bankruptcy Rule 6004(a); and it is further

ORDERED that notwithstanding Bankruptcy Rule 6004(h), this Interim Order shall be immediately effective and enforceable upon its entry; and it is further

ORDERED that the Debtors are authorized to take all action necessary to the relief granted in this Interim Order; and it is further

ORDERED that the Court shall retain jurisdiction to hear and determine all matters arising from or related to the implementation, interpretation, and/or enforcement of this Interim Order; and it is further

ORDERED that the Debtors shall serve this Interim Order within 48 hours of its entry via first class U.S. mail on the Notice Parties; and it is further

ORDERED that the Final Hearing to consider the relief requested in the Motion shall be held on _____, 2017 at _____ (Prevailing Eastern Time) and any objections or responses to the Motion shall be in writing, filed with the Court, and served upon (i) proposed counsel to the Debtors, Weil, Gotshal & Manges LLP, 767 Fifth Avenue, New York, New York 10153 (Attn: Gary T. Holtzer, Esq., Robert J. Lemons, Esq., and Garrett A. ORDERED that the Motion is granted as set forth herein, and it is further

ORDERED that the Proposed Adequate Assurance satisfies the requirements set forth in section 366 of the Bankruptcy Code; and it is further

ORDERED that any Utility Company not in compliance with the below Objection Procedures shall not be permitted to alter, refuse, or discontinue service or demand adequate assurance other than as provided in this Final Order. The Utility Deposit Account shall be maintained at a bank or financial institution that is a party to a Uniform Depository Agreement (a “UDA”) with the office of the United States Trustee or that is immediately willing to execute such a UDA.

- e. If a Utility Company is not satisfied with the Proposed Adequate Assurance, it must serve a written request (a “**Request**”) upon the proposed counsel to the Debtors: (i) Weil, Gotshal & Manges LLP, 767 Fifth Avenue, New York, New York 10153 (Attn: Garrett Fail, Esq. and Charles Persons, Esq.), (ii) counsel to the lenders under the Debtors’ proposed DIP Facility, (a) Paul, Weiss, Rifkind, Wharton & Garrison LLP, 1285 Avenue of the Americas, New York, NY 10019-6064 (Attn: Jeffrey D. Saferstein, Esq.) and (b) Paul, Weiss, Rifkind, Wharton & Garrison LLP, 2001 K Street, NW, Washington, DC 20006-1047 (Attn: Claudia R. Tobler, Esq.); and (iii) counsel to the agents and letter of credit issuer under the Debtors’ proposed DIP Facility, Shearman & Sterling LLP, 599 Lexington Avenue, New York, NY 10022 (Attn: Fredric Sosnick, Esq. and Ned S. Schodek, Esq.), and the Request must set forth: (1) the location(s) for which Utility Services are provided, (2) the account number(s) for such location(s), (3) the outstanding balance for each account, and (4) an explanation of why the Utility Company believes the Adequate Assurance Deposit is not adequate assurance of payment.
- f. If the Debtors, in consultation with the DIP Lenders, determine that a Request or any consensual agreement reached in connection therewith is reasonable, the Debtors, without further order of the Court, may enter into agreements granting additional adequate assurance to the Utility Company serving such Request and, in connection with such agreements, provide the Utility Company with additional adequate assurance of payment, including payments on prepetition amounts owing, cash deposits, prepayments, or other forms of security.
- g. If the Debtors, in consultation with the DIP Lenders, determine that a Request is unreasonable, then they will, within 30 days after receipt of such Request, or such longer period as may be agreed to between the Debtors and the Utility Company, file a motion (the “**Determination Motion**”) pursuant to section 366(c)(3) of the Bankruptcy Code seeking a determination from the Court that the Proposed Adequate Assurance, plus any additional consideration offered by the Debtors, constitutes adequate

assurance of payment. Pending notice and a hearing on the Determination Motion, the Utility Company that is the subject of the unresolved Request may not alter, refuse, or discontinue services to the Debtors; and it is further

ORDERED that the Adequate Assurance Deposit shall be deemed adequate assurance of payment, and any Utility Company that does not make a Request or otherwise comply with the Objection Procedures shall be prohibited from altering, refusing, or discontinuing Utility Services, including as a result of the Debtors' failure to pay charges for prepetition Utility Services or to provide adequate assurance of payment in addition to the Proposed Adequate Assurance; and it is further

ORDERED that the Adequate Assurance Deposit shall automatically, without further Court order, be available to the Debtors upon the effective date of a chapter 11 plan of the Debtors; and it is further

ORDERED that the inclusion of any entity in, as well as any omission of any entity from, the Utility Services List shall not be deemed an admission by the Debtors that such entity is, or is not, a utility within the meaning of section 366 of the Bankruptcy Code, and the Debtors reserve all rights and defenses with respect thereto; and it is further

ORDERED that the Debtors are authorized to amend the Utility Services List to the extent the Debtors terminate the services of any Utility Company or identify additional Utility Companies. This Order shall apply to any such Utility Company that is added to the Utility Services List, provided that the Debtors shall (i) file any such amendment on the Court's docket and serve such amendment on any affected Utility Company and all other parties entitled to notice pursuant to Bankruptcy Rule 2002 and (ii) give prior written notice of any such amendment to counsel to the DIP Lenders; and it is further

ORDERED that the Debtors shall increase the amount of the Adequate Assurance Deposit in the event an additional Utility Company is added to the Utility Services List by an amount equal to two (2) weeks of Utility Services provided by such additional Utility Company, calculated using the historical average for such payments during the past 12 months; and it is further

ORDERED that the Debtors may terminate the services of any Utility Company and are immediately authorized to reduce the Adequate Assurance Deposit by the amount held on account of such terminated Utility Services; and it is further

ORDERED that the Debtors shall serve a copy of the Motion and this Final Order upon any Utility Company added to the Utility Services List; and it is further

ORDERED that nothing contained in the Motion or this Final Order, nor any payment made pursuant to the authority granted by this Interim Order is intended to be or shall be construed as (i) an admission as to the validity of any claim or lien against the Debtors, (ii) a waiver of the Debtors' or any appropriate party in interest's rights to dispute the amount of, basis for, or validity of any claim against the Debtors, (iii) a waiver of any claims or causes of action which may exist against any creditor or interest holder, or (iv) an approval, assumption, adoption, or rejection of any agreement, contract, lease, program, or policy between the Debtors and any third party under section 365 of the Bankruptcy Code; and it is further

ORDERED that notwithstanding entry of this Final Order, nothing herein shall create, nor is intended to create, any rights in favor of or enhance the status of any claim held by, any party; and it is further

ORDERED that under the circumstances of these chapter 11 cases, notice of the Motion is adequate under Bankruptcy Rule 6004(a); and it is further

ORDERED that notwithstanding Bankruptcy Rule 6004(h), this Final Order shall be immediately effective and enforceable upon its entry; and it is further

ORDERED that the Debtors are authorized to take all action necessary to the relief granted in this Final Order; and it is further

ORDERED that the Court shall retain jurisdiction to hear and determine all matters arising from or related to the implementation, interpretation, and/or enforcement of this Final Order.
