professional services rendered by Applicant during the Application Period organized in accordance with Applicant's internal system of task codes.

22. The summary is divided according to the project billing codes that Applicant created to best reflect the categories of tasks that it was required to perform in connection with these chapter 11 cases. 29. As initially proposed, the Committee believed that the KEIP Motion was in need of material changes. Morrison & Foerster began to prepare a comprehensive objection to the KEIP Motion while simultaneously negotiating adjustments to the proposed incentive structure with the Debtors' professionals. The Debtors ultimately made several key adjustments to the

key employee incentive plan. In light of the modifications to the relief sought under the KEIP Motion, instead of filing an objection, Morrison & Foerster prepared and filed the *Statement of the Official Committee of Unsecured Creditors Regarding Debtors' Motion for Entry of an Order Approving the Debtors' Key Employee Incentive Plan* [Docket No. 516].

(h) Financing and Cash Collateral – 013.

Fees: \$212,072.00; Total Hours: 213.70

32. This category includes all time spent by Morrison & Foerster on tasks relating to the Debtors’ debtor-in-possession financing (the “**DIP Financing**”) and the motion seeking approval of the DIP [Dkt. No. 42] (the “**DIP Motion**”). A significant amount of the time in this category was devoted to reviewing, analyzing, negotiating and developing an issues list with respect to the terms of the DIP Financing and the relief sought in the DIP Motion. In connection with this process, Morrison & Foerster attorneys conducted legal research on the propriety of various aspects of the relief sought in the DIP Motion, and negotiated with the Debtors and the agent under the DIP Financing facility regarding comments to the proposed final order (the “**Final DIP Order**”). The Committee’s concerns regarding the DIP Financing were consensually resolved, and, in lieu of filing an objection to the DIP Motion, Morrison & Foerster drafted and filed the *Statement of the Official Committee of Unsecured Creditors Regarding the Debtors’ Amended Motion for Entry of Interim and Final Orders Pursuant to 11 U.S.C. §§ 105, 361, 362, 363, 364, 503, and 507 (I) Authorizing the Debtors to Obtain Senior Secured Superpriority Postpetition Financing, (II) Granting Liens and Superpriority Administrative Expense Claims, (III) Authorizing Use of Cash Collateral, (IV) Granting Adequate Protection, (V) Modifying the Automatic Stay, (VI) Scheduling a Final Hearing, and (VII) Granting Related Relief* [Docket No. 301].

34. This category includes time spent by Morrison & Foerster relating to communications with creditors, including preparation for and participation on weekly conference calls with the Committee as a whole, as well as calls and correspondence with individual

Committee members, and with Perella and Alix. Morrison & Foerster coordinated all of the Committee's activities, including preparing and distributing materials to facilitate Committee deliberations, raising individual Committee member concerns with the entire Committee, setting agendas for Committee conference calls and meetings, and leading those calls and meetings.

35. In order to ensure that Morrison & Foerster provided the most efficient and cost-effective services to the Committee, each weekly Committee call and meeting was typically attended by each member of the core Morrison & Foerster team working on this representation. Morrison & Foerster spent time analyzing the terms of the Exclusivity Motion, as well as discussing the Exclusivity Motion with the Debtors’ professionals and the advisors to the Debtors’ other stakeholders. The proposed extension of the Debtors’ exclusive period to file and solicit acceptances of a chapter 11 plan as initially proposed in the Exclusivity Motion was unwarranted and thus impossible for the Committee to support. The Committee negotiated adjustments to the proposed extension with the Debtors’ professionals, which resulted in the Debtors agreeing to a shorter extension. In light of the modifications to the relief sought under the Exclusivity Motion, Morrison & Foerster prepared and filed the *Statement of the Official Committee of Unsecured Creditors Regarding the Debtors’ Motion to Extend the Debtors’ Exclusive Periods to File a Chapter 11 Plan and Solicit Acceptances Thereof Pursuant to Section 1121 of the Bankruptcy Code* [Docket No. 642].

43. In particular, Morrison & Foerster conducted discovery in connection with the Committee’s claims investigation and lien investigation. This entailed drafting extensive document requests to the Debtors, various parties in the Debtors’ capital structure, and Aurelius Capital management (“**Aurelius**”). Aurelius is a former majority holder of certain notes issued

by the Debtor that commenced an action, and obtained a judgment, against the Debtors in the District Court for the Southern District of New York (the “**Aurelius Litigation**”) for violating an indenture in connection with the 2015 sale and lease back transaction (the “**Uniti Transaction**”).

Accordingly, during the Application Period, the Committee commenced a thorough but expedited review of these liens and collateral packages to determine the extent of the liens and security interests of the
