Case No. 19-22312 (RDD)

(Jointly Administered)

**GLOBAL NOTES, METHODOLOGY, AND SPECIFIC
DISCLOSURES REGARDING THE DEBTORS' SCHEDULES OF
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

INTRODUCTION

Windstream Holdings, Inc. ("Windstream") and its debtor affiliates, as debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, the "Debtors"), with the assistance of their advisors, have filed their respective Schedules of Assets and Liabilities (the "Schedules") and Statements of Financial Affairs (the "Statements" and together with the Schedules, the "Schedules and Statements") with the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court"), under section 521 of title 11 of the United States Code (the "Bankruptcy Code"). Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), and Rule 1007-1 of the Bankruptcy Local Rules for the Southern District of New York (the "Local Rules").

These *Global Notes, Methodology, and Specific Disclosures Regarding the Debtors' Schedules of Assets and Liabilities and Statements of Financial Affairs* (the "Global Notes")

¹ The last four digits of Debtor Windstream Holdings, Inc.'s tax identification number are 7717. Due to the large number of Debtors in these chapter 11 cases, for which joint administration has been granted, a complete list of the debtor entities and the last four digits of their federal tax identification numbers is not provided herein. A complete list of such information may be obtained on the website of the Debtors' claims and noticing agent at <http://www.kccllc.net/windstream>. The location of the Debtors' service address for purposes of these chapter 11 cases is: 4001 North Rodney Parham Road, Little Rock, Arkansas 72212.

pertain to, are incorporated by reference in, and comprise an integral part of all of the Debtors' Schedules and Statements. The Global Notes should be referred to, considered, and reviewed in connection with any review of the Schedules and Statements.

The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States ("GAAP"), nor are they intended to be fully reconciled with the financial statements of each Debtor. Additionally, the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment and reflects the Debtors' reasonable efforts to report the assets and liabilities of each Debtor on an unconsolidated basis.

The Debtors and their agents, attorneys, and advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. While reasonable efforts have been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtors and their agents, attorneys, and advisors expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided herein, or to notify any third party should the information be updated, modified, revised, or re-categorized. In no event shall the Debtors or their agents, attorneys, and advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys, and advisors are advised of the possibility of such damages.

Mr. Robert Gunderman, Chief Financial Officer and Treasurer, has signed each of the Schedules and Statements. Mr. Gunderman is an authorized signatory for each of the Debtors. In reviewing and signing the Schedules and Statements, Mr. Gunderman necessarily has relied upon the efforts, statements, and representations of various personnel employed by the Debtors and their advisors. Mr. Gunderman has not (and could not have) personally verified the accuracy of each statement and representation contained in the Schedules and Statements, including statements and representations concerning amounts owed to creditors, classification of such amounts, and creditor addresses.

Global Notes and Overview of Methodology

1. **Reservation of Rights.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements, but inadvertent errors or omissions may exist. The Debtors reserve all rights to: (i) amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including the right to amend the Schedules and Statements with respect to the description, designation, or Debtor against which any claim against a Debtor ("Claim")² is asserted; (ii) dispute or otherwise assert offsets or defenses to any Claim reflected in the Schedules and Statements as to

² For the purposes of these Global Notes, the term Claim shall have the meaning as defined under section 101(5) of the Bankruptcy Code.

amount, liability, priority, status, or classification; (iii) subsequently designate any Claim as “disputed,” “contingent,” or “unliquidated,” or (iv) object to the extent, validity, enforceability, priority, or avoidability of any Claim (regardless of whether of such Claim is designated in the Schedules and Statements as “disputed,” “contingent,” or “unliquidated”). Any failure to designate a Claim in the Schedules and Statements as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the Debtors that such Claim or amount is not “disputed,” “contingent,” or “unliquidated.” Listing a Claim does not constitute an admission of liability by the Debtor against which the Claim is listed or against any of the Debtors. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to the Debtors’ chapter 11 cases, including, issues involving Claims, substantive consolidation, defenses, equitable subordination, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation or rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph. Notwithstanding the foregoing, the Debtors shall not be required to update the Schedules and Statements.

2. **Description of Cases and “As Of” Information Date.** On February 25, 2019 (the “Petition Date”), the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code.

The liability information provided herein represents the liability data of the Debtors as of the Petition Date and the asset information provided herein represents the asset data of the Debtors as of February 28, 2019, except as otherwise noted.

3. **Net Book Value of Assets and Liabilities.** Unless otherwise indicated, liabilities on the Debtors’ Schedules and Statements reflect net book values as of the Petition Date and assets reflect net book values as of February 28, 2019. The book values of certain assets may materially differ from their fair market values and/or the Debtors’ enterprise valuation that will be prepared in connection with the disclosure statement to the Debtors’ chapter 11 plan of reorganization. For the avoidance of doubt, nothing contained in the Schedules and Statements is indicative of the Debtors’ enterprise value.

Book values of assets prepared in accordance with GAAP generally do not reflect the current performance of the assets or the impact of the industry environment and may differ materially from the actual value and/or performance of the underlying assets.

4. **Recharacterization.** Notwithstanding the Debtors’ reasonable efforts to properly characterize, classify, categorize, or designate certain Claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtors may nevertheless have improperly characterized, classified, categorized, designated, or omitted certain items due to the complexity and size of the Debtors’ businesses. Accordingly, the Debtors reserve all rights to recharacterize, reclassify, recategorize, redesignate, add, or delete items reported in the Schedules and Statements at a later time as is necessary or appropriate as additional information becomes available, including,

whether contracts or leases listed herein were deemed executory or unexpired as of the Petition Date and remain executory and unexpired postpetition.

5. **Liabilities.** The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change. Accordingly, the Debtors reserve all of their rights to amend, supplement, or otherwise modify the Schedules and Statements as is necessary or appropriate.
6. **Excluded Assets and Liabilities.** The Debtors have excluded certain categories of assets, tax accruals, and liabilities from the Schedules and Statements, including goodwill, accrued salaries, employee benefit accruals, and accrued accounts payable. The Debtors also have excluded rejection damage Claims of counterparties to executory contracts and unexpired leases that may or may not be rejected, to the extent such damage Claims exist. The Debtors have also excluded unbilled receivables and allowances for doubtful accounts. The Debtors also have excluded worker's compensation Claims to maintain the privacy of the claimants. In addition, certain immaterial assets and liabilities may have been excluded.

The Bankruptcy Court has authorized (but not directed) the Debtors to pay, in their discretion, certain outstanding Claims on a postpetition basis. As discussed below, prepetition liabilities that the Debtors have paid postpetition or those which the Debtors plan to pay in accordance this authorization may not be listed in the Schedules and Statements.

7. **Insiders.** For purposes of the Schedules and Statements, the Debtors defined "insiders" pursuant to section 101(31) of the Bankruptcy Code as: (a) directors; (b) officers; (c) persons in control of the Debtors; (d) relatives of the Debtors' directors, officers, or persons in control of the Debtors; and (e) Debtor affiliates of the foregoing. Persons listed as "insiders" have been included for informational purposes only, and, by including them in the Schedules, shall not constitute an admission that those persons are insiders for purposes of section 101(31) of the Bankruptcy Code. Moreover, the Debtors do not take any position with respect to: (a) any insider's control of the Debtors; (b) the management responsibilities or functions of any such insider; (c) the decision making or corporate authority of any such insider; or (d) whether the Debtors or any such insider could successfully argue that he or she is not an "insider" under applicable law or with respect to any theories of liability or for any other purpose.
8. **Personally Identifiable Information.** The Debtors collect a limited amount of information about customers via their website, portals, and mobile apps, over the telephone or in person, in order to provide services to customers and inform them of new products and services. The Debtors also collect personally identifiable information from third parties (such as credit agencies) with customer permission. Examples of the types of information collected by the Debtors include name, mailing address, telephone number, email address, credit card number, social security number, personal identification numbers,

among others. The Debtors retain such information only as long as is necessary for the Debtors to comply with business, tax, and legal requirements.

9. **Intellectual Property Rights.** Exclusion of certain intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. The Debtors have made every effort to attribute intellectual property to the rightful Debtor owner, however, in some instances intellectual property owned by one Debtor may, in fact, be owned by another. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all such intellectual property rights.
10. **Executory Contracts.** Although the Debtors have made reasonable efforts to attribute an executory contract to its rightful Debtor, in certain instances, the Debtors may have inadvertently failed to do so due to the complexity and size of the Debtors' businesses. Accordingly, the Debtors reserve all rights with respect to the named parties of any and all executory contracts, including the right to amend Schedule G for any Debtor.
11. **Classifications.** Listing (a) a Claim on Schedule D as "secured;" (b) a Claim on Schedule E/F as "priority;" (c) a Claim on Schedule E/F as "unsecured;" or (d) a contract on Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtors of the legal rights of the claimant or a waiver of the Debtors' rights to recharacterize or reclassify such Claims or contracts or to setoff of such Claims.
12. **Claims Description.** Schedules D and E/F permit each of the Debtors to designate a Claim as "disputed," "contingent," and/or "unliquidated." Any failure to designate a Claim on a given Debtor's Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by that Debtor that such amount is not "disputed," "contingent," or "unliquidated," or that such Claim is not subject to objection. The Debtors reserve all of their rights to dispute, or assert offsets or defenses to, any Claim reflected on their respective Schedules and Statements on any grounds, including liability or classification. Additionally, the Debtors expressly reserve all of their rights to subsequently designate such Claims as "disputed," "contingent," or "unliquidated." Moreover, listing a Claim does not constitute an admission of liability by the Debtors.
13. **Causes of Action.** Despite their reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third parties as assets in the Schedules and Statements, including causes of action that are required to be kept confidential and causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. The Debtors reserve all of their rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross claim, counterclaim, or recoupment and any claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation,

liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law (collectively, “Causes of Action”) they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any claims or Causes of Action or in any way prejudice or impair the assertion of such claims or Causes of Action.

14. **Summary of Significant Reporting Policies.** The following is a summary of significant reporting policies:

- **Undetermined Amounts.** The description of an amount as “unknown,” “TBD,” or “undetermined” is not intended to reflect upon the materiality of such amount.
- **Totals.** All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.
- **Paid Claims.** The Debtors were authorized (but not directed) to pay certain outstanding prepetition Claims pursuant to various orders entered by the Bankruptcy Court. Accordingly, certain outstanding liabilities that have been reduced by postpetition payments made on account of prepetition liabilities have been designated as either contingent or unliquidated. To the extent the Debtors pay any of the Claims listed in the Schedules and Statements pursuant to any orders entered by the Bankruptcy Court, the Debtors reserve all of their rights to amend or supplement the Schedules and Statements or take other action as is necessary or appropriate to avoid over-payment of or duplicate payments for any such liabilities.
- **Unknown Debtors.** In certain instances, certain contracts or other relevant documents may not specify a particular Debtor or Debtors or may include the incorrect legal entity as the contractual counterparty. In these instances, responses have been listed in the appropriate Statement or Schedule at Windstream Services, LLC out of an abundance of caution.
- **Liens.** Property and equipment listed in the Schedules and Statements are presented without consideration of any liens that may attach (or have attached) to such property and equipment.

15. **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. Dollars. Currency conversions are generally as of the Petition Date.

16. **Intercompany Payables and Receivables.** Intercompany payables and receivables between the Debtors as of the Petition Date are set forth on Schedule E/F or Schedule A/B.77, as applicable.

As described more fully in the Debtors ‘*Motion for Entry of Interim and Final Orders Authorizing the Debtors to Continue (I) to Operate Their Cash Management System,*

Honor Certain Prepetition Obligations Related Thereto, and Maintain Existing Business Forms and (II) Their Intercompany Transactions [Docket No. 13] (the “Cash Management Motion”), the Debtors engage in a range of intercompany transactions in the ordinary course of business. Pursuant to the order granting the relief requested in the Cash Management Motion [Docket No. 382] (the “Cash Management Order”), the Bankruptcy Court has granted the Debtors authority to continue the intercompany transactions in the ordinary course of business. Thus, intercompany balances as of the Petition Date, as set forth in Schedule E/G or Schedule A/B.77 may not accurately reflect current positions.

The listing by the Debtors of any account between a Debtor and another Debtor is a statement of what appears in a particular Debtor’s books and records and does not reflect any admission or conclusion of the Debtors regarding the allowance, classification, characterization, validity, or priority of such account. The Debtors take no position in these Schedules and Statements as to whether such accounts would be allowed as a Claim, an Interest, or not allowed at all. The Debtors reserve all rights with respect to such accounts.

17. **Setoffs.** The Debtors periodically incur certain setoffs in the ordinary course of business.

Setoffs in the ordinary course can result from various items including, but not limited to, intercompany transactions, pricing discrepancies, returns, warranties, credits, refunds, negotiations, and/or disputes between Debtors and their vendors or customers regarding regulatory or governmental impositions costs incurred by Debtors, and other disputes between the Debtors and their customers and/or suppliers. These normal setoffs are consistent with the ordinary course of business in the Debtors’ industry and can be particularly voluminous, making it unduly burdensome and costly for the Debtors to list such ordinary course setoffs. Therefore, although such setoffs and other similar rights may have been accounted for when scheduling certain amounts, these ordinary course setoffs are not independently accounted for, and as such, are or may be excluded from the Debtors’ Schedules and Statements.

18. **Global Notes Control.** In the event that the Schedules and Statements differ from these Global Notes, the Global Notes shall control.

19. **Certain Matters Related to Uniti Group, Inc.** The Debtors have scheduled certain contracts, leases, or other documents to which certain of the Debtors and Uniti Group, Inc. (or its predecessors, successors, or affiliates) may be party. Such disclosure is for informational purposes only and all of the Debtors’ rights with respect to the characterization of any contract of other document are reserved. Moreover, the Debtors’ rights with respect to any claims against or assets of the Debtors’ estates held by Uniti Group, Inc. (or its predecessors, successors, or affiliates) are reserved, whether or not such claims or assets are disclosed in the Schedules.

Specific Disclosures with Respect to the Debtors’ Schedules

Schedules Summary. Except as otherwise noted, the asset and liability information provided herein represents the Debtors’ liabilities as of the Petition Date and the Debtors’ assets as of February 28, 2019.

For financial reporting purposes, the Debtors ordinarily prepare consolidated financial statements. Unlike the consolidated financial statements, the Schedules reflect the assets and liabilities of each Debtor on a nonconsolidated basis, except where otherwise indicated. Accordingly, the totals listed in the Schedules will likely differ, at times materially, from the consolidated financial reports prepared by the Debtors for financial reporting purposes or otherwise.

The Schedules do not purport to represent financial statements prepared in accordance with GAAP, nor are they intended to be fully reconciled with the financial statements of each Debtor. Certain write-downs, impairments, and other accounting adjustments may not be reflected in the Schedules. Additionally, the Schedules contain unaudited information that is subject to further review and potential adjustment, and reflect the Debtors' reasonable best efforts to report the assets and liabilities of each Debtor on an unconsolidated basis. Moreover, given, among other things, the uncertainty surrounding the collection and ownership of certain assets and the valuation and nature of certain liabilities, to the extent that a Debtor shows more assets than liabilities, this is not an admission that the Debtor was solvent as of the Petition Date or at any time before the Petition Date. Likewise, to the extent a Debtor shows more liabilities than assets, this is not an admission that the Debtor was insolvent as of the Petition Date or at any time before the Petition Date.

Schedule A/B.2. Schedule A/B.2 of Windstream Holdings, Inc. lists any claims or other assets held by or otherwise related to Uniti Group, Inc. or any of its predecessors, successors, or affiliates. Other Debtors may hold similar assets, but such assets are disclosed on the Schedules of Windstream Holdings, Inc. for informational purposes and are not listed on the Schedules of those Debtors that may hold similar assets. The Debtors reserve all rights to assert such claims or recover such assets notwithstanding these disclosures or lack of disclosures at specific Debtor entities in the Schedules.

Schedule A/B.3. The bank account balances listed are as of February 28, 2019 and may vary from book balances. While certain individual accounts may be listed in Schedule A/B.3 with a negative balance, the Debtors and their banks view the cash pool as a single aggregated system which has a net positive balance.

Schedule A/B.11. Accounts receivable aging is reported at intervals of 0-90 days and over 90 days as of February 28, 2019.

Schedule A/B.15. Equity interests in subsidiaries and affiliates primarily arise from common stock ownership or member or partnership interests. For purposes of these Schedules, the Debtors have listed an undetermined value for the equity interests of all subsidiaries and affiliates. Nothing in these Schedules is an admission or conclusion of the Debtors regarding the value of such subsidiary and affiliate equity interests, which, under certain fair market or enterprise valuation analyses, may have value. The book values of certain assets may materially differ from their fair market values and/or the Debtors' enterprise valuation to be prepared in connection with the Disclosure Statement.

Book values of assets prepared in accordance with GAAP generally do not reflect the current performance of the assets or the impact of the industry environment and may differ materially from the actual value and/or performance of the underlying assets. As such, the value listed in these

Schedules and Statements cannot be, and was not, used to determine the Debtors' enterprise valuation.

Schedule A/B.77. The listing by the Debtors of any account between a Debtor and another Debtor is a statement of what appears in a particular Debtor's books and records and does not reflect any admission or conclusion of the Debtors regarding the allowance, classification, characterization, validity, or priority of such account. The Debtors take no position in these Schedules and Statements as to whether such accounts would be allowed as a Claim, an Interest, or not allowed at all. The Debtors and all parties in interest reserve all rights with respect to such accounts.

Schedule D. The Debtors have not included parties that may believe their Claims are secured through setoff rights, inchoate statutory lien rights, or other lien rights created by the laws of the various jurisdictions in which the Debtors operate. Various Debtors are borrowers, and certain of the other Debtors are guarantors, under prepetition secured funded debt obligations. Although there are numerous beneficial holders of such debt, only the administrative agents have been listed for purposes of Schedule D, where applicable. The amounts outstanding under the Debtors' prepetition secured debt reflect approximate amounts as of the Petition Date.

Descriptions provided on Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens.

Schedule E/F. The listing by the Debtors of any account between a Debtor and another Debtor is a statement of what appears in a particular Debtor's books and records and does not reflect any admission or conclusion of the Debtors regarding the allowance, classification, characterization, validity, or priority of such account. The Debtors take no position in these Schedules and Statements as to whether such accounts would be allowed as a Claim, an Interest, or not allowed at all. The Debtors and all parties in interest reserve all rights with respect to such accounts. Various Debtors are borrowers, and certain of the other Debtors are guarantors, under prepetition funded obligations. Although there are numerous beneficial holders of such debt, only the administrative agents and indenture trustees, as applicable, have been listed for purposes of Schedule E/F, where applicable.

The claims of individual creditors for, among other things, goods, products, services, or taxes are listed as the amounts entered on the Debtors' books and records and may not reflect credits, allowances, or other adjustments due from such creditors to the Debtors. The Debtors reserve all of their rights with regard to such credits, allowances, and other adjustments, including the right to assert claims objections and/or setoffs with respect to the same.

Under the *Final Order Authorizing the Payment of Certain Taxes and Fees* [Docket No. 385] (the "Tax Order"), the Bankruptcy Court granted the Debtors authority to pay the prepetition Claims of regulatory authorities on account of taxes and fees. The amounts accrued and payable on account of such Claims may not be reflected on the Schedule E/F.

Under the *Final Order Authorizing the Debtors to Pay Certain Prepetition Claims of (I) Critical Vendors, (II) Lien Claimants, and (III) Section 503(b)(9) Claimants in the Ordinary Course of Business on a Postpetition Basis* [Docket No. 377] (the "Supplier Order"), the Bankruptcy Court

granted the Debtors authority to pay the prepetition Claims of certain Specified Trade Claimants, as defined in the Supplier Order. To the extent the claim of a Specified Trade Claimant may be paid under the Supplier Order, but remains outstanding at the time of the filing of the Schedules, such claim may be listed in the Schedules as a contingent claim.

Under the *Final Order Authorizing the Debtors to (I) Pay Prepetition Wages, Salaries, Other Compensation, and Reimbursable Expenses and (II) Continue Employee Benefits Programs* [Docket No. 378] (the “Wages Order”), the Bankruptcy Court granted the Debtors authority to pay or honor certain prepetition obligations for employee wages, salaries, and other compensation, reimbursable employee expenses, and employee medical and similar benefits. The Debtors have not listed on Schedule E/F any wage or wage-related obligations for which the Debtors have been granted authority to pay pursuant to any order that has been entered by the Bankruptcy Court. The Debtors believe that all such claims have been, or will be, satisfied in the ordinary course during their chapter 11 cases pursuant to the authority granted in the Wages Order.

Schedule E/F does not include certain deferred charges, deferred liabilities, accruals, or general reserves. Such amounts are, however, reflected on the Debtors’ books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific Claims as of the Petition Date. The Debtors have made every effort to include as contingent, unliquidated, or disputed the Claim of any vendor not included on the Debtors’ open accounts payable that is associated with an account that has an accrual or receipt not invoiced. Further, in addition to the items listed in Schedule E/F, certain of the Debtors, from time to time, provide performance guarantees of obligations of certain other Debtors or Debtor affiliates in connection with various contractual obligations, which may not be listed in the Schedules.

Where applicable, the amounts listed in Schedule F take into account credits and overpayments owed to the Debtors.

Unclaimed property checks are not listed on the Schedules due to their voluminous nature.

Schedule G. Although reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, inadvertent errors, omissions or overinclusion may have occurred in preparing Schedule G. Certain of the instruments reflected on Schedule G may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties, and obligations are not separately set forth on Schedule G. The Debtors hereby expressly reserve the right to assert that any instrument listed on Schedule G is an executory contract within the meaning of section 365 of the Bankruptcy Code. The Debtors reserve all of their rights, claims, and causes of action with respect to claims associated with any contracts and agreements listed on Schedule A/B, including their right to dispute or challenge the characterization or the structure of any transaction, document, or instrument (including any intercompany agreement) related to a creditor’s claim.

Certain confidentiality, hold harmless, and non-compete agreements may not be listed on Schedule G. In addition, agreements and underlying documentation related to the Debtors’ prepetition debt is not included in Schedule G. The Debtors reserve all of their rights with respect to such agreements.

Certain of the contracts and agreements listed on Schedule G may consist of several parts, including, purchase orders, amendments, restatements, waivers, letters, and other documents that may not be listed on Schedule G or that may be listed as a single entry.

The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments, and agreements that may not be listed therein despite the Debtors' use of reasonable efforts to identify such documents. Further, unless otherwise specified on Schedule G, the Debtors have made reasonable efforts to ensure that each executory contract or unexpired lease listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is listed thereon. In some cases, the same supplier or provider appears multiple times on Schedule G. This multiple listing is intended to reflect distinct agreements between the applicable Debtor and such supplier or provider.

Customer agreements are excluded from Schedule G due to their voluminous nature and in order to protect the Debtors' trade secrets.

Schedule H. Although there are multiple beneficial holders of the Debtors' prepetition debt, only the administrative agents and indenture trustees have been listed on Schedule H. Potential co-Debtor relationships in litigation and contracts (if any) are excluded from Schedule H.

Specific Disclosures with Respect to the Debtors' Statements

Statement 2. For financial reporting purposes, the Debtors historically prepare consolidated financial statements. Unlike those consolidated financial statements, Statement 2 reflects the non-business revenue of each Debtor on a nonconsolidated basis. Accordingly, non-business revenue reported for individual Debtors may be shown in the Statements as revenue for that Debtor, whereas on a consolidated basis, may be shown as a net expense.

Statement 3. In Statement 3, disbursements made on account of multiple invoices may be reflected as a single payment.

All disbursements listed in Statement 3 are made through the Debtors' cash management system, more fully described in the Cash Management Motion. Dates listed in Statement 3 reflect the dates upon which the Debtor transferred funds to the relevant payee or disbursing agent. Certain disbursements may be excluded from Statement 3, including expense reimbursements to employees, payroll funding, payments to benefits providers, payments on behalf of non-affiliate companies, disbursement to retained professionals (reported elsewhere), and certain de minimis regional disbursements.

In the ordinary course of business, the Debtors provide their employees with a comprehensive suite of compensation and benefits, including salaries, wages, overtime, commissions, short term cash payments, long term cash payments, certain ordinary course retention payments and other similar payments, a range of health, dental, and other benefits, as well as salaries, wages, and commissions

paid on regularly scheduled pay periods or sales periods. Long and short term cash payments are guaranteed time based cash payments paid quarterly or over a number of years, depending on the program. Ordinary-course retention payments are similarly paid upon completion of an applicable period. As disclosed in the *Debtors' Motion for Interim and Final Orders Authorizing the Debtors to (I) Pay Prepetition Wages, Salaries, Other Compensation, and Reimbursable Expenses and (II) Continue Employee Benefits Programs* [Docket No. 18], the Debtors have historically paid approximately \$80 million per month on account of wages and approximately \$10 million per month on account of benefits based on 2018 disbursements. These disbursements may be excluded from Schedule 3.

Statement 4. Individual payments to Debtor affiliates are not reflected in Statement 4 due to their complexity and voluminous nature. The Debtors have reported net annual intercompany positions in Statement 4. In addition, intercompany payables and receivables as of the Petition Date can be found on Schedule E/F and Schedule A/B.

Statement 11. All disbursements listed in Statement 11 were initiated and disbursed by Windstream Services, LLC, but were for the benefit of all Debtors.
