title 11 of the United States Code (the “**Bankruptcy Code**”) in the United States Bankruptcy Court for the Southern District of New York (the “**Bankruptcy Court**”).

2. **Chapter 11 Plan.** On February 22, 2018, the Debtors filed the *Modified First Amended Joint Chapter 11 Plan of Reorganization* [ECF No. 2622] (as may be amended, modified, or supplemented, the “**Plan**”),² pursuant to which the businesses of the Debtors will be transferred (the “**Transaction**”) to Brookfield WEC Holdings LLC (the “**Plan Investor**”) in accordance with that certain *Plan Funding Agreement* dated as of January 12, 2018, annexed to the Plan as Exhibit A (as amended, restated, modified, superseded or supplemented from time to time, the “**PFA**”).

3. **Potential Assumption, Assignment, or Rejection of Contracts.** In accordance with the Transaction, until five (5) Business Days prior to the anticipated Closing Date (under and as defined in the PFA), the Plan Investor may designate *any* of the Debtors’ executory contracts and unexpired leases (the “**Contracts**”), including those identified on **Exhibit A** hereto, for assumption by the Debtors on the date the Plan becomes effective (the “**Effective Date**”). The Contracts may also be (I) assumed by the Debtors and assigned to Wind Down Co (as defined in the Plan) or (II) rejected. Moreover, if the form of the Transaction changes to an Asset Sale (as defined in paragraph 14 herein), the Debtors may assume and assign any executory contract or unexpired lease to the Plan Investor or its designee as part of a sale under section 363 of the Bankruptcy Code. No later than March 22, 2018, the Debtors will file one or more written notices attaching schedules identifying (a) the Contracts to be assumed on the Effective Date, and (b) the Contracts to be assumed and assigned by the Debtors to Wind Down Co on the Effective Date.³ Pursuant to section 9.1 of the Plan, any Contracts that are not assumed by the Debtors prior to or on the Effective Date will be deemed rejected on the Effective Date. Until five (5) Business Days prior to the anticipated Closing Date, Contracts may be added to or removed from any of the schedules by filing supplemental notices, which will be deemed to update any previously filed notices.

4. **Notice of Undisclosed Contracts.** Pursuant to the Bankruptcy Court’s order approving, in part, procedures for the assumption and assignment of executory contracts, entered on February 22, 2018 [ECF No. 2632], the Debtors are required to file and serve a supplemental cure notice on the counterparty to any executory contract or unexpired lease not previously disclosed on the Cure Notice.⁴

² The Plan and related materials are on file with the Bankruptcy Court and can be found on the case website of the Debtors’ noticing agent, Kurtzman Carson Consultants LLC (“**KCC**”), <http://www.kccllc.net/westinghouse>. In addition, a copy of the Plan will be provided on request at no charge by contacting KCC at calling (877) 634-7177 (domestic toll-free) or (424) 236-7223 (international) or emailing (WestinghouseInfo@kccllc.com).

³ Alternatively, in the event of an Asset Sale, as described in paragraph 14 herein, the notice will attach a schedule identifying the Contracts to be assumed and assigned to Plan Investor.

⁴ On February 23, 2018, the Debtors filed the *Notice Regarding (I) Executory Contracts and Unexpired Leases, (II) Proposed Cure Obligations, and (III) Related Procedures* [ECF No. 2645] (as supplemented by the *First Supplemental Notice Regarding (I) Executory Contracts and Unexpired Leases, (II) Proposed Cure Obligations, and (III) Related Procedures* [ECF No. 2757] and the *Second Supplemental Notice Regarding (I) Executory Contracts and Unexpired Leases, (II) Proposed Cure Obligations, and (III) Related Procedures* [ECF No. 2873], the “**Cure Notice**”).

5. **Proposed Cure.** Section 365(b)(1)(A) of the Bankruptcy Code requires that the Debtors cure or provide adequate assurance that they will promptly cure defaults under the Contracts at the time of assumption. The Debtors' determination of the amounts required to cure any prepetition defaults under the Contracts (the "**Cure Obligations**") are set forth on Exhibit A.⁵

6. **Adequate Assurance Information.** Information intended to provide the counterparties to the Contracts with adequate assurance of future performance and to support the Debtors' ability to comply with the requirements of adequate assurance of future performance, including the Debtors' financial wherewithal and willingness to perform under the Contracts, is annexed hereto as **Exhibit B.**

7. **Consensual Resolution of Disputes.** The Debtors request that if you dispute the assumption of a Contract, or a Cure Obligation, you contact the Debtors prior to the Objection Deadline (as defined below) to attempt to resolve such dispute consensually. The Debtors' contact for such matters is westinghouse@alixpartners.com. If such dispute cannot be resolved consensually prior to the Objection Deadline (as the same may be extended by agreement of the Debtors), you must file and serve an Objection as set forth in paragraph 8 hereof to preserve your right to object to the assumption, assignment, rejection, or Cure Obligation related to your Contract(s).

8. **Deadline to Respond to Proposed Assumption, Assignment, or Rejection.** If you wish to object to (I) the assumption of a Contract, including (a) the ability of the Debtors (or (i) Wind Down Co, with respect to Contracts to be assumed and assigned to Wind Down Co, or (ii) the Plan Investor, in the event of a Conversion Event) to provide adequate assurance of future performance under such Contract, or (b) the Debtors' calculation of the Cure Obligation with respect to such Contract, (II) the assignment of such Contract (either to Wind Down Co or, if the Transaction is converted to an Asset Sale, the Plan Investor or its designee), or (III) the rejection of a Contract, you must file a written objection (an "**Objection**") that (1) identifies the applicable Contract, and (2) sets forth in detail the basis for such Objection, together with all supporting documentation, so that it is actually received no later than **April 4, 2018 at 4:00 p.m. (Prevailing Eastern Time)** (the "**Objection Deadline**"). Objections must conform to the Federal Rules of Bankruptcy Procedure and the Local Bankruptcy Rules for the Southern District of New York, and must be filed with the Bankruptcy Court (a) by registered users of the Bankruptcy Court's case filing system, electronically in accordance with General Order M-399 (which can be found at <http://www.nysb.uscourts.gov>), and (b) by all other parties in interest, on a CD-ROM, in text-searchable portable document format (PDF) (with a hard copy delivered directly to the Chambers

⁵ The Debtors have been paying their postpetition obligations as they have come due in the ordinary course of their business. Accordingly, any unpaid postpetition obligations are not included in the Cure Obligations listed in Exhibit A, hereto. The Debtors intend to pay such amounts in the ordinary course of business.

Unless you properly and timely file and serve an Objection by the Objection Deadline with respect to your Contract, you will be deemed to have assented to (I) the assumption of such contract or lease on the Effective Date, (II) the Cure Obligation specified in the Cure Notice with respect to such Contract, (III) the assignment of such Contract to Wind Down Co or, as applicable, if the Transaction converts to an Asset Sale, the Plan Investor or its designee, and (IV) the rejection of such Contract; and the Cure Obligation specified on Exhibit A shall be the Cure Obligation and shall be deemed to satisfy in full any prepetition obligations the Debtor might have with respect to such Contract(s) under section 365(b) of the Bankruptcy Code, without further notice, hearing, or order of the Bankruptcy Court. To the extent you are party to more than one Contract, an Objection with respect to one Contract shall have no impact on the other Contract(s) to which you are a party for which no Objection has been filed and served.

9. **Notice of Treatment of Contract.** No later than March 22, 2018, the Debtors will file with the Bankruptcy Court, and serve, one or more written notices (each, a “**Notice of Schedules of Executory Contracts**”) on each applicable non-debtor counterparty, attaching schedules of (I) Contracts to be assumed by the Reorganized Debtors (as defined in the Plan) on the Effective Date (the “**Schedule of Assumed Contracts**”), and (II) Contracts to be assumed and assigned by the Debtors to Wind Down Co on the Effective Date (the “**Schedule of Assigned**

Contracts”). Alternatively, in the event the Transaction converts to an Asset Sale, the Notice of Schedules of Executory Contracts will attach a schedule of Executory Contracts and Unexpired Leases to be assumed and assigned to the Plan Investor or its designee.

10. **Amendment of Treatment.** Executory Contracts and Unexpired Leases may be added to or removed from any of the foregoing schedules by filing supplemental Notices of Schedules of Executory Contracts up until five (5) Business Days before the anticipated Closing Date, and any previously filed Notice of Schedules of Executory Contract or schedules shall be deemed to be updated accordingly.

11. **Payment of Cure.** Upon assumption of a Contract, your recourse with respect to Cure Obligations will be limited to Wind Down Co, and the Reorganized Debtors will have no liability therefor.

12. **Hearing.** If an Objection is properly filed and served as specified above, the Debtors will schedule a hearing to consider the Objection. If an Objection relates solely to the Cure Obligation, the Debtors may assume the applicable Contract prior to the resolution of the Objection, and Wind Down Co will reserve cash in an amount sufficient to pay the full amount reasonably asserted as the required Cure Obligation by the non-Debtor party to such Contract (or such smaller amount as may be fixed or estimated by the Bankruptcy Court or otherwise agreed to by such applicable parties).

13. **Reservation of Rights.** Subject to the terms of the PFA, the Debtors and Reorganized Debtors, as applicable, reserve the right (I) to seek to reject any Contract at any time before the assumption or Cure Obligation with respect to such Contract is determined by a final order of the Bankruptcy Court, and (II) if a final order of the Bankruptcy Court is entered resolving an Objection as to a Cure Obligation such that the Cure Obligation is in an amount different from the Cure Obligation set forth on Exhibit A hereto, to seek to reject such Contract thereafter.

14. **Payment of Cure Obligation.** Any Cure Obligation shall be paid as soon as reasonably practicable following the Effective Date or entry of a separate final order approving the assumption of the respective Contract. Upon payment in full of the Cure Obligation, any proofs of claim based upon such Contract(s) shall be deemed disallowed and expunged.

15. **Application in an Asset Sale.** Pursuant to the PFA, if (a) confirmation of the Plan does not occur on or before March 31, 2018, or (b) the Debtors and Plan Investor mutually agree, then the proposed sale of the Debtors’ businesses to the Plan Investor shall convert to a proposed sale of all or substantially all of the assets of the Debtors pursuant to section 363 of the Bankruptcy Code (an “**Asset Sale**”), and the Debtors will schedule a Bankruptcy Court hearing to approve the Asset Sale. If the proposed transaction converts to an Asset Sale, the Contracts may be assumed and assigned to Plan Investor in accordance with the procedures described herein, and the Objection Deadline and other procedures herein shall continue to apply.

Exhibit B

Statement of Adequate Assurance

The Debtors have been operating their businesses and performing their obligations under their Executory Contracts and Unexpired Leases in the ordinary course of business since the Petition Date, as well as prior thereto. Accordingly, the Debtors have proven their ability to perform under their Executory Contracts and Unexpired Leases.

Assumption of an Executory Contract is conditioned upon closing of a transaction pursuant to which Brookfield WEC Holdings LLC (the “**Plan Investor**”) will acquire the businesses of the Debtors for an agreed cash purchase price of \$3.802 billion. Conditions precedent to the effectiveness of the transaction include various regulatory and governmental approvals, which consider the adequacy of the oversight and financial condition of the Reorganized Debtors.

The Plan Investor is an affiliate of Brookfield Business Partners L.P. (“**Brookfield**”). Brookfield’s latest annual financial report can be found at:
