On the Effective Date, each holder of a certificate or instrument evidencing a Claim that is discharged by the Plan shall be deemed to have surrendered such certificate or instrument in accordance with the applicable indenture or agreement that governs the rights of such holder of such Claim. Such surrendered certificate or instrument shall be deemed cancelled as set forth in, and subject to the exceptions set forth in, this Article IV.G. violate the terms of any assumed Unexpired Lease of non-residential real property. Any motions to assume Executory Contracts or Unexpired Leases pending on the Effective Date shall be subject to approval by a Final Order of the Bankruptcy Court on or after the Effective Date but may be withdrawn, settled, or otherwise prosecuted by the Reorganized Debtors. Notwithstanding anything to the contrary in the Plan, the Debtors or the Reorganized Debtors, as applicable, reserve the right to alter, amend, modify, or supplement the Assumed Executory Contracts and Unexpired Leases Schedule and the Rejected Executory Contracts and Unexpired Leases Schedule at any time up to forty-five (45) days after the Effective Date.

B. *Claims Based on Rejection of Executory Contracts or Unexpired Leases*

Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, if any, must be filed with the Bankruptcy Court within thirty (30) days after the date of entry of an order of the Bankruptcy Court (including the Confirmation Order) approving such rejection. **Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not Filed within such time will be disallowed upon an order of the Bankruptcy Court, forever barred from assertion, and shall not be enforceable against, as applicable, the Debtors, the Reorganized Debtors, the Estates, or property of the foregoing parties, without the need for any objection by the Debtors or the Reorganized Debtors, as applicable, or further notice to, or action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged, notwithstanding anything in the Schedules, if any, or a Proof of Claim to the contrary.** Claims arising from the rejection of the Debtors' Executory Contracts or Unexpired Leases shall be classified as General Unsecured Claims and shall be treated in accordance with Article III.B.6 or Article III.B.7 of this Plan, as applicable.

C. *Cure of Defaults for Assumed Executory Contracts and Unexpired Leases*

The Debtors or the Reorganized Debtors, as applicable, shall pay Cure Claims, if any, on the Effective Date or as soon as practicable thereafter, or on such other terms as the parties to such Executory Contracts or Unexpired Leases may otherwise agree. Any Cure Claim shall be deemed fully satisfied, released, and discharged upon payment by the Debtors or the Reorganized Debtors of such Cure Claim, as applicable; *provided* that nothing herein shall prevent the Reorganized Debtors, from paying any Cure Claim despite the failure of the relevant counterparty to file such request for payment of such Cure Claim. The Reorganized Debtors may settle any Cure Claim on account of any Executory Contract or Unexpired Lease without any further notice to or action, order, or approval of the Bankruptcy Court.

At least 7 days before the Voting Deadline, the Debtors shall distribute, or cause to be distributed, Cure Notices to the applicable third parties; *provided* that solely to the extent a cure amount is related to an Executory Contract or Unexpired Lease that is identified on an Amended Assumed Executory Contract/Unexpired Lease Schedule, the Debtors shall distribute, or cause to be distributed, such Cure Notice to the applicable third party on the date that such amended schedule is Filed. **Any objection by a counterparty to an Executory Contract or Unexpired Lease to the proposed assumption, assumption and assignment or related cure amount must be Filed, served and actually received by the Debtors on or before 14 days following distribution of the applicable Cure Notice.** Any counterparty to an Executory Contract or Unexpired Lease that fails to object timely to the proposed assumption, assumption and assignment, or cure amount related thereto (if any) will be deemed to have assented to such assumption, assumption and assignment, or cure amount. Notwithstanding anything herein to the contrary, in the event that any Executory Contract or Unexpired Lease is removed from the Rejected Executory Contracts and Unexpired Leases Schedule after such deadline, a Cure Notice with respect to such Executory Contract or Unexpired Lease will be sent promptly to the counterparty thereof and a noticed hearing set to consider whether such Executory Contract or Unexpired Lease can be assumed or assumed and assigned.

Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall result in the full release and satisfaction of any Claims or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any Assumed Executory Contract or Unexpired Lease at any time before the date that the Debtors assume such Executory Contract or Unexpired Lease. Any Proofs of Claim Filed with respect to an Executory Contract or Unexpired Lease that has been assumed shall be deemed disallowed and expunged, without further notice to or action, order, or approval of the Bankruptcy Court.

Claims in each applicable Class. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date. If and to the extent that there are disputed Claims, distributions on account of any such disputed Claims shall be made pursuant to the provisions set forth in Article VII. Except as specifically provided in the Plan, holders of Claims shall not be entitled to interest, dividends, or accruals on the distributions provided for in the Plan, regardless of whether such distributions are delivered on or at any time after the Effective Date.

B. *Rights and Powers of Distribution Agent*

1. Powers of the Distribution Agent

The Distribution Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Plan; (b) make all distributions contemplated hereby; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Distribution Agent by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by the Distribution Agent to be necessary and proper to implement the provisions hereof.

2. Expenses Incurred On or After the Effective Date

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable and documented fees and expenses incurred by the applicable Distribution Agent on or after the Effective Date (including taxes) and any reasonable and documented compensation and expense reimbursement claims (including reasonable attorney fees and expenses) made by the applicable Distribution Agent shall be paid in Cash by the Reorganized Debtors.

C. *Special Rules for Distributions to Holders of Disputed Claims and Interests*

Notwithstanding any provision otherwise in the Plan and except as otherwise agreed by the relevant parties: (a) no partial payments and no partial distributions shall be made with respect to a disputed Claim until all such disputes in connection with such disputed Claim have been resolved by settlement or Final Order; and (b) any Entity that holds both an Allowed Claim and a disputed Claim shall not receive any distribution on the Allowed Claim unless and until all objections to the disputed Claim have been resolved by settlement or Final Order or the Claims have been Allowed or expunged. Any dividends or other distributions arising from property distributed to holders of Allowed Claims in a Class and paid to such holders under the Plan shall also be paid, in the applicable amounts, to any holder of a disputed Claim in such Class that becomes an Allowed Claim after the date or dates that such dividends or other distributions were earlier paid to holders of Allowed Claims in such Class.

D. *Delivery of Distributions and Fractional, Undeliverable, or Unclaimed Distributions*

1. Record Date for Distribution

On the Distribution Record Date, the Claims Register shall be closed and any party responsible for making distributions shall instead be authorized and entitled to recognize only those record holders listed on the Claims Register as of the close of business on the Distribution Record Date. Notwithstanding anything to the contrary in the Plan or the Confirmation Order, the Distribution Record Date shall not apply to publicly held securities if distributions to such securities will be effectuated through DTC.

2. Delivery of Distributions

Except as otherwise provided herein, the Disbursing Agent shall make distributions to holders of Allowed Claims and Allowed Interests (as applicable) as of the Distribution Record Date at the address for each such holder as indicated on the Debtors' records as of the date of any such distribution; *provided* that the manner of such distributions shall be determined at the discretion of the Reorganized Debtors.

Unless otherwise specifically provided for in an order of the Bankruptcy Court, the Plan, or the Confirmation Order, or required by applicable law, distributions in respect of Allowed Claims shall be allocated first to the principal amount of such Claims (as determined for federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the Claims, to any portion of such Claims for accrued but unpaid interest as Allowed herein.

Any duplicate Claim or Interest or any Claim or Interest that has been paid or satisfied, or any Claim that has been amended or superseded, may be adjusted or expunged on the Claims Register by the Debtors or the Reorganized Debtors upon stipulation between the impacted holder of any Claim or Interest and the Debtor or Reorganized Debtor, as applicable without a Claims objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

Any objections to Claims shall be Filed by the Reorganized Debtors on or before the Claims Objection Deadline, as such deadline may be extended from time to time.

On or after the Effective Date, except as provided in the Plan or the Confirmation Order, a Claim may not be Filed or amended without the prior authorization of the Bankruptcy Court or the Reorganized Debtors.

To the extent that a disputed Claim ultimately becomes an Allowed Claim, distributions (if any) shall be made to the holder of such Allowed Claim in accordance with the provisions of the Plan. As soon as reasonably practicable after the date that the order or judgment of a court of competent jurisdiction allowing any disputed Claim becomes a Final Order, the Reorganized Debtors shall provide to the holder of such Claim the distribution (if any) to which such holder is entitled under the Plan as of the Effective Date.

Holders of Allowed Claims may assert such Claims against each Debtor obligated with respect to such Claims, and such Claims shall be entitled to share in the recovery provided for the applicable Class of Claims against each obligated Debtor based upon the full Allowed amount of such Claims. Notwithstanding the foregoing, in no case shall the aggregate value of all property received or retained under the Plan on account of any Allowed Claim exceed 100 percent of the underlying Allowed Claim plus applicable interest, if any.

Property deposited into the various Claim distribution accounts described elsewhere in the Plan (including the Non-Obligor General Unsecured Claims Reserve and the Obligor Claims Reserve, but for the avoidance of doubt, not including the Professional Fee Escrow) will be subject to “disputed ownership fund” treatment under section 1.468B-9 of the United States Treasury Regulations. All corresponding elections with respect to such accounts shall be made, and such treatment shall be applied to the extent possible for state, local, and non-U.S. tax purposes. Under such treatment, a separate federal income tax return shall be filed with the IRS with respect to such accounts, any taxes (including with respect to interest, if any, or appreciation in property between the Effective Date and date of

In accordance with section 1123(a)(1) of the Bankruptcy Code, Administrative Claims, DIP Facilities Claims, and Priority Tax Claims have not been classified and, thus, are excluded from the Classes of Claims or Interests set forth in Article III of the Plan.

1. Administrative Claims

Unless otherwise agreed to by the holder of an Allowed Administrative Claim and the Debtors or the Reorganized Debtors, as applicable, each holder of an Allowed Administrative Claim (other than holders of Professional Fee Claims and Claims for fees and expenses pursuant to section 1930 of chapter 123 of title 28 of the United States Code) will receive in full and final satisfaction of its Administrative Claim an amount of Cash equal to the amount of such Allowed Administrative Claim.

the date the Plan becomes effective—the “Effective Date”—or as soon as reasonably practicable thereafter, as specified in the Plan. *See* Article XI of this Disclosure Statement, entitled “Confirmation of the Plan,” for a discussion of the conditions precedent to consummation of the Plan.

I. What are the sources of Cash and other consideration required to fund the Plan?

The Reorganized Debtors shall fund distributions under the Plan with (a) Cash on hand; (b) the issuance and distribution of Reorganized Windstream Equity Interests; (c) proceeds of the New Exit Facility; (d) the Midwest Notes Exit Facility Term Loans issued under the New Exit Facility; (e) the First Lien Replacement Term Loans, as applicable; (f) subscription rights to participate in the Rights Offering; and (g) proceeds of the Rights Offering.

J. Are there risks to owning the Reorganized Windstream Equity Interests upon emergence from chapter 11?

Yes. *See* Article VIII of this Disclosure Statement, entitled “Risk Factors.”

K. Is there potential litigation related to the Plan?

Parties in interest may object to the approval of this Disclosure Statement and may object to Confirmation of the Plan as well, which objections potentially could give rise to litigation. *See* Article VIII.C.7 of this Disclosure Statement, entitled “The Reorganized Debtors May Be Adversely Affected by Potential Litigation, Including Litigation Arising Out of the Chapter 11 Cases.”

In the event that it becomes necessary to confirm the Plan over the rejection of certain Classes, the Debtors may seek confirmation of the Plan notwithstanding the dissent of such rejecting Classes. The Bankruptcy Court may confirm the Plan pursuant to the “cramdown” provisions of the Bankruptcy Code, which allow the Bankruptcy Court to confirm a plan that has been rejected by an impaired Class if it determines that the Plan satisfies section 1129(b) of the Bankruptcy Code. *See* Article VIII.A.4 of this Disclosure Statement, entitled “The Debtors May Not Be Able to Secure Confirmation of the Plan.”

L. What is the Management Incentive Plan and how will it affect the distribution I receive under the Plan?

The Management Incentive Plan shall provide for customary terms, the details of which will be set forth in the Plan Supplement.

If you are a holder of an Allowed First Lien Claim who receives New Windstream Equity Interests under the Plan, the value of your New Windstream Equity Interests will be diluted by any New Windstream Equity Interests distributed pursuant to the Management Incentive Plan.

M. Will the final amount of Allowed General Unsecured Claims affect the recovery of holders of Allowed General Unsecured Claims under the Plan?

No, the final amount of Allowed General Unsecured Claims will not affect the recovery of holders of Allowed General Unsecured Claims. Holders of Allowed General Unsecured Claims will either be paid in full or receive its Pro Rata share based on the holder’s status as an Obligor or Non-Obligor General Unsecured Creditor.

O. Will there be releases and exculpation granted to parties in interest as part of the Plan?

Yes, the Plan proposes to release the Released Parties and to exculpate the Exculpated Parties. The Debtors' releases, third-party releases, and exculpation provisions included in the Plan are an integral part of the Debtors' overall restructuring efforts and were an essential element of the negotiations among the Debtors and various parties in interest in obtaining their support for the Plan.

The Released Parties and the Exculpated Parties have made substantial and valuable contributions to the Debtors' restructuring through efforts to negotiate and implement the Plan, which will maximize and preserve the going-concern value of the Debtors for the benefit of all parties in interest. Accordingly, each of the Released Parties and the Exculpated Parties warrants the benefit of the release and exculpation provisions.

IMPORTANTLY, THE FOLLOWING PARTIES ARE INCLUDED IN THE DEFINITION OF "RELEASING PARTIES" AND WILL BE DEEMED TO HAVE EXPRESSLY, UNCONDITIONALLY, GENERALLY, INDIVIDUALLY, AND COLLECTIVELY RELEASED AND DISCHARGED ALL CLAIMS AND CAUSES OF ACTION AGAINST THE DEBTORS AND THE RELEASED PARTIES: ALL HOLDERS OF CLAIMS OR INTERESTS WHO DO NOT (X) VALIDLY OPT OUT OF THE RELEASES CONTAINED IN THE PLAN, (Y) FILE AN OBJECTION TO THE RELEASES CONTAINED IN THE PLAN BY THE PLAN OBJECTION DEADLINE, OR (Z) TIMELY VOTE TO REJECT THE PLAN. THE RELEASES ARE AN INTEGRAL ELEMENT OF THE PLAN.

Based on the foregoing, the Debtors believe that the releases and exculpations in the Plan are necessary and appropriate and meet the requisite legal standard promulgated by the United States Court of Appeals for the Second Circuit. Moreover, the Debtors will present evidence at the Confirmation Hearing to demonstrate the basis for and propriety of the release and exculpation provisions. The release, exculpation, and injunction provisions that are contained in the Plan are copied in pertinent part below.

1. Releases by the Debtors.

Pursuant to section 1123(b) of the Bankruptcy Code, for good and valuable consideration, on and after the Effective Date, each Released Party is deemed released and discharged by the Debtors, the Reorganized Debtors, and their Estates from any and all Causes of Action, including any derivative claims, asserted by or on behalf of the Debtors, that the Debtors, the Reorganized Debtors, or their Estates would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of any Claim against or Interest in a Debtor or other Entity, based on or relating to or in any manner arising from in whole or in part, the Debtors, the Debtors' in- or out-of-court restructuring efforts, intercompany transactions, the Chapter 11 Cases, the formulation, preparation, dissemination, negotiation, or filing of the Plan Support Agreement, the Disclosure Statement, the DIP Facility, the Final DIP Order, the Plan, the Rights Offering, the New Exit Facility, or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with the Plan Support Agreement, the Backstop Commitment Agreement, the Disclosure Statement, the DIP Facility, the Final DIP Order, the Rights Offering, the New Exit Facility, or the Plan, the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including the issuance or distribution of securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, or upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date.

2. Releases by Holders of Claims and Interests.

As of the Effective Date, each Releasing Party is deemed to have released and discharged each Debtor, Reorganized Debtor, and Released Party from any and all Causes of Action, whether known or unknown, including any derivative claims, asserted on behalf of the Debtors, that such Entity would have been legally entitled to assert (whether individually or collectively), based on or relating to or in any manner arising from, in whole or in part, the Debtors, the Debtors' in- or out-of-court restructuring efforts, intercompany transactions, the Chapter 11 Cases, the formulation, preparation, dissemination, negotiation, or filing of the Plan Support Agreement, the Backstop Commitment Agreement, the Disclosure Statement, the DIP Facility, the Final DIP Order, the Plan, the Rights Offering, the New Exit Facility, or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with the Plan Support Agreement, the Disclosure Statement, the DIP Facility, the Final DIP Order, the Rights Offering, the New Exit Facility, or the Plan, the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including the issuance or distribution of securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, or upon any other related act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date.

3. Exculpation

Except as otherwise specifically provided in the Plan, no Exculpated Party shall have or incur, and each Exculpated Party is released and exculpated from any Cause of Action for any claim related to any act or omission in connection with, relating to or arising out of the Chapter 11 Cases, the formulation, preparation, dissemination, negotiation, or filing of the Plan Support Agreement and related prepetition transactions, the Disclosure Statement, the Plan, the DIP Facility, the Final DIP Order, the Rights Offering, the New Exit Facility, or any Restructuring Transaction, contract, instrument, release or other agreement or document created or entered into in connection with the Disclosure Statement, the DIP Facility, the Final DIP Order, the Rights Offering, the New Exit Facility, or the Plan, the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including the issuance of securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, except for claims related to any act or omission that is determined in a final order to have constituted actual fraud or gross negligence, but in all respects such Entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan. The Exculpated Parties have, and upon completion of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of votes and distribution of consideration pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

4. Injunction

Except as otherwise expressly provided in the Plan or for obligations issued or required to be paid pursuant to the Final DIP Order, the Plan, or the Confirmation Order, all Entities who have held, hold, or may hold Claims or Interests that have been released, discharged, or are subject to exculpation are permanently enjoined, from and after the Effective Date, from taking any of the following actions against, as applicable, the Debtors, the Reorganized Debtors, the Exculpated Parties, or the Released Parties: (a) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or

Interests; (b) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any such Claims or Interests; (c) creating, perfecting, or enforcing any encumbrance of any kind against such Entities or the property or the estates of such Entities on account of or in connection with or with respect to any such Claims or Interests; (d) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any such Claims or Interests unless such holder has filed a motion requesting the right to perform such setoff on or before the Effective Date, and notwithstanding an indication of a claim or interest or otherwise that such holder asserts, has, or intends to preserve any right of setoff pursuant to applicable law or otherwise; and (e) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or Interests released or settled pursuant to the Plan.

For more detail, see Article VIII of the Plan, entitled “Settlement, Release, Injunction, and Related Provisions,” which is incorporated herein by reference.

The Voting Deadline is June 8, 2020, at 4:00 p.m. (prevailing Eastern Time).

Q. How do I vote for or against the Plan?

Detailed instructions regarding how to vote on the Plan are contained on the ballots distributed to holders of Claims or Interests that are entitled to vote on the Plan. For your vote to be counted, your ballot must be properly completed, executed, and delivered as directed, so that your ballot or a master ballot including your vote is **actually received** by the Debtors’ Claims and Balloting Agent, Kurtzman Carson Consultants (the “Claims and Balloting Agent”) **on or before the Voting Deadline, i.e. June 8, 2020 at 4:00 p.m. prevailing Eastern Time.** See Article X of this Disclosure Statement, entitled “Solicitation and Voting Procedures.”

R. Why is the Bankruptcy Court holding a Confirmation Hearing?

Section 1128(a) of the Bankruptcy Code requires the Bankruptcy Court to hold a hearing on confirmation of the Plan and recognizes that any party in interest may object to Confirmation of the Plan. The Confirmation Hearing will be scheduled by the Bankruptcy Court and all parties in interest will be served notice of the time, date, and location of the Confirmation Hearing once scheduled. The Confirmation Hearing may be adjourned from time to time without further notice.

S. What is the purpose of the Confirmation Hearing?

The confirmation of a plan of reorganization by a bankruptcy court binds the debtor, any issuer of securities under a plan of reorganization, any person acquiring property under a plan of reorganization, any creditor or interest holder of a debtor, and any other person or entity as may be ordered by the bankruptcy court in accordance with the applicable provisions of the Bankruptcy Code. Subject to certain limited exceptions, the order issued by the bankruptcy court confirming a plan of reorganization discharges a debtor from any debt that arose before the confirmation of such plan of reorganization and provides for the treatment of such debt in accordance with the terms of the confirmed plan of reorganization.

- b. second, used to fund the Non-Obligor General Unsecured Claims Reserve;
- c. third, used to fund the Obligor Claims Reserve;
- d. fourth, used, to the extent necessary, to fund the Minimum Cash Balance; and
- e. fifth, distributed to holders of Allowed First Lien Claims in accordance with **Error! Reference source not found.** of the Plan, which amounts shall constitute the Distributable Exit Facility Proceeds.

Confirmation of the Plan shall be deemed (a) approval of the New Exit Facility (including, for the avoidance of doubt, the Midwest Notes Exit Facility Term Loans) and all the transactions and related agreements contemplated thereby, and all actions to be taken, undertakings to be made, and obligations to be incurred and fees and expenses to be paid by the Debtors or the Reorganized Debtors, as applicable, in connection therewith, to the extent not approved by the Bankruptcy Court previously, and (b) authorization for the Debtors or the Reorganized Debtors, as applicable, to, without further notice to or order of the Bankruptcy Court, (i) execute and deliver those documents and agreements necessary or appropriate to pursue or obtain the New Exit Facility (including, for the avoidance of doubt, the Midwest Notes Exit Facility Term Loans), and incur and pay any fees and expenses in connection therewith, and (ii) act or take action under applicable law, regulation, order, or rule or vote, consent, authorization, or approval of any person, subject to such modifications as the Debtors or the Reorganized Debtors, as applicable, may deem to be necessary to consummate the New Exit Facility.

On the Effective Date, all Liens and security interests granted pursuant to, or in connection with the New Exit Facility (including, for the avoidance of doubt, the Midwest Notes Exit Facility Term Loans): (i) shall be deemed to be approved and shall, without the necessity of the execution, recordation, or filing of mortgages, security agreements, control agreements, pledge agreements, financing statements, or other similar documents, be valid, binding, fully perfected, fully enforceable Liens on, and security interests in, the collateral securing the New Exit Facility (including, for the avoidance of doubt, the Midwest Notes Exit Facility Term Loans), with the priorities established in respect thereof under applicable non-bankruptcy law, the Plan, and the Confirmation Order; and (ii) shall not be enjoined or subject to discharge, impairment, release, avoidance, recharacterization, or subordination (including equitable subordination) for any purposes whatsoever and shall not constitute preferential transfers, fraudulent conveyances, or other voidable transfers under the Bankruptcy Code or any applicable non-bankruptcy law, the Plan, or the Confirmation Order.

The Reorganized Debtors and the Persons granted Liens and security interests under the New Exit Facility (including, for the avoidance of doubt, the Midwest Notes Exit Facility Term Loans) are authorized to make all filings and recordings and to obtain all governmental approvals and consents necessary to establish and perfect such Liens and security interests under the provisions of the applicable state, provincial, federal, or other law (whether domestic or foreign) that would be applicable in the absence of the Plan and the Confirmation Order (it being understood that perfection shall occur automatically by virtue of the entry of the Confirmation Order without the need for any filings or recordings) and will thereafter cooperate to make all other filings and recordings that otherwise would be necessary under applicable law to give notice of such Liens and security interests to third parties.

D. Rights Offering

On the Effective Date, the Debtors will consummate the \$750 million Rights Offering pursuant to which holders of Allowed First Lien Claims will be distributed subscription rights to purchase the Reorganized Windstream Equity Interests at a 37.5% discount to Plan Equity Value. Both the amount of

the Rights Offering and the Plan Equity Value are subject to the Flex Adjustment in the event that the Flex Exit Facility Term Loans are funded on the Effective Date in a manner that preserves the 37.5% discount to Plan Equity Value, as set forth in the Backstop Commitment Agreement, such that if the aggregate principal amount of the Flex Exit Facility Term Loans is \$350 million, the Plan Equity Value will equal \$900 million and the Rights Offering amount will equal \$540 million.

Without limiting the obligations of the Backstop Parties to fund the full amount of the Rights Offering, the Backstop Parties will have the option to purchase the Backstop Priority Tranche on a Pro Rata Basis based on their backstop commitments and otherwise in accordance with the Plan Support Agreement. The Priority Non-Backstop Parties shall be eligible to participate in up to \$79.4 million of the Backstop Priority Tranche on a Pro Rata basis; *provided* that no single Priority Non-Backstop Party, together with any of its affiliates or managed funds, may participate on account of more than \$141 million in aggregate principal amount of First Lien Claims for purposes of determining its pro rata share of the Backstop Priority Tranche. Any rights not exercised by the Priority Non-Backstop Parties in the Backstop Priority Tranche shall be made available for the Backstop Parties to purchase on a Pro Rata basis based on their backstop commitments. Any rights not exercised by the Backstop Parties in the Backstop Priority Tranche shall be available for distribution as Distributable Subscription Rights to Holders of First Lien Claims pursuant to Article III.B.3 of the Plan.

The issuance of such subscription rights to participate in the Rights Offering will be exempt from SEC registration under applicable law. The proceeds of the Rights Offering will be distributed to holders of First Lien Claims in accordance with the Plan. The Reorganized Windstream Equity Interests issued to the Backstop Parties, the Priority Non-Backstop Parties and other holders of Allowed First Lien Claims in connection with the Rights Offering will be subject to dilution on account of the Backstop Premium and the Management Incentive Plan.

E. Corporate Existence

Except as otherwise provided in the Plan (including with respect to any Restructuring Transaction undertaken pursuant to the Plan) or as otherwise set forth in the Description of Restructuring Transactions, the Reorganized Windstream Organizational Documents, or any agreement, instrument, or other document incorporated in the Plan or the Plan Supplement, on and after the Effective Date, or as otherwise may be agreed between the Debtors, the Required Consenting Creditors, and the Requisite Backstop Parties, and, to the extent required under section 3.02 of the Plan Support Agreement, the Required Consenting Midwest Noteholders, each Debtor shall continue to exist as a Reorganized Debtor and as a separate corporation, limited liability company, partnership, or other form of entity, as the case may be, with all the powers of a corporation, limited liability company, partnership, or other form of entity, as the case may be, pursuant to the applicable law in the jurisdiction in which each applicable Debtor is incorporated or formed and pursuant to the respective certificate of incorporation and bylaws (or other analogous formation documents) in effect before the Effective Date, except to the extent such certificate of incorporation and bylaws (or other analogous formation documents) are amended by the Plan or otherwise, and to the extent such documents are amended, such documents are deemed to be amended pursuant to the Plan and require no further action or approval (other than any requisite filings required under applicable state, provincial, or federal law).

F. General Settlement of Claims and Interests

Pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019 and in consideration for the distributions and other benefits provided pursuant to the Plan, the Plan is and shall be deemed a good-faith compromise and settlement of all Claims, Interests, and controversies relating to the contractual, legal, and subordination rights that a holder of a Claim or Interest may have with respect to any Allowed Claim or Interest, or any distribution to be made on account of such Allowed Claim or Interest.

The entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the compromise or settlement of all such Claims, Interests, and controversies, as well as a finding by the Bankruptcy Court that such compromise or settlement is in the best interests of the Debtors, their Estates, and holders of Claims and Interests and is fair, equitable, and reasonable. The compromises, settlements, and releases described herein shall be deemed nonseverable from each other and from all other terms of the Plan. In accordance with the provisions of the Plan, pursuant to Bankruptcy Rule 9019, without any further notice to or action, order, or approval of the Bankruptcy Court, after the Effective Date, the Reorganized Debtors, may compromise and settle Claims against, and Interests in, the Debtors and their Estates and Causes of Action against other Entities.

G. Releases

The Plan contains certain releases (as described more fully in Article III.O of this Disclosure Statement, entitled "Will there be releases and exculpation granted to parties in interest as part of the Plan?").

H. Exemption from Certain Transfer Taxes and Recording Fees

To the maximum extent permitted pursuant to section 1146(a) of the Bankruptcy Code, any transfers of property pursuant to the Plan shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, stamp act, real estate transfer tax, mortgage recording tax, or other similar tax or governmental assessment, and upon entry of the Confirmation Order, the appropriate state or local governmental officials or agents shall forgo the collection of any such tax or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents pursuant to such transfers of property without the payment of any such tax, recordation fee, or governmental assessment. Unless the Bankruptcy Court orders otherwise, all sales, transfers, and assignments of owned and leased property approved by the Bankruptcy Court on or before the Effective Date shall be deemed to have been in furtherance of, or in connection with, the Plan

V. THE DEBTORS' CORPORATE HISTORY, STRUCTURE, AND BUSINESS OVERVIEW

A. Windstream's Corporate History and Business Operations

Windstream traces its roots back to 1943, when Allied Telephone Company was founded in Little Rock, Arkansas to serve rural communities in Arkansas, Oklahoma, and Missouri. Over time Allied Telephone Company (subsequently re-branded as Alltel) grew into one of the country's largest telephone companies. In 2006, Windstream Corporation was formed through the spinoff of Alltel's landline business and merger with VALOR Communications Group. The new business initially served 3.4 million access lines in 16 states. Windstream's business generates revenue by delivering voice and data services over channels known as "access lines". Windstream continued Alltel's legacy of growth and innovation, expanding significantly both organically and through acquisitions.

Windstream Holdings, Windstream's publicly-traded holding company, was incorporated in the state of Delaware on May 23, 2013, and is the parent of Windstream Services, LLC ("Windstream Services"), formerly a Delaware corporation and now a Delaware limited liability company organized on March 1, 2004. Windstream Holdings' only material asset is a 100 percent interest in Windstream Services. Windstream Services and its guarantor subsidiaries are the sole obligors of all of Windstream's outstanding debt obligations. Windstream Holdings is not a guarantor of nor subject to the restrictive covenants included in any of Windstream Services' debt agreements (other than the DIP Facilities).

Windstream is a leading provider of advanced network communications and related technology that increase the network communication abilities for businesses across the United States, including in the

banking, content and media, education, government, healthcare, hospitality, and retail spaces. Windstream also offers broadband, entertainment and security solutions to consumers and small businesses, primarily in rural areas, in 18 states. Additionally, Windstream supplies core transport solutions³ on a local and long-haul fiber network spanning approximately 150,000 miles. The market for the telecommunications services Windstream offers is highly competitive and continued industry-wide merger and acquisition activity has resulted in fewer customers and intensified pricing pressure. To maintain its competitive edge, Windstream keeps a sharp focus on providing a top of the line customer experience and continued technological innovation—objectives it has successfully pursued to date.

Windstream primarily conducts its operations through three business units: (i) the Consumer & Small Business unit, which serves customers located in service areas in which Windstream is the incumbent local exchange carrier (“ILEC”);⁴ (ii) the Enterprise business unit, which serves customers located in service areas in which Windstream is a competitive local exchange carrier (“CLEC”);⁵ and (iii) the Wholesale business unit, which provides bandwidth and transport services to wholesale customers. Each unit is described in greater detail below.

Consumer & Small Business. The Consumer & Small Business unit includes approximately 1.4 million residential and small business customers. Windstream’s consumer services primarily consist of high-speed internet and traditional voice and video services, including 911 services. Windstream is also committed to providing high-speed broadband and additional value-added services to its consumer base, as well as bundling its service offerings to provide a comprehensive solution to meet its customers’ needs at a competitive value. During 2019, the Consumer & Small Business unit generated \$2 billion in revenue.

Enterprise. Windstream’s Enterprise business segment provides advanced network communications and technology solutions, including software defined wide area networking (SD-WAN) and unified communications as a service (UCaaS), to businesses across the United States and offers solutions to enable businesses to compete more effectively in the digital economy, as well as a variety of other data services including cloud computing as an alternative to traditional technology infrastructure. Windstream’s Enterprise segment supports some of the most demanding IT organizations within the retail, healthcare, financial services, manufacturing, government and education sectors. Throughout 2019, the Enterprise segment generated \$2.6 billion in revenue.

Wholesale. Windstream’s Wholesale segment leverages its nationwide network to provide 100 Gbps⁶ bandwidth and transport services to wholesale customers, including telecom companies, content providers, and cable and other network operators. In addition, Windstream offers voice and data carrier services to other communications providers and to larger-scale purchasers of network capacity. During 2019, the Wholesale segment generated \$350 million in revenue. Today, Windstream’s fiber network spans approximately 150,000 route miles of fiber.

³ In Windstream’s industry, the term “core network” refers to the highly functional communication facilities that interconnect primary nodes. The core network delivers routes to exchange information among various sub-networks.

⁴ An incumbent local exchange carrier is local telecommunications company (or its corporate successor) that held the regional monopoly on landline service in an area before regulation opened the market to competitive local exchange carriers.

⁵ A competitive local exchange carrier is a telecommunications company that, through regulation, is allowed to compete in territories where ILECs had historically had a monopoly.

⁶ Gbps stands for billions of bits per second and is a measure of bandwidth on a digital data transmission medium such as optical fiber.

B. Regulation of the Debtors' Business

In the United States, the telecommunications services Windstream provides are generally subject to varying degrees of federal, state and local regulation, including regulation by the Federal Communications Commission (the "FCC") and the public utilities commissions or similar regulatory agencies in each U.S. state and the District of Columbia (the "State PUCs"). While these regulatory agencies grant Windstream the authority to operate its telecommunications network, the regulation they exert over service offerings and pricing is minimal.

More specifically, Windstream is subject to FCC regulation under the Communications Act of 1934 (as amended, the "Communications Act"). Windstream has the necessary authority under Section 214 of the Communications Act to operate in the United States as a provider of domestic interstate telecommunications services, as well as the necessary authority to operate as an international provider. Windstream also maintains various wireless licenses and is the owner of licensed spectrum, issued and regulated by the FCC. In addition, Windstream companies also hold intrastate telecommunications authorizations issued by the State PUCs. Should a Windstream service provider fail at any time to obtain the licenses required to provide intrastate, or fail to meet any of the FCC and State PUC requirements to maintain licenses, including but not limited to, the payment of required regulatory fees and fund contributions, regular report filings, or compliance with service quality measures, Windstream could be subject to fines and/or other penalties, including revocation of operating authorizations.

C. The Debtors' Prepetition Capital Structure

As of the Petition Date, Windstream had approximately \$5.6 billion in aggregate funded-debt obligations. These obligations arose under a revolving credit facility, two tranches under Windstream's term loan facility, one series of secured first lien notes, two series of secured second lien notes, six series of unsecured notes, and one issuance of secured subsidiary notes. Windstream Holdings is not party to Windstream's prepetition debt obligations. All debt, other than the secured subsidiary notes, has been incurred by Windstream Services and its guarantor subsidiaries. The table below summarizes Windstream's capital structure as of the Petition Date:

<i>First Lien Debt Obligations</i>	<i>Principal Amount (in US\$ millions)</i>
Term Loan, Tranche B6 – variable rates, due March 29, 2021	1,180.5

Total Secured Debt Obligations	\$4,467.8

⁷ These notes were assumed as part of an acquisition transaction and are secured by certain assets of the issuer of these notes and its subsidiaries. The issuer of these notes, Windstream Holding of the Midwest, Inc, is a guarantor of Windstream Services other debt obligations.

2024 Senior Notes – 8.750%, due December 15, 2024	105.8
Total Unsecured Note Obligations	\$ 1,131.5

Total Funded-Debt Obligations	\$5,599.3 million⁹
--------------------------------------	--------------------------------------

In addition to outstanding funded-debt obligations, Windstream Holdings’ equity traded publicly on the NASDAQ under the ticker symbol “WIN” since 2009¹⁰ (having previously traded on the New York Stock Exchange from the time of its formation). In August 2017, Windstream Holdings’ board of directors elected to eliminate Windstream Holdings’ quarterly common stock dividend of \$0.15 per share commencing in the third quarter of 2017, intending to use the cash savings from the elimination of the quarterly dividend payment to repay certain of its debt obligations.

Windstream’s capital structure is a product of the spin-off and merger that led to its formation and a series of financings, refinancings, and exchange transactions that have fueled Windstream’s growth and technical advancement over the last decade. In recent years, Windstream has engaged in a number of refinancings and debt repayments, including the March 2016 closing of an incremental term loan to repurchase \$441 million of 7.875% Senior Notes due 2017; the September 2016 redemption of the remaining 7.875% Senior Notes due 2017 via incremental B-6 term loans and revolver borrowings; and the February 2017 closing of the \$580 million B-7 term loans to refinance term loans in prior tranches maturing in August 2019.

Windstream continued to actively monitor its balance sheet through 2017, and in mid-2017 was considering additional market transactions to improve its capital structure. But in mid-2017 and as further described below, Aurelius acquired the 6 3/8% Notes and alleged certain defaults under the 6 3/8% Notes Indenture related to the Uniti spin-off transaction, ultimately resulting in litigation in November 2017. The uncertainty left in the wake of Aurelius’ actions effectively eliminated Windstream’s access to the capital markets for additional unsecured debt or equity capital (and leaving exchange offers as the most viable alternative to strengthen their balance sheet).¹¹

⁸ The 6 3/8% Notes, as described above, are inclusive of outstanding 6.375% senior notes due 2023 issued in 2013 and 2017.

⁹ Includes less of a net discount on long term debt (31.7), unamortized debt issuance costs (60.8), and current maturities (17.9).

¹⁰ WIN was delisted from NASDAQ on March 6, 2019.

¹¹ Recently, Windstream engaged in an August 2018 notes exchange of \$414.8 million of 7.50% Senior Notes due 2020 in exchange for 10.500% Secured Second Lien Notes due 2024, as well as \$18.8 million of 7.75% Senior Notes due 2021, \$5.3 million of 7.50% Senior Notes due 2022, \$86.0 million of 7.50% Senior Notes due 2023, \$340.7 million of 2023 Notes, and \$578.6 million of 8.75% Senior Notes due 2024 in exchange for \$802.0 million of new 9.000% Secured Second Lien Notes due 2025.

VI. EVENTS LEADING TO THE CHAPTER 11 FILINGS

A. The Uniti Spin-Off Transaction.

In March 2015,¹² Windstream Holdings and Windstream Services entered into a Separation and Distribution Agreement with Uniti, pursuant to which, among other things, Windstream Services and certain of its subsidiaries contributed to Uniti (then a subsidiary of Windstream Services) certain assets consisting of approximately 66,000 route miles of fiber optic cable lines, 235,000 route miles of copper cable lines, central office land and buildings, beneficial rights to permits, pole agreements and easements, and a small consumer competitive local exchange carrier business owned by Windstream Services. Those assets were exchanged for (a) the issuance of Uniti common stock to Windstream Services, (b) the transfer of approximately \$1.035 billion in cash from Uniti to Windstream Services, and (c) the transfer from Uniti to Windstream Services of approximately \$2.5 billion of Uniti debt, consisting of term loans and secured and unsecured notes. Services then distributed approximately 80.4% of the outstanding shares of Uniti common stock to Windstream Holdings. Windstream Holdings, in turn, distributed the shares of Uniti common stock pro rata to holders of Windstream Holdings common stock in a tax free spin-off. In two separate transactions completed in June 2016, Windstream Services transferred the remaining 19.6% of Uniti's common stock to its secured bank creditors in exchange for the retirement of \$672.0 million of aggregate borrowings outstanding under its revolver and to satisfy transaction-related expenses.

Windstream Holdings, Windstream Services, and Uniti entered into multiple further agreements to implement portions of and govern the relationship after the Uniti spin-off. One such agreement was the Uniti Arrangement.

B. District Court Litigation and Exchange and Consent Transactions.

Beginning in early August 2017, Windstream became aware of market rumors that an unidentified fund was acquiring notes in one or more of Windstream's outstanding issuances of unsecured notes for the purpose of attempting to call a default under one of the indentures. Soon thereafter, Windstream learned that the fund was Aurelius, who had accumulated a position in the 6 3/8% Notes and intended to issue a notice of default related to the Uniti spin-off, which had closed more than two years earlier.

In addition to learning that Aurelius had accumulated a position in the 6 3/8% Notes, in late 2017, Windstream also learned that Aurelius had accumulated a sizeable position in Windstream Services' credit default swaps, which would be triggered upon a payment default or bankruptcy filing. In a notice letter received September 22, 2017, Aurelius asserted a default under the 6 3/8% Notes indenture related to the Uniti spin-off transaction, although no other creditor or noteholder has previously complained. In simple terms, Aurelius alleged that the Uniti spin-off constituted a prohibited "Sale and Leaseback Transaction" under section 4.19 of the 6 3/8% Notes Indenture. The Aurelius notice purported to constitute a written notice of default under the 6 3/8% Notes Indenture, which would trigger a 60-day grace or cure period after which the indenture trustee or holders of at least 25% in aggregate principal amount of outstanding 6 3/8% Notes could declare the principal amount of all outstanding 6 3/8% Notes to be immediately due and payable.

Shortly after Aurelius issued its notice, Windstream Services filed suit against U.S. Bank, the indenture trustee under the 6 3/8% Notes Indenture, in Delaware Chancery Court, seeking a declaration that it had not violated any provision of the 6 3/8% Notes Indenture and related injunctive relief. On October 12, 2017, U.S. Bank, at Aurelius' direction, filed suit in the Southern District of New York seeking relief essentially mirroring the relief sought by Windstream in the Delaware Chancery Court action. Windstream

¹² Although the Separation and Distribution Agreement was signed in March 2015, the spin off was completed in April 2015.

Services responded to the Trustee's complaint the following day and asserted counterclaims against the Trustee and Aurelius for declaratory relief.

On October 18, 2017, Windstream Services launched debt exchange offers with respect to its senior notes, including the 6 3/8% Notes, and related consent solicitations. The transactions contemplated the exchange of outstanding notes with earlier maturities into new notes, including into new 2023 Notes, coupled with consent solicitations that would waive any alleged defaults relating to the Uniti spin off, including the defaults alleged by Aurelius.

On October 31, 2017, it became clear that, based on tenders of notes in the exchange offers and consents delivered in the consent solicitations, holders representing the requisite percentage of the 6 3/8% Notes needed to waive the defaults alleged in the Aurelius purported notice of default would be received. On November 6, 2017, Windstream Services and U.S. Bank executed a supplemental indenture, and new 2023 Notes were issued, which sought to give effect to the waivers and consents for the 6 3/8% Notes. Windstream also completed other consent solicitations waiving any alleged default related to the Uniti spin-off under its other note issuances (which are based on substantially identical indentures). Aurelius and U.S. Bank subsequently challenged the validity of the exchange transactions and consent solicitation through litigation.

On February 15, 2019, findings of fact and conclusions of law were issued stating that Windstream was in breach of its bond indentures by engaging in an impermissible Sale and Leaseback Transaction, and that any of Windstream's subsequent efforts to secure a waiver neither waived nor cured the default that arose from that breach. The immediate consequences of the findings were severe. Because the findings stated that Aurelius' Notice of Default ripened into an Event of Default on December 7, 2017, Aurelius would be entitled to a money judgment in the amount of the 6 3/8% Notes it holds plus interest, a figure amounting to approximately \$300 million, with additional interest accruing from July 23, 2018.

The findings also led to a cross default under the credit agreement governing Windstream's secured term and revolving loan obligations and the valid acceleration of the 6 3/8% Notes by Aurelius would give rise to a cross-acceleration event of default under the indentures governing Windstream's other series of secured and unsecured notes. In the absence of Windstream filing for chapter 11, these defaults would have permitted Aurelius to exercise remedies against Windstream and ultimately its assets, potentially leading to a value-destructive piecemeal liquidation, and the defaults would have allowed other parties to accelerate other debt obligations and exercise similar remedies.

C. Immediate Financing Solutions and DIP Financing.

Due to the court's findings, Windstream lost the ability to draw on its revolving facility under its then existing terms, and therefore Windstream lacked the ability to fund day-to-day cash needs and faced a significant and near term liquidity shortfall. In response, Windstream immediately engaged in discussions with certain key stakeholders regarding potential means to resolve debt defaults and liquidity challenges in the days leading up to the Petition Date.

In connection with discussions of all available alternatives, Windstream pursued an amendment and waiver under its first lien revolving credit facility. On February 21, 2019, Windstream obtained a limited waiver from the required revolving lenders under the credit agreement regarding certain conditions to borrowing (the "Amendment and Waiver"). The Amendment and Waiver allowed Windstream to draw \$25 million in immediate funding and provided that any additional borrowings under the revolving credit facility were now subject to consent from all revolving lenders. The liquidity resulting from the Amendment and Waiver allowed the Windstream critical additional days to plan for a smooth transition into chapter 11.

In the ordinary course of business, the Debtors are parties to certain lawsuits, legal proceedings, collection proceedings, and claims arising out of their business operations. The Debtors cannot predict with certainty the outcome of these lawsuits, legal proceedings, and claims.

G. Uniti Adversary Proceeding and Mediation.

In an attempt to consensually resolve issues relating to the Uniti Arrangement with all stakeholders, on July 12, 2019, the Debtors and Uniti filed a motion to appoint a mediator and to include mediation parties from across the Debtors' capital structure. The Debtors proposed that mediation and litigation proceed in parallel so as to most efficiently reach a global resolution of matters regarding the relationship between the Debtors and Uniti. On July 30, 2019 the Court entered an order appointing the Honorable Judge Chapman to mediate issues regarding the Uniti Arrangement. In an attempt to create breathing room throughout the course of the mediation, the Debtors and Uniti—with the assistance of Judge Chapman—agreed to an extension of the purported application of the deadline under section 365(d)(4) of the Bankruptcy Code and filed the 365(d)(4) Stipulation.

Over the course of late 2019 and early 2020, the Uniti Adversary Proceeding continued in parallel with the mediation process, including substantial document discovery and depositions of key potential witnesses. Ultimately, through the mediation process as well as informal negotiations, and in advance of the commencement of any trial in the Uniti Adversary Proceeding, the Debtors were able to reach a

4. *Cash Transfer*

Uniti will pay to the subsidiary or subsidiaries of Windstream designated by the mutual agreement of the Debtors, the Required Consenting First Lien Creditors, and the Requisite Backstop Parties \$490,109,111 in 20 equal consecutive quarterly installments beginning on the 5th business day of the first month following the Effective Date.

5. *Parties*

The parties to the Uniti Settlement are (i) Holdings and Services, the direct and indirect subsidiaries of Services, and their successors, assigns, transferees, and subtenants, as applicable, and/or one or more entities formed to acquire all or a portion of the assets of any of the foregoing as tenants, subject to any regulatory limitations and (ii) the same landlord(s) as those under the Uniti Arrangement..

6. *Effective Date*

The effective date of the Uniti Settlement will occur promptly upon entry of an order approving the agreements described in the Uniti Term Sheet and the satisfaction of all conditions relating to “true lease” and REIT compliance, but in no event later than Windstream’s emergence from Chapter 11.

7. *Uniti Arrangement Structure/Terms*

The Uniti Arrangement will be bifurcated into structurally similar but independent agreements governing the ILEC Facilities and the CLEC Facilities (the “ILEC Lease” and the “CLEC Lease,” and together, the “Leases”).

All assignment, transfer, change of control, and similar provisions in the current Uniti Arrangement shall be amended and restated in each ILEC and CLEC Lease to provide that Windstream will be permitted to assign, sell, or otherwise transfer (whether in a standalone transaction, in connection with a sale of assets or equity interests, or otherwise) any of its interests in any or both of the ILEC Lease or the CLEC Lease subject to certain restrictions.

The ILEC Lease and CLEC Lease shall be cross-defaulted and cross-guaranteed so long as the tenants under both Leases are affiliates of Windstream.

Windstream may request that Uniti sell non-core assets in ILEC territories, subject to an annual cap of \$10 million on proceeds, a portion of which will be remitted to Windstream in consideration of its leasehold interest in the sold assets and rent under the ILEC Lease not being reduced.

Windstream or any successor, assign, or subtenant will be permitted to sell fiber IRUs or lease dark fiber services in ILEC and CLEC territories with term dates that extend beyond the then current term of the Lease subject to an annual cap of \$10 million on proceeds and certain other restrictions.

Uniti will be prohibited from competing in Windstream ILEC territories (for purposes of clarification, selling dark fiber or lit transport and building long haul routes with no laterals or extensions in a Windstream ILEC territory shall not be deemed competitive, but selling services originating or terminating traffic in said territories shall be deemed competitive), and, for avoidance of doubt, “Uniti” refers to landlord and its affiliates, including Uniti, and all existing, acquired, or newly-formed direct or indirect subsidiaries of Uniti, any entities in common control with any such entity, and their respective successors and assigns, during the initial Term and all renewal terms of the ILEC Lease. Further, Uniti will not be permitted to transfer its interest in the CLEC or ILEC Lease to a Windstream Competitor.

8. *Windstream Financial Covenants*

Exit Financing as of Emergence:

- a. As of the date of emergence, on a pro forma basis giving effect to Windstream's emergence (including the repayment, discharge, or extinguishment of any Indebtedness and the incurrence of any new Indebtedness (as defined in the Uniti Term Sheet)), Windstream's total leverage ratio will not exceed 3.00x. For the avoidance of doubt, for the foregoing test, amounts payable in cash on account of contract cures, lease cures, or administrative expenses, and/or amounts to be paid to holders of allowed general unsecured claims after emergence, in each case payable upon completion of the applicable claims resolution process before the Bankruptcy Court, shall not be considered Indebtedness.

Lease Financial Covenants:

- a. The ILEC Lease and the CLEC Lease will contain the following covenants:
- b. Windstream and its subsidiaries cannot incur any Indebtedness (other than (a) refinancing Indebtedness in a principal amount not exceeding the sum of (x) the principal amount of the Indebtedness refinanced, (y) the accrued and unpaid interest on such Indebtedness refinanced and any other amounts owing thereon, and (z) any customary costs, fees, or expenses incurred in connection with such refinancing or (b) drawings under its third party syndicated revolving credit facility, in an amount not to exceed \$750 million (the "RCF Facility")), if its total leverage ratio, pro forma for the incurrence of such Indebtedness, would exceed 3.00x.
- c. If at any time (a) Windstream's total leverage ratio exceeds 3.50x (the "Maintenance Leverage Covenant") and (b) Windstream or any of its subsidiaries takes any of the following actions, an event of default will have occurred:
 - (i) incur any Indebtedness;
 - (ii) make any dividends on its capital stock or repurchase any stock, or prepay any unsecured debt;
 - (iii) make (a) any acquisitions or (b) investments, other than investments (1) in consolidated subsidiaries existing before the applicable date of Windstream's non-compliance with the Maintenance Leverage Covenant and customary permitted investments, (2) in joint ventures in existence prior to the date of the applicable non-compliance with the Maintenance Leverage Covenant (and not created in contemplation thereof), or (3) with the consent of Uniti (not to be unreasonably withheld); or
 - (iv) enter into any transaction with any investor in Windstream who has one or more of its representatives on the Windstream Board of Directors, unless (i) Uniti consents to the entry into such transaction (such consent not to be unreasonably withheld) or (ii) such transaction is (x) in the ordinary course of business or (y) to continue or renew management, consultancy, or advisory services.

- d. If (a) any bankruptcy event of default, or (b) any payment event of default or any other event of default under any Material Indebtedness (as defined in the Uniti Arrangement) has occurred, such event of default shall constitute an event of default under the Leases and Uniti will not be required to comply with its GCI commitment obligations following any such breach.
- e. Notwithstanding anything to the contrary in the Uniti Term Sheet, the Leases shall provide that the Incurrence Leverage Covenant and the Maintenance Leverage Covenant shall not apply at any time that Windstream maintains a corporate family rating of not less than (i) “B2” (stable) by Moody’s and (ii) either “B” (stable) by S&P or “B” (stable) by Fitch.

9. Stay of Pending Litigation

Upon announcement of the Uniti Settlement, all pending litigation was stayed pending closing of the transactions contemplated, without prejudice to Windstream’s right to resume prosecution.

H. Plan Support Agreement

Through the mediation process, the parties focused not only on the terms of the Uniti Settlement, but also on the terms of the Plan. Certain holders of First Lien Claims, Uniti, Elliott, and certain holders of Midwest Notes Claims are parties to the Plan Support Agreement. The Plan Support Agreement memorializes not only a commitment to transactions required to facilitate the Uniti Settlement, but also support for the Plan. The Plan Support Agreement was entered into on March 2, 2020, and was amended on March 9, 2020 and March 13, 2020. The Debtors reserve all rights to, with the consent of any applicable counterparties to the extent required under the Plan Support Agreement, amend, revise or supplement the Plan Support Agreement at any time before the Effective Date of the Plan.

VIII. RISK FACTORS

Holders of Claims should read and consider carefully the risk factors set forth below before voting to accept or reject the Plan. Although there are many risk factors discussed below, these factors should not be regarded as constituting the only risks present in connection with the Debtors’ businesses or the Plan and its implementation.

A. Bankruptcy Law Considerations

The occurrence or non-occurrence of any or all of the following contingencies, and any others, could affect distributions available to holders of Allowed Claims under the Plan but will not necessarily affect the validity of the vote of the Impaired Classes to accept or reject the Plan or necessarily require a re-solicitation of the votes of holders of Claims in such Impaired Classes.

1. Parties in Interest May Object to the Plan’s Classification of Claims and Interests

Section 1122 of the Bankruptcy Code provides that a plan may place a claim or an equity interest in a particular class only if such claim or equity interest is substantially similar to the other claims or equity interests in such class. The Debtors believe that the classification of the Claims and Interests under the Plan complies with the requirements set forth in the Bankruptcy Code because the Debtors created Classes of Claims and Interests each encompassing Claims or Interests, as applicable, that are substantially similar to the other Claims or Interests, as applicable, in each such Class. Nevertheless, there can be no assurance that the Bankruptcy Court will reach the same conclusion.

and is “fair and equitable” with respect to the dissenting impaired class(es). The Debtors believe that the Plan satisfies these requirements, and the Debtors may request such nonconsensual Confirmation in accordance with subsection 1129(b) of the Bankruptcy Code. Nevertheless, there can be no assurance that the Bankruptcy Court will reach this conclusion. In addition, the pursuit of nonconsensual Confirmation or Consummation of the Plan may result in, among other things, increased expenses relating to professional compensation.

6. Continued Risk upon Confirmation

Even if the Plan is consummated, the Debtors will continue to face a number of risks, including certain risks that are beyond their control, such as further deterioration or other changes in economic conditions, changes in the industry, potential revaluing of their assets due to chapter 11 proceedings, changes in demand for telecommunications services, changes in telecommunications technology, and increasing expenses. See Article VIII.C of this Disclosure Statement, entitled “Risks Related to the Debtors’ and the Reorganized Debtors’ Businesses”. Some of these concerns and effects typically become more acute when a case under the Bankruptcy Code continues for a protracted period without indication of how or when the case may be completed. As a result of these risks and others, there is no guarantee that a chapter 11 plan of reorganization reflecting the Plan will achieve the Debtors’ stated goals.

In addition, at the outset of the chapter 11 cases, the Bankruptcy Code provides the Debtors with the exclusive right to propose the Plan and prohibits creditors and others from proposing a plan. The Debtors will have retained the exclusive right to propose the Plan upon filing their Petitions. If the Bankruptcy Court terminates that right, however, or the exclusivity period expires, there could be a material adverse effect on the Debtors’ ability to achieve confirmation of the Plan in order to achieve the Debtors’ stated goals.

Furthermore, even if the Debtors’ debts are reduced and/or discharged through the Plan, the Debtors may need to raise additional funds through public or private debt or equity financing or other various means to fund the Debtors’ businesses after the completion of the proceedings related to the chapter 11 cases. Adequate funds may not be available when needed or may not be available on favorable terms.

7. The Chapter 11 Cases May Be Converted to Cases under Chapter 7 of the Bankruptcy Code

If the Bankruptcy Court finds that it would be in the best interest of creditors and/or the debtor in a chapter 11 case, the Bankruptcy Court may convert a chapter 11 bankruptcy case to a case under chapter 7 of the Bankruptcy Code. In such event, a chapter 7 trustee would be appointed or elected to liquidate the debtors’ assets for distribution in accordance with the priorities established by the Bankruptcy Code. The Debtors believe that liquidation under chapter 7 would result in significantly smaller distributions being made to creditors than those provided for in a chapter 11 plan because of (a) the likelihood that the assets would have to be sold or otherwise disposed of in a disorderly fashion over a short period of time, rather than reorganizing the business in a controlled manner, (b) additional administrative expenses involved in the appointment of a chapter 7 trustee, and (c) additional expenses and Claims, some of which would be entitled to priority, that would be generated during the liquidation, including Claims resulting from the rejection of Unexpired Leases and other Executory Contracts in connection with cessation of operations.

8. The Debtors May Object to the Amount or Classification of a Claim

Except as otherwise provided in the Plan, the Debtors reserve the right to object to the amount or classification of any Claim under the Plan. The estimates set forth in this Disclosure Statement cannot be relied upon by any holder of a Claim where such Claim is subject to an objection. Any holder of a Claim

that is subject to an objection thus may not receive its expected share of the estimated distributions described in this Disclosure Statement.

9. *Risk of Non-Occurrence of the Effective Date*

Although the Debtors believe that the Effective Date may occur quickly after the Confirmation Date, there can be no assurance as to such timing or as to whether the Effective Date will, in fact, occur.

10. *Contingencies Could Affect Votes of Impaired Classes to Accept or Reject the Plan*

The distributions available to holders of Allowed Claims under the Plan can be affected by a variety of contingencies, including, without limitation, whether the Bankruptcy Court orders certain Allowed Claims to be subordinated to other Allowed Claims. The occurrence of any and all such contingencies, which could affect distributions available to holders of Allowed Claims under the Plan, will not affect the validity of the vote taken by the Impaired Classes to accept or reject the Plan or require any sort of revote by the Impaired Classes.

The estimated Claims and creditor recoveries set forth in this Disclosure Statement are based on various assumptions, and the actual Allowed amounts of Claims may significantly differ from the estimates. Should one or more of the underlying assumptions ultimately prove to be incorrect, the actual Allowed amounts of Claims may vary from the estimated Claims contained in this Disclosure Statement. Moreover, the Debtors cannot determine with any certainty at this time, the number or amount of Claims that will ultimately be Allowed. Such differences may materially and adversely affect, among other things, the percentage recoveries to holders of Allowed Claims under the Plan.

11. *Releases, Injunctions, and Exculpations Provisions May Not Be Approved*

Article VIII of the Plan provides for certain releases, injunctions, and exculpations, including a release of liens and third-party releases that may otherwise be asserted against the Debtors, Reorganized Debtors, or Released Parties, as applicable. The releases, injunctions, and exculpations provided in the Plan are subject to objection by parties in interest and may not be approved. If the releases are not approved, certain Released Parties may withdraw their support for the Plan.

The releases provided to the Released Parties and the exculpation provided to the Exculpated Parties is necessary to the success of the Debtors' reorganization because the Released Parties and Exculpated Parties have made significant contributions to the Debtors' reorganizational efforts and have agreed to make further contributions, including by agreeing to forgo full payment in Cash of their claims against the Debtors' estates, but only if they receive the full benefit of the Plan's release and exculpation provisions. The Plan's release and exculpation provisions are an inextricable component of the Plan Support Agreement and Plan and the significant deleveraging and financial benefits that they embody.

B. *Risks Related to Recoveries under the Plan*

1. *The Reorganized Debtors May Not Be Able to Achieve their Projected Financial Results*

The Reorganized Debtors may not be able to achieve their projected financial results. The Financial Projections set forth in this Disclosure Statement represent the Debtors' management team's best estimate of the Debtors' future financial performance, which is necessarily based on certain assumptions regarding the anticipated future performance of the Reorganized Debtors' operations, as well as the United States and world economies in general, and the industry segments in which the Debtors operate in particular. While

the Debtors believe that the Financial Projections contained in this Disclosure Statement are reasonable, there can be no assurance that they will be realized. If the Debtors do not achieve their projected financial results, the value of the Reorganized Windstream Equity Interests may be negatively affected and the Debtors may lack sufficient liquidity to continue operating as planned after the Effective Date. Moreover, the financial condition and results of operations of the Reorganized Debtors from and after the Effective Date may not be comparable to the financial condition or results of operations reflected in the Debtors' historical financial statements.

2. The Reorganized Debtors May Be Controlled by Significant Holders

If the Plan is confirmed and consummated, holders of First Lien Claims will receive the Reorganized Windstream Equity Interests. The holders of First Lien Claims will own 100% of the Reorganized Windstream Equity Interests (subject to dilution on account of the Management Incentive Plan).

3. Certain Tax Implications of the Plan

Holders of Allowed Claims should carefully review Article XII of this Disclosure Statement, entitled "Certain United States Federal Income Tax Consequences of the Plan," to determine how the tax implications of the Plan and the chapter 11 cases may adversely affect the Reorganized Debtors and holders of certain Claims.

4. The Debtors May Not Be Able to Accurately Report Their Financial Results

The Debtors have established internal controls over financial reporting. However, internal controls over financial reporting may not prevent or detect misstatements or omissions in the Debtors' financial statements because of their inherent limitations, including the possibility of human error, and the circumvention or overriding of controls or fraud. Therefore, even effective internal controls can provide only reasonable assurance with respect to the preparation and fair presentation of financial statements. If the Debtors fail to maintain the adequacy of their internal controls, the Debtors may be unable to provide financial information in a timely and reliable manner within the time periods required for the Debtors' financial reporting under SEC rules and regulations and the terms of the agreements governing the Debtors' indebtedness. Any such difficulties or failure could materially adversely affect the Debtors' business, results of operations, and financial condition. Further, the Debtors may discover other internal control deficiencies in the future and/or fail to adequately correct previously identified control deficiencies, which could materially adversely affect the Debtors' businesses, results of operations, and financial condition.

C. Risks Related to the Debtors' and the Reorganized Debtors' Businesses

1. The Reorganized Debtors May Not Be Able to Generate Sufficient Cash to Service All of their Indebtedness

The Reorganized Debtors' ability to make scheduled payments on, or refinance their debt obligations, depends on the Reorganized Debtors' financial condition and operating performance, which are subject to prevailing economic, industry, and competitive conditions and to certain financial, business, legislative, regulatory, and other factors beyond the Reorganized Debtors' control. The Reorganized Debtors may be unable to maintain a level of cash flow from operating activities sufficient to permit the Reorganized Debtors to pay the principal, premium, if any, and interest on their indebtedness upon emergence.

2. *The Debtors Will Be Subject to the Risks and Uncertainties Associated with the Chapter 11 Cases*

For the duration of the chapter 11 cases, the Debtors' ability to operate, develop, and execute a business plan, and continue as a going concern, will be subject to the risks and uncertainties associated with bankruptcy. These risks include the following: (a) ability to develop, confirm, and consummate the Restructuring Transactions specified in the Plan; (b) ability to obtain Bankruptcy Court approval with respect to motions filed in the chapter 11 cases from time to time; (c) ability to maintain relationships with suppliers, vendors, service providers, customers, employees, and other third parties; (d) ability to maintain contracts that are critical to the Debtors' operations; (e) ability of third parties to seek and obtain Bankruptcy Court approval to terminate contracts and other agreements with the Debtors; (f) ability of third parties to seek and obtain Bankruptcy Court approval to terminate or shorten the exclusivity period for the Debtors to propose and confirm a chapter 11 plan, to appoint a chapter 11 trustee, or to convert the Chapter 11 Cases to chapter 7 proceedings; and (g) the actions and decisions of the Debtors' creditors and other third parties who have interests in the chapter 11 cases that may be inconsistent with the Debtors' plans.

These risks and uncertainties could affect the Debtors' businesses and operations in various ways. For example, negative events associated with the chapter 11 cases could adversely affect the Debtors' relationships with suppliers, service providers, customers, employees, and other third parties, which in turn could adversely affect the Debtors' operations and financial condition. Also, the Debtors will need the prior approval of the Bankruptcy Court for transactions outside the ordinary course of business, which may limit the Debtors' ability to respond timely to certain events or take advantage of certain opportunities. Because of the risks and uncertainties associated with the chapter 11 cases, the Debtors cannot accurately predict or quantify the ultimate impact of events that occur during the chapter 11 cases that may be inconsistent with the Debtors' plans.

3. *Operating in Bankruptcy for a Long Period of Time May Harm the Debtors' Businesses*

The Debtors' future results will be dependent upon the successful confirmation and implementation of a plan of reorganization. A long period of operations under Bankruptcy Court protection could have a material adverse effect on the Debtors' businesses, financial condition, results of operations, and liquidity. So long as the proceedings related to the chapter 11 cases continue, senior management will be required to spend a significant amount of time and effort dealing with the reorganization instead of focusing exclusively on business operations. A prolonged period of operating under Bankruptcy Court protection also may make it more difficult to retain management and other key personnel necessary to the success and growth of the Debtors' businesses. In addition, the longer the proceedings related to the chapter 11 cases continue, the more likely it is that customers and suppliers will lose confidence in the Debtors' ability to reorganize their businesses successfully and will seek to establish alternative commercial relationships.

So long as the proceedings related to the chapter 11 cases continue, the Debtors will be required to incur substantial costs for professional fees and other expenses associated with the administration of the chapter 11 cases. The chapter 11 proceedings also required the Debtors to seek debtor-in-possession financing to fund operations. If the Debtors are unable to fully draw on the availability under the DIP Facilities, the chances of successfully reorganizing the Debtors' businesses may be seriously jeopardized, the likelihood that the Debtors will instead be required to liquidate or sell their assets may be increased, and, as a result, creditor recoveries may be significantly impaired.

Furthermore, the Debtors cannot predict the ultimate amount of all settlement terms for the liabilities that will be subject to a plan of reorganization. Even after a plan of reorganization is approved and implemented, the Reorganized Debtors' operating results may be adversely affected by the possible

The Debtors' operations are subject to extensive federal, state and local laws and regulations, including complex telecommunication laws. The Debtors may be required to make large expenditures to comply with such regulations. Failure to comply with these laws and regulations may result in the suspension or termination of operations and subject the Debtors to administrative, civil and criminal penalties. These liabilities and costs could have a material adverse effect on the business, financial condition, results of operations and cash flows of the Reorganized Debtors.

In the future, the Reorganized Debtors may become parties to litigation. In general, litigation can be expensive and time consuming to bring or defend against. Such litigation could result in settlements or damages that could significantly affect the Reorganized Debtors' financial results. It is also possible that certain parties will commence litigation with respect to the treatment of their Claims under the Plan. It is not possible to predict the potential litigation that the Reorganized Debtors may become party to, nor the final resolution of such litigation. The impact of any such litigation on the Reorganized Debtors' businesses and financial stability, however, could be material.

The Debtors' operations are dependent on a relatively small group of key management personnel and a highly-skilled employee base. The Debtors' recent liquidity issues and the chapter 11 cases have created distractions and uncertainty for key management personnel and employees. Because competition for experienced personnel can be significant, the Debtors may be unable to find acceptable replacements with comparable skills and experience and the loss of such key management personnel could adversely affect the Debtors' ability to operate their businesses. In addition, a loss of key personnel or material erosion of employee morale could have a material adverse effect on the Debtors' ability to meet expectations, thereby adversely affecting the Debtors' businesses and the results of operations.

The Bankruptcy Code provides that the confirmation of a plan of reorganization discharges a debtor from substantially all debts arising prior to confirmation. With few exceptions, all Claims that arise prior to the Debtors' filing of their Petitions or before confirmation of the plan of reorganization (a) would be subject to compromise and/or treatment under the plan of reorganization and/or (b) would be discharged in

on account of such Claim pursuant to Subscription Rights in the Rights Offering, the Debtors submit that all 1145 Securities issued pursuant to the Plan will be issued principally in exchange for the corresponding Eligible Claims, and only partly in exchange for the cash purchase price to be paid pursuant to the Rights Offering. Accordingly, the 1145 Securities satisfy all the requirements of section 1145(a)(1) of the Bankruptcy Code and are, therefore, exempt from registration under the Securities Act and state securities laws (except with respect to an underwriter as described below). Furthermore, the Debtors believe that the value of the direct distributions being made to holders of Allowed First Lien Claims (excluding the Subscription Rights), and thus the value of the interests in any such Eligible Claim to be exchanged pursuant to the Rights Offering, exceeds the value of the capital being raised pursuant to the exercise of the Subscription Rights.

Recipients of any 1145 Securities are advised to consult with their own legal advisors as to the availability of any exemption from registration under the Securities Act and any applicable state Blue Sky Law.

2. Subsequent Transfers

The 1145 Securities may be freely transferred by most recipients following the initial issuance under the Plan, and all resales and subsequent transfers of the 1145 Securities are exempt from registration under the Securities Act and state securities laws, unless the holder is an “underwriter” with respect to such securities. Section 1145(b)(1) of the Bankruptcy Code defines an “underwriter” as one who, except with respect to “ordinary trading transactions” of an entity that is not an “issuer”: (a) purchases a claim against, interest in, or claim for an administrative expense in the case concerning, the debtor, if such purchase is with a view to distribution of any security received or to be received in exchange for such claim or interest; (b) offers to sell securities offered or sold under a plan for the holders of such securities; (c) offers to buy securities offered or sold under a plan from the holders of such securities, if such offer to buy is (i) with a view to distribution of such securities and (ii) under an agreement made in connection with the plan, with the consummation of the plan, or with the offer or sale of securities under the plan; or (d) is an issuer of the securities within the meaning of section 2(a)(11) of the Securities Act. In addition, a person who receives a fee in exchange for purchasing an issuer’s securities could also be considered an underwriter within the meaning of section 2(a)(11) of the Securities Act.

The definition of an “issuer” for purposes of whether a person is an underwriter under section 1145(b)(1)(D) of the Bankruptcy Code, by reference to section 2(a)(11) of the Securities Act, includes as “statutory underwriters” all persons who, directly or indirectly, through one or more intermediaries, control, are controlled by, or are under common control with, an issuer of securities. The reference to “issuer,” as used in the definition of “underwriter” contained in section 2(a)(11) of the Securities Act, is intended to cover “Controlling Persons” of the issuer of the securities. “Control,” as defined in Rule 405 of the Securities Act, means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract, or otherwise. Accordingly, an officer or director of a reorganized debtor or its successor under a plan of reorganization may be deemed to be a “Controlling Person” of the debtor or successor, particularly if the management position or directorship is coupled with ownership of a significant percentage of the reorganized debtor’s or its successor’s voting securities. In addition, the legislative history of section 1145 of the Bankruptcy Code suggests that a creditor who owns ten percent or more of a class of securities of a reorganized debtor may be presumed to be a “Controlling Person” and, therefore, an underwriter.

B. 4(a)(2) Securities

Section 4(a)(2) of the Securities Act provides that the issuance of securities by an issuer in transactions not involving any public offering are exempt from registration under the Securities Act. Regulation D is a non-exclusive safe harbor from registration promulgated by the SEC under section 4(a)(2) of the Securities Act.

2. Subsequent Transfers

Rule 144 provides an exemption for the public resale of “restricted securities” if certain conditions are met. These conditions vary depending on whether the holder of the restricted securities is an affiliate

of the issuer. An affiliate is defined as “a person that directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, the issuer.”

A non-affiliate who has not been an affiliate of the issuer during the preceding three months may resell restricted securities after a six-month holding period if at the time of the sale there is available certain current public information regarding the issuer, and may sell the securities after a one-year holding period whether or not there is current public information regarding the issuer. Adequate current public information is available for a reporting issuer if the issuer has filed all periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 during the twelve months preceding the sale of the restricted securities. If the issuer is a non-reporting issuer, adequate current public information is available if certain information about the issuer is made publicly available. The Debtors currently expect that Reorganized Windstream will continue to be a reporting issuer and file all such required periodic reports and that current public information will be available to allow resales by non-affiliates when the six-month holding period expires (approximately six months after the Effective Date).

An affiliate may resell restricted securities after the six-month holding period if at the time of the sale certain current public information regarding the issuer is available. As noted above, the Debtors currently expect that this information requirement will be satisfied. The affiliate must also comply with the volume, manner of sale and notice requirements of Rule 144. First, the rule limits the number of restricted securities (plus any unrestricted securities) sold for the account of an affiliate (and related persons) in any three-month period to the greater of one percent of the outstanding securities of the same class being sold, or, if the class is listed on a stock exchange, the greater of one percent of the average weekly reported volume of trading in such restricted securities during the four weeks preceding the filing of a notice of proposed sale on Form 144. Second, the manner of sale requirement provides that the restricted securities must be sold in a broker’s transaction, which generally means they must be sold through a broker and handled as a routine trading transaction. The broker must receive no more than the usual commission and cannot solicit orders for the sale of the restricted securities except in certain situations. Third, if the sale exceeds 5,000 restricted securities or has an aggregate sale price greater than \$50,000 in any three-month period, an affiliate must file with the SEC three copies of a notice of proposed sale on Form 144. The sale must occur within three months of filing the notice unless an amended notice is filed.

The Debtors believe that the Rule 144 exemption will not be available with respect to any 4(a)(2) Securities (whether held by non-affiliates or affiliates) until at least six months after the Effective Date. Accordingly, holders of 4(a)(2) Securities will be required to hold their 4(a)(2) Securities for at least six months and, thereafter, to sell them only in accordance with the applicable requirements of Rule 144.

All 4(a)(2) Securities will be issued in certificated or book-entry form and will bear a restrictive legend. Each certificate or book-entry representing, or issued in exchange for or upon the transfer, sale or assignment of, any 4(a)(2) Securities shall be stamped or otherwise imprinted with a legend in substantially the following form:

“THE SECURITIES REPRESENTED BY THIS CERTIFICATE WERE ORIGINALLY ISSUED ON ISSUANCE DATE, HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “ACT”), OR ANY OTHER APPLICABLE STATE SECURITIES LAWS, AND MAY NOT BE SOLD OR TRANSFERRED IN THE ABSENCE OF AN EFFECTIVE REGISTRATION STATEMENT UNDER THE ACT OR AN AVAILABLE EXEMPTION FROM REGISTRATION THEREUNDER.”

The Reorganized Debtors will reserve the right to require certification or other evidence of compliance with Rule 144 as a condition to the removal of such legend or to any resale of the 4(a)(2) Securities. The Reorganized Debtors will also reserve the right to stop the transfer of any 4(a)(2) Securities

characterization and tax consequences of a transaction structure intended to be a NewCo Transaction (as defined below). However, the Debtors do not intend to seek a ruling from the IRS regarding any of the other tax consequences of the Plan discussed below. The discussion below is not binding upon the IRS or the courts. No assurance can be given that the IRS would not assert, or that a court would not sustain, a different position than any position discussed herein.

This discussion does not purport to address all aspects of U.S. federal income taxation that may be relevant to the Debtors, Reorganized Debtors, or to certain holders of Claims or Interests in light of their individual circumstances. This discussion does not address tax issues with respect to such holders of Claims or Interests subject to special treatment under the U.S. federal income tax laws (including, for example, banks, governmental authorities or agencies, pass-through entities, subchapter S corporations, dealers and traders in securities, insurance companies, financial institutions, tax exempt organizations, small business investment companies, foreign taxpayers, Persons who are related to the Debtors within the meaning of the IRC, Persons using a mark-to-market method of accounting, holders of Claims who are themselves in bankruptcy, and regulated investment companies and those holding, or who will hold, Claims or Interests, or the Reorganized Windstream Equity Interests or any other consideration to be received under the Plan, as part of a hedge, straddle, conversion, or other integrated transaction). No aspect of state, local, estate, gift, or non-U.S. taxation is addressed. Furthermore, this summary assumes that holders of Claims hold only Claims in a single Class and hold Claims or Interests as “capital assets” (within the meaning of section 1221 of the IRC). This summary does not address any special arrangements or contractual rights that are not being received or entered into in respect of an underlying Claim, including the tax treatment of any backstop fees or similar arrangements (including any ramifications such arrangements may have on the treatment of a holder under the Plan). This summary also assumes that the various debt and other arrangements to which the Debtors are a party will be respected for U.S. federal income tax purposes in accordance with their form.

For purposes of this discussion, a “U.S. Holder” is a holder that is: (1) an individual citizen or resident of the United States for U.S. federal income tax purposes; (2) a corporation (or other entity treated as a corporation for U.S. federal income tax purposes) created or organized under the laws of the United States, any state thereof or the District of Columbia; (3) an estate the income of which is subject to U.S. federal income taxation regardless of the source of such income; or (4) a trust (A) if a court within the United States is able to exercise primary jurisdiction over the trust’s administration and one or more United States persons has authority to control all substantial decisions of the trust or (B) that has a valid election in effect under applicable Treasury Regulations to be treated as a United States person. For purposes of this discussion, a “Non-U.S. Holder” is any holder that is not a U.S. Holder other than any partnership (or other entity treated as a partnership or other pass-through entity for U.S. federal income tax purposes).

If a partnership (or other entity treated as a pass-through entity for U.S. federal income tax purposes) is a holder of a Claim or Interest, the tax treatment of a partner (or other beneficial owner) of such entity generally will depend upon the status of the partner (or other beneficial owner) and the activities of the partner (or other beneficial owner) and the entity. Partners (or other beneficial owners) of partnerships (or other pass-through entities) that are holders of Claims or Interests should consult their respective tax advisors regarding the U.S. federal income tax consequences of the Plan.

ACCORDINGLY, THE FOLLOWING SUMMARY OF CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES IS FOR INFORMATIONAL PURPOSES ONLY AND IS NOT A SUBSTITUTE FOR CAREFUL TAX PLANNING AND ADVICE BASED UPON THE INDIVIDUAL CIRCUMSTANCES PERTAINING TO A HOLDER OF A CLAIM OR INTEREST. ALL HOLDERS OF CLAIMS OR INTERESTS ARE URGED TO CONSULT THEIR OWN TAX ADVISORS FOR THE FEDERAL, STATE, LOCAL, AND NON-U.S. TAX CONSEQUENCES OF THE PLAN.

A. Certain U.S. Federal Income Tax Consequences of the Plan to the Debtors and the Reorganized Debtors

1. *In General*

The Debtors expect that the Restructuring Transactions will be structured in one of two ways: (a) a recapitalization of the existing Debtors under their current corporate structure (a “Recapitalization Transaction”), or (b) a disposition of the assets and liabilities of the Debtors to a newly-formed entity in a tax-free reorganization pursuant to sections 368(a)(1)(G) and 354 of the IRC (a “NewCo Transaction”). The Debtors have not yet determined whether the Restructuring Transactions will be consummated as a Recapitalization Transaction or a NewCo Transaction. Such decision will depend on, among other things, the ability of the Debtors to obtain a favorable ruling from the IRS regarding a NewCo Transaction and the ability to satisfy certain requirements of a NewCo Transaction with respect to which the Debtors are not seeking a ruling from the IRS. In either case, the Debtors do not expect to recognize any gain or loss as a result of consummating such a transaction (although the Debtors may engage in certain Restructuring Transactions that do result in the recognition of gain or loss), so long as the intended tax treatment of such transactions are respected. However, in either case, the Restructuring will be subject to the application of section 382 of the IRC, and, depending on certain factors, a Recapitalization Transaction may also be subject to the rules discussed below with respect to cancellation of indebtedness income (“COD Income”), as described below.

2. *Effects of the Restructuring Transactions on Tax Attributes of Debtors*

(a) Preservation of Tax Attributes and Cancellation of Indebtedness Income

In a Recapitalization Transaction, the tax attributes of the Reorganized Debtors may, depending on certain factors, be reduced by the amount of their excluded COD Income, and assuming COD Income does arise, the Debtors expect that it will be substantial. In general, absent an exception, a debtor will realize and recognize cancellation of debt income (“COD Income”) upon satisfaction of its outstanding indebtedness for total consideration less than the amount of such indebtedness. The amount of COD Income, in general, is the excess of (a) the adjusted issue price of the indebtedness satisfied, over (b) the sum of (X) the amount of Cash paid, (Y) the issue price of any new indebtedness of the debtor issued, and (Z) the fair market value of any new consideration, in each case, given in satisfaction of such indebtedness at the time of the satisfaction. Unless an exception or exclusion applies, COD Income constitutes taxable income like any other item of taxable income.

Pursuant to section 108 of the IRC, a debtor will not, however, be required to include any amount of COD Income in gross income if the debtor is under the jurisdiction of a court in a case under chapter 11 of the Bankruptcy Code and the discharge of indebtedness occurs pursuant to that proceeding. Instead, as a consequence of such exclusion, a debtor must reduce its tax attributes by the amount of COD Income that it excluded from gross income pursuant to section 108 of the IRC. In general, the tax attributes of a debtor will be reduced in the following order: (a) NOLs and NOL carryforwards; (b) general business credit carryovers; (c) minimum tax credit carryovers (d) capital loss carryovers; (e) tax basis in assets (subject to the Asset Tax Basis Floor, as described below); (f) passive activity loss and credit carryovers; and (g) foreign tax credits. A debtor with COD Income may elect to first reduce the basis of its depreciable assets pursuant to section 108(b)(5) of the IRC prior to effecting any other reductions in tax attributes set forth above, though it has not been determined whether the Debtors will make this election. The reduction in tax attributes occurs only after the taxable income (or loss) for the taxable year of the debt discharge has been

determined and any excess COD Income over the amount of available tax attributes will generally not give rise to U.S. federal income tax and will generally have no other U.S. federal income tax impact.

The Treasury Regulations address the method and order for applying tax attribute reduction to an affiliated group of corporations. Pursuant thereto, the tax attributes of each debtor member of an affiliated group of corporations that is excluding COD Income are first subject to reduction. To the extent the debtor member's tax basis in stock of a lower-tier member of the affiliated group is reduced, a "look through rule" requires that a corresponding reduction be made to the tax attributes of the lower-tier member. If a debtor member's excluded COD Income exceeds its tax attributes, the excess COD Income is applied to reduce certain remaining consolidated tax attributes of the affiliated group.

The aggregate tax basis of the Debtors in their assets (determined on an entity-by-entity basis, and in the case of an affiliated group of corporations, subject to the look-through rule described above) is not required to be reduced below the amount of indebtedness (determined on an entity-by-entity basis) that the Debtors will be subject to immediately after the cancellation of debt giving rise to COD Income (the "Asset Tax Basis Floor"). Generally, all of an entity's obligations that are treated as debt under general U.S. federal income tax principles (including intercompany debt treated as debt for U.S. federal income tax purposes) are taken into account in determining an entity's Asset Tax Basis Floor.

One of the rulings the Debtors are requesting from the IRS in connection with the NewCo Transaction is that the NewCo transaction does not give rise to COD Income, but instead, would give rise to taxable income that is excludable under relevant provisions of the IRC. The Debtors may, depending on various factors, take the position that the same result applies in a Recapitalization Transaction (that is, that even in a Recapitalization Transaction, consummation of the Plan does not give rise to COD Income), but such a position would potentially be subject to uncertainty. The exact amount of the COD Income (if any) that will be realized by the Debtors will not be determinable until after the consummation of the Plan.

(b) Limitation of NOL Carryforwards and Other Tax Attributes Under Sections 382 and 383 of the IRC

After giving effect to the reduction in tax attributes from excluded COD Income (if any), the Debtors' ability to use any tax attributes post-emergence will be subject to certain limitations under sections 382 and 383 of the IRC.

(i) General Sections 382 and 383 Annual Limitations

Under sections 382 and 383 of the IRC, if a corporation undergoes an "ownership change," the amount of its NOLs and NOL carryforwards, disallowed business interest carryovers under section 163(j) of the IRC ("163(j) Carryovers"), tax credit carryforwards, net unrealized built-in losses, and possibly certain other attributes of the Reorganized Debtors allocable to periods prior to the Effective Date (collectively, "Pre-Change Losses") that may be utilized to offset future taxable income generally are subject to an annual limitation. For this purpose, if a corporation (or consolidated group) has a net unrealized built-in loss at the time of an ownership change (taking into account most assets and items of "built-in" income and deductions), then generally built-in losses (including amortization or depreciation deductions attributable to such built-in losses) and deductions recognized during the following five years (up to the amount of the original net unrealized built-in loss) will be treated as Pre-Change Losses and similarly will be subject to the annual limitation. In general, a corporation's (or consolidated group's) net unrealized built-in loss will be deemed to be zero unless it is greater than the lesser of (a) \$10,000,000, or (b) 15 percent of the fair market value of its assets (with certain adjustments) before the ownership change.

The rules of sections 382 and 383 of the IRC are complicated, but as a general matter, the Debtors anticipate that the issuance of Reorganized Windstream Equity Interests pursuant to the Plan will result in

B. Certain U.S. Federal Income Tax Consequences to U.S. Holders of Allowed Claims Entitled to Vote

of debt instruments) of any non-Cash consideration, minus (b) the Holder's adjusted tax basis in its Class 3 First Lien Claim.

Such U.S. Holder should obtain a tax basis in the non-Cash consideration received equal to the consideration's fair market value (or issue price, in the case of debt instruments) as of the date such consideration is distributed to the U.S. Holder. The holding period for any such property should begin on the day following the receipt of such consideration.

For the treatment of the exchange to the extent a portion of the consideration received is allocable to accrued but unpaid interest, OID or market discount, (which differs from the treatment described above), see the sections entitled "Accrued Interest (and OID)" and "Market Discount" below.

3. Consequences to Holders of Class 4 Midwest Notes Claims

In exchange for full and final satisfaction, compromise, settlement, release and discharge of the Class 4 Midwest Notes Claims, each holder thereof will receive its Pro Rata share of the Midwest Notes Exit Facility Term Loans.

The exchange of such Claims should be treated as a taxable exchange pursuant to section 1001 of the IRC. A U.S. Holder of a Class 4 Midwest Notes Claim who is subject to this treatment should recognize gain or loss equal to: (a) the issue price of the Midwest Notes Exit Facility Term Loans, minus (b) the Holder's adjusted tax basis in its Class 4 Midwest Notes Claim.

Other than with respect to any amounts received that are attributable to accrued but untaxed interest (or OID), and subject to the rules relating to market discount, such U.S. Holder should obtain a tax basis in the Midwest Notes Exit Facility Term Loans, equal to its issue price as of the date such consideration is distributed to the U.S. Holder. The holding period for any such property should begin on the day following the receipt of such consideration.

For the treatment of the exchange to the extent a portion of the consideration received is allocable to accrued but unpaid interest, OID or market discount, (which differs from the treatment described above), see the sections entitled "Accrued Interest (and OID)" and "Market Discount" below.

4. Consequences to Holders of Class 5 Second Lien Claims and Class 6A Obligor General Unsecured Claims

In exchange for full and final satisfaction, compromise, settlement, release and discharge of the Class 5 Second Lien Claims and Class 6A Obligor General Unsecured Claims, each holder thereof will either: (a) receive its Pro Rata share of the amount of Cash specified in the Plan, or (b) if any such class of holders votes as a class to reject the Plan, then such class will receive treatment consistent with section 1129(a)(7) of the Bankruptcy Code.

A U.S. Holder of a Class 5 Second Lien Claims or Class 6A Obligor General Unsecured Claims who is subject to this treatment should recognize gain or loss equal to: (a) the Cash received, minus (b) the

Holder's adjusted tax basis in its Claim. Holders of Claims should consult with their own tax advisors regarding the treatment of any consideration other than Cash that may be received pursuant to the Plan.

For the treatment of the exchange to the extent a portion of the consideration received is allocable to accrued but unpaid interest, OID or market discount, (which differs from the treatment described above), see the sections entitled "Accrued Interest (and OID)" and "Market Discount" below.

5. Treatment of Rights Offering

Although not entirely free from doubt, the Reorganized Debtors intend to take the position that a U.S. Holder of a Class 3 First Lien Claim that elects to exercise its Distributable Subscription Rights should be treated as purchasing, in exchange for its Distributable Subscription Rights and the amount of Cash paid by the U.S. Holder to exercise such Distributable Subscription Rights, Reorganized Windstream Equity Interests. Such a purchase should generally be treated as the exercise of an option under general U.S. federal income tax principles, and such U.S. Holder should not recognize income, gain, or loss for U.S. federal income tax purposes when it exercises the Distributable Subscription Rights. A U.S. Holder's aggregate tax basis in the Reorganized Windstream Equity Interests should equal the sum of (a) the amount of Cash paid by the U.S. Holder to exercise the Distributable Subscription Rights, plus (b) such U.S. Holder's tax basis in the Distributable Subscription Rights immediately before the Distributable Subscription Rights are exercised. A U.S. Holder's holding period for the Reorganized Windstream Equity Interests received pursuant to such exercise should begin on the day following the Effective Date.

A U.S. Holder that elects not to exercise the Distributable Subscription Rights may be entitled to claim a (likely short-term capital) loss equal to the amount of tax basis allocated to such Distributable Subscription Rights, subject to any limitation on such U.S. Holder's ability to utilize capital losses. U.S. Holders electing not to exercise their Distributable Subscription Rights should consult with their own tax advisors as to the tax consequences of such decision.

6. Accrued Interest (and OID)

To the extent that any amount received by a U.S. Holder of a surrendered Claim under the Plan is attributable to accrued but untaxed interest (or OID) on the debt instruments constituting the surrendered Claim, such amount should be taxable to the U.S. Holder as ordinary interest income (to the extent not already included in income by the U.S. Holder). Conversely, a U.S. Holder of a surrendered Claim may be able to recognize a deductible loss to the extent that any accrued interest on the debt instruments constituting such Claim was previously included in the Holder's gross income but was not paid in full by the Debtors. Such loss may be ordinary, but the tax law is unclear on this point. The tax basis of any non-Cash consideration treated as received in satisfaction of accrued but untaxed interest (or OID) should equal the amount of such accrued but untaxed interest (or OID). The holding period for such non-Cash consideration should begin on the day following the receipt of such property.

The extent to which the consideration received by a U.S. Holder of a surrendered Claim will be attributable to accrued interest on the debt constituting the surrendered Claim is unclear. Certain legislative history and case law indicates that an allocation of consideration as between principal and interest provided in a chapter 11 plan of reorganization is binding for U.S. federal income tax purposes, while certain Treasury Regulations treat payments as allocated first to any accrued but untaxed interest. The Plan provides that amounts paid to Holders of Claims will be allocated first to unpaid principal and then to unpaid interest. The IRS could take the position that the consideration received by the Holder should be allocated in some way other than as provided in the Plan. Holders of Claims are urged to consult their tax

assumes that the First Lien Replacement Term Loans are treated as part of a single “issue” with the New Exit Facility Term Loans; if that is ultimately not the case, the tax consequences will differ.

The application of the “investment unit” rules, and the determination of the issue price of a debt instrument to which the “investment unit” rules apply, is highly complex where, as here, only a portion of the investment unit may be publicly traded. That complexity is further heightened here where, in the absence of the “investment unit” rules, the issue price of the First Lien Replacement Term Loans would be determined by reference to the cash paid for the New Exit Facility Term Loans if they are part of the same issue. While not free from doubt, the Debtors expect to take the position that, under these circumstances, the issue price of the First Lien Replacement Term Loans will be the same as the issue price for the New Exit Facility Term Loans and, accordingly, will be established by the amount of cash paid for the New Exit Facility Term Loans. Other outcomes, which could depend on trading values (or price quotes) of the First Lien Replacement Term Loans *or* the Class 3 First Lien Claims.

An issuer’s application of these rules is binding on all holders unless a holder explicitly discloses a different allocation on a timely filed income tax return for the taxable year that includes the acquisition date of the relevant debt instrument.

A debt instrument is treated as issued with OID for U.S. federal income tax purposes if its issue price is less than its stated redemption price at maturity by more than a de minimis amount. A debt instrument’s stated redemption price at maturity includes all principal and interest payable over the term of the debt instrument, other than “qualified stated interest.” Stated interest payable at a fixed rate is “qualified stated interest” if it is unconditionally payable in cash at least annually. The terms of the New Exit Facility Term Loans, including the extent to which they will be issued with OID, have not yet been determined; to the extent not all the interest on the New Exit Facility Term Loans is unconditionally payable in cash at least annually, or to the extent the purchase price is less than the face amount of such debt, New Exit Facility Term Loans (and, accordingly, the Midwest Notes Exit Facility Term Loans and the First Lien Replacement Term Loans) may be considered to be issued with OID.

The determination of the issue price of, and OID with respect to, the First Lien Replacement Term Loans and Midwest Notes Exit Facility Term Loans could be significantly different in the event they are not treated as part of a single “issue” with the New Exit Facility Term Loans.

(c) Acquisition Premium or Amortizable Bond Premium on the First Lien Replacement Term Loans and Midwest Notes Exit Facility Term Loans

If, pursuant to the rules described above, a U.S. Holder’s initial tax basis in the First Lien Replacement Term Loans or Midwest Notes Exit Facility Term Loans is greater than the issue price of such debt but less than the stated principal amount of such debt, such First Lien Replacement Term Loans and Midwest Notes Exit Facility Term Loans will have an “acquisition premium.” Under the acquisition premium rules, the amount of OID that must be included by the U.S. Holder in its gross taxable income with respect to the applicable First Lien Replacement Term Loans or Midwest Notes Exit Facility Term Loans for any taxable year will be reduced by the portion of the acquisition premium properly allocable to that year. Alternatively, if a U.S. Holder’s initial tax basis in the First Lien Replacement Term Loans or Midwest Notes Exit Facility Term Loans exceeds its stated principal amount, the U.S. Holder will be considered to have acquired the First Lien Replacement Term Loans or Midwest Notes Exit Facility Term Loans with “amortizable bond premium” and will not be required to include any OID in income. A U.S. Holder may generally elect to amortize the premium over the remaining term of the First Lien Replacement Term Loans or Midwest Notes Exit Facility Term Loans on a constant yield method as an offset to stated interest when includible in income under such holder’s regular accounting method. If a U.S. Holder elects to amortize bond premium, such holder must reduce its tax basis in the First Lien Replacement Term Loans

or Midwest Notes Exit Facility Term Loans by the amount of the premium used to offset stated interest. If a U.S. Holder does not elect to amortize the premium, that premium will decrease the gain or increase the loss otherwise recognized on disposition of the First Lien Replacement Term Loans or Midwest Notes Exit Facility Term Loans. If, pursuant to the rules described above, a U.S. Holder's initial tax basis in the First Lien Replacement Term Loans or Midwest Notes Exit Facility Term Loans is less than the issue price of such debt, see the above section, entitled "Market Discount."

9. Dividends on Reorganized Windstream Equity Interests

Any distributions made on account of the Reorganized Windstream Equity Interests will constitute dividends for U.S. federal income tax purposes to the extent of the current or accumulated earnings and profits of Reorganized Windstream as determined under U.S. federal income tax principles. Certain qualified dividends received by a non-corporate taxpayer are taxed at preferential rates. To the extent that a holder receives distributions that would otherwise constitute dividends for U.S. federal income tax purposes but that exceed such current and accumulated earnings and profits, such distributions will be treated first as a non-taxable return of capital reducing the holder's basis in its shares. Any such distributions in excess of the holder's basis in its shares (determined on a share-by-share basis) generally will be treated as capital gain.

Distributions that constitute dividends for U.S. federal income tax purposes are paid to U.S. Holders that are corporations generally will be eligible for the dividends-received deduction. However, the dividends-received deduction is only available if certain holding period requirements are satisfied. The length of time that a shareholder has held its stock is reduced for any period during which the shareholder's risk of loss with respect to the stock is diminished by reason of the existence of certain options, contracts to sell, short sales, or similar transactions. In addition, to the extent that a corporation incurs indebtedness that is directly attributable to an investment in the stock on which the dividend is paid, all or a portion of the dividends received deduction may be disallowed.

10. Sale, Redemption, or Repurchase of Non-Cash Consideration.

Unless a non-recognition provision of the IRC applies, and subject to the market discount rules discussed above, holders generally will recognize capital gain or loss upon the sale, redemption, or other taxable disposition of non-Cash consideration received pursuant to the Plan. Such capital gain will be long-term capital gain if at the time of the sale, exchange, retirement, or other taxable disposition, the holder held the applicable non-Cash consideration for more than one year. Long-term capital gains of a non-corporate taxpayer generally are taxed at preferential rates. Under the recapture rules of section 108(e)(7) of the IRC, a U.S. Holder may be required to treat gain recognized on such dispositions of the Reorganized Windstream Equity Interests as ordinary income if such U.S. Holder took a bad debt deduction with respect to its Claim or recognized an ordinary loss on the exchange of its Claim for Reorganized Windstream Equity Interests.

For a description of certain limitations on the deductibility of capital losses, see the section entitled "Limitation on Use of Capital Losses" below.

11. Limitations on Use of Capital Losses.

A U.S. Holder of a Claim or Interest who recognizes capital losses as a result of the distributions under the Plan will be subject to limits on the use of such capital losses. For a non-corporate U.S. Holder, capital losses may be used to offset any capital gains (without regard to holding periods), and also ordinary income to the extent of the lesser of (1) \$3,000 annually (\$1,500 for married individuals filing separate returns) or (2) the excess of the capital losses over the capital gains. A non-corporate U.S. Holder may carry over unused capital losses and apply them against future capital gains and a portion of their ordinary

treaty) on (a) interest on debt received under the Plan and (b) payments that are attributable to accrued but untaxed interest on such Non-U.S. Holder's Allowed Claim. For purposes of providing a properly executed IRS Form W-8BEN or W-8BEN-E, special procedures are provided under applicable Treasury Regulations for payments through qualified foreign intermediaries or certain financial institutions that hold customers' securities in the ordinary course of their trade or business.

3. Sale, Redemption, or Repurchase of Non-Cash Consideration.

A Non-U.S. Holder generally will not be subject to U.S. federal income tax with respect to any gain realized on the sale or other disposition (including a cash redemption) of its Pro Rata share of the non-Cash consideration received under the Plan unless:

- such Non-U.S. Holder is an individual who is present in the United States for 183 days or more in the taxable year of disposition or who is subject to special rules applicable to former citizens and residents of the United States;
- such gain is effectively connected with such Non-U.S. Holder's conduct of a U.S. trade or business (and if an income tax treaty applies, such gain is attributable to a permanent establishment maintained by such Non-U.S. Holder in the United States); or
- in the case of the sale of Reorganized Windstream Equity Interests, Reorganized Windstream (or a relevant successor thereto) is, or has been during a specified testing period, a "U.S. real property holding corporation" (a "USRPHC") for U.S. federal income tax purposes.

If the first exception applies, the Non-U.S. Holder generally will be subject to U.S. federal income tax at a rate of 30 percent (or at a reduced rate or exemption from tax under an applicable income tax treaty) on the amount by which such Non-U.S. Holder's capital gains allocable to U.S. sources exceed capital losses allocable to U.S. sources during the taxable year of disposition. If the second exception applies, the Non-U.S. Holder generally will be subject to U.S. federal income tax with respect to such gain in the same manner as a U.S. Holder, and a Non-U.S. Holder that is a corporation for U.S. federal income tax purposes may also be subject to a branch profits tax with respect to earnings and profits effectively connected with a U.S. trade or business that are attributable to such gains at a rate of 30 percent (or at a reduced rate or exemption from tax under an applicable income tax treaty).

If the third exception applies, the Non-U.S. Holder generally will be subject to U.S. federal income tax on any gain recognized on the disposition of all or a portion of its Reorganized Windstream Equity Interests under the Foreign Investment in Real Property Tax Act ("FIRPTA"). Taxable gain from the disposition of an interest in a USRPHC (generally equal to the difference between the amount realized and such Non-U.S. Holder's adjusted tax basis in such interest) will constitute effectively connected income pursuant to the application of the second exception described above. Further, the buyer of the Reorganized Windstream Equity Interests will be required to withhold a tax equal to 15 percent of the amount realized on the sale. The amount of any such withholding would be allowed as a credit against the Non-U.S. Holder's federal income tax liability and may entitle the Non-U.S. Holder to a refund, provided that the Non-U.S. Holder properly and timely files a tax return with the IRS. In general, the FIRPTA provisions will not apply if (a) the Non-U.S. Holder does not directly or indirectly own (and has not directly or indirectly owned) more than 5 percent by value of a class of stock of a USRPHC during a specified testing period, and (b) such class of stock is regularly traded on an established securities market. In the event Reorganized Windstream Equity Interests are regularly traded on an established securities market, the withholding obligation described above would not apply, even if a Non-U.S. Holder is subject to the

be available to the extent a Non-U.S. Holder furnishes a certificate qualifying such Non-U.S. Holder for a reduction or exemption of withholding pursuant to applicable Treasury Regulations.

5. *FATCA.*

Under legislation commonly referred to as the Foreign Account Tax Compliance Act (“*FATCA*”), foreign financial institutions and certain other foreign entities must report certain information with respect to their U.S. account holders and investors or be subject to withholding at a rate of 30 percent on the receipt of “withholdable payments.” For this purpose, “withholdable payments” are generally U.S. source payments of fixed or determinable, annual or periodical income (including dividends, if any, on shares of Reorganized Windstream Equity Interests). *FATCA* withholding will apply even if the applicable payment would not otherwise be subject to U.S. federal nonresident withholding.

Withholding with respect to the gross proceeds of a disposition of any stock, debt instrument, or other property that can produce U.S.-source dividends or interest has been eliminated under proposed Treasury Regulations, which can be relied on until final regulations become effective.

Each Non-U.S. Holder should consult its own tax advisor regarding the possible impact of these rules on such Non-U.S. Holder’s ownership of the Claims or the Reorganized Windstream Equity Interests.

D. Information Reporting and Withholding

The Debtors, Reorganized Debtors, Distribution Agent and applicable withholding agents will withhold all amounts required by law to be withheld from payments of interest and dividends, whether in connection with distributions under the Plan or in connection with payments made on account of consideration received pursuant to the Plan, and will comply with all applicable information reporting requirements. The IRS may make the information returns reporting such interest and dividends and withholding available to the tax authorities in the country in which a Non-U.S. Holder is resident. In general, information reporting requirements may apply to distributions or payments under the Plan. Additionally, under the backup withholding rules, a holder of a Claim may be subject to backup withholding (currently at a rate of 24 percent) with respect to distributions or payments made pursuant to the Plan unless that holder: (a) comes within certain exempt categories (which generally include corporations) and, when required, demonstrates that fact; or (b) timely provides a correct taxpayer identification number and certifies under penalty of perjury that the taxpayer identification number is correct and that the Holder is not subject to backup withholding (generally in the form of a properly executed IRS Form W-9 for a U.S. Holder, and, for a Non-U.S. Holder, in the form of a properly executed applicable IRS Form W-8 (or otherwise establishes such Non-U.S. Holder’s eligibility for an exemption)). Backup withholding is not an additional tax but is, instead, an advance payment that may be refunded to the extent it results in an overpayment of tax; provided that the required information is timely provided to the IRS.

In addition, from an information reporting perspective, Treasury Regulations generally require disclosure by a taxpayer on its U.S. federal income tax return of certain types of transactions in which the taxpayer participated, including, among other types of transactions, certain transactions that result in the taxpayer’s claiming a loss in excess of specified thresholds. Holders of Claims subject to the Plan are urged to consult their tax advisors regarding these regulations and whether the transactions contemplated by the Plan would be subject to these regulations and require disclosure on the holders’ tax returns.

THE FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN ARE COMPLEX. THE FOREGOING SUMMARY DOES NOT DISCUSS ALL ASPECTS OF FEDERAL INCOME TAXATION THAT MAY BE RELEVANT TO A PARTICULAR HOLDER IN LIGHT OF SUCH HOLDER’S CIRCUMSTANCES AND INCOME TAX SITUATION. ALL HOLDERS OF CLAIMS AND EQUITY INTERESTS SHOULD CONSULT WITH THEIR TAX ADVISORS AS

TO THE PARTICULAR TAX CONSEQUENCES TO THEM OF THE TRANSACTIONS CONTEMPLATED BY THE PLAN, INCLUDING THE APPLICABILITY AND EFFECT OF ANY STATE, LOCAL OR NON-U.S. TAX LAWS, AND OF ANY CHANGE IN APPLICABLE TAX LAWS.

Upon the Effective Date, all matters provided for in the Plan involving the corporate structure of Reorganized Windstream and the other Reorganized Debtors, and any corporate action required by the Debtors, Reorganized Windstream, or the other Reorganized Debtors in connection with the Plan shall be deemed to have occurred and shall be in effect, without any requirement of further action by the security holders, directors, or officers of the Debtors, Reorganized Windstream, or the other Reorganized Debtors. On or before the Effective Date, as applicable, the appropriate officers of the Debtors, Reorganized Windstream, or the Reorganized Debtors shall be authorized to issue, execute, and deliver the agreements, documents, securities, and instruments contemplated by the Plan (or necessary to effect the transactions contemplated by the Plan), in the name of and on behalf of Reorganized Windstream and the other Reorganized Debtors, to the extent not previously authorized by the Bankruptcy Court. The appropriate officers of the Debtors, Reorganized Windstream, or the Reorganized Debtors shall be authorized to adopt the execution of any corporate documents to the extent deemed necessary or appropriate. The authorizations and approvals contemplated by this Article IV.H shall be effective notwithstanding any requirements under non-bankruptcy law.

Following the Confirmation Date or as soon as reasonably practicable thereafter, the Debtors or the Reorganized Debtors, as applicable, may take all actions as may be necessary or appropriate to effectuate any Restructuring Transactions described in, approved by, contemplated by, or necessary to effectuate the Plan. The Restructuring Transactions may include one or more of the following: (a) the execution and delivery of appropriate agreements or other documents of merger, amalgamation, consolidation, restructuring, conversion, disposition, transfer, arrangement, continuance, dissolution, sale, purchase, or liquidation containing terms that are consistent with the terms of the Plan; (b) the execution and delivery of appropriate instruments of transfer, assignment, assumption, or delegation of any asset, property, right, liability, debt, or obligation on terms consistent with the terms of the Plan; (c) the filing of appropriate certificates or articles of incorporation, reincorporation, merger, consolidation, conversion, amalgamation, arrangement, continuance, or dissolution pursuant to applicable law; (d) the execution and delivery of the Rights Offering Documents and any documentation related to the New Exit Facility; (e) the execution and delivery of the Reorganized Windstream Organizational Documents, and any certificates or articles of incorporation, bylaws, or such other applicable formation documents (if any) of each Reorganized Debtor (including all actions to be taken, undertakings to be made, and obligations to be incurred and fees and expenses to be paid by the Debtors and/or the Reorganized Debtors, as applicable); (f) the issuance, distribution, reservation, or dilution, as applicable, of the Reorganized Windstream Equity Interests, as set forth herein and (g) all other actions that the Debtors or Reorganized Debtors, as applicable, reasonably determine to be necessary, including making filings or recordings that may be required by applicable law in connection with the Plan.

violate the terms of any assumed Unexpired Lease of non-residential real property. Any motions to assume Executory Contracts or Unexpired Leases pending on the Effective Date shall be subject to approval by a Final Order of the Bankruptcy Court on or after the Effective Date but may be withdrawn, settled, or otherwise prosecuted by the Reorganized Debtors. Notwithstanding anything to the contrary in the Plan, the Debtors or the Reorganized Debtors, as applicable, reserve the right to alter, amend, modify, or supplement the Assumed Executory Contracts and Unexpired Leases Schedule and the Rejected Executory Contracts and Unexpired Leases Schedule at any time up to forty-five (45) days after the Effective Date.

B. *Claims Based on Rejection of Executory Contracts or Unexpired Leases*

Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, if any, must be filed with the Bankruptcy Court within thirty (30) days after the date of entry of an order of the Bankruptcy Court (including the Confirmation Order) approving such rejection. **Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not Filed within such time will be disallowed upon an order of the Bankruptcy Court, forever barred from assertion, and shall not be enforceable against, as applicable, the Debtors, the Reorganized Debtors, the Estates, or property of the foregoing parties, without the need for any objection by the Debtors or the Reorganized Debtors, as applicable, or further notice to, or action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged, notwithstanding anything in the Schedules, if any, or a Proof of Claim to the contrary.** Claims arising from the rejection of the Debtors' Executory Contracts or Unexpired Leases shall be classified as General Unsecured Claims and shall be treated in accordance with Article III.B.6 or Article III.B.7 of this Plan, as applicable.

C. *Cure of Defaults for Assumed Executory Contracts and Unexpired Leases*

The Debtors or the Reorganized Debtors, as applicable, shall pay Cure Claims, if any, on the Effective Date or as soon as practicable thereafter, or on such other terms as the parties to such Executory Contracts or Unexpired Leases may otherwise agree. Any Cure Claim shall be deemed fully satisfied, released, and discharged upon payment by the Debtors or the Reorganized Debtors of such Cure Claim, as applicable; *provided* that nothing herein shall prevent the Reorganized Debtors, from paying any Cure Claim despite the failure of the relevant counterparty to file such request for payment of such Cure Claim. The Reorganized Debtors may settle any Cure Claim on account of any Executory Contract or Unexpired Lease without any further notice to or action, order, or approval of the Bankruptcy Court.

At least 7 days before the Voting Deadline, the Debtors shall distribute, or cause to be distributed, Cure Notices to the applicable third parties; *provided* that solely to the extent a cure amount is related to an Executory Contract or Unexpired Lease that is identified on an Amended Assumed Executory Contract/Unexpired Lease Schedule, the Debtors shall distribute, or cause to be distributed, such Cure Notice to the applicable third party on the date that such amended schedule is Filed. **Any objection by a counterparty to an Executory Contract or Unexpired Lease to the proposed assumption, assumption and assignment or related cure amount must be Filed, served and actually received by the Debtors on or before 14 days following distribution of the applicable Cure Notice.** Any counterparty to an Executory Contract or Unexpired Lease that fails to object timely to the proposed assumption, assumption and assignment, or cure amount related thereto (if any) will be deemed to have assented to such assumption, assumption and assignment, or cure amount. Notwithstanding anything herein to the contrary, in the event that any Executory Contract or Unexpired Lease is removed from the Rejected Executory Contracts and Unexpired Leases Schedule after such deadline, a Cure Notice with respect to such Executory Contract or Unexpired Lease will be sent promptly to the counterparty thereof and a noticed hearing set to consider whether such Executory Contract or Unexpired Lease can be assumed or assumed and assigned.

Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall result in the full release and satisfaction of any Claims or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any Assumed Executory Contract or Unexpired Lease at any time before the date that the Debtors assume such Executory Contract or Unexpired Lease. Any Proofs of Claim Filed with respect to an Executory Contract or Unexpired Lease that has been assumed shall be deemed disallowed and expunged, without further notice to or action, order, or approval of the Bankruptcy Court.

3. Applicability of Insurance Policies

Except as otherwise provided in the Plan, distributions to holders of Allowed Claims shall be in accordance with the provisions of any applicable insurance policy. Nothing contained in the Plan shall constitute or be deemed a waiver of any Cause of Action that the Debtors or any Entity may hold against any other Entity, including insurers under any policies of insurance, nor shall anything contained herein constitute or be deemed a waiver by such insurers of any defenses, including coverage defenses, held by such insurers.

J. *Compliance with Tax Requirements*

In connection with the Plan, to the extent applicable, the Debtors, Reorganized Debtors or the Distribution Agent, as applicable, shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions pursuant to the Plan shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary, the Debtors, Reorganized Debtors or the Distribution Agent, as applicable, shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including liquidating a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information necessary to facilitate such distributions, or establishing any other mechanisms they believe are reasonable and appropriate.

ARTICLE VII.

PROCEDURES FOR RESOLVING CONTINGENT, UNLIQUIDATED, AND DISPUTED CLAIMS

A. *Allowance of Claims*

After the Effective Date, each of the Debtors or the Reorganized Debtors shall have and retain any and all rights and defenses such Debtor had with respect to any Claim immediately before the Effective Date (unless such Claim is deemed Allowed pursuant to the Plan or the Confirmation Order). Except as expressly provided in the Plan or in any order entered in the Chapter 11 Cases before the Effective Date (including the Confirmation Order), no Claim shall become an Allowed Claim unless and until such Claim is deemed Allowed pursuant to the Plan or a Final Order, including the Confirmation Order (when it becomes a Final Order), allowing such Claim. For the avoidance of doubt, there is no requirement to file a Proof of Claim (or move the Court for allowance) to be an Allowed Claim under the Plan.

B. *Claims and Interests Administration Responsibilities*

Except as otherwise specifically provided in the Plan and notwithstanding any requirements that may be imposed pursuant to Bankruptcy Rule 9019, after the Effective Date, the Reorganized Debtor shall have the exclusive authority: (a) to File, withdraw, or litigate to judgment objections to Claims; (b) to settle or compromise any disputed Claim without any further notice to or action, order, or approval by the Bankruptcy Court; and (c) to administer and adjust the Claims Register to reflect any such settlements or compromises without any further notice to or action, order, or approval by the Bankruptcy Court. For the avoidance of doubt, except as otherwise provided herein, from and after the Effective Date, each Reorganized Debtor shall have and retain any and all rights and defenses such Debtor had immediately prior to the Effective Date with respect to any disputed Claim or Interest, including the Causes of Action retained pursuant to Article IV.Q.

C. *Estimation of Claims*

Before or after the Effective Date, the Debtors or the Reorganized Debtors may at any time request that the Bankruptcy Court estimate any disputed Claim or disputed Interest that is contingent or unliquidated pursuant to section 502(c) of the Bankruptcy Code for any reason, regardless of whether any party previously has objected to such Claim or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction to estimate any such Claim, including during the litigation of any objection to any Claim or during any

Any duplicate Claim or Interest or any Claim or Interest that has been paid or satisfied, or any Claim that has been amended or superseded, may be adjusted or expunged on the Claims Register by the Debtors or the Reorganized Debtors upon stipulation between the impacted holder of any Claim or Interest and the Debtor or Reorganized Debtor, as applicable without a Claims objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

Any objections to Claims shall be Filed by the Reorganized Debtors on or before the Claims Objection Deadline, as such deadline may be extended from time to time.

On or after the Effective Date, except as provided in the Plan or the Confirmation Order, a Claim may not be Filed or amended without the prior authorization of the Bankruptcy Court or the Reorganized Debtors.

To the extent that a disputed Claim ultimately becomes an Allowed Claim, distributions (if any) shall be made to the holder of such Allowed Claim in accordance with the provisions of the Plan. As soon as reasonably practicable after the date that the order or judgment of a court of competent jurisdiction allowing any disputed Claim becomes a Final Order, the Reorganized Debtors shall provide to the holder of such Claim the distribution (if any) to which such holder is entitled under the Plan as of the Effective Date.

Holders of Allowed Claims may assert such Claims against each Debtor obligated with respect to such Claims, and such Claims shall be entitled to share in the recovery provided for the applicable Class of Claims against each obligated Debtor based upon the full Allowed amount of such Claims. Notwithstanding the foregoing, in no case shall the aggregate value of all property received or retained under the Plan on account of any Allowed Claim exceed 100 percent of the underlying Allowed Claim plus applicable interest, if any.

Property deposited into the various Claim distribution accounts described elsewhere in the Plan (including the Non-Obligor General Unsecured Claims Reserve and the Obligor Claims Reserve, but for the avoidance of doubt, not including the Professional Fee Escrow) will be subject to “disputed ownership fund” treatment under section 1.468B-9 of the United States Treasury Regulations. All corresponding elections with respect to such accounts shall be made, and such treatment shall be applied to the extent possible for state, local, and non-U.S. tax purposes. Under such treatment, a separate federal income tax return shall be filed with the IRS with respect to such accounts, any taxes (including with respect to interest, if any, or appreciation in property between the Effective Date and date of

distribution) imposed on such accounts shall be paid out of the assets of such accounts (and reductions shall be made to amounts disbursed from such accounts to account for the need to pay such taxes).

ARTICLE VIII.

SETTLEMENT, RELEASE, INJUNCTION, AND RELATED PROVISIONS

A. *Compromise and Settlement of Claims, Interests, and Controversies*

Pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019 and in consideration for the distributions and other benefits provided pursuant to the Plan, the Plan is and shall be deemed a good-faith compromise and settlement of all Claims, Interests, and controversies relating to the contractual, legal, and subordination rights that a holder of a Claim or Interest may have with respect to any Allowed Claim or Interest, or any distribution to be made on account of such Allowed Claim or Interest.

The entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the compromise or settlement of all such Claims, Interests, and controversies, as well as a finding by the Bankruptcy Court that such compromise or settlement is in the best interests of the Debtors, their Estates, and holders of Claims and Interests and is fair, equitable, and reasonable. The compromises, settlements, and releases described herein shall be deemed nonseverable from each other and from all other terms of the Plan. In accordance with the provisions of the Plan, pursuant to Bankruptcy Rule 9019, without any further notice to or action, order, or approval of the Bankruptcy Court, after the Effective Date, the Reorganized Debtors, may compromise and settle Claims against, and Interests in, the Debtors and their Estates and Causes of Action against other Entities.

B. *Discharge of Claims and Termination of Interests*

Pursuant to section 1141(d) of the Bankruptcy Code and except as otherwise specifically provided in the Plan or in any contract, instrument, or other agreement or document created pursuant to the Plan, the distributions, rights, and treatment that are provided in the Plan shall be in complete satisfaction, discharge, and release, effective as of the Effective Date, of Claims (including any Intercompany Claims that the Debtors resolve or compromise after the Effective Date), Interests, and Causes of Action of any nature whatsoever, including any interest accrued on Claims or Interests from and after the Petition Date, whether known or unknown, against, liabilities of, liens on, obligations of, rights against, and Interests in the Debtors or any of their assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Plan on account of such Claims and Interests, including demands, liabilities, and Causes of Action that arose before the Effective Date, any liability (including withdrawal liability) to the extent such Claims or Interests relate to services that employees of the Debtors have performed prior to the Effective Date and that arise from a termination of employment, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in sections 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not (a) a Proof of Claim based upon such debt or right is filed or deemed filed pursuant to section 501 of the Bankruptcy Code, (b) a Claim or Interest based upon such debt, right, or Interest is Allowed pursuant to section 502 of the Bankruptcy Code, or (c) the holder of such a Claim or Interest has accepted the Plan. The Confirmation Order shall be a judicial determination of the discharge of all Claims and Interests subject to the occurrence of the Effective Date.

Background

A. The Bankruptcy Filing and General Case Background

6. The Debtors are a leading provider of advanced network communications and technology solutions for businesses across the United States. The Debtors also offer broadband, entertainment and security solutions to consumers and small businesses primarily in rural areas in 18 states. Additionally, the Debtors supply core transport solutions on a local and long-haul fiber network spanning approximately 150,000 miles and have over 11,000 employees.

7. On February 25, 2019 (the “Petition Date”), each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. A detailed description of certain facts and circumstances surrounding these Chapter 11 Cases is set forth in the *Declaration of Tony Thomas, Chief Executive Officer and President of Windstream Holdings, Inc., (I) in Support of Debtors’ Chapter 11 Petitions and First Day Motions and (II) Pursuant to Local Bankruptcy Rule 1007-2* (the “First Day Declaration”) [Docket No. 27], filed on the Petition Date.

8. The Debtors’ Chapter 11 Cases have been consolidated for procedural purposes only and are being jointly administered pursuant to Bankruptcy Rule 1015(b) [Docket No. 56]. The Debtors continue to operate their business and manage their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On March 12, 2019, the United States Trustee for the Southern District of New York appointed the creditors’ committee (the “UCC”) pursuant to section 1102 of the Bankruptcy Code [Docket No. 136].

9. On April 22, 2019, the Bankruptcy Court entered the Interim Compensation Order, which sets forth the procedures for interim compensation and reimbursement of expenses for all estate professionals in these Chapter 11 Cases.

B. The Debtors' Retention of Katten

10. On March 26, 2019, the Debtors filed the *Application for Entry of an Order Authorizing the Retention and Employment of Katten Muchin Rosenman LLP as Conflicts Counsel for the Debtors and Debtors in Possession Effective Nunc Pro Tunc to the Petition Date* (the "Retention Application") [Docket No. 194]. On April 22, 2019, the Bankruptcy Court entered the Retention Order, which is attached hereto as **Exhibit B**.

11. The Retention Order authorizes Katten to provide the Debtors with the professional services as described in the Retention Application and the terms of Katten's engagement letter between Katten and the Debtors (the "Engagement Letter"), which is dated as of February 24, 2019 and attached to the Retention Order as Exhibit 1. Specifically, but without limitation, the Retention Order authorizes Katten to render the following legal services where Kirkland and Ellis LLP ("K&E") has an actual or perceived conflict of interest or where the Debtors believe it would be more efficient or economical for Katten to handle the matter:

- a. advising the Debtors with respect to their powers and duties as debtors in possession in the continued management and operation of their businesses and properties;
- b. advising and consulting on their conduct during these Chapter 11 Cases, including all of the legal and administrative requirements of operating in chapter 11;
- c. attending meetings and negotiating with representatives of creditors and other parties in interest;
- d. taking all necessary actions to protect and preserve the Debtors' estates, including prosecuting actions on the Debtors' behalf, defending any action commenced against the Debtors, and representing the Debtors in negotiations concerning litigation in which the Debtors are involved, including objections to claims filed against the Debtors' estates;
- e. preparing pleadings in connection with these Chapter 11 Cases, including motions, applications, answers, orders, reports and papers necessary or otherwise beneficial to the administration of the Debtors' estates;

- f. representing the Debtors in connection with obtaining authority to continue using cash collateral and postpetition financing;
- g. advising the Debtors in connection with any potential sale of assets;
- h. appearing before the Bankruptcy Court and any appellate courts to represent the interests of the Debtors' estates;
- i. advising the Debtors regarding tax matters;
- j. taking any necessary action on behalf of the Debtors to negotiate, prepare, and obtain approval of a disclosure statement and confirmation of a chapter 11 plan and all documents related thereto; and
- k. performing all other necessary legal services for the Debtors in connection with the prosecution of these Chapter 11 Cases, including: (i) analyzing the Debtors' leases and contracts and the assumption and assignment or rejection thereof; (ii) analyzing the validity of liens against the Debtors; and (iii) advising the Debtors on corporate and litigation matters.

C. Disinterestedness of Katten

12. As disclosed in the *Declaration of Steven J. Reisman in Support of the Debtors' Application for Entry of an Order Authorizing the Retention and Employment of Katten Muchin Rosenman LLP as Conflicts Counsel for the Debtors and Debtors in Possession Effective Nunc Pro Tunc to the Petition Date*, attached as Exhibit B to the Retention Application (the "Declaration of Disinterestedness") (a) Katten is a "disinterested person" within the meaning of section 101(14) of the Bankruptcy Code, as required by section 327(a) of the Bankruptcy Code, and does not hold or represent an interest adverse to the Debtors' estates, and (b) Katten has no connection to the Debtors, their creditors, or other parties in interest, except as may be disclosed in the Declaration of Disinterestedness.

13. Katten may have in the past represented, may currently represent and likely in the future will represent parties in interest in connection with matters unrelated to the Debtors in these Chapter 11 Cases. In the Declaration of Disinterestedness, Katten disclosed its connections to parties in interest that it has been able to ascertain using its reasonable efforts. Katten

actual necessary services rendered . . . and reimbursement for actual, necessary expenses.” 11 U.S.C. § 330(a)(1). Section 330 also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded, the court should consider the nature, extent, and the value of such services, taking into account all relevant factors, including—

- (a) the time spent on such services;
- (b) the rates charged for such services;
- (c) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (d) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed; and
- (e) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11. U.S.C. § 330(a)(3).

23. Katten respectfully submits that the services for which it seeks compensation in this Fee Application were, at the time rendered, necessary for and beneficial to the Debtors and their estates and were rendered to protect and preserve the Debtors’ estates. Katten further believes that it performed the services for the Debtors economically, effectively and efficiently, and the results obtained benefited not only the Debtors, but also the Debtors’ estates and the Debtors’ constituents. Katten further submits that the compensation requested herein is reasonable in light of the nature, extent and value of such services to the Debtors, their estates and all parties-in-interest.

26. In sum, Katten respectfully submits that the professional services provided by Katten on behalf of the Debtors and their estates during these Chapter 11 Cases were necessary and appropriate given the complexity of these Chapter 11 Cases, the time expended by Katten, the nature and extent of Katten's services provided, the value of Katten's services, and the cost of comparable services outside of bankruptcy, all of which are relevant factors set forth in section 330 of the Bankruptcy Code. Accordingly, Katten respectfully submits that approval of the compensation sought herein is warranted and should be approved.

Reservation of Rights

27. It is possible that some professional time expended or expenses incurred during this Fee Period are not reflected in this Fee Application. Katten reserves the right to include such amounts in future fee applications.

Notice

28. The Debtors have provided notice of this Fee Application to: (a) the entities on the Master Service List (as defined in the Case Management Order and available on the Debtors' case website at www.kccllc.net/windstream) and (b) any person or entity with a particularized interest in the subject matter of the Fee Application. The Debtors respectfully submit that no other or further notice is necessary.

No Prior Request

29. No prior application for the relief requested herein has been made to this or any other court.

WHEREFORE, Katten respectfully requests that the Bankruptcy Court enter an order (a) awarding Katten interim compensation for professional and paraprofessional services rendered during the Fee Period in the amount of \$3,444,257.10, and reimbursement of actual, reasonable and necessary expenses incurred in the Fee Period in the amount of \$238,090.43; (b) authorizing and directing the Debtors to remit payment to Katten for such fees and expenses; and (c) granting such other relief as is appropriate under the circumstances.

Re: **Engagement Agreement**

Dear Kristi:

We are pleased to have the opportunity to represent Windstream Holdings, Inc. and its debtor affiliates to the extent requested by the client (the "Client") with regard to providing advice and representation as co-counsel in connection with a potential in-court restructuring and such other matters as the Client may request and the Firm may agree to handle (the "Matters"). Kirkland & Ellis LLP will be serving as lead counsel. This letter and the enclosed Terms of Engagement which contains a provision on conflicts of interest, describe the basis on which the Firm provides legal services.

I will be the lawyer at the firm with the primary responsibility for the Matter and understand that it is your expectation, as well as my own intention, that I be involved in managing all aspects of this engagement. I will be assisted by such other partner(s), associate(s), and other member(s) of the Firm as appropriate. As indicated in the Terms of Engagement, our fees are based upon our hourly rates unless otherwise noted herein.

Please review the Terms of Engagement, with the assistance of independent counsel if you wish, and let me know if you have any questions about them. If all the terms are satisfactory, please indicate your consent by signing this letter and returning it to me. However, your continuing instructions in this matter will amount to your acceptance of the terms of this letter, including the Terms of Engagement (collectively the "Terms"). All parties to this agreement agree that a digital signature shall be effective to prove each party's agreement to the Terms. Furthermore, the parties agree that the Terms may be proven through an electronic copy in digital format, and that no "original" hard-copy document need be retained to prove the Terms.

Upon your commencement of a restructuring case under Chapter 11 of the U.S. Bankruptcy Code, your ongoing employment of the Firm will be subject to the approval of the

court with jurisdiction over the bankruptcy petition. If necessary, the Firm will take steps to prepare the disclosure materials required in connection with the Firm's retention as restructuring co-counsel/ efficiency counsel. If necessary, the Firm will prepare a preliminary draft of a schedule describing the Firm's relationships with certain interested parties. The Firm will then give you a draft of this schedule once it is available. Even if the Firm does not believe that these relationships constitute actual conflicts of interest, these relationships must be described and disclosed in your application to the court to retain the Firm. If in the Firm's determination a conflict of interest arises in your Chapter 11 case requiring separate conflicts counsel, then you will be required to use separate conflicts counsel in those matters. Further, you understand, acknowledge, and agree that in connection with a Chapter 11 case, if you have not objected to the payment of a Firm invoice or to a Firm fee and expense application, have in fact paid such invoice, or have approved such fee and expense application, then you waive your right to subsequently object to the payment of fees and expenses covered by such invoice or fee application. You should also be aware that, under applicable law, in the event a trustee or examiner is appointed in any Chapter 11 case or a trustee is appointed in a superseding Chapter 7 case, the trustee or examiner may waive the attorney-client privilege as to otherwise privileged communications between the Firm and your representatives.

Upon your commencement of a restructuring case under Chapter 11 of the Bankruptcy Code, the Firm will comply with the United States Trustee's guidelines for fees and expenses, notwithstanding any terms herein to the contrary. In the event of a bankruptcy filing, the Bankruptcy Code will rule and override Section VIII of the Terms of Engagement regarding arbitration.

A schedule of the Firm's standard hourly rates is annexed as Exhibit A. The Firm's disbursements that are billed on a per-unit basis are annexed as Exhibit B. The Firm's wiring instructions are annexed as Exhibit C and the Firm's W-9 Taxpayer Certification is annexed as Exhibit D.

KATTEN MUCHIN ROSENMAN LLP
TERMS OF ENGAGEMENT

The information below describes the terms that apply to the legal services provided for you by Katten Muchin Rosenman LLP (the "Firm"). We encourage you to discuss any of these Terms with us at any time. If modifications to the Terms are needed, you should discuss that with us so that agreement on changes can be reached and reduced to writing. All references to "you" or "your" means only the client or clients identified in our engagement letter. **Individuals or entities that are related to or affiliated with you, such as partners, officers, directors, stockholders, parent companies, related companies, or family members, are not clients, unless we otherwise agree in writing.**

I. Scope of Representation. The scope of the work we will do for you is limited to the description stated in our engagement letter. Any changes or additions to the scope of our work, which we would be pleased to consider, must be agreed to and memorialized by letter or email. Unless that description states otherwise, **our engagement does not include responsibility for:** (1) review of your insurance policies to determine the possibility of coverage for our fees and costs or for the claim asserted against you, (2) notification of your insurance carriers about a matter, (3) advice to you about your disclosure obligations concerning a matter under the federal securities laws or any other applicable law, or (4) advice to you about tax issues that relate to a matter. If we agree to represent you in additional matters, we will do so in writing by letter or email, and the Terms of our engagement will remain the same for these additional matters unless changed by agreement in writing.

Additionally, if in response to your request or by requirement of lawful process we: testify; gather and/or produce documents; respond to document hold or production requests; or respond to any other requests in connection with possible, threatened or actual proceedings commenced by third parties that relate to our representation of you, you agree to pay us our reasonable fees and costs incurred.

II. Staffing. Steven J. Reisman will have the primary responsibility for our relationship. We assign additional lawyers and other personnel when needed based upon the type of work and the appropriate experience level required.

III. Client Responsibilities. You agree to provide us with all information that we believe is necessary or appropriate to fulfill our professional responsibilities in this matter and to cooperate with us in matters such as fact investigation, preparation of pleadings, discovery responses, settlement conferences, etc. You will designate one or more persons to give us instructions and authority to receive our requests and inquiries. You further agree that without our express written consent, you will not use our name or the fact of your engagement of us in any form of advertising or solicitation of business.

IV. Financial Arrangements.

A. Fees and Expenses. Our fees are based primarily upon the hourly rates of our lawyers and other personnel in effect when the services are performed. These rates change periodically based upon economic factors and the experience level of our

personnel. In determining the amount of our fee, we may also consider and adjust our total fee based on other factors, including the novelty and difficulty of the issues involved, the amount involved and the results obtained, and the time limits, if any, imposed by you or by the circumstances of the engagement. We are affiliated with Katten Muchin Rosenman UK LLP of London, England, and if we obtain advice or services on your behalf from that firm, we will include their time and expenses on our bill.

Expenses include items such as consultants, experts, filing fees, court reporting fees, travel costs, overnight or other special mail services, messenger services, photocopies, long distance telephone, outgoing faxes, research service charges (e.g., LEXIS), secretarial and other staff overtime charges (when required to meet the needs of the matter), and other special services such as document imaging. Certain of these charges are adjusted to include administrative and overhead expenses incurred by the Firm to provide the billed service. With respect to costs incurred and payable to third parties, such as court reporters or experts, it is our usual policy to forward those bills to you for payment directly to the third party, and you agree to pay those fees directly to the provider. As an accommodation to you, however, we may advance those costs on your behalf and include them in our monthly bills. Some large disbursements may be forwarded to you for direct payment. Some charges may not be in the system at the time of monthly billing and will appear on a later bill.

B. Fee Deposits. The amount of any fee deposit required in this engagement, if any, is set forth in the engagement letter, which is not an estimate of the total costs of the representation, nor is it a maximum fee. This fee deposit will be deposited in the Firm's client retainer trust account and will be used to pay our fees and expenses when they come due. We will pay our monthly invoices using the fee deposit when earned, unless you already have paid the invoice or dispute the amount of our invoice before that time. You agree that you will maintain the fee deposit balance at the amount agreed in the engagement letter. Accordingly, while we will pay our invoices from the fee deposit as set forth above, you agree to maintain the agreed balance by either paying each invoice within 20 days of mailing or by replenishing the fee deposit in a like amount. In the event our fees and expenses exceed the retainer deposited with us, we will bill you for the excess. We may, as an accommodation to you, agree to waive the fee deposit if our invoices are timely paid. In the event we do so, however, you agree that we may request replenishment of the fee deposit at any time, should we determine that to be necessary, in our sole discretion. We may also request, and you agree to provide, additional fee advances from time to time based on our estimates of future work to be undertaken. If you fail to maintain the balance of the fee deposit when requested or to pay promptly any additional fees requested, we reserve the right to cease performing further work and withdraw from the representation.

C. Billing and Payment. We generally forward our statements monthly. The statements will include a brief description of the work performed, the date the work was performed, the time required to do the work, and the expenses incurred. Payment is due promptly upon receipt of our statement. We reserve the right to terminate our representation of clients who do not pay promptly. We do not and cannot guarantee the

outcome of any matter, and payment of our fees and disbursements is not conditioned on any particular outcome.

V. Electronic Communication. The use of email can be an efficient means of communication, and we use it often in communicating with clients. Some clients also use instant messaging as a means of communication. However, these electronic communications can be delayed or blocked (for example, by anti-spam software) or otherwise not transmitted. You must not assume that an email or instant message sent to us was actually opened and read by us unless you receive a non-automated reply message indicating that we have read your message.

VI. Responses to Auditors' Inquiries. We are frequently asked to provide information to auditing firms regarding client legal matters and we respond to those inquiries with the same level of care and professionalism used to handle the client's other legal work. We will accordingly charge for those services at the same rates. When you make a written request that we provide information to an auditing firm, we will deem your request to be your consent for us to disclose the requested information on your behalf. Additionally, when an auditing firm makes a written request for information on your behalf, that request will be deemed to be your consent for us to disclose that information to the auditing firm.

VII. Conflicts of Interest Issues. As you know, we are a large general services law firm with many clients and with offices located in Austin, Texas; Charlotte, North Carolina; Chicago, Illinois; Dallas, Texas; Houston, Texas; Irving, Texas; Los Angeles, California (Century City and Downtown); New York, New York; Orange County, California; San Francisco Bay Area, California; Washington D.C.; and Shanghai, China, and we have an affiliate in London, England. It is possible that, during the course of our engagement, an existing or future client may seek to hire the Firm in connection with an actual or potential transaction or pending or potential litigation or other dispute resolution proceeding in which such other client's interests are or potentially may become adverse to your interests.

Because the duty of loyalty would otherwise prevent the Firm from being adverse to a current client, rules of professional conduct prevent the Firm from accepting such engagements during the Firm's representation of you absent informed consent by you and the waiver of the duty of loyalty. In particular, the Firm often represents parties in restructuring and insolvency matters, both in- and out-of-court. By agreeing to these Terms of Engagement, you waive the duty of loyalty insofar as it would be applicable and agree that, even while the Firm is representing you, and at all times thereafter, the Firm may represent existing or new clients in any matter that is not substantially related to our work for you, even if the interests of such clients are adverse to yours (whether or not you are then represented by the Firm), or any of your affiliates, including litigation in which you or any of your affiliates are parties. This waiver also is intended to allow the Firm to examine or cross-examine you (and/or your employees and agents) on behalf of existing or new clients in other proceedings (including but not limited to proceedings to which you are not a party) provided the other matter is not substantially related to our representation of you. Notwithstanding this consent and waiver, the Firm will not undertake such representation unless we first reasonably determine that we will be able to provide competent and diligent representation to both of the affected clients. We also will continue to maintain the confidentiality of the confidential information you provide to us in the course of the Firm's

engagement by you, and will not use such information for any purpose except for the benefit of, and on behalf of, you without your written consent.

Potential adverse consequences may result from the Firm's representing parties that are adverse to you. These may include a perception that the Firm's loyalty and independence of judgment with respect to you are impaired. Also, the Firm's representation of parties adverse to you may come at a time when it would harm your interests to terminate the services of the Firm, or after expenditures of fees and costs to the Firm that might need to be replicated by new counsel. The Firm encourages you to have this conflicts waiver reviewed by independent counsel acting on your behalf before agreeing to these Terms of Engagement.

Further, in the course of our representation of you, it may be necessary for our lawyers to analyze or address their professional duties or responsibilities or those of the Firm, and to consult with the Firm's General Counsel, Deputy General Counsel, Conflicts Counsel, or other lawyers in doing so. To the extent we are addressing our duties, obligations or responsibilities to you in those consultations, it is possible that a conflict of interest might be deemed to exist as between our Firm and you. As a condition of this engagement, you waive any conflict of interest that might be deemed to arise out of any such consultations. You further agree that these consultations are protected from disclosure by the Firm's attorney-client privilege. Nothing in the foregoing shall diminish or otherwise affect our obligation to keep you informed of material developments in your representation, including any conclusions arising out of such consultations to the extent that they affect your interests.

VIII. Arbitration of Disputes. You acknowledge having reviewed a copy of Part 137 of the Rules of the Chief Administrator of the Courts of New York (available at <http://www.courts.state.ny.us/admin/feedispute/137.pdf> or upon request from us) which provides a mechanism for resolution of fee disputes between us using a particular arbitration procedure and forum; you have a right to select this mechanism for the resolution of fee disputes between us under this letter agreement unless you waive that right. You hereby waive that right, and you and we instead agree upon the following: If any dispute, controversy or claim directly or indirectly relating to or arising out of this agreement, work we perform for you or the fees charged by us or your failure to pay such fees you agree that such dispute shall be submitted to binding arbitration with JAMS in New York, New York under the JAMS Comprehensive Arbitration Rules and Procedures. The arbitrator shall have no authority to award punitive damages or to treble or otherwise multiply actual damages. The award in the arbitration shall be final and binding and judgment thereon may be entered and enforced in any court of competent jurisdiction. The costs and expenses (including reasonable attorney's fees of the prevailing party) shall be borne and paid by the party that the arbitrator, or arbitrators, determine is the non-prevailing party. You agree and consent to personal jurisdiction, service of process and venue in any federal or state court within the State of New York in connection with any action brought to enforce an award in arbitration. You further agree that service of process may be made upon you by Katten Muchin Rosenman LLP by causing process to be delivered to you at the above address (or such other address of which you hereafter shall advise us in writing) by registered or certified mail, return receipt requested.

IX. Conclusion of Representation. Our representation of you will terminate when we send you our final statement for services rendered in this matter. We may also terminate our

representation for any reason consistent with rules of professional responsibility, including conflicts of interest or your failure to pay our fees and expenses. Our representation may also be terminated upon your request. Following termination, any nonpublic information you have supplied to us which is retained by us will be kept confidential in accordance with applicable rules of professional responsibility. Once our representation is concluded, we will not be obligated to take any steps such as keeping track of deadlines, filing papers, pursuing appeals, or monitoring or advising you about changes in the law or circumstances that might bear upon the concluded matter.

X. Disposition of Client Files. Upon conclusion of your representation, we may return to you your original papers, documents and/or other property that you provided to the Firm during our engagement. You agree to accept the return of such documents and/or property. If you so request, we will also provide to you, at your expense, copies or originals of your complete file. We reserve the right to make, at our expense, copies of all documents generated or received by us in the course of our representation of you. The Firm will not provide copies or originals of the Firm Administrative or Matter Administration files pertaining to the matter, which will be retained by the Firm. All such documents retained by the Firm, including client files (including any original documents and/or property that we attempted unsuccessfully to return to you) and Firm Administrative or Matter Administration files, will be transferred to the person responsible for administering our records retention program. For various reasons, including the minimization of unnecessary storage expenses, we reserve the right to destroy or otherwise dispose of any documents or other materials retained by us within a reasonable time, but not less than seven (7) years after the matter is closed.

Voluntary Rate Disclosures

In re Windstream Holdings, Inc., et al.
Bankruptcy Case No. 19-22312 (RDD) (Jointly Administered)

Voluntary Rate Disclosures

- The blended hourly rate for Katten timekeepers in the New York, Washington, D.C., and Chicago offices (including both professionals and paraprofessionals) who billed to non-bankruptcy matters (collectively, the “Non-Bankruptcy Matters”)¹ during the period beginning on March 1, 2019 and ending on February 29, 2020 (the “Comparable Period”) was, in the aggregate, approximately \$636 per hour (the “Non-Bankruptcy Blended Hourly Rate”).²
- The blended hourly rate for all Katten timekeepers (including both professionals and paraprofessionals) who billed to the Debtors during the Fee Period was approximately \$751.33 per hour (the “Debtor Blended Hourly Rate”).³
- A detailed comparison of these rates is as follows:

Position at Katten	Debtor Blended Hourly Rate for this Fee Application ⁴	Non-Bankruptcy Blended Hourly Rate
Partners	\$ 953.09	\$ 830.00
Counsel	945.00	703.00
Associates	617.41	510.00
Paraprofessionals	266.86	281.00
Total Combined Blended Rate	\$ 751.33⁵	\$ 636.00

¹ It is the nature of Katten's practice that certain non-bankruptcy engagements require the advice and counsel of professionals and paraprofessionals who work primarily within Katten's Insolvency and Restructuring Practice. Accordingly, "Non-Bankruptcy Matters" consist of matters for which Katten's domestic timekeepers represented a client in a matter other than an in-court bankruptcy proceeding. Moreover, the Non-Bankruptcy Matters may include time billed by Katten domestic timekeepers who work primarily within Katten's Insolvency and Restructuring Practice.

² Katten calculated the blended rate for Non-Bankruptcy Matters by dividing the *total dollar amount billed* by Katten timekeepers in the New York, Washington, D.C., and Chicago offices to the Non-Bankruptcy Matters during the Comparable Period by the *total number of hours* billed by Katten timekeepers in the New York, Washington, D.C., and Chicago offices to the Non-Bankruptcy Matters during the Comparable Period.

³ Katten calculated the blended rate for timekeepers who billed to the Debtor by dividing the *total dollar amount billed* by such timekeepers during the Fee Period by the *total number of hours billed* by such timekeepers during the Fee Period.

⁴ These amounts do not reflect fees written off for time incurred by attorneys and paraprofessionals billing less than three hours during the Fee Period.

⁵ The Debtor Blended Hourly Rate for this Fee Application is greater than the Non-Bankruptcy Blended Hourly Rate because Katten was required to staff the Charter Adversary Proceeding with multiple Partners and other senior level attorneys from its Litigation, Intellectual Property and Insolvency & Restructuring Departments due to the complexity and expedited nature of the Charter Adversary Proceeding.

Pursuant to Rules 7026 and 7034 of the Federal Rules of Bankruptcy Procedure, Rules 26 and 34 of the Federal Rules of Civil Procedure, the Local Rules of this District, and any other applicable rules (collectively, the "Applicable Rules"), Windstream Holdings, Inc. and its debtor affiliates, as debtors and debtors in possession in the above-captioned Chapter 11 cases (collectively, "Debtors" or "Windstream"), and as plaintiffs in the above-captioned adversary proceeding, by and through their undersigned attorneys, submit these Responses and Objections (the "Response") to the Written Discovery Related To Plaintiffs' Costs Related To Promotions/Credits And Plaintiffs' Internal Legal Costs (the "Written Discovery") of Defendants Charter Communications, Inc. and Charter Communications Operating, LLC (collectively, "Charter").

GENERAL OBJECTIONS

Windstream asserts the following General Objections ("General Objections") to the Requests for Production or Admission ("Request" or "Requests") and Interrogatories ("Interrogatory" or "Interrogatories"), each of which is hereby incorporated by reference into the response to each individual Request or Interrogatory below. From time to time, Windstream may restate one or more of the General Objections as specific objections to individual Requests or Interrogatories. Such restatement, or the failure to restate, should not be taken as a waiver of any General Objection not restated.

1. Windstream responds to the Requests and Interrogatories on the basis of the facts and circumstances as they are presently known to Windstream. Windstream reserves the right to supplement its objections and responses to the Requests or Interrogatories based upon newly-discovered evidence or information of which Windstream is not aware as of the present date.

**CONTAINS CONFIDENTIAL OR ATTORNEYS' EYES ONLY INFORMATION
SUBJECT TO STIPULATED PROTECTIVE ORDER**

2. Windstream objects to the Requests and Interrogatories insofar as they seek information or documents that are protected from disclosure by the attorney-client privilege, the work product doctrine, the privacy privilege, or any other privilege or immunity, and refuses to produce any such document(s). Windstream does not intend by these objections or responses to waive any claim of privilege or immunity. Windstream's objections and responses are conditioned specifically on the understanding that the provision of information or documents for which any claim of privilege is applicable shall be deemed inadvertent and not a waiver of the claim of privilege. Demand is hereby made that any privileged document inadvertently produced be returned unread immediately and all copies destroyed.

3. Windstream objects to the Requests and Interrogatories to the extent they call for information or the production of documents that are protected by its privacy rights or those of any other person or entity as provided by the New York and United States Constitutions and/or any other statute or legal authority.

4. Windstream objects to the Requests and Interrogatories to the extent that they call for the production of trade secrets, confidential information, proprietary information, commercially-sensitive information, and competitively-significant information regarding Windstream's business activities and/or business operations. Windstream will produce such documents or information, if any, pursuant to the Stipulated Protective Order [Adv. Docket No. 75] entered by the Court in this adversary proceeding.

5. Windstream objects to the Requests and Interrogatories to the extent that they call for information or the production of documents that are not relevant to any party's claim or defense or proportional to the needs of the case.

**CONTAINS CONFIDENTIAL OR ATTORNEYS' EYES ONLY INFORMATION
SUBJECT TO STIPULATED PROTECTIVE ORDER**

6. Windstream objects to the Requests and Interrogatories to the extent that they purport to require production of “all documents” under circumstances in which a subset of documents would be sufficient to show the pertinent information, on the grounds that such requests for production of “all documents” are overbroad and unduly burdensome. Consistent with the Court’s ruling on April 29, 2020 on this particular objection, Windstream will interpret and respond to each Request containing such phrase as if it were written as requesting “documents sufficient to”

7. Windstream reserves the right to produce only the responsive portions of documents where such documents also contain information that is not relevant to the subject matter of this adversary proceeding, is not reasonably calculated to lead to the discovery of admissible evidence, is privileged, or is otherwise protected from disclosure.

8. Windstream objects to the Requests and Interrogatories to the extent that they purport to require Windstream to undertake a search for, and to produce, electronically stored information (“ESI”), such as emails.

9. Windstream objects to the Definitions and Instructions contained in the Written Discovery to the extent that they seek to impose obligations on Windstream different from or beyond those required by the Applicable Rules and applicable case law. Windstream will interpret each Request and Interrogatory and will respond pursuant to, and in light of, the requirements of the Applicable Rules.

RESPONSE TO REQUESTS FOR PRODUCTION

REQUEST FOR PRODUCTION NO. 1:

All documents supporting the testimony that “in order to mitigate the effects of Charter’s false advertising, Windstream was forced to offer customer upgrades, discounts, and pricing promotions to convince customers to maintain their service with Windstream. The total approximate cost of this was \$4,033,425,” as set forth in Paragraph 15 of the Declaration of Jeffrey H. Auman in Lieu of Direct Testimony at Trial and attached hereto as Appendix 1.

RESPONSE:

Windstream incorporates by reference its General Objections stated above as though set forth fully herein. Windstream further objects to the Request to the extent that it purports to require the production of “all documents” under circumstances in which a subset of documents would be sufficient to show the pertinent information, on the grounds that such requests for production of “all documents” are overbroad and unduly burdensome. Consistent with the Court’s ruling on April 29, 2020, Windstream will interpret and respond to this Request as if it were written to request “documents sufficient to” Windstream further objects to this Request on the grounds that it seeks the disclosure of confidential, proprietary, or sensitive

Subject to and without waiver of the previously asserted objections, Windstream responds that it will produce responsive, non-privileged documents, if any, within its possession, custody, or control, that are sufficient to identify the cost of the promotional advertising campaign identified in Appendix 1 to Defendants' Written Discovery.

REQUEST FOR PRODUCTION NO. 2:

This represents an internal cost to Windstream of approximately \$408,000," as set forth in Paragraph 21 of the Declaration of Jeffrey H. Auman in Lieu of Direct Testimony at Trial and attached hereto as Appendix 1.

The document reproduced as Appendix 2 in Defendants' Request was prepared by Paula Anderson who is a paralegal in the Windstream legal department. During the first week of August 2019, she prepared the entries for the period prior to August 1, 2019. During the first week of April 2020, she prepared the entries for the period after August 1, 2019. She derived the information primarily from privileged documents. However, she also derived some entries from travel records of Kent Smith that will be produced. She also derived some entries from Katten Muchin Rosenman LLP invoices that have been filed with the Court. The hourly rate for both of the paralegals was based on Ms. Anderson's actual hourly rate for comparable work as a paralegal at the Kutak Rock LLP law firm in Little Rock, Arkansas which at the time she left that law firm in June 2014 was \$100/hour. The hourly rate for the senior associate was based on the hourly billing rate for comparable work by a senior associate at the Kutak Rock LLP law firm in Little Rock, Arkansas in February 2020 which was \$210/hour. The hourly rate for the senior partners was based on the hourly billing rate for comparable work by a senior partner at the Kutak Rock LLP law firm in Kansas City, Missouri working on a matter in Little Rock, Arkansas in March/April 2019 which was \$330/hour. In addition, a legal database was searched for cases in Arkansas that had recently approved an award of attorneys' fees to determine what hourly rates were found to be reasonable for lawyers and paralegals engaged in litigation in Arkansas. The cases found will be produced.

INTERROGATORY NO. 2:

Identify the individual who created the document produced by Plaintiffs on April 27, 2020, entitled "2019-2020 Charter Market Promotion," and attached as Appendix 3 of this Written Discovery, and describe when such document was created and how it was created, including the parameters that were selected and why they were selected.

RESPONSE TO INTERROGATORY NO. 2:

Windstream incorporates by reference its General Objections stated above as though set forth fully herein. Windstream further objects to this Interrogatory on the grounds that it seeks the disclosure of confidential, proprietary, or sensitive information regarding Windstream's business and/or business operations. Windstream further objects to the Interrogatory to the extent it calls for the disclosure of confidential information protected by the privacy rights of non-parties.

Subject to and without waiver of the General Objections, Windstream responds that Daniel J. Martinez created the document reproduced as Appendix 3 in Defendants' Request (the "Document"), at the direction of Jeffrey H. Auman. The Document was created on or about April 27, 2020. It was created in Microsoft Excel which is a spreadsheet program. The spreadsheet was populated with data relating to the 90 day free promotion that was found in Windstream's Daily Transactional Unit Table. This is data that Windstream keeps in the regular course of business. The interface used was Microsoft SQL Server Management Studio. The parameters used for selection of data incorporated into the spreadsheet were: Date Range – 09/01/2019 – 12/31/2019; "Charter Exchanges"; DSL (Broadband); "90 days free promotion offer"; and "New Adds Only." This data was broken out into three categories – 3 months free, 1 month free and bill credits in lieu. Once the spreadsheet was populated with the foregoing data, an ARPU of \$56.00/month and a churn rate of -2.01%/month was applied to the data. This resulted in the cost of the promotion in dollar terms. These parameters were selected in order to develop the cost of the promotion and resulted in the \$4,033,425 number provided at Paragraph 15 of the Declaration of Jeffrey H. Auman.
