4. Contracts to be assigned, pursuant to section 363(f) of the Bankruptcy Code, shall (a) be free and clear of (i) all liens (and any liens shall attach to the proceeds in the same order and priority subject to all existing defenses, claims, setoffs, and rights) that the Debtors have granted or arise from the Debtors' actions and (ii) any and all claims (as that term is defined in section 101(5) of the Bankruptcy Code), obligations, demands, guarantees of or by the Debtors, debts, rights, contractual commitments, restrictions, interests, and matters of any kind and nature, whether arising prior to or subsequent to the commencement of these chapter 11 cases and whether imposed by agreement, understanding, law, equity, or otherwise (including claims and encumbrances (A) that purport to give to any party a right or option to effect any forfeiture, modification, or termination of the interest of any Debtor or Assignee, as the case may be, in the Contracts, or (B) with respect to any taxes), and (b) constitutes a legal, valid, and effective transfer of such Contract and vests the applicable Assignee with all rights, titles, and interests to the applicable Contract.

5. Subject to the other provisions of this Order (including the aforementioned Assumption Procedures), the Debtors are hereby authorized in accordance with sections 365(b)

7. Approval of the Contract Procedures and this Order will not prevent the Debtors from seeking to reject or assume a Contract by separate motion.

8. Notwithstanding anything in this Order, the Contract Procedures shall not apply to that certain Master Lease Agreement dated April 24, 2015, between CSL National, LP, Windstream Holdings, Inc., and the entities set forth on schedule 1 attached thereto and any and all amendments, modifications, or supplements that may have been made from time to time (the "Uniti Lease").

9. The Debtors are authorized to take all actions necessary to effectuate the relief granted pursuant to this Order in accordance with the Motion.

10. The 14-day stay required of any assignment of any Contract pursuant to Bankruptcy Rule 6006(d) is hereby waived.

11. All rights and defenses of the Debtors are preserved, including all rights and defenses of the Debtors with respect to a claim for damages arising as a result of a Contract

rejection, including any right to assert an offset, recoupment, counterclaim, or deduction. In addition, nothing in this Order or the Motion shall limit the Debtors' ability to subsequently assert that any particular Contract is terminated and is no longer an executory contract or unexpired lease, respectively.

12. Notwithstanding the relief granted in this Order and any actions taken pursuant to such relief, nothing in this Order shall be deemed: (a) an admission as to the validity of any particular claim against the Debtors; (b) a waiver of the rights of the Debtors or the Committee to dispute any particular claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Order or the Motion; (e) a request or authorization to assume any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) a waiver or limitation of the Debtors' rights under the Bankruptcy Code or any other applicable law; or (g) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) satisfied pursuant to the Motion are valid, and the Debtors expressly reserve their rights to contest the extent, validity, or perfection or seek avoidance of all such liens.

13. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion and the requirements of the Bankruptcy Rules and the Local Rules are satisfied by such notice.

14. Notwithstanding anything to the contrary, the terms and conditions of this Order are immediately effective and enforceable upon its entry.

15. Notwithstanding anything to the contrary contained herein, any payment made or action taken by any of the Debtors pursuant to the authority granted herein as well as the exercise of any and all other rights granted or approved hereunder shall be subject to the requirements

imposed on the Debtors under any orders of this Court approving any debtor-in-possession financing for or any use of cash collateral by the Debtors (such order, the “DIP Order”) and any budget in connection therewith. Notwithstanding anything to the contrary in this Order, in the event of any inconsistency between the terms of this Order and the terms of any applicable DIP Order, the terms of the DIP Order shall govern.

16. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Order in accordance with the Motion.
