DEBTORS' FIRST OMNIBUS OBJECTION TO (A) AMENDED CLAIMS, (B) EXACT DUPLICATE CLAIMS, (C) SUBSTANTIVELY DUPLICATE CLAIMS, AND (D) INSUFFICIENT SUPPORTING DOCUMENTATION CLAIMS

YOU SHOULD LOCATE YOUR NAME AND YOUR CLAIM(S) ON THE SCHEDULES ATTACHED TO <u>EXHIBIT A</u> HERETO. PLEASE TAKE NOTICE THAT THE OBJECTION SEEKS TO EITHER DISALLOW, EXPUNGE, OR OTHERWISE AFFECT YOUR CLAIM(S). THEREFORE, PLEASE READ THIS OBJECTION AND ATTACHMENTS THERETO VERY CAREFULLY AND DISCUSS THEM WITH YOUR ATTORNEY. IF YOU DO NOT HAVE AN ATTORNEY, YOU MAY WISH TO CONSULT ONE.

The above-captioned debtors and debtors in possession (collectively, the "Debtors")

respectfully state as follows in support of this objection:²

The last four digits of Debtor Windstream Holdings, Inc.'s tax identification number are 7717. Due to the large number of Debtors in these chapter 11 cases, for which joint administration has been granted, a complete list of the debtor entities and the last four digits of their federal tax identification numbers is not provided herein. A complete list of such information may be obtained on the website of the Debtors' claims and noticing agent at http://www.kccllc.net/windstream. The location of the Debtors' service address for purposes of these chapter 11 cases is: 4001 North Rodney Parham Road, Little Rock, Arkansas 72212.

² Capitalized terms used but not defined in this objection shall have the meanings given to such terms in the *Order* (I) Approving (A) Omnibus Claims Objection Procedures, (B) Omnibus Substantive Claims Objections and Form

Relief Requested

1. The Debtors seek entry of an order, substantially in the form attached hereto as **Exhibit A** (the "Order"), disallowing and expunging the Claims identified on (a) Schedule 1 to the Order (collectively, the "Amended Claims") because they have been amended and superseded by subsequently filed Proofs of Claim, (b) Schedule 2 to the Order (collectively, the "Exact Duplicate Claims") because they are mirror duplicates of other Proofs of Claim that have been filed for the same liabilities, (c) Schedule 3 to the Order (collectively, the "Substantively Duplicate Claims") because they are duplicative of other Proofs of Claim filed for the same liability, and (d) Schedule 4 to the Order (collectively, the "Insufficient Documentation Claims") because they do not include sufficient information or supporting documentation to determine liability. In support of this objection, the Debtors submit the declaration of Holden Bixler, a managing director at Alvarez & Marsal North America, LLC, attached hereto as **Exhibit B** (the "Bixler Declaration").

Jurisdiction and Venue

2. The United States Bankruptcy Court for the Southern District of New York has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference from the United States District Court for the Southern District of New York*, dated February 1, 2012. The Debtors confirm their consent, pursuant to rule 7008 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), to the entry of a final order by the Court in connection with this Objection to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

of Notice, and (C) Satisfaction Procedures and Form of Notice and (II) Waiving Bankruptcy Rule 3007(e)(6) [Docket No. 1141] (the "Objection Procedures Order").

- 3. Venue is proper in this Court pursuant to 28 U.S.C. §§ 1408 and 1409.
- 4. The bases for the relief requested herein are section 502(b) of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the "Bankruptcy Code"), Bankruptcy Rule 3007, and the Objection Procedures Order.

The Claims Reconciliation Process

- 5. On May 10, 2019, the Debtors filed their respective schedules of assets and liabilities and statements of financial affairs [Docket Nos. 505, 506] pursuant to Bankruptcy Rule 1007 and the *Order Granting a Second Extension of Time to File Schedules and Statements of Financial Affairs* [Docket No. 387].
- 6. On May 13, 2019, the Court entered the *Order (I) Setting Bar Dates for Submitting Proofs of Claim, (II) Approving Procedures for Submitting Proofs of Claim, and (III) Approving Notice Thereof* [Docket No. 518] establishing certain dates and deadlines for filing Proofs of Claim in these chapter 11 cases. Specifically, the Court established (a) July 15, 2019, at 4:00 p.m., prevailing Eastern Time, as the last date and time for all persons and entities (including, without limitation, individuals, partnerships, corporations, joint ventures, and trusts but not governmental units) to file Proofs of Claim based on prepetition Claims, including Claims pursuant to section 503(b)(9) of the Bankruptcy Code, against any Debtor and (b) August 26, 2019, at 4:00 p.m., prevailing Eastern Time, as the last date and time for governmental units to file Proofs of Claim against any Debtor.
- 7. Over 7,800 Proofs of Claim have been filed against the Debtors, totaling approximately \$16.5 billion in the aggregate as of the date hereof. The Debtors were granted authority to file omnibus objections to Claims in accordance with the procedures set forth in the Objection Procedures Order on October 10, 2019. By this objection, the Debtors seek approval to disallow, expunge, and/or amend certain Claims for the reasons set forth below.

Objection

8. Section 502(a) of the Bankruptcy Code provides that a filed proof of claim is deemed allowed unless a party in interest objects to it. 11 U.S.C. § 502(a). Bankruptcy Rule 3007 contains the grounds upon which "objections to more than one claim may be joined in an omnibus objection." Fed. R. Bankr. P. 3007(d). The Objection Procedures Order expands Bankruptcy Rule 3007(d) and permits the Debtors to file omnibus objections to Claims on additional grounds. Accordingly, the Debtors file this objection to the Claims listed on Schedules 1, 2, 3, and 4 to the Order on the bases set forth below and in the Bixler Declaration to ease the administrative burden on this Court and the Debtors' estates during the claims reconciliation process.

A. Amended Claims.

- 9. The Debtors object to 303 Claims listed in the column labelled "Claims to be Disallowed" on Schedule 1 to the Order because the Debtors have determined that subsequently filed Proofs of Claim have amended and superseded such Claims. Some of the Proofs of Claim were filed to change either the amounts of or the Debtors against which the Amended Claims were asserted. Other Proofs of Claim were filed to change the claimant asserting the Amended Claim. The Amended Claims should be disallowed and expunged from the claims register in these chapter 11 cases (the "Claims Register") to streamline the distribution process and reduce the risk that claimants with multiple Proofs of Claim for the same alleged liability do not receive recoveries in excess of what such claimants are owed.
- 10. This objection will not affect the Claims identified in the column labelled "Surviving Claims" on <u>Schedule 1</u> to the Order, which will remain on the Claims Register unless the applicable claimants withdraw or the Court otherwise disallows the surviving Claims. The Debtors' right to object to the Surviving Claims in the future on any grounds permitted under

applicable law is also preserved in the Objection Procedures Order. Therefore, the Debtors request that the Court disallow and expunge the Amended Claims from the Claims Register.

B. Exact Duplicate Claims.

11. The Debtors object to the fourteen Exact Duplicate Claims listed in the column labelled "Claims to be Disallowed" on Schedule 2 to the Order because the Debtors have determined that they are mirror duplicates of other Proofs of Claim filed for the same alleged liabilities against the same Debtor. Failure to disallow the Exact Duplicate Claims may result in a double recovery to the claimants. Moreover, the disallowance of these Exact Duplicate Claims will enable the Claims Register to reflect more accurately the Claims asserted against the Debtors. The "Surviving Claims" listed on Schedule 2 to the Order will remain on the Claims Register until the relevant claimants withdraw or the Court disallows the Claims. The Debtors' right to object to such Surviving Claims in the future on any grounds permitted under applicable law is also preserved in the Objection Procedures Order. Accordingly, the Debtors request that the Court disallow and expunge the Exact Duplicate Claims from the Claims Register.

C. Substantively Duplicate Claims.

12. The Debtors object to the ten Substantively Duplicate Claims listed in the column labelled "Claims to be Disallowed" on Schedule 3 to the Order because the Debtors have determined that more than one Proof of Claim has been filed for the same underlying liability. Substantively Duplicate Claims are not the same as the Exact Duplicate Claims and Amended Claims that are also the subject of this objection. Specifically, the Substantively Duplicate Claims are distinguishable from the Exact Duplicate Claims on grounds that the Proofs of Claim associated with the Substantively Duplicate Claims to be Disallowed and the corresponding Surviving Claims are not identical. Moreover, the Substantively Duplicate Claims are different from the Amended Claims because the Proof of Claims for the Surviving Claims tied to the

Amended Claims indicate that such Proofs of Claim were meant to revise the Amended Claims. The Debtors have reviewed the information in and the documents attached to the Proofs of Claim tied to the Substantive Duplicate Claims as well as their books and records to determine that multiple Proofs of Claim were filed on account of the same alleged obligation. These are the claims that are subject to the Substantively Duplicate Claims objection. Therefore, disallowance is warranted for these Claims, as holders of such Substantively Duplicate Claims are not entitled to receive recoveries in amounts that exceed the actual liabilities.

13. Furthermore, the "Surviving Claims" listed on <u>Schedule 3</u> to the Order will remain on the Claims Register unless the relevant claimants withdraw or the Court disallows such Claims. The Debtors' right to object to such Surviving Claims in the future on any grounds permitted under applicable law is also preserved in the Objection Procedures Order. Accordingly, the Debtors request that the Court disallow and expunge the Substantively Duplicate Claims from the Claims Register.

D. Insufficient Documentation Claims.

- 14. The Debtors object to the forty Insufficient Documentation Claims listed on Schedule 4 to the Order because the Debtors have determined that they cannot reconcile the Insufficient Documentation Claims with the Debtors' books and records for want of supporting documentation. Specifically, there is insufficient documentation as to thirty-nine claims and no supporting documentation as to one claim.
- 15. Section 502(b)(1) of the Bankruptcy Code provides, in relevant part, that a claim may not be allowed to the extent that "such claim is unenforceable against the debtor and property of the debtor, under any agreement or applicable law." 11 U.S.C. § 502(b)(1). A proof of claim must "set forth the facts necessary to support the claim" to receive prima facie validity under the Bankruptcy Rules; absent such documentation, a proof of claim lacks prima facie validity. *In re*

Wilson, 532 B.R. 486, 490 (S.D.N.Y. 2015) ("Failure to attach the documentation required . . . will result in the loss of the *prima facie* validity of the claim") (citing *In re Minbatiwalla*, 424 B.R. 104, 112 (Bankr. S.D.N.Y. 2010)); *In re Taylor*, 363 B.R. 303, 308 (Bankr. M.D. Fla. 2007) ("Attaching supporting documentation is mandatory prerequisite to establishing a claim's *prima facie* validity.").

- 16. A claimant must attach all necessary supporting documents when a proof of claim is based on a writing to comply with Bankruptcy Rule 3001(c). *In re All-Am. Auxiliary Ass'n*, 95 B.R. 540, 545 (Bankr. S.D. Ohio 1989). If a proof of claim does not provide sufficient information or documentation to allow a debtor to reconcile the proof of claim with the debtor's books and records, then the proof of claim has not satisfied the requirements for a valid proof of claim. *See id.*; *see also In re Chain*, 255 B.R. 278, 280 (Bankr. D. Conn. 2000). An objection refuting at least one of the claim's essential allegations will place the burden on the claimant to demonstrate the validity of the claim. *See, e.g., Sherman v. Novak (In re Reilly)*, 245 B.R. 768, 773 (B.A.P. 2d Cir. 2000); *In re Oneida, Ltd.*, 400 B.R. 384, 389 (Bankr. S.D.N.Y. 2009), *aff'd*, No. 09 Civ. 2229 (DC), 2010 WL 234827, at *5 (S.D.N.Y. Jan. 22, 2010); *In re Adelphia Commons Corp.*, Ch. 11 Case No. 02-41729, 2007 Bankr. LEXIS 660, at *15 (Bankr. S.D.N.Y. Feb. 20, 2007); *In re Rockefeller Ctr. Props.*, 272 B.R. 524, 539 (Bankr. S.D.N.Y. 2000); *In re St. Johnsbury Trucking Co.*, 206 B.R. 318, 323 (Bankr. S.D.N.Y. 1997).
- 17. As set forth in the Bixler Declaration, the Debtors have determined that the Insufficient Documentation Claims cannot be reconciled with the Debtors' books and records after performing a thorough review thereof. No outstanding liability is reflected in their books and records on the grounds asserted in the corresponding Proofs of Claim.³ The Insufficient

To the extent the holder of an Insufficient Documentation Claim responds to this Objection with sufficient documentation, the Debtors reserve all rights to review such information and assert any and all additional

Documentation Claims have either no information or supporting documentation or lack sufficient information or documentation to satisfy the requirements for a valid Proof of Claim. As such, the Claims are unenforceable against the Debtors.

18. These Insufficient Documentation Claims should be disallowed unless the holders thereof can provide support for such claims. Otherwise, these Claims should be disallowed to prevent holders without valid claims from receiving estate property to the detriment of other creditors that hold valid claims against the Debtors. Moreover, disallowance of these Insufficient Documentation Claims will enable the Claims Register to reflect more accurately the Claims asserted against the Debtors. Therefore, the Debtors request that the Court disallow and expunge the Insufficient Documentation Claims from the Claims Register.

Compliance with the Objection Procedures and the Bankruptcy Rules

- 19. The Debtors believe that the content of this objection is in full compliance with the applicable Bankruptcy Rules and Objection Procedures Order for the following reasons:
 - (a) this objection conspicuously states on the first page that "YOU SHOULD LOCATE YOUR NAME AND YOUR CLAIM(S) ON THE SCHEDULES ATTACHED TO EXHIBIT A HERETO. PLEASE TAKE NOTICE THAT THE OBJECTION SEEKS TO EITHER DISALLOW, EXPUNGE, OR OTHERWISE AFFECT YOUR CLAIM(S). THEREFORE, PLEASE READ THIS OBJECTION AND ATTACHMENTS THERETO VERY CAREFULLY AND DISCUSS THEM WITH YOUR ATTORNEY. IF YOU DO NOT HAVE AN ATTORNEY, YOU MAY WISH TO CONSULT ONE";4
 - (b) each schedule lists the Claims subject to this objection in alphabetical order based on the claimant's name and contains a cross-reference to the applicable Claim number;⁵

objections thereto. The Debtors further reserve all of their rights to object on any other basis to any Insufficient Documentation Claims as to which the Bankruptcy Court does not grant the relief requested.

⁴ See Fed. R. Bankr. P. 3007(e)(1).

⁵ See Fed. R. Bankr. P. 3007(e)(2).

- (c) each schedule to the Order provides the grounds for the objection to the Claims and a cross-reference to the page in this objection pertinent to the stated grounds;⁶
- (d) this objection states in the title the identity of the objecting party (the Debtors) and the grounds for the objection;⁷
- (e) this objection is numbered appropriately;⁸
- (f) the grounds asserted are that (i) the Amended Claims have been revised and superseded pursuant to Proofs of Claim that have been filed subsequently, (ii) the Exact Duplicate Claims mirror certain Claims, (iii) the Substantively Duplicate Claims have multiple Proofs of Claim asserting the same underlying liability as such claims, and (iv) the Insufficient Documents Claims do not have enough information or supporting documents to be considered valid claims; and
- (g) each schedule to the Order includes only the Claims to which there is a common basis for the objection. 10
- 20. For the foregoing reasons, the Debtors respectfully submit that the content of this objection is in full compliance with the Bankruptcy Rules and the Objection Procedures Order.
- 21. The Debtors further respectfully state that notice and service of this objection will be in full compliance with the Bankruptcy Rules for the following reasons:
 - (a) The objection will be filed with the Court and served upon (i) the affected claimant set forth on each Proof of Claim subject to this objection or their respective attorney of record, (ii) the U.S. Trustee, (iii) the official committee of unsecured creditors, and (iv) parties that have filed a request for service of papers under Bankruptcy Rule 2002;¹¹

¹⁰ See Objection Procedures Order ¶ 4.

¹¹ See Fed. R. Bankr. P. 2002, 3007(a).

- (b) the Debtors will also serve each claimant affected as a result of this objection with a customized objection notice tailored, as appropriate, to address the particular creditor, Claim, and objection; 12 and
- (c) This objection will be set for hearing at least thirty days after the filing of this objection. 13

Reservation of Rights

22. This objection is limited to the grounds stated herein. Accordingly, it is without prejudice to the rights of the Debtors or any other party in interest to object to any of the Claims listed on Schedules 1, 2, 3, and 4 to the Order, including the "Surviving Claims" listed on Schedules 1, 2, and 3 (to the extent not disallowed and expunged pursuant to this Objection), on any grounds whatsoever, and the Debtors expressly reserve all further substantive or procedural objections they may have with respect to such Claims.

Objection Practice

23. This objection includes citations to the applicable rules and statutory authorities upon which the relief requested herein is predicated and a discussion of its application to this objection. Accordingly, the Debtors submit that this objection satisfies Local Bankruptcy Rule 9013-1(a).

Notice

24. The Debtors have provided notice of this objection to (a) the affected claimant party set forth on the Proof of Claim or the respective attorney of record, (b) the U.S. Trustee, (c) the official committee of unsecured creditors, (d) the entities on the Master Service List (as defined in the case management order and available on the Debtors' case website at www.kccllc.net/windstream), and (e) parties that have filed a request for service of papers under

Bankruptcy Rule 2002. The Debtors respectfully submit that no other or further notice is necessary.

No Prior Request

25. No prior request for the relief sought in this objection has been made to this or any other court.

WHEREFORE, the Debtors respectfully request entry of the Order granting the relief requested herein and such other relief as is just and proper.

DECLARATION OF HOLDEN BIXLER IN SUPPORT OF DEBTORS' FIRST OMNIBUS OBJECTION TO (A) AMENDED CLAIMS, (B) EXACT DUPLICATE CLAIMS, (C) SUBSTANTIVELY DUPLICATE CLAIMS, AND (D) INSUFFICIENT DOCUMENTATION CLAIMS

- I, Holden Bixler, declare under penalty of perjury:
- 1. I am a Managing Director at Alvarez & Marsal North America, LLC ("A&M"). The above-captioned debtors and debtors in possession (collectively, the "Debtors") retained A&M and its subsidiaries, affiliates, agents, and independent contractors as restructuring advisors in connection with their chapter 11 cases.

The last four digits of Debtor Windstream Holdings, Inc.'s tax identification number are 7717. Due to the large number of Debtors in these chapter 11 cases, for which joint administration has been granted, a complete list of the debtor entities and the last four digits of their federal tax identification numbers is not provided herein. A complete list of such information may be obtained on the website of the Debtors' claims and noticing agent at http://www.kccllc.net/windstream. The location of the Debtors' service address for purposes of these chapter 11 cases is: 4001 North Rodney Parham Road, Little Rock, Arkansas 72212.

- 2. As part of my current position, I am responsible for assisting the Debtors with certain claims management and reconciliation matters. I am generally familiar with the Debtors' day-to-day operations, financing arrangements, business affairs, and books and records that reflect, among other things, the Debtors' liabilities and the amounts thereof owed to their creditors as of the Petition Date.
- 3. I have read the *Debtors' First Omnibus Objection to (A) Amended Claims,* (B) Exact Duplicate Claims, (C) Substantively Duplicate Claims, and (D) Insufficient Documentation Claims (the "Objection"), filed contemporaneously herewith, and am, directly or indirectly through the Debtors' advisors and personnel, familiar with the information contained therein and the schedules attached thereto.²
- 4. I am authorized to submit this declaration (the "Bixler Declaration") in support of the Objection. All matters set forth in this Declaration are based on (a) my personal knowledge, (b) my review of relevant documents, (c) my view, based on my experience and knowledge of the Debtors and the Debtors' operations, books and records, and personnel, (d) information that the Debtors and others at the Debtors' request supplied to me, or (e) as to matters involving bankruptcy law or rules or other applicable laws, my reliance on the advice of counsel or other advisors to the Debtors. If called upon to testify, I could and would testify competently to the facts set forth herein.
- 5. I believe to the best of knowledge and experience and based on information that I have been able to ascertain after reasonable inquiry that considerable time and resources have been

² Capitalized terms used in this Bixler Declaration and not defined have the meanings given to such terms elsewhere in the Objection.

expended to ensure a high level of diligence in reviewing and reconciling the Proofs of Claim filed against the Debtors in these chapter 11 cases.

A. Amended Claims.

6. A&M along with the Debtors have reviewed and compared the Proofs of Claim subject to the Objection and the supporting information and documentation provided therewith. As a result of this process, A&M and the Debtors have identified Proofs of Claim that amended and superseded the Proofs of Claim filed on account of the Claims listed in the "Claims to be Disallowed" column on Schedule 1 to the Order (the "Amended Claims"). The information contained on some of the Proofs of Claim shows that such Proofs of Claim were filed to change either the amounts of or the Debtors against which the Amended Claims were asserted. Other Proofs of Claim changed the claimant asserting the Amended Claim. Moreover, these Claims were identified because the Proofs of Claims for Claims under the "Surviving Claims" column on Schedule 1 identified on the form that they were amending the Proofs of Claim for the Claims to be disallowed. Accordingly, I believe the Amended Claims should be disallowed and expunged in their entirety.

B. Exact Duplicate Claims.

7. In addition, A&M and the Debtors have reviewed the Proofs of Claim filed in these chapter 11 cases and the supporting information and documentation provided therewith and have determined that the "Claims to be Disallowed" on Schedule 2 to the Order (the "Exact Duplicate Claims") are mirror duplicates of other Proofs of Claim that have been filed on account of the same liabilities as against the same Debtor. The Exact Duplicate Claims assert the same underlying liability as the corresponding "Surviving Claims" listed on Schedule 2 to the Order. Accordingly, I believe the Exact Duplicate Claims should be disallowed and expunged in their entirety.

C. Substantively Duplicate Claims.

8. Upon a thorough review of the Proofs of Claim filed in these chapter 11 cases and the supporting documentation thereto, the Debtors have determined that the "Claims to be Disallowed" listed on <u>Schedule 3</u> to the Order (the "<u>Substantively Duplicate Claims</u>") are substantively duplicative of other Proofs of Claim filed for the same underlying liability. The Substantively Duplicate Claims assert the same underlying liability as the corresponding "Surviving Claims" listed on <u>Schedule 3</u>. Accordingly, I believe the Substantively Duplicate Claims should be disallowed and expunged in their entirety.

D. Insufficient Documentation Claims.

- 9. The Debtors and A&M have reviewed thoroughly the Proofs of Claim filed in these chapter 11 cases and the supporting documentation thereto, and the Debtors have determined that the "Claims to be Disallowed" listed on Schedule 4 to the Order (the "Insufficient Documentation Claims") cannot be reconciled with the Debtors' books and records because such books and records reflect no outstanding liability on the grounds asserted in the Insufficient Documentation Claims. In addition, the Insufficient Documentation Claims either do not include sufficient information, supporting documentation, or any information or documentation to support a claim against the Debtors. Consequently, the Insufficient Documentation Claims fail to satisfy the requirements for a valid Proof of Claim. As such, the Claims are unenforceable against the Debtors. Accordingly, I believe the disallowance of the Insufficient Documentation Claims as requested in the Objection is appropriate.
- 10. It is my understanding that disallowing or expunging the Amended Claims, Exact Duplicate Claims, and Substantively Duplicate Claims as described herein and in the Objection will not affect the Surviving Claims on Schedules 1, 2, and 3 to the Order. I believe based on my experience that failure to disallow and expunge the Amended Claims, Exact Duplicate Claims,

Substantively Duplicate Claims, and Insufficient Documentation Claims listed in the column titled

"Claims to be Disallowed" on Schedules 1, 2, 3, and 4 to the Order could result in these claimants

receiving an unwarranted or double recovery against the Debtors. Accordingly, I believe that the

Court should grant the relief requested in the Objection.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true

and correct to the best of my knowledge and belief.

Dated: November 18, 2019 Respectfully submitted,

/s/ Holden Bixler
