**DEBTORS' FOURTH OMNIBUS
OBJECTION TO INSUFFICIENT DOCUMENTATION CLAIMS,
NO LIABILITY CLAIMS, AND SUBSTANTIVELY DUPLICATE CLAIMS**

YOU SHOULD LOCATE YOUR NAME AND YOUR CLAIM(S) ON THE SCHEDULES ATTACHED TO EXHIBIT A HERETO. PLEASE TAKE NOTICE THAT THE OBJECTION SEEKS TO EITHER DISALLOW, EXPUNGE, OR OTHERWISE AFFECT YOUR CLAIM(S). THEREFORE, PLEASE READ THIS OBJECTION AND ATTACHMENTS THERETO VERY CAREFULLY AND DISCUSS THEM WITH YOUR ATTORNEY. IF YOU DO NOT HAVE AN ATTORNEY, YOU MAY WISH TO CONSULT ONE.

The above-captioned debtors and debtors in possession (collectively, the “Debtors”) respectfully state as follows in support of this Objection:²

¹ The last four digits of Debtor Windstream Holdings, Inc.’s tax identification number are 7717. Due to the large number of Debtors in these chapter 11 cases, for which joint administration has been granted, a complete list of the debtor entities and the last four digits of their federal tax identification numbers is not provided herein. A complete list of such information may be obtained on the website of the Debtors’ claims and noticing agent at <http://www.kccllc.net/windstream>. The location of the Debtors’ service address for purposes of these chapter 11 cases is: 4001 North Rodney Parham Road, Little Rock, Arkansas 72212.

² Capitalized terms used but not defined in this objection shall have the meanings given to such terms in the *Order (I) Approving (A) Omnibus Claims Objection Procedures, (B) Omnibus Substantive Claims Objections and Form*

Relief Requested

1. The Debtors seek entry of an order, substantially in the form attached hereto as **Exhibit A** (the “Order”), disallowing and expunging the claims identified on (a) Schedule 1 to the Order (collectively, the “Insufficient Documentation Claims”) because they fail to include sufficient information or supporting documentation to determine liability, (b) Schedule 2 to the Order (collectively, the “No Liability Claims”) because the Debtors are unable to reconcile each purported liability with their books and records, and (c) Schedule 3 to the Order (collectively, the “Substantively Duplicate Claims”) because they are duplicative of other proofs of claim for the same liability. In support of this Objection, the Debtors submit the declaration of Holden Bixler, a managing director at Alvarez & Marsal North America, LLC, attached hereto as **Exhibit B** (the “Bixler Declaration”).

Jurisdiction and Venue

2. The United States Bankruptcy Court for the Southern District of New York has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference from the United States District Court for the Southern District of New York*, dated February 1, 2012. The Debtors confirm their consent, pursuant to rule 7008 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), to the entry of a final order by the Court in connection with this Objection to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

3. Venue is proper in this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

of Notice, and (C) Satisfaction Procedures and Form of Notice and (II) Waiving Bankruptcy Rule 3007(e)(6) (the “Objection Procedures Order”) [Docket No. 1141].

4. The bases for the relief requested herein are section 502(b) of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “Bankruptcy Code”), Bankruptcy Rule 3007, and the Objection Procedures Order.

The Claims Reconciliation Process

5. On May 10, 2019, the Debtors filed their respective schedules of assets and liabilities and statements of financial affairs [Docket Nos. 505 and 506] pursuant to Bankruptcy Rule 1007 and the *Order Granting a Second Extension of Time to File Schedules and Statements of Financial Affairs* [Docket No. 387]. On January 21, 2020, the Debtors filed amendments to certain schedules, as set forth in the *Notice of Filing Amended Schedule G and Supplemental Deadline to Submit Proofs of Claim* [Docket No. 1436] and *Notice of Filing Amended Schedule F and Supplemental Deadline to Submit Proofs of Claim* [Docket No. 1435].

6. On May 13, 2019, the Court entered the *Order (I) Setting Bar Dates for Submitting Proofs of Claim, (II) Approving Procedures for Submitting Proofs of Claim, and (III) Approving Notice Thereof* [Docket No. 518] establishing certain dates and deadlines for filing proofs of claim in these chapter 11 cases. Specifically, the Court established (a) July 15, 2019, at 4:00 p.m., prevailing Eastern Time, as the last date and time for all persons and entities (including, without limitation, individuals, partnerships, corporations, joint ventures, and trusts but not governmental units) to file proofs of claim based on prepetition claims, including claims pursuant to section 503(b)(9) of the Bankruptcy Code, against any Debtor and (b) August 26, 2019, at 4:00 p.m., prevailing Eastern Time, as the last date and time for governmental units to file proofs of claim against any Debtor.

7. Over 8,000 proofs of claim have been filed against the Debtors, totaling approximately \$16.5 billion in the aggregate as of the date hereof. The Debtors were granted

authority to file omnibus objections to claims in accordance with the procedures set forth in the Objection Procedures Order on October 10, 2019.

8. The Debtors filed their first omnibus claims objection on November 18, 2019. On January 13, 2020, the Debtors filed the *Debtors' Third Omnibus Objection to Amended Claims, Equity Interest Claims, and Substantively Duplicate Claims* [Docket No. 1406], which the Court granted pursuant to the *Order Granting Debtors' Third Omnibus Objection to Amended Claims, Equity Interest Claims, and Substantively Duplicate Claims* [Docket No. 1503]. The Court has entered orders (as may have been modified) granting all of the Debtors' previous omnibus objections to claims as of the date hereof. By this Objection, the Debtors now seek approval to disallow or expunge certain claims for the reasons set forth below.

Objection

9. Section 502(a) of the Bankruptcy Code provides that a filed proof of claim is deemed allowed unless a party in interest objects to it. 11 U.S.C. § 502(a). Bankruptcy Rule 3007 contains the grounds upon which "objections to more than one claim may be joined in an omnibus objection." Fed. R. Bankr. P. 3007(d). The Objection Procedures Order expands Bankruptcy Rule 3007(d) and permits the Debtors to file omnibus objections to claims on additional grounds. Accordingly, the Debtors file this Objection to the claims listed on Schedules 1, 2, and 3 to the Order on the bases set forth below and in the Bixler Declaration to ease the administrative burden on this Court and the Debtors' estates during the claims reconciliation process.

A. Insufficient Documentation Claims.

10. The Debtors object to the 378 Insufficient Documentation Claims listed on Schedule 1 to the Order because the Debtors have determined that they cannot reconcile the Insufficient Documentation Claims with the Debtors' books and records due to the lack or absence of supporting documentation with respect to each corresponding proof of claim. Specifically, there

are claims with either insufficient documentation or no supporting documentation. Therefore, these claims should be disallowed.

11. Section 502(b)(1) of the Bankruptcy Code provides, in relevant part, that a claim may not be allowed to the extent that “such claim is unenforceable against the debtor and property of the debtor, under any agreement or applicable law.” 11 U.S.C. § 502(b)(1). A proof of claim must “set forth the facts necessary to support the claim” to receive prima facie validity under the Bankruptcy Rules; absent such documentation, a proof of claim lacks prima facie validity. *In re Wilson*, 532 B.R. 486, 490 (S.D.N.Y. 2015) (“Failure to attach the documentation required . . . will result in the loss of the *prima facie* validity of the claim.”) (citing *In re Minbatiwalla*, 424 B.R. 104, 112 (Bankr. S.D.N.Y. 2010)); *In re Taylor*, 363 B.R. 303, 308 (Bankr. M.D. Fla. 2007) (“Attaching supporting documentation is mandatory prerequisite to establishing a claim’s *prima facie* validity.”).

12. A claimant must attach all necessary supporting documents if it is asserting a claim based on a writing to comply with Bankruptcy Rule 3001(c). *In re All-Am. Auxiliary Ass’n*, 95 B.R. 540, 545 (Bankr. S.D. Ohio 1989). If a proof of claim does not provide sufficient information or documentation to allow a debtor to reconcile the proof of claim with the debtor’s books and records, then the proof of claim has not satisfied the requirements for a valid proof of claim. *See id.*; *see also In re Chain*, 255 B.R. 278, 280 (Bankr. D. Conn. 2000).

13. As set forth in the Bixler Declaration, the Debtors have determined that the Insufficient Documentation Claims cannot be reconciled with the Debtors’ books and records after performing a thorough review thereof. No outstanding liability is reflected in their books and records on the grounds asserted in the corresponding proofs of claim. In addition, the Insufficient Documentation Claims have either no information or supporting documentation or lack sufficient

information or documentation to satisfy the requirements for a valid proof of claim. As such, the claims are unenforceable against the Debtors.

14. These Insufficient Documentation Claims should be disallowed to prevent holders without valid claims from receiving estate property to the detriment of other creditors that hold valid claims against the Debtors. Moreover, disallowance of these Insufficient Documentation Claims will enable the claims register to reflect more accurately the claims asserted against the Debtors. Therefore, the Debtors request that the Court disallow and authorize the Debtors to expunge the Insufficient Documentation Claims from the claims register.

B. No Liability Claims.

15. The Debtors object to twenty-nine No Liability Claims listed on Schedule 2 to the Order because the Debtors and their advisors have determined that such claims seek to recover amounts for which the Debtors are not liable. Section 502(b)(1) of the Bankruptcy Code provides, in relevant part, that a claim may not be allowed to the extent that “such claim is unenforceable against the debtor and property of the debtor, under any agreement or applicable law.” 11 U.S.C. § 502(b)(1).

16. The Debtors and their advisors have reviewed their books and records and other relevant information and determined that each of the No Liability Claims either (a) fails to establish any legal or factual basis for a valid claim against the Debtors, (b) seeks recovery for unsubstantiated amounts for which the Debtors are not liable, (c) was improperly asserted against a Debtor that is not obligated, or (d) was satisfied with a payment to a primary contractor or waived via settlement. The specific basis for each No Liability Claim is stated on Schedule 2 in the “Reason” entry and is further described in the Bixler Declaration. Accordingly, the No Liability Claims are unenforceable against the Debtors because they do not evince an amount for which the relevant Debtor is liable.

17. These No Liability Claims listed on Schedule 2 to the Order should be disallowed and expunged in their entirety. Disallowance of these No Liability Claims will enable the claims register to reflect more accurately the claims asserted against the Debtors. Therefore, the Debtors request that the Court disallow and authorize the Debtors to expunge the No Liability Claims from the claims register.

C. Substantively Duplicate Claims.

18. The Debtors object to the eighty-nine Substantively Duplicate Claims listed in the column labeled “Claims to be Disallowed” on Schedule 3 to the Order because the Debtors have determined that more than one proof of claim has been filed for the same underlying liability. As further described in the Bixler Declaration, the Debtors have reviewed the information contained in and the documents attached to the proofs of claim tied to the Substantively Duplicate Claims as well as their books and records to make this determination.

19. The Substantively Duplicate Claims in the column titled “Claims to be Disallowed” on Schedule 3 to the Order are on account of the same liabilities as the corresponding claims identified in the column titled “Surviving Claims.” These Substantively Duplicate Claims were chosen after the Debtors and their advisors reviewed the Debtors’ books and records and reasonably determined that such claims fit certain descriptions. Specifically, some of the holders of the Substantively Duplicate Claims filed subsequent proofs of claim to either change the amount and/or the Debtor entity against which the claims were asserted, but the underlying obligations in the corresponding proofs of claim remained the same. Other claimants filed multiple Substantively Duplicate Claims in addition to one master proof of claim that encompasses each corresponding Substantively Duplicate Claim. Some of the claimants filed a Substantively Duplicate Claim on account of the same liability that another claimant has asserted in its proofs of claim. The remaining Substantively Duplicate Claims were identified because they are either exact duplicates

of subsequently filed proofs of claim (*i.e.*, there is no material difference between the proofs of claim associated with the Substantively Duplicate Claim and the corresponding surviving claim) or amended claims (*i.e.*, the proof of claim for the surviving claim indicated on the form that it was amending the proof of claim for the related Substantively Duplicate Claim). Therefore, the Debtors determined that the Substantively Duplicate Claims should be disallowed.

20. Furthermore, the “Surviving Claims” listed on Schedule 3 to the Order will remain on the claims register unless the relevant claimants withdraw or the Court disallows such claims. The Debtors’ right to object to such Surviving Claims in the future on any grounds permitted under applicable law is also preserved in the Objection Procedures Order. Accordingly, the Debtors request that the Court disallow and permit the Debtors to expunge the Substantively Duplicate Claims from the claims register.

Compliance with the Objection Procedures and the Bankruptcy Rules

21. The Debtors believe that the content of this Objection is in full compliance with the applicable Bankruptcy Rules and Objection Procedures Order for the following reasons:

- (a) this Objection conspicuously states on the first page that **“YOU SHOULD LOCATE YOUR NAME AND YOUR CLAIM(S) ON THE SCHEDULES ATTACHED TO EXHIBIT A HERETO. PLEASE TAKE NOTICE THAT THE OBJECTION SEEKS TO EITHER DISALLOW, EXPUNGE, OR OTHERWISE AFFECT YOUR CLAIM(S). THEREFORE, PLEASE READ THIS OBJECTION AND ATTACHMENTS THERETO VERY CAREFULLY AND DISCUSS THEM WITH YOUR ATTORNEY. IF YOU DO NOT HAVE AN ATTORNEY, YOU MAY WISH TO CONSULT ONE”**;³
- (b) each schedule lists the claims subject to this Objection in alphabetical order based on the claimant’s name and contains a reference to the applicable claim number;⁴

³ See Fed. R. Bankr. P. 3007(e)(1).

⁴ See Fed. R. Bankr. P. 3007(e)(2).

- (c) each schedule to the Order provides the grounds for the objection to the claims and a cross-reference to the page in this Objection pertinent to the stated grounds;⁵
- (d) this Objection states in the title the identity of the objecting party (the Debtors) and the grounds for the objection;⁶
- (e) this Objection is numbered appropriately;⁷
- (f) the grounds asserted are that (i) the Insufficient Documentation Claims lack or do not contain adequate documentation that will allow the Debtors to reconcile such claims with their books and records, (ii) the No Liability Claims assert claims for which the Debtors have determined they are not liable, and (iii) the Substantively Duplicate Claims assert the same underlying liability as other claims;⁸ and
- (g) each schedule to the Order includes only the claims to which there is a common basis for the Objection.⁹

22. For the foregoing reasons, the Debtors respectfully submit that the content of this Objection is in full compliance with the Bankruptcy Rules and the Objection Procedures Order.

23. The Debtors further respectfully state that notice and service of this Objection will be in full compliance with the Bankruptcy Rules for the following reasons:

- (a) the Objection will be filed with the Court and served upon (i) the affected claimant set forth on each proof of claim subject to this Objection or its respective attorney of record, (ii) the U.S. Trustee, (iii) the official committee of unsecured creditors, and (iv) parties that have filed a request for service of papers under Bankruptcy Rule 2002;¹⁰

⁵ See Fed. R. Bankr. P. 3007(e)(3).

⁶ See Fed. R. Bankr. P. 3007(e)(4).

⁷ See Fed. R. Bankr. P. 3007(e)(5).

⁸ See Fed. R. Bankr. P. 3007(d)(1), (7).

⁹ See Objection Procedures Order ¶ 4.

¹⁰ See Fed. R. Bankr. P. 2002, 3007(a).

- (b) the Debtors will also serve each claimant affected as a result of this Objection with a customized objection notice tailored, as appropriate, to address the particular creditor, claim, and objection;¹¹ and
- (c) this Objection will be set for hearing at least thirty days after the filing of this Objection.¹²

Reservation of Rights

24. This Objection is limited to the grounds stated herein. Accordingly, it is without prejudice to the rights of the Debtors or any other party in interest to object to any of the claims listed on Schedules 1, 2, and 3 to the Order, including the “Surviving Claims” listed on Schedule 3 (to the extent not disallowed and expunged pursuant to this Objection), on any grounds whatsoever, and the Debtors expressly reserve all further substantive or procedural objections they may have with respect to such claims.

Objection Practice

25. This Objection includes citations to the applicable rules and statutory authorities upon which the relief requested herein is predicated and a discussion of its application to this Objection. Accordingly, the Debtors submit that this Objection satisfies Local Bankruptcy Rule 9013-1(a).

Notice

26. The Debtors have provided notice of this Objection to (a) the affected claimant party set forth on the proof of claim or the respective attorney of record, (b) the U.S. Trustee, (c) the official committee of unsecured creditors, (d) the entities on the Master Service List (as defined in the case management order and available on the Debtors’ case website at www.kccllc.net/windstream), and (e) parties that have filed a request for service of papers under

¹¹ See Objection Procedures Order ¶ 4.

¹² See Fed. R. Bankr. P. 2002, 3007(a); Objection Procedures Order ¶ 4.

Bankruptcy Rule 2002. The Debtors respectfully submit that no other or further notice is necessary.

No Prior Request

27. No prior request for the relief sought in this Objection has been made to this or any other court.

[Remainder of page intentionally left blank]

WHEREFORE, the Debtors respectfully request entry of the Order granting the relief requested herein and such other relief as is just and proper.

**DECLARATION OF HOLDEN BIXLER IN SUPPORT OF
DEBTORS' FOURTH OMNIBUS OBJECTION AS TO INSUFFICIENT
DOCUMENTATION CLAIMS AND SUBSTANTIVELY DUPLICATE CLAIMS**

I, Holden Bixler, declare under penalty of perjury:

1. I am a Managing Director at Alvarez & Marsal North America, LLC ("A&M").

The above-captioned debtors and debtors in possession (collectively, the "Debtors") retained A&M and its subsidiaries, affiliates, agents, and independent contractors as restructuring advisors in connection with these chapter 11 cases.

2. As part of my current position, I am responsible for assisting the Debtors with certain claims management and reconciliation matters. I am generally familiar with the Debtors'

¹ The last four digits of Debtor Windstream Holdings, Inc.'s tax identification number are 7717. Due to the large number of Debtors in these chapter 11 cases, for which joint administration has been granted, a complete list of the debtor entities and the last four digits of their federal tax identification numbers is not provided herein. A complete list of such information may be obtained on the website of the Debtors' claims and noticing agent at <http://www.kccllc.net/windstream>. The location of the Debtors' service address for purposes of these chapter 11 cases is: 4001 North Rodney Parham Road, Little Rock, Arkansas 72212.

day-to-day operations, financing arrangements, business affairs, and books and records that reflect, among other things, the Debtors' liabilities and the amounts thereof owed to their creditors as of the Petition Date.

3. I have read the *Debtors' Fourth Omnibus Objection to Insufficient Documentation Claims, No Liability Claims, and Substantively Duplicate Claims* (the "Objection") filed contemporaneously herewith and am, directly or indirectly through the Debtors' advisors and personnel, familiar with the information contained therein and the schedules attached thereto.²

4. I am authorized to submit this declaration (the "Bixler Declaration") in support of the Objection. All matters set forth in this Declaration are based on (a) my personal knowledge, (b) my review of relevant documents, (c) my view based on my experience and knowledge of the Debtors and the Debtors' operations, books and records, and personnel, (d) information that the Debtors and others supplied to me at the Debtors' request, or (e) as to matters involving bankruptcy law or rules or other applicable laws, my reliance on the advice of counsel or other advisors to the Debtors. If called upon to testify, I could and would testify competently to the facts set forth herein.

5. I believe to the best of knowledge and experience and based on information that I have been able to ascertain after reasonable inquiry that considerable time and resources have been expended to ensure a high level of diligence in reviewing and reconciling the proofs of claim filed against the Debtors in these chapter 11 cases.

A. Insufficient Documentation Claims.

6. A&M along with the Debtors have thoroughly reviewed the Insufficient

² Capitalized terms used in this Bixler Declaration and not defined have the meanings given to such terms elsewhere in the Objection.

Documentation Claims filed in these chapter 11 cases and the supporting documentation, if any, thereto. The Debtors have determined that the claims listed on Schedule 1 to the Order cannot be reconciled with the Debtors' books and records because such books and records reflect no outstanding liability on the grounds asserted in the Insufficient Documentation Claims. In addition, the Insufficient Documentation Claims either do not include or lack adequate information and/or documentation to support a claim against the Debtors. Consequently, the Insufficient Documentation Claims fail to satisfy the requirements for a valid proof of claim. As such, the claims are unenforceable against the Debtors. Accordingly, I believe disallowance of the Insufficient Documentation Claims as requested in the Objection is appropriate.

B. No Liability Claims.

7. A&M along with the Debtors have thoroughly reviewed the No Liability Claims filed in these chapter 11 cases and the supporting documentation thereto. The Debtors have determined that the No Liability Claims listed on Schedule 2 to the Order either seek recovery for unsubstantiated amounts for which the Debtors are not liable, fail to provide a legal or factual basis for the claim, or were improperly asserted against a Debtor not liable for such debt. Accordingly, I believe the No Liability Claims listed on Schedule 2 should be disallowed and expunged in their entirety.

C. Substantively Duplicate Claims.

8. A&M along with the Debtors have thoroughly reviewed the Substantively Duplicate Claims filed in these chapter 11 cases and the supporting documentation thereto. The Debtors have determined that the "Claims to be Disallowed" listed on Schedule 3 to the Order are substantively duplicative of other proofs of claim because they assert the same underlying liability as or are included in the corresponding "Surviving Claims." Specifically, some of the holders of the Substantively Duplicate Claims filed subsequent proofs of claim to either change the amount

and/or the Debtor entity against which the claims were asserted, but the underlying obligations in the corresponding proofs of claim remained the same. Other claimants filed multiple Substantively Duplicate Claims in addition to one master proof of claim that encompasses each corresponding Substantively Duplicate Claim. Some of the claimants filed a Substantively Duplicate Claim on account of the same liability that another claimant has asserted in its proofs of claim. The remaining Substantively Duplicate Claims were identified because they are either exact duplicates of subsequently filed proofs of claim (*i.e.*, there is no material difference between the proofs of claim associated with the Substantively Duplicate Claim and the corresponding surviving claim) or amended claims (*i.e.*, the proof of claim for the surviving claim indicated on the form that it was amending the proof of claim for the related Substantively Duplicate Claim). Accordingly, I believe the Substantively Duplicate Claims should be disallowed and expunged in their entirety.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.

Dated: February 14, 2020

Respectfully submitted,

/s/ Holden Bixler
