Steven,

Spectrum Ready
Marketing

I just received an email from Dino about your letter to me. I have not received anything in the mail. I wanted to apologies as I was given misleading information, we have taken the proper steps on our end to get out information that we are not to give customers any information about our competition. I have reached out to every customer I talked to that day. It was only a few customers and have reached out informing them I was given the wrong information and they are not going anywhere, I apologized and thanked them via email. That was the only way I reached out, I did not spend a whole lot of time, emailing isn't effective it's essentially throwing darts at the wall. I apologies for giving misinformation, however none of the customers I contacted even gave me any information.

Here is the email list I sent:

'vsbrim@windstream.net'
'caoates@windstream.net'

Dr. Paul Wesson,

Hello, your address came across my desk this morning as you're currently Windstream customers. I wanted to reach out and gauge interest in switching to our phone service. It's a fairly simple process and we can get it installed rather quickly. You would then receive 1 bill. Windstream is going bankrupt so we are trying to help our neighbors who are using them transition quickly and easily. Let me know if you have any questions but I drew up a quick quote using the information Kim was able to give me over the phone.

Thank you,

2 THE COURT: All right. In Re Windstream Holdings,
3 Inc. Okay. There are three matters on the calendar: two of
4 them, I believe, are unopposed, which is the Debtor
5 Windstream's motion to seal certain documents in connection
6 with its original motion papers, as well as certain portions
7 of the supplement or reply; and then we have Windstream's
8 request for a TRO.

9 MR. ROCHESTER: That's correct, Your Honor. For
10 the record, Shaya Rochester, Katten Muchin Rosenman,
11 proposed conflicts counselor for the Windstream Debtors.
12 That's correct, Your Honor.

13 THE COURT: Okay. Why don't I just make sure I
14 know who everyone is, and then we can proceed to the first
15 couple of motions.

16 MR. ROSS: Your Honor, Terence Ross, also with
17 Katten Muchin Rosenman.

18 THE COURT: Okay.

19 MS. SIMS: Your Honor, Tami Sims, also with Katten
20 Muchin Rosenman.

21 THE COURT: Okay.

22 MR. KINGSTON: Your Honor, John Kingston, with
23 Thompson Coburn.

24 THE COURT: For?

25 MR. KINGSTON: Oh, I'm sorry, for Charter

1 Communications, Inc. and Charter Communications Operating
2 LLC.

3 THE COURT: All right, thank you.

4 MR. HOCKETT: And Brian Hockett of Thompson
5 Coburn, also on behalf of Charter Communications. Good
6 morning, Your Honor.

7 THE COURT: And then I noticed -- I noted, rather,
8 that the counsel for the creditors' committee filed a
9 statement in support. Are you going to pretty much leave
10 this up to the Debtors, though?

11 MR. HOCKETT: We are. We might wish to say a
12 couple of words if the Court will allow it.

13 THE COURT: Okay.

14 MR. HOCKETT: Otherwise, we'll leave it to them.

15 THE COURT: Okay, all right. So everyone can sit
16 down unless they're speaking. As far as the two motions to
17 seal are concerned, I get -- there's no opposition to that?

18 MR. RAPPOPORT: No opposition, Your Honor.

19 THE COURT: All right. So I'll grant that relief.
20 I have a fairly standing form of sealing order. I just
21 entered one in the Sears case that you can look for as a
22 model. But based on my review of each of those motions and
23 the unredacted portions, it appears to be that the request
24 was properly narrowed to cover commercially sensitive
25 information that would be protected under 107(b) of the

1 Bankruptcy Code. So you can email those orders to chambers.

2 MR. ROCHESTER: Okay, thank you. Thank you, Your
3 Honor.

4 MR. RAPPOPORT: Your Honor, can we see a draft. I
5 doubt we're going to have any comments on the order.

6 THE COURT: Yeah, you can just copy -- you can
7 copy --

8 MR. RAPPOPORT: Please send a draft in my
9 direction before you submit it.

10 THE COURT: Sure. You should copy counsel for
11 Charter --

12 MR. ROCHESTER: Of course.

13 THE COURT: -- when you send it in.

14 MR. ROCHESTER: All right. So, Your Honor, that
15 covers the first two matters on the agenda. For the third
16 matter, which is the Debtors' request for the TRO and show
17 cause order, I've turned that over to my partners, Terence
18 Ross and Tami Sims. Mr. Ross is admitted in the Southern
19 District already. Ms. Sims has filed a pro hac vice
20 application, which is pending, and we'll follow up with
21 chambers to get that entered.

22 THE COURT: Okay.

23 MR. ROCHESTER: Okay. I guess I'll turn the
24 podium over to Mr. Ross. Thank you.

25 THE COURT: Okay.

1 MR. ROSS: Good morning, Your Honor. We have
2 submitted a motion. There's been an opposition; there's
3 been a reply.

4 THE COURT: Right.

5 MR. ROSS: We've also submitted in support of the
6 application for TRO a declaration of Mr. Langston with
7 exhibits and a supplemental declaration that sort of updated
8 the state of play as of last Thursday, I believe it was.

9 Our proposal to the Court would be, Mr. Langston
10 is here, that we submit his declaration, supplemental
11 declaration and exhibits as his direct examination. And if
12 the other side would like to cross-examine him, put him up
13 on the stand, and that would be the direct case on the part
14 of the Debtors.

15 THE COURT: Okay. Well, when you say his
16 declaration, there are two of them, right?

17 MR. ROSS: Declaration and supplemental
18 declaration.

19 THE COURT: And supplemental, okay.

20 MR. ROSS: With all the exhibits attached. If
21 you'd like me to read them into the record, I can.

22 THE COURT: No, that's fine. I think it's clear
23 from the docket. Okay. Do you wish to cross-examine Mr.
24 Langston?

25 MR. KINGSTON: I do, Your Honor.

1 THE COURT: Okay, so he should come up. You can
2 have a seat. Would you raise your right hand, please? Do
3 you swear or affirm to tell the truth, the whole truth, and
4 nothing but the trust, so help you God?

5 MR. LANGSTON: I do.

6 [WITNESS, LEWIS LANGSTON, SWORN IN]

7 THE COURT: Okay. And could you just spell your
8 name for the record.

9 MR. LANGSTON: First name is Lewis, L-E-W-I-S,
10 last name is Langston, L-A-N-G-S-T-O-N.

11 THE COURT: Okay. You can proceed.

12 MR. KINGSTON: Your Honor, with the Court's
13 permission, I would like to present the witness with some of
14 the pleadings and some of the exhibits that have been
15 changed -- that have been exchanged leading up to this. And
16 I believe we have binders that I can provide both for the
17 Court and for the witness, if that's the easiest way to do
18 it.

19 THE COURT: Okay, that's fine with me.

20 MR. KINGSTON: Your Honor, I have a copy of the
21 exhibits for the Court. I have a copy of the exhibits and
22 the pleadings for Mr. Langston.

23 THE COURT: Okay.

24 MR. KINGSTON: May I approach?

25 THE COURT: Yes.

1 MR. KINGSTON: I'm going to hand you one of the
2 key pleadings in there, they've been tabbed; and, hopefully,
3 we can work our way -- we're not talking review at the
4 moment. Hopefully, the tabs will show us where we're going
5 and some of the exhibits that Charter circulated last night.

6 MR. LANGSTON: Okay.

7 MR. KINGSTON: And I'm not going to filibuster,
8 Your Honor, but I (indiscernible).

9 THE COURT: Okay. So when you referred to these
10 exhibits, the parties have seen these? Well, has Windstream
11 seen them?

12 MR. ROSS: One moment, Your Honor. We're just
13 checking to see if they're the ones that we've seen.

14 THE COURT: Okay.

15 MR. KINGSTON: I will represent to the Court that
16 Exhibits A through F -- no, I'm sorry. I will represent to
17 the Court that Exhibits A through D were attachments to
18 Charter's opposition to Windstream's motion for TRO.
19 Exhibits E, F, G, H, I, and J were exchanged last night
20 pursuant to Windstream's proposed scheduling order.

21 THE COURT: Okay. Let me just ask this now. Is
22 there any objection to the admissibility of these? Or, like
23 the Windstream exhibits, are they agreed admissible for
24 purposes of this hearing?

25 MS. SIMS: Your Honor, we have an issue with

1 respect to Exhibits E and F. We believe that those are
2 outside the scope of direct, that they're irrelevant, and
3 that there's no foundation, but those are the only exhibits.

4 MR. KINGSTON: Your Honor --

5 THE COURT: Well, these are just the dockets,
6 right, docket entries?

7 MS. SIMS: Correct.

8 THE COURT: Okay. Well, there's definitely a
9 foundation; it's the docket. But I will admit them. It's
10 the docket entry.

11 MR. KINGSTON: If it helps the Court --

12 THE COURT: I can always look at the docket of the
13 case no matter what, so I'll deem these as admitted.

14 MR. KINGSTON: If it helps the Court and my
15 friends at the other table, the point I was going to try and
16 make with those dockets has eluded me this morning, so I'm
17 not going to use them anyway.

18 THE COURT: All right. Anyway, it's a matter of
19 public record in the case, so they're deemed admitted as are
20 the Windstream exhibits and the declarations. So you can go
21 ahead.

22 MR. KINGSTON: Thank you, Judge.

23 CROSS-EXAMINATION OF LEWIS LANGSTON

24 BY MR. KINGSTON:

25 Q Good morning, Mr. Langston. My name is John Kingston.

1 I'm a lawyer for Charter Communications, the Defendant in
2 these adversarial proceedings. Odd circumstances, but it's
3 nice to meet you.

4 A Nice to meet you.

5 Q I'd like to direct your attention, sir, to -- in your
6 pleadings binder, you'll see Tab, I believe, 3, which is
7 your affidavit in support of the Debtors' motion for a
8 temporary restraining order. Do you see that, Mr. Langston?

9 A Yes.

10 Q And if you would, sir, I'd like you to turn to Page 10
11 of that declaration. And I'm going to direct your
12 attention, Mr. Langston, to subparagraph (a) in Paragraph 28
13 of your declaration, which I read as follows, sir:

14 "The relief that Windstream requests herein cannot
15 be made by regularly notice motion. Due to the urgency of
16 the requested relief, Windstream has no choice but to
17 request an order to show cause for the Court to set an
18 expedited hearing." Have I read that correctly, Mr.
19 Langston?

20 A Subparagraph (a)?

21 Q I believe I said Paragraph F.

22 A I thought you said (a).

23 Q Paragraph 25, subpart (f), sir.

24 A Okay, got it.

25 Q I believe it's on the bottom of Page 10.

1 A Yes, you've said that correct.

2 Q And what I'd like to talk to you about first, Mr.

3 Langston, is whether there is a need for emergency relief in
4 these proceedings. Can we do that today, sir?

5 A Yes.

6 Q Okay. I'm going to direct your attention to your
7 declaration, Paragraph 26. It's on the preceding page, Page
8 9.

9 A Okay.

10 Q I read that first sentence of your declaration as
11 follows: "Windstream sought to confer with Charter about
12 these prior -- about these issues prior to filing its
13 Complaint and seeking injunctive relief. On March 20 of
14 2019, representatives of the parties convened a call to
15 discuss certain false and inaccurate statements made by
16 Charter employees and agents regarding Windstream's
17 bankruptcy." Have I read that correctly, sir?

18 A Yes, you have.

19 Q Okay. And were you a party to that call, sir?

20 A No, I was not.

21 Q All right. And so, your understanding of that call, I
22 presume, is based on the March 21st and March 26th letters
23 that are referenced in the sentence as following that
24 reference to a March 20 call; is that fair?

25 A That is correct.

1 Q All right. And so, you understand what happened on
2 that call, not because you were on it, but because you read
3 the letters following up on that call to memorialize that
4 call; is that fair?

5 A That is correct.

6 Q Okay. And those letters were drafted and sent by, is
7 it Debra Heath?

8 A Carol Keith.

9 Q I apologize. She's deputy general counsel, so I had D
10 stuck in my head. Carol Heath, is that right?

11 A Carol Keith.

12 Q And Ms. Heath is the -- is it Ms. or Mrs.?

13 A It's Ms.

14 Q And Ms. Heath is the deputy general counsel of
15 Windstream?

16 A Ms. Keith, K-E-I-T-H.

17 Q I apologize.

18 A Yes, and she is.

19 Q Ms. Keith is the general counsel of Windstream.

20 A Deputy.

21 Q Deputy general counsel of Windstream, all right. And
22 we can agree that Ms. Keith is a good lawyer.

23 A As far as I know, seems to be.

24 Q And part of being a good lawyer is communicating
25 effectively both with your client and with the folks on the

1 other side; isn't that true?

2 A I would assume so. I have no idea of the
3 qualifications of lawyers.

4 Q Do you have any reason to believe that in memorializing
5 the conversation that she had on March 20th and expressing
6 Windstream's concerns in not one but two cease and desist
7 letters on March 21st and March 26th, that Ms. Heath --

8 A Keith.

9 Q I will hope that that's the last time -- that Ms. Keith
10 would leave anything important out?

11 A I would assume that she wouldn't.

12 Q No, there's no reason to think, sir, that she would
13 leave anything material out of either that March 21st or
14 March 26th letter memorializing her concerns and asking
15 Charter to cease and desist doing certain stuff; isn't that
16 right?

17 A Yes.

18 Q All right. Now, I think that Ms. Keith's March 21st
19 letter is an attachment to your affidavit. Do you see it as
20 Exhibit 10, Mr. Langston?

21 A Yes.

22 Q I see in that Exhibit 10 references to uncertainty. Do
23 you see that, sir?

24 A Yes, I do.

25 Q I see in Exhibit 10 references to risk. Do you see

1 that, sir?

2 A Which paragraph are you in?

3 Q I beg your pardon. I see reference to uncertainty, but
4 no reference to risk. Do you read Exhibit 10 the same way I
5 do, sir?

6 A I'm reading the whole thing right now just to make sure
7 you're correct. I see a statement about mail out threatens
8 our customers that they are at risk of losing.

9 Q Okay. So you and I can both find a reference to
10 uncertainty and a reference to risk in Ms. Keith's first
11 cease and desist letter; is that right?

12 A Yes.

13 Q And in Ms. Keith's second cease and desist letter, I
14 see again references to uncertainty. Do you see that, sir?

15 A Are you talking about Exhibit 11?

16 Q Yes, sir.

17 A Yes.

18 Q And I don't see a reference in either the March 21st or
19 March 26th letters memorializing that March 20 call and
20 asking Charter to cease and desist doing certain things that
21 contain any reference to the phrase, "Goodbye Windstream."
22 Do you see that phrase in those letters, sir?

23 A Not that I can see, no.

24 Q Do you have in front of you, Mr. Langston, a binder of
25 exhibits?

1 A Yes.

2 Q I'll direct your attention, sir, to Exhibit C, which
3 I'll represent to the Court was also an exhibit to Charter's
4 opposition to Windstream's motion for a temporary
5 restraining order. Do you have that in front of you, sir?

6 A Yes, I do.

7 Q On the first page of Exhibit C, do you see any
8 reference to Windstream?

9 A No.

10 Q On the second page of Exhibit C, along with the third,
11 fourth, fifth, sixth, seventh, and eighth pages, do you see
12 any reference to risk and uncertainty related to
13 Windstream's Chapter 11 bankruptcy?

14 A No.

15 Q And risk and uncertainty, those are the terms that were
16 used throughout Windstream's deputy general counsel's March
17 21st and March 26th letters; isn't that right?

18 A Yes.

19 Q You do see a reference, don't you, sir, to goodbye
20 Windstream in, again, Exhibit C?

21 A Yes.

22 Q And that phrase, "Goodbye Windstream" does not appear
23 in the March 21st and March 26th letters from Windstream
24 asking Charter to cease and desist doing certain stuff.

25 A I don't see those referenced, no.

1 Q Isn't it fair, Mr. Langston, that had -- isn't it fair
2 to suggest, Mr. Langston, that had Windstream's deputy
3 general counsel suggested that Charter should, in addition
4 to ceasing and desisting saying risks and uncertainties, it
5 should cease and desist talking about or using the phrase,
6 "Goodbye Windstream," that that's something that Charter
7 would have been able to do?

8 MS. SIMS: Objection, Your Honor, speculation.

9 MR. KINGSTON: I'll withdraw it. That's fine,
10 Judge.

11 A I have no idea what Charter would have done, no.

12 THE COURT: The question is withdrawn. The
13 question is withdrawn.

14 Q Can I direct your attention, sir, back to your sworn
15 declaration? Do you see in front of you Paragraph 25, Mr.
16 Langston?

17 A Yes.

18 Q And my version is redacted, but I read the first non-
19 redacted sentence to say, "On information and belief, on or
20 about March 14th of 2019, Spectrum disconnected service to
21 approximately 350 of these Windstream customers." Have I
22 read that correctly?

23 A Yes.

24 Q And when you say on information and belief in your
25 declaration, sir, you're talking about something that you

1 haven't seen with your own eyes or heard with your ears;
2 isn't that right?

3 A No. I did hear that with my ears. I had those
4 reported to me as the escalation for bankruptcy operations.

5 Q And so what is the import of the phrase, "On
6 information and belief," as you state it?

7 A The import?

8 Q Yeah. What do you mean by that?

9 A That means that the issue is reported to me by the
10 operations areas of our company that our customers were
11 disconnected.

12 Q Okay. And so when you're saying it was reported to
13 you, you're saying somebody else told you there was a
14 disconnection, right?

15 A Yes.

16 Q You're not saying that you personally have knowledge,
17 based on what you saw or heard?

18 A No, what I heard.

19 Q Is your -- is your statement in Paragraph 25, in your
20 view, a complete and informative statement to the Court?

21 A Yes, based upon my knowledge.

22 Q Did you leave anything important out?

23 A I guess the biggest thing I see that we tried to
24 contact the Defendant's counsel multiple times throughout
25 that weekend to get service reconnected, and they did not

1 respond. That's probably the most important thing I
2 wouldn't see.

3 Q Did you tell the Court whether the service to those
4 approximately 350 customers had been turned back on?

5 A It was turned back on later after several days of that
6 outage.

7 Q Did you tell the Court how many of those approximately
8 350 customers ultimately left Windstream because of that
9 temporary outage?

10 A No.

11 Q Do you know that number?

12 A No, I don't.

13 Q Does the number -- do you have any reason to believe
14 that number is greater than zero?

15 A No, I do not right now.

16 Q So as far as you knew -- as you know, sitting here
17 today as the witness for Windstream in these TRO
18 proceedings, Windstream may have lost zero customers because
19 of the outages referenced in Paragraph 25 of your sworn
20 declaration.

21 A I can't speak towards their future behavior and their
22 concern over the operations being disconnected and what was
23 told to them over that weekend by Charter.

24 Q As far as you know, Mr. Langston, Windstream has lost
25 no more than zero customers because of the outages

1 referenced in Paragraph 25 of your declaration; isn't that
2 so?

3 A Related to those specific customers, as far as I know,
4 we have lost none of those customers.

5 Q None of those customers.

6 A As far as I know.

7 Q Mr. Langston, turning your attention back to the
8 exhibit binder, Exhibit A.

9 A Okay.

10 Q Do you recognize that -- do you recognize Exhibit A,
11 sir, as the form 10-K for Windstream?

12 A I do.

13 Q All right. And while we're looking at it, is that
14 Windstream's logo, trademarked logo on the front page?

15 A Yes.

16 Q And it has a green little, kind of what I'll call a
17 squiggly W?

18 A It has a green W, yes.

19 Q And it's entirely in lower case.

20 A The Windstream name?

21 Q Yes, sir.

22 A Yes.

23 Q And so, entirely in lower case with I say squiggly W,
24 you say W, next to it is a fair description?

25 A Appears to be, yes.

1 Q And do you know what particular kind of font that is,
2 sir?

3 A Absolutely no idea.

4 Q Okay.

5 THE COURT: I'm sorry. A particular what?

6 MR. KINGSTON: The font, Your Honor.

7 THE COURT: Font, okay.

8 Q And you understand, Mr. Langston, that Windstream's
9 president and chief executive officer has certified the
10 statements in this 10-K as true.

11 A Yes.

12 Q And I'll direct your attention to Page 207 of 214 on
13 Exhibit A. I think the best way to navigate this document,
14 sir, is if you look at the top and the center, there's page
15 numbers that are --

16 A Yup, got you.

17 Q And Anthony W. Thomas is the president and chief
18 executive officer of Windstream.

19 A That is correct.

20 Q And he certifies that he has reviewed this annual
21 report; is that right?

22 A Yes.

23 Q And he says, based on his knowledge, the report does
24 not contain any untrue statements of material fact; isn't
25 that right?

1 A That is correct.

2 Q And you understand that a form 10-K is a statement to
3 investors and potential investors in Windstream; isn't that
4 right, sir?

5 A As far as my knowledge. I don't claim to be a 10-K
6 expert, but that's based upon my basic knowledge, yes.

7 Q It's something that an investor might want to read
8 considering whether to buy or sell his or her stock in
9 Windstream; isn't that fair?

10 A That is correct.

11 Q And you have a general understanding -- I'm not asking
12 you for a legal opinion, sir. But you have a general
13 understanding that one ought not deceive people who are
14 considering buying and selling stock; isn't that right?

15 A That's correct.

16 Q And Windstream has been delisted from NASDAQ, but it
17 still is traded on the part of OTC market; isn't that right,
18 sir?

19 A As far as I know.

20 Q And so, people could still be buying and selling
21 Windstream stock, right?

22 A Correct.

23 Q And in making statements to people who are considering
24 buying or selling Windstream stock, it would be important
25 both not to artificially inflate their expectations

1 regarding that stock and also not to artificially deflate
2 expectations regarding that stock; isn't that right, sir?

3 A I have no idea. I don't know the exact rules around
4 that.

5 Q Do you have a sense that it would be okay to deflate
6 artificially an investor's understanding of the value of
7 Windstream stock?

8 A I think this is just personal judgment. I assume that
9 it's not okay to artificially inflate or deflate, but I
10 don't know the technicalities or rules around it.

11 Q You understand that if one thought that Windstream was
12 facing risks, one could be induced to selling that stock and
13 one might not otherwise have sold it, right?

14 A Correct.

15 Q And so, if Windstream were to describe risks that
16 didn't exist, it could be causing people to sell stock that
17 wouldn't otherwise sell that stock; is that fair?

18 MS. SIMS: Objection, speculation.

19 THE COURT: I think you're playing on old ground
20 and you should just move on.

21 MR. KINGSTON: Thank you, Judge.

22 Q Were you aware, Mr. Langston, that there has been a
23 suggestion in this case that forward-looking statements in
24 security filings may or may not have -- or may or may not be
25 as meaningful as non-forward-looking statements?

1 A I was aware that forward-looking statements. I don't
2 know about the non-forward-looking statements.

3 Q Do you agree with the suggestion that forward-looking
4 statements in a security filing are somehow less meaningful
5 than the other statements in that same filing?

6 A My understanding of a 10-K is that forward-looking
7 statements, I mean, it's purely speculative and hypothetical
8 and continues any potential risks that might -- a company
9 might encounter.

10 Q You're suggesting that a forward-looking statement
11 doesn't matter in a filing with the SEC.

12 A I'm not saying it doesn't matter. What I'm saying is
13 it is purely speculative and throwing out all conditions a
14 situation may or may not impact a company, which is very
15 broad sweeping in nature.

16 Q Can I direct your attention, sir, to Exhibit J, which
17 is the form 10-Q for Windstream for the year ending --
18 excuse me -- for the fourth quarter of 2018?

19 A Okay.

20 Q I believe I misspoke, sir. Is Exhibit J the form 10-Q
21 for the quarterly period ending September 30th, 2018?

22 A I've got that one.

23 Q Do you see that, sir?

24 A Yes.

25 Q All right. And do you see in the back of Exhibit J

1 that it has the same certification that it's true from
2 Windstream's president, Mr. Thomas?

3 A What page are you on now; the full back of this
4 document?

5 Q Yes, sir. I won't make you find it, sir, because I
6 think that counsel has already stipulated that they're not
7 challenging the admissibility of it, so I don't know that I
8 need to establish the certification.

9 THE COURT: That's right.

10 Q In the bottom right-hand corner, sir, do you see there
11 are numbers on the -- page numbers on the --

12 A Yes.

13 Q -- form 10-Q?

14 A Yup, I see it.

15 Q And if you take a look at Page 144 out of 155 on that
16 10-Q, do you see some forward-looking statements there?

17 A Yes.

18 Q And I will skip down, I believe, three lines and I read
19 the following: "Forward-looking statements are subject to
20 uncertainties that could cause actual future events and
21 resolve to differ materially from those expressed in the
22 forward-looking statements. Forward-looking statements
23 including, but are not limited to, statements regarding..."
24 -- and I see, I believe, it's after the first semicolon,
25 "our ability to defend claims made by a noteholder that

1 Windstream services is in alleged default pursuant to a
2 certain indenture governing a series of senior notes." Have
3 I read that correctly, sir?

4 A Yes.

5 Q And so, this is a reference in the forward-looking
6 statements to the possibility that Windstream might not be
7 able to successfully defend a claim made by a noteholder
8 regarding certain indentures; isn't that right, sir?

9 MS. SIMS: Objection, foundation as to this
10 witness.

11 THE COURT: Well, if you could answer that, you
12 can answer it.

13 MR. LANGSTON: Okay. What's the question again?

14 THE COURT: If you know the answer.

15 MR. LANGSTON: No.

16 Q Okay. I'll direct your attention outside of the
17 forward-looking statements referenced to Pages 55.
18 Actually, strike that. Just to speed this along, 58. I
19 read the last sentence of the paragraph right above the word
20 derivatives as follows:

21 "As a result of the debt exchanges and the consent
22 transactions, Windstream services has been and remains in
23 compliance with all of the covenants under the 2013
24 indenture." Have I read that correctly?

25 A Yes.

1 Q And ultimately, a court found otherwise?

2 A I don't know if that's specifically where they found
3 against that. I wasn't a part of that proceeding.

4 Q You understand that there was a litigation that
5 resulted in Windstream filing Chapter 11 bankruptcy.

6 A Yes.

7 Q There was a verdict returned against Windstream that
8 could result in a judgment that was north of \$300 million?

9 A Yes, I am aware of that.

10 Q And it's true, isn't it, Mr. Langston, that the only
11 reference that that is a thing that might possibly happen to
12 Windstream in the 10-Q is in the reference to forward-
13 looking statements; isn't that true?

14 A I don't know that's the only reference. I haven't read
15 the entire 10-K.

16 Q I'm going to direct your attention to your second
17 affidavit, sir. I believe that it's Tab 4. And I misspoke,
18 it's a declaration.

19 A Okay.

20 Q On Page 2, Paragraph 4, do you see a reference, Mr.
21 Langston, to one of Windstream's consultants making certain
22 representations to a gentleman named Jerry Wayne Parrish?

23 A You're back in the supplemental. I thought you were
24 back in the first affidavit.

25 Q Oh, I'm sorry, sir. It's Tab 4.

1 A Okay.

2 Q And I see the document at Tab 4 to be the supplemental
3 declaration.

4 A Yes, I see that.

5 Q Paragraph 4?

6 A Yes.

7 Q See a reference to a gentleman named Jerry Wayne
8 Parrish?

9 A I do.

10 Q And Mr. Parrish isn't here today is he, sir?

11 A No, he's not.

12 Q And so, we don't have an opportunity to cross-examine
13 Mr. Parrish, at least I don't today, do I, sir?

14 A Not here.

15 Q No. And then in addition to Mr. Parrish not being here
16 today, do you see at the first sentence at Page 4 that
17 there's a reference to one of Windstream's consultants. Do
18 you see that, sir?

19 A Yes.

20 Q And in your statement regarding one of Windstream's
21 consultants, you don't state the name of that consultant,
22 right?

23 A No. My only conversation was with Jerry Wayne Parrish.

24 Q Whoever that named -- whoever that unnamed Windstream
25 consultant is that spoke to Mr. Parrish, it's fair to

1 suppose that he or she isn't here today as well.

2 A That's correct.

3 MR. KINGSTON: That's all I have, Your Honor.

4 THE COURT: Okay. Any redirect?

5 MS. SIMS: Yes, Your Honor.

6 THE COURT: Okay.

7 MS. SIMS: And if I may, just because I have his
8 tab separately, if I may approach the witness and give him a
9 -- so we're referencing the same binder that I have.

10 THE COURT: Okay. Do I have that binder?

11 MS. SIMS: I have a copy for you as well, if I may
12 approach.

13 THE COURT: Sure.

14 REDIRECT EXAMINATION OF LEWIS LANGSTON

15 BY MS. SIMS:

16 Q Mr. Langston, if you can please refer to Exhibit 10 of
17 your original declaration, so that's Tab #11 in the binder
18 that I handed to you.

19 A Okay.

20 Q And do you recognize this as the Windstream letter that
21 Mr. Kingston went over with you recently or just now?

22 A I do.

23 Q If you can please refer to the second page of the March
24 21st letter.

25 A Okay.

1 Q If you can please read the second-to-last paragraph.

2 A Starting with nothing?

3 Q Yes.

4 A "Nothing contained in this letter should be considered
5 as a waiver of any rights and claims of Windstream or its
6 subsidiaries, which are hereby expressly reserved."

7 Q Do you understand that this letter does not limit
8 Windstream's claims?

9 A That would be my understanding by that statement.

10 Q If you can please refer to the second Windstream
11 letter; it follows immediately behind the first. The letter
12 is dated March 26, 2019, and the second page of that letter,
13 if you can please read, again, the second-to-last paragraph.

14 A "Nothing contained in this letter should be considered
15 as a waiver of any rights and claims of Windstream or its
16 subsidiaries, which are hereby expressly reserved."

17 Q And did you understand that to mean that this letter
18 did not limited Windstream's claims?

19 A I did.

20 Q And do your knowledge, did Windstream ever receive,
21 prior to filing this Complaint, a substantive response from
22 Spectrum regarding its letters?

23 A Define substantive.

24 Q Did Spectrum ever list out to Windstream the
25 statements, the exact statements, it was going to omit from

1 any future advertisements?

2 A No.

3 Q Did Spectrum engage in any discussions with Windstream
4 regarding the concerns that Windstream had outlined in its
5 letters?

6 A Not that I'm aware of.

7 Q You can set this aside for now. Mr. Langston, Mr.
8 Kingston asked you about the disconnects from approximately
9 300 Windstream customers, correct?

10 A Yes.

11 Q Okay. Are you familiar with the typical process of
12 disconnecting a customer from Windstream's service?

13 A Yes, I am.

14 Q What is that process?

15 A Typically, you go through what would better be termed,
16 like a cure period or notice period where you notice the
17 customer of an impending disconnect; it's the formal
18 communication. Usually, you go through levels of escalation
19 before you formally disconnect.

20 Normally, those disconnects do not occur prior to
21 a weekend, for obvious reasons, because most companies don't
22 have the operational strength over a weekend to reconnect.
23 That's my experience with it. I actually ran credit and
24 collections for many of these properties before they became
25 Windstream.

1 Q And do you know if Spectrum followed any of those steps
2 when it disconnected Windstream's customers?

3 A Not that I'm aware of at all.

4 Q Do you believe that not following that process could
5 have an affect on the customers' perception of Windstream?

6 A Well, --

7 MR. KINGSTON: Objection, calls for speculation.

8 Q To your knowledge, have you ever received any customer
9 complaints regarding the failure to abide by that process
10 for disconnecting the service?

11 A Yes, we have.

12 Q And what have those complaints been like?

13 A I mean, the case -- this one specifically has been the
14 fact that customers called in and their service was
15 interrupted. We were unable to restore the service, so they
16 were -- they were actually knocked out of service. The
17 customers no longer had telecommunications' abilities that
18 were associated with those lines.

19 Those calls began on that Friday, and they
20 continued all through the entire weekend, until Monday when
21 we finally got them restored.

22 Q Mr. Langston, has Windstream's operations been impacted
23 by the Chapter 11 filing so far?

24 A No.

25 Q Has Windstream's services to its customers been

1 impacted by the Chapter 11 filing so far?

2 A Other than the disconnects calls by Charter, no.

3 Q To your knowledge has the result of the Aurelius
4 litigation impacted Windstream's operations?

5 A No.

6 Q To your knowledge has the result of the Aurelius
7 litigation impacted Windstream's services to its customers?

8 A No, other than this situation we're talking about with
9 the 350 customers disconnected.

10 Q Are there any plans for Windstream to liquidate?

11 A No.

12 Q Are there any plans for Windstream to downsize its
13 operations?

14 A No.

15 Q Are there any plans for Windstream to downsize its
16 services to its customers?

17 A No.

18 Q Are there any plans for Windstream's services to its
19 customers be terminated?

20 A No.

21 Q Has Windstream received any debtor-in-possession
22 financing?

23 A Yes, we have.

24 Q Do you know how much?

25 A We had approval for approximately \$1 billion in debtor

1 and -- or DIP financing. We've been approved for a portion
2 of that and hope to get approval for the rest at a later
3 date.

4 Q And do you know what affect that financing will have?

5 A That's actually caused a great deal of positive news
6 around Windstream: one, that we were able to acquire the
7 financing so quickly in the process; and secondly, the
8 rating that that debt received, which is investor grade
9 rating.

10 Q If you can please refer to Windstream's 10-K, and that
11 is in the Charter's binder as Exhibit A. So that --

12 A I found it.

13 Q Okay. And did you review this document in preparation
14 for this hearing?

15 A I reviewed it, what I would term as lightly.

16 Q In your review, did you see any statements anywhere
17 that Windstream is going to be going out of business in the
18 near future?

19 A No.

20 Q In your review, did you see any statements that
21 Windstream is going to be cutting off services to its
22 customers in the near future?

23 A No.

24 Q Do you have an understanding of who the audience is for
25 a 10-K?

1 A Well, as Charter's counsel stated, it's typically
2 investors, people looking to invest in the company, or
3 existing investors looking to potentially, you know, either
4 buy or sell additional shares. So these are investors, not
5 consumers.

6 Q If you can please refer to Page 15 of the 10-K. And do
7 you see -- can you -- do you see the second section entitled
8 forward-looking statements? I'll wait until you get there.

9 A Yes.

10 Q Okay. And do you see further down in the bullet points
11 statements regarding risk and uncertainties relating to
12 Windstream's Chapter 11 cases?

13 A I do.

14 Q And can you please read that first paragraph under the
15 forward-looking statements section?

16 A Starting with we claim?

17 Q Yes.

18 A "We claim the protection of the safe harbor for
19 forward-looking statements contained in the Private
20 Securities Litigation Reform Act of 1995 for this annual
21 report on form 10-K." Do you want me to keep going and read
22 the whole paragraph?

23 Q Yes, please.

24 A "This report contains various forward-looking
25 statements, which represent our expectations or projections

1 concerning future ads, including without limitation our
2 future performance, our ability to comply with the covenant
3 in the agreements governing our indebtedness and
4 availability of capital and terms thereof. Statements
5 expressing expectations and projections with respect to
6 forward matters are forward-looking statements within the
7 meaning of the Private Security Litigation Reform Act of
8 1995."

9 "We caution that these forward-looking statements
10 involving a number of risks and uncertainties and are
11 subject to many variables which can impact our future
12 performance. These statements -- these statements are made
13 on the basis of managements' views, estimates, projections,
14 beliefs and assumptions as of the time the statements are
15 made regarding future events and results."

16 "There can be no assurance, however, that
17 managements' expectations necessarily come to pass. Actual
18 future events and our results may differ materially from
19 those expressed in these forward-looking statements as a
20 result of a number of important factors."

21 Q And you -- did you review the advertisements that
22 Charter made in connection with this -- with this case?

23 A Yes.

24 Q In its advertisements, did Charter claim that its
25 statements about Windstream's bankruptcy being uncertain was

1 a forward-looking statement under the Securities law?

2 A No.

3 Q In its advertisements, did Charter claim that its
4 statements about uncertainty relating to Windstream were
5 subject to many variables?

6 A No.

7 Q In its advertisements, did Charter claim that actual
8 future events may differ materially from its statements
9 regarding Windstream?

10 A No.

11 Q In its advertisements, did Charter claim that its
12 statements about risk relating to Windstream themselves
13 involve a number of risks and uncertainties?

14 A No.

15 Q In its advertisements, did Charter claim that there can
16 be no assurances that its statements about Windstream will
17 necessarily come to pass?

18 A No.

19 Q If you can please refer to Page 3 of the 10-K, the same
20 exhibit.

21 A Okay.

22 Q What did the bullet points under the overview stand
23 for?

24 A Those are our four key priorities for 2019.

25 Q And what are those, what are those key priorities?

1 A Deliver consistent excellent in the customer
2 experience; achieve differentiation in the marketplace
3 through development of innovate software; continue to
4 position the company for top line growth; continue to
5 aggressively manage costs.

6 Q Were any of these Windstream's priorities for 2019
7 included in Charter's advertisements?

8 A No.

9 Q Okay. If you can please refer to Page 4, same exhibit.
10 Do you see a graph on Page 4?

11 A I do.

12 Q And what does this graph represent?

13 A Represents our net broadband ads over the prior four
14 years to 2018, and then 2018 in and of itself.

15 Q And what does the trend on the graph show?

16 A It shows negative subscriber declines on a net basis,
17 which is ads versus disconnects, through that four-year
18 period; and then in 2018, showed positive broadband growth.

19 Q And what is that positive broadband growth in 2018?

20 A 14,000.

21 Q And what drove this growth in 2018?

22 A Multiple factors. Predominantly, we launched a new
23 marketing campaign in September of 2017 around Kinetic that
24 built upon our previous four-year aggressive network
25 buildout and speed -- speed enhancements to our network for

1 our customers.

2 Q If you can please refer to Page 5, the next page. What
3 does this top graph represent?

4 A That reflects the percentage of our customer base that
5 have access to 25 megabit-per-second speeds on broadband.

6 Q And what does the trend on the graph show?

7 A Consistent growth from 1Q-17 all the way through 4Q-18.

8 Q And what does the bottom on Page 5 represent?

9 A It reflects the percentage of homes within our
10 footprint with access to which available speeds. So the
11 dark colors would represent those that have access, what
12 percentage of access to 100 mg and those that have access to
13 25 mg service.

14 Q And what does the trend on the graph show?

15 A Consistent growth in the 25 mg over a period of time
16 and significant increases in the 100 mg all the way through
17 first quarter of '19.

18 Q And are you aware of any strategies to retain and grown
19 Windstream's customer and small business customer base?

20 A Yes, I am.

21 Q What are they?

22 A Within the consumer base, we have aggressive marketing
23 campaigns, as well as retention efforts to go with our
24 existing customer, and we have attractive offers to acquire
25 new customers, specifically touting the availability of

1 these high speeds in these markets, particularly where those
2 speeds did not exist before.

3 Q Are there any other significant improvements in 2018
4 for Windstream that you're aware of that we haven't already
5 discussed?

6 A For 2018? Well, we have a number of efforts around
7 customer service. We actually made significant investments
8 into a digital portal for customer experience, mobile
9 portals for customer experience to improve the overall
10 interactions with Windstream and the ease of access to doing
11 business with us.

12 Q And were any of these positive statements regarding
13 Windstream's business mentioned in Charter's advertisements?

14 A No.

15 Q Sorry, one moment. Are you aware that Charter has
16 stated in its advertising campaign against Windstream that
17 first phase is completely over?

18 A I am aware of that statement, yes.

19 Q Do you believe that to be true?

20 A Absolutely not.

21 Q And why not?

22 A Because as recent as last week, Charter enacted upon a
23 door-to-door campaign in our markets whereby they hung door
24 hangers and flyers at our customer premises, which is in my
25 supplemental affidavit, based upon my conversation with Mr.

1 Parrish, upon calling Charter's representative that was on
2 the business card, Mr. Walker.

3 We found that he stated that their customer
4 service will be disconnected within two months; that
5 Windstream service was going away; that we had supplied
6 Charter with a list of our customers to aid in the
7 transition to Charter; and that that was a common practice
8 between companies in bankruptcy situation like ourselves and
9 our competitors to give them lists of our customers so that
10 they can more easily move our customers over. That's what
11 he claimed to Mr. Parrish.

12 MR. KINGSTON: Your Honor, Charter would move to
13 strike that portion of his answer, of the witness's answer
14 that is based on the statements about an out-of-court
15 declarants for the truth of the matter asserted.

16 MS. SIMS: Your Honor, offer of proof is that
17 hearsay evidence is routinely considered and a
18 (indiscernible) emergency relief; for example, Mullins v.
19 City of New York, 626 F.3d 47 (2nd Circuit, 2010) case. I
20 have additional cites as well.

21 MR. KINGSTON: Your Honor, we're happy to -- we're
22 happy to let -- we're happy to concede the admissibility, so
23 long as the Court -- so long as the Court gives the weight -
24 - so long as we reserve the right to argue to the Court that
25 it should give the out-of-state -- out-of-court declarants

1 statements the weight that would be accorded such
2 statements. And we would like to put on a witness to
3 address the suggestions in those out-of-court declarations.

4 THE COURT: Okay. Well, you certainly could put a
5 witness on; that's fine.

6 MR. KINGSTON: Oh, very good, Your Honor. I have
7 a live witness. I didn't have a declaration. I was
8 concerned about it.

9 THE COURT: That's fine. So I'll overrule the
10 objection.

11 MR. KINGSTON: Thank you, Judge.

12 THE COURT: So you can answer that question, if
13 you remember.

14 A Can you remind me what the last question was?

15 Q Did Mr. Parrish tell you anything else with respect to
16 his conversation with the Spectrum representative?

17 A The representative from Charter indicated to Mr.
18 Parrish that the reason we were going through bankruptcy is
19 that we had invested too much money in our network, and we
20 ran out of money and, as a result, that we were going
21 bankrupt.

22 Q And if you can please refer to your supplemental
23 declaration, Exhibit #2, which is Tab 15.

24 A You're talking about the binder you handed me?

25 Q Yes.

1 A Okay.

2 Q Tab 15 in the one that I handed you.

3 A I have it.

4 Q Okay. And do you recognize this document?

5 A Yes, I do.

6 Q And what is it?

7 A It is a voicemail message from one of our customers to
8 our voicemail line for support.

9 Q And what was this voicemail in reference to?

10 A Referencing getting letters from -- actually, got
11 letters about Windstream saying that they're in bankruptcy.
12 And today, a Spectrum guy comes knocking on the door, the
13 door-to-door campaign I referenced earlier, telling me that
14 in two months, I will -- won't have any service. I'll just
15 be cut off. And they go on to describe that they don't want
16 to switch, and they don't -- and they like their service and
17 they don't want to change.

18 Q If you can please refer to Exhibit C, as Charter's
19 Exhibit C, so it's in the Charter binder and Exhibit C.

20 A Okay.

21 Q And do you recognize this as an advertisement that Mr.
22 Kingston went over with you?

23 A Yes.

24 Q Okay. And have you reviewed this before?

25 A I have.

1 Q Do you believe that with respect to this advertisement
2 specifically in Exhibit C, that Charter has complied with
3 Windstream's request to stop making false and misleading
4 statements about Windstream?

5 A No, I don't.

6 Q And why is that?

7 A They referenced the Chapter 11 bankruptcy, and they
8 also referenced the "Goodbye Windstream." The general tenor
9 and tone of this is that Windstream's going away, "Goodbye
10 Windstream", they're leaving. And it's tied towards a
11 factual point with the Chapter 11 bankruptcy, so it creates
12 an overall tenor and toner (sic) that we're getting out of
13 business.

14 Q And are you aware of any Windstream -- sir, you can set
15 that aside. Are you aware of any Windstream customers
16 contacting Windstream because of the Spectrum
17 advertisements?

18 A Yes.

19 Q Do you know the current total number of Windstream
20 customers that have contacted Windstream regarding the
21 Spectrum advertisements?

22 A As of Saturday, we're over 200. I could give you an
23 approximate; approximate number is over 200.

24 Q And when customers have called in regarding --
25 regarding Windstream's Chapter 11, have they referred to

1 Windstream's 10-K filings?

2 A No.

3 MR. KINGSTON: Objection, best evidence.

4 THE COURT: I'm sorry. I don't understand the
5 objection.

6 MR. KINGSTON: Well, Windstream purports to have
7 transcripts of the customer calls, and those would be better
8 evidence than Mr. Langston's understanding of whatever those
9 conversations to which he wasn't a party may have been.

10 THE COURT: No, I'll overrule that objection.

11 A I'm not aware of any calls related to our 10-K in
12 relation to these 200 -- over 200 calls we received so far.

13 Q And what have customers referred to?

14 A The Charter advertisements specifically.

15 Q Okay. What have Windstream customers said some
16 examples of when they've called in regarding the Spectrum
17 advertisements?

18 MR. KINGSTON: Foundation, Judge.

19 Q Mr. Langston, have you reviewed any materials with
20 respect to customer calls?

21 A I've reviewed transcripts. I've reviewed notes from
22 the calls. I've talked to some of the operational leaders
23 that head up those organizations as well.

24 THE COURT: Are you going to ask him about what's
25 already in the record or other, other calls?

1 MS. SIMS: It's his understanding based off of
2 everything that he's reviewed with respect to the calls.

3 THE COURT: Well, did you review anything that
4 isn't already in my binders that was attached to your
5 declaration?

6 MR. LANGSTON: Other than conversations I had with
7 the operational leaders, that's the only thing outside of
8 that.

9 THE COURT: Okay. Well, I don't need to go
10 through what's already in the binders.

11 MS. SIMS: All right, Your Honor.

12 Q In your view, has Windstream suffered harm as a result
13 of Charter's advertisements?

14 A Yes.

15 Q And what kind of harm?

16 A Customer goodwill, market share, brand tarnishment.
17 You know, general overall feeling around Windstream's
18 viability in the marketplace.

19 Q What does loss of market share mean?

20 A Loss of market share would be a loss of customer base
21 from that or loss of potential customer base; people that
22 might have been considering you and decided not to based
23 upon the mailer they received.

24 Q What does -- you referred to brand tarnishment; what
25 does that mean?

1 A That's the image of your company. It's -- does your
2 brand or does your company evoke feelings of confidence that
3 you're going to be around to take care of customers, that
4 they have good feelings about how you take care of them, how
5 do they feel about the quality of service that you provide,
6 those types of things. General overall feeling about the
7 positive or negative nature of a company.

8 Q And what does loss of customer goodwill mean?

9 A Do the customers trust you; do they think that you're
10 going to be here; do they think that you're going to be here
11 in six months, a year, two years; do they think that when
12 you -- when they have a problem that they can count on you
13 answering the phone and that you're going to be there.

14 Q And how is goodwill built?

15 A Goodwill is built over years. As you can see with our
16 investments, it took us years of network investments to
17 start gaining, you know, positive broadband share. It took
18 several years of investments where we were actually losing
19 customers to start getting to a positive broadband gain. We
20 saw six months to a year of our brand campaign to be out to
21 recognize that brand awareness, so it takes quite a while.

22 Q When goodwill is harmed, do you think it can be
23 rebuilt?

24 A I think it can be rebuilt over a long period of time,
25 but it takes time to dispel the thoughts that are in the

1 consumers' heads.

2 Q And are you aware of any Windstream customers switching
3 to Spectrum because of the advertisements?

4 A Yes.

5 Q And what does losing a customer mean to Windstream?

6 A You know, people could look at it and say, what's the
7 harm in losing one customer. But, quite frankly, the
8 investment that goes into just acquiring one customer,
9 whether it be from network installation, the capital that's
10 put into the ground for the network, the work that goes to
11 actually installing the customer, the effort over a period
12 of time to create that goodwill with that one customer. So
13 losing any customers is a painful experience.

14 Q So earlier, you referred to the total number of calls
15 Windstream has received being approximately 200; is that
16 right?

17 A Yes.

18 Q Do you believe that's the cap on the total number of
19 customers that have concerns about the advertisements?

20 A Absolutely not. I believe it's the tip of the iceberg.
21 You'll find that, you know, over time, that very few
22 customers actually -- will actually call with that. They'll
23 adjust the stay and they'll store that away for future
24 action. They could not renew contracts. They could switch
25 carriers or providers. There could be customers you don't

1 have out there that would no longer consider Windstream as a
2 viable competitor or potential option based upon the
3 negative perception brought upon them.

4 So given the extend of the mailings and the number
5 of pieces that went out to our markets, I would say the
6 image and the degradation would be widespread.

7 Q Is it your understanding that Charter has represented
8 approximately 800,000 mailers went out?

9 A That's my understanding.

10 Q Do you believe that that's a fair number to then
11 compare as to the 200 number of callers who called into
12 Windstream?

13 A What do you mean it's a fair number?

14 Q Do you believe that it's fair to say that of those
15 800,000 only 200 people had concerns?

16 A Absolutely not.

17 Q And why is that?

18 MR. KINGSTON: Your Honor, I'll object to the
19 opinion testimony.

20 THE COURT: Well, it's just -- this isn't really
21 redirect at this point. I think we're just going over his
22 declarations again.

23 MS. SIMS: I'll move on, Your Honor.

24 Q Has Windstream taken any action in response to
25 Spectrum's advertising campaign?

1 A Yes. We've had to introduce updated frequently asked
2 questions into our call center reps. We've had to update
3 our materials to our sales reps. We've had to put people
4 through training regarding this issue, how to go address the
5 customer's concerns who potentially do that. We've had to
6 actually provided upgrade offers to customers that we
7 probably would not have normally upgraded in the situation
8 until it was time. And then, beyond that, we also have
9 marketing campaigns we're trying to do, just to dispel the
10 incorrect nature of these mailers.

11 Q And do you know how much that counter-advertising
12 campaign has cost Windstream?

13 MR. KINGSTON: I'll object that it's beyond the
14 scope of the cross, Judge.

15 THE COURT: It is, so I'll sustain that.

16 MS. SIMS: All right, no further questions, Your
17 Honor.

18 THE COURT: Okay.

19 MR. KINGSTON: Briefly, judge?

20 THE COURT: Sure.

21 RE-CROSS EXAMINATION OF LEWIS LANGSTON

22 BY MR. KINGSTON:

23 Q. I want to direct your attention, sir, to your
24 discussion regarding March 21st and March 26th cease and
25 desist letters.

1 A. Okay.

2 Q. Did Windstream make it easier or harder, sir, for
3 Charter to understand that it was seeking Charter to cease
4 and desist saying, goodbye Windstream, by leaving the
5 phrase, goodbye Windstream out of those letters?

6 A. I think they made it easy for Charter to understand.
7 They said stop the overall indications, and we didn't
8 reserve the right, just to what was said in the letters.

9 Q. Sir, did Charter make it easier or harder for -- excuse
10 me.

11 A. Oh, you're saying Windstream or Charter?

12 Q. I'm sorry.

13 A. Okay.

14 Q. Sir, did Windstream make it easier or harder for
15 Charter to understand that it was asking Charter to cease
16 and desist saying, goodbye Windstream, by omitting the
17 phrase, goodbye Windstream, from both its March 21st and its
18 March 26th letter?

19 MS SIMS: Objection, speculation.

20 THE COURT: Is your answer on that based on any
21 certain expertise that you have, based on your position at
22 the company or otherwise?

23 MR. LANGSTON: I have no certain expertise in that
24 area.

25 THE COURT: All right, it's just something I can

1 figure out.

2 MR. KINGSTON: Okay, thank you, Judge.

3 Q. You spoke briefly about, or you spoke about the
4 disconnects. Do you recall that, sir?

5 A. Yes.

6 Q. And you testified that it was unusual, in your
7 experience, for a cable company to work over the weekend to
8 reconnect disconnects?

9 A. I said it was unusual for a carrier or a provider to
10 disconnect customers on a Friday, knowing that it's
11 difficult for an operator to restore services over a
12 weekend.

13 Q. It's difficult, in your experience, for an operator to
14 restore services over a weekend, isn't that right?

15 A. Yes.

16 Q. All right, and you also testified that the services
17 were restored on Monday, isn't that right?

18 A. Yes.

19 Q. So, based on your testimony, Charter accomplished the
20 difficult task of restoring services over a weekend when it
21 learned of the disconnects, isn't that right, sir?

22 A. No, they didn't. They didn't restore over the weekend.
23 They didn't work on it over the weekend. They didn't
24 address the disconnects until Monday.

25 Q. Your testimony was --

1 A. I said it was difficult, not impossible.

2 Q. Your testimony, sir, was that the disconnects were
3 finally restored on Monday. Isn't that right?

4 A. They were restored on Monday. There was nothing
5 accomplished over the weekend.

6 Q. Your testimony, sir, was that the disconnects were
7 restored on Monday.

8 A. Yes.

9 Q. Your prior testimony was that you couldn't identify a
10 single customer that Windstream lost because of those
11 disconnects.

12 A. That I know of, yes.

13 Q. And your testimony was that it was difficult for cable
14 companies to work over the weekend to restore disconnects.

15 A. I didn't say cable companies. I said any
16 telecommunications or provider.

17 Q. I beg your pardon. It's difficult for
18 telecommunications providers to work over the weekend to
19 restore service.

20 A. I said it was difficult. They're usually staffed
21 operationally light.

22 Q. So, something that Charter would have to do to restore
23 service over the weekend could include calling in additional
24 staff. Isn't that right?

25 A. Or repurpose the existing staff that's there.

1 Q. So Charter could call in additional staff, it could
2 repurpose existing staff in an effort to connect
3 Windstream's customers over the weekend. That's something
4 that could have happened.

5 A. That could have happened.

6 Q. And in fact, they were reconnected on Monday. Isn't
7 that right?

8 A. They were reconnected on Monday.

9 Q. Okay.

10 MR. KINGSTON: I will very briefly touch on the
11 10-K, Your Honor. My impression is that -- you understand
12 my point?

13 THE COURT: Okay.

14 Q. Mr. Langston, I read Page 22 of the 10-K.

15 A. Is this the actual 22, or is this the page number at
16 the top of the page?

17 Q. Oh, thank you, that's a useful question. It's Page 27
18 out of 214. Do you see that, sir?

19 A. I'm getting there. Okay.

20 Q. And I read the second sentence in the first paragraph
21 under the bold as follows: There can be no assurance that
22 we will be able to confirm a plan of reorganization that
23 will permit us to emerge from bankruptcy and continue
24 operations. Have I read that correctly?

25 A. Yes.

1 Q. And that's a true statement, sir, isn't it?

2 A. That is a true statement.

3 Q. It's a true statement that was certified as such by
4 your president --

5 A. Yes.

6 Q. -- by the president of your company, sir.

7 A. Yeah, I'm the president of our company, yeah.

8 Q. I direct your attention to Windstream's motion for a
9 temporary restraining order, Paragraph 42.

10 A. Where are you now?

11 Q. I think that it's Tab 2 in the pleadings binder, and
12 I'm happy to assist with the Court's permission.

13 THE COURT: I think he has it.

14 MR. KINGSTON: Very good.

15 A. Okay, which page?

16 Q. Page 26, Paragraph 42. You see a discussion as to why
17 Charter's advertisements are, in Windstream's view, false on
18 their face?

19 A. Yes.

20 Q. All right. And do you see the second sentence in
21 Paragraph 42 contains Windstream's explanation as to why
22 Charter's advertisements are false on their face?

23 A. Yes.

24 Q. And Windstream says, this is false, as there is no
25 meaningful chance that Windstream will be forced to

1 liquidate or discontinue services. Have I read that
2 correctly?

3 A. Yeah.

4 Q. Is it your view that Windstream's Form 10-K should be
5 amended to alert potential investors that there is really no
6 meaningful chance that Windstream will be forced to
7 liquidate or discontinue services?

8 A. I'm not in a position to --

9 Q. You understand that Windstream's 10-K --

10 A. I'm not a lawyer. I can't really comment upon the law
11 related around the Securities and --

12 Q. You understand that Windstream's 10-K makes certain
13 representations to people?

14 A. I think it represents potential things that could or
15 could not happen.

16 Q. And one of the things that Windstream's 10-K represents
17 could happen is that the reorganization plan could not be
18 approved, and Windstream could be forced to liquidate.
19 Isn't that right?

20 MS. SIMS: Speculation and foundation as to this
21 witness.

22 THE COURT: I'm sorry, I didn't follow that.

23 MS. SIMS: Speculation --

24 THE COURT: He just asked him what it said.

25 A. I think, based on the statement in the pleading, we're

1 saying there is no meaningful chance. That's not a Form 10-
2 K. We don't believe there to be a meaningful chance that
3 we're going to do that. We had no plans to liquidate. We
4 had no plans to discontinue services. In fact, in the 10-K
5 further than that, we indicate further investments to grow
6 our customer base and invest in more products and services.
7 It indicates a very positive future.

8 Q. Mr. Langston, if you owned Windstream stock and you
9 were considering selling it, wouldn't you want to know that
10 there is no meaningful chance that Windstream will be forced
11 to liquidate and discontinue services, given the
12 representations to the contrary in the 10-K?

13 MS. SIMS: Speculative.

14 THE COURT: I'll sustain that.

15 MR. KINGSTON: I have nothing further, Judge.

16 THE COURT: Okay.

17 MS. SIMS: No further questions, Your Honor.

18 THE COURT: Okay, you can step down, sir.

19 MR. LANGSTON: Thank you.

20 MR. ROSS: Your Honor, I understand the
21 declaration, the supplemental declaration, and all exhibits
22 attached thereto are in evidence.

23 THE COURT: Yes.

24 MR. ROSS: Therefore, we would close our direct
25 case.

1 THE COURT: Okay.

2 MR. LANGSTON: Your Honor, what do you want me to
3 do?

4 THE COURT: Leave them there for now.

5 MR. LANGSTON: Okay, (indiscernible).

6 THE COURT: Okay.

7 MR. KINGSTON: Your Honor, Charter calls Keith
8 Dardis.

9 THE COURT: Okay.

10 MR. KINGSTON: Your Honor, I'm happy to use the
11 podium or stand here, whatever the Court's preference.

12 THE COURT: That's fine.

13 MR. KINGSTON: Okay, thank you.

14 THE COURT: Would you raise your right hand,
15 please? Do you swear or affirm to tell the truth, the whole
16 truth, and nothing but the truth, so help you God?

17 MR. DARDIS: I do.

18 THE COURT: And could you spell your name for --
19 you can put your hand down. Could you spell your name for
20 the record?

21 MR. DARDIS: Sure, K-E-I-T-H, D-A-R-D-I-S.

22 THE COURT: D-I-S?

23 MR. DARDIS: D-I-S, correct.

24 THE COURT: Okay. Okay, you can go ahead.

25 DIRECT EXAMINATION OF KEITH DARDIS

1 BY MR. KINGSTON:

2 Q. Thank you, Judge. Mr. Dardis, where do you work?

3 A. I'm in Stanford, Connecticut.

4 Q. And who do you work for?

5 A. I work for Charter.

6 Q. And what is your position at Charter?

7 A. I run direct sales for both residential and SMB.

8 Q. Okay, and what are direct sales?

9 A. Direct sales are the reps that would go door-to-door,
10 knock on the door and just sell cable services, and they
11 would do the same on the SMB side of the house, which is
12 small and medium sized businesses.

13 THE COURT: I'm sorry, they would do the same for?

14 MR. DARDIS: A small to medium sized business,
15 small businesses.

16 Q. And so, does Charter have direct sale representatives,
17 then?

18 A. We do.

19 Q. How many direct sales representatives does Charter
20 have?

21 A. On the residential side, I have 3,500 direct sales
22 reps; on SMB, I have 1,500.

23 Q. Are any of those 3,500 direct sales representatives
24 responsible for setting Charter's policy with respect to
25 advertisements?

1 A. They are not.

2 Q. Are those direct sales reps paid, in part, by
3 commission?

4 A. They are.

5 Q. I want to take a step back, sir, and discuss whether or
6 not Charter's direct sales representatives coordinate with
7 other units in Charter. Can we do that, sir?

8 THE COURT: Sure.

9 Q. Do Charter's -- you're responsible for the direct sales
10 arm or unit at Charter?

11 A. Correct.

12 Q. Okay. Does the direct sales unit at Charter coordinate
13 with the mail marketing unit?

14 A. No, they do not.

15 Q. I've heard a term bounced around during the course of
16 this -- during the limited course of this litigation called
17 collateral.

18 A. Yes.

19 Q. Can you explain to the Court what collateral is?

20 A. Collateral? It's just something like a direct-mail
21 piece or a door hanger or something that you would leave
22 behind with a customer to typically depict what your
23 products are.

24 Q. All right, Mr. Dardis, one of the binders in front of
25 you I believe is labeled pleadings. Your Honor, I think I

1 can make this move faster if I can approach.

2 THE COURT: Okay.

3 Q. Mr. Dardis, I'm showing you a multipage document, or a
4 21-page document that is Exhibit 3 to Mr. Langston's
5 declaration. Do you see that, sir?

6 A. I do.

7 Q. And for the Court's convenience, I'll represent that
8 those are the direct-mailing pieces that were attached to
9 Mr. Langston's affidavit in support of the motion for a
10 temporary restraining order. Mr. Dardis, is that
11 collateral?

12 A. No, this is not -- well, it is collateral in terms of
13 Charter. It's not something my direct salespeople would
14 use.

15 Q. All right, and that was my question, sir. In the
16 ordinary course, are Charter's direct sales representatives
17 permitted to use the kind of documents that are attached as
18 Exhibit 3 to Mr. Langston's affidavit?

19 A. They are not.

20 Q. So if a direct sales representative was using the kind
21 of document that is attached as Exhibit 3 to Mr. Langston's
22 declaration, that direct sales representative would be
23 acting contrary to Charter's policy. Is that right?

24 A. That's correct.

25 Q. Does Charter's direct sales unit coordinate with the

1 collections unit?

2 A. They do not.

3 Q. Does Charter's collections unit coordinate with its
4 mail marketing unit?

5 A. Not that I'm aware of. Neither one report to me.

6 Q. Is there, in your view, any possibly of Charter's mail
7 marketing unit and its collection unit and its direct sales
8 representative unit all conspiring to create the appearance
9 of uncertainty with respect to Windstream's bankruptcy?

10 A. No.

11 Q. That's not a thing that could happen?

12 A. No, I don't believe so.

13 Q. Have any direct sales representatives been instructed
14 to distribute the documents that are attached as Exhibit 3
15 to Mr. Langston's affidavit?

16 A. Have they been directed to distribute this, direct
17 sales?

18 Q. Yes.

19 A. No.

20 Q. That's not a thing that Charter's direct sales
21 representatives have been instructed to distribute?

22 A. Absolutely not.

23 Q. Have any of Charter's direct sales representatives been
24 instructed to say that Windstream is shortly going to be
25 going out of business?

1 A. No, they have not.

2 Q. That's not a thing that Charter's direct sales
3 representatives have been instructed to say?

4 A. That is correct.

5 Q. Have Charter's direct sales representatives been given
6 any instructions with respect to representations to make
7 about Windstream, related to its bankruptcy?

8 A. Yes, I sent an email out, basically, that stated that,
9 yes, Windstream is in bankruptcy, but no, we should not be
10 saying anything in regards to them liquidating or not being
11 able to service their customers.

12 MR. KINGSTON: I pass the witness, Your Honor.

13 THE COURT: Okay.

14 CROSS-EXAMINATION OF KEITH DARDIS

15 BY MR. ROSS:

16 Q. Mr. Dardis, when did you first discuss the possibility
17 of testifying today with your counsel?

18 A. I don't know, actually. We met for the first time this
19 morning. We spoke a couple times prior to that, end of last
20 week, I think Friday.

21 Q. But no one asked you to put a declaration in
22 (indiscernible) notice to the other side as to what you were
23 testifying about. Is that right?

24 A. Correct.

25 Q. Okay. Now, when did this email that you don't have

1 with you -- you don't have it with you, do you?

2 A. I don't know if we have it in the exhibit or not, but
3 it was sent out on Thursday of last week.

4 Q. Sent out on Thursday.

5 A. That's correct.

6 Q. So after your door-to-door people were already telling
7 customers of Windstream that Windstream was going to go out
8 of business in two months.

9 A. I don't have any knowledge of my door-to-door people
10 going out and telling people that Windstream is going out of
11 business in two months.

12 Q. But you felt it necessary Thursday to send out an email
13 to that effect, right?

14 A. I received a email from one of our Counsels, basically
15 saying that there was a TRO that was being implemented
16 against Charter, and that I decided to reinforce that we
17 should not be sending anything and we should not be saying
18 anything inappropriate to our customers.

19 Q. Reinforce makes it sound as if you had previously
20 instructed them to that effect. Had you?

21 A. No, I had not.

22 Q. Okay, so it wasn't reinforcement. You had heard your
23 people were doing this door-to-door, and you were trying to
24 get them to stop. Isn't that the truth?

25 A. I had not heard our people were doing it. I received

1 an email suggesting, from Windstream, that this occurred in
2 one instance.

3 Q. Well, if one of your door-to-door people had said to a
4 Windstream customer, either on the telephone or in person,
5 that Windstream was going out of business in two months, you
6 have to transfer your service, that would be a lie. Isn't
7 that correct?

8 A. That would be something we would instruct them not to
9 do in the direct sales side.

10 Q. Because it would be a lie, isn't that right?

11 A. I don't know if it's a lie or not, to be honest, but
12 it's not what we would instruct them to do.

13 Q. Can you represent to this Court that no Charter
14 employee has ever said to a Windstream customer, on phone or
15 in person, that Windstream is going out of business in two
16 months, you've got to transfer your service? Can you make
17 that representation here?

18 A. I can't. There's 3,500 of them. I cannot do that.

19 Q. Okay. Now, you're aware that this -- you were here for
20 the entirety of the testimony --

21 A. I was.

22 Q. Yeah, thank you. You've heard this testimony about
23 this 10-K, right?

24 A. I have.

25 Q. And you know that that 10-K was filed on Friday

1 afternoon, March 15, 2019, correct?

2 A. I was not aware of that.

3 Q. Did you read it at any time?

4 A. The 10-K, Windstream's?

5 Q. Yeah. Yeah.

6 A. No.

7 Q. When was the decision made to mail out the original
8 advertisement direct-mail piece?

9 MR. KINGSTON: Objection, foundation.

10 Q. Well, you're in charge of direct marketing, aren't you?

11 A. I am not.

12 Q. Oh, I'm sorry. I thought that was the first thing you
13 said.

14 A. No, I'm direct sales. I have the responsibility for
15 the salespeople that knock on the doors to sell services. I
16 do not have responsibility for direct mail.

17 Q. Okay, so are you saying -- are you able to say that
18 there was anyone at Charter who read the Windstream 10-K
19 before they made the decision to send out those first
20 advertisements?

21 A. I would have no idea. No, I'm not aware of anything.
22 I wouldn't know, though.

23 Q. So you're unaware of any Charter employee sitting down
24 on March 15th, reading that Windstream 10-K, and going, aha,
25 we should do a direct mail piece. You're not aware of that,

1 are you?

2 A. No, it's not my responsibility.

3 Q. The fact of the matter is that this whole defense of a
4 10-K, (indiscernible) on 10-K is just a post hoc
5 rationalization by the lawyers to cover up the false
6 advertising by Charter. Isn't that right?

7 MR. KINGSTON: I'll object to the question. He's
8 a little bit argumentative, Judge.

9 THE COURT: No, you can answer it.

10 A. Again, I wouldn't be aware. I don't have
11 responsibility for that, unfortunately.

12 Q. Did you review any of the direct-mail pieces before
13 they went out?

14 A. Before they went out?

15 Q. Before they went out?

16 A. No. No.

17 Q. Have you reviewed them since they went out?

18 A. Yeah, I have a copy of them here, yes.

19 Q. Well, other than just looking at them in this incident,
20 I actually --

21 A. I've seen them before.

22 Q. Okay, I'm not going to ask you something about what you
23 just saw. Let me get you to look at what -- Your Honor,
24 I'm going to need to, with your permission, approach the
25 witness and see if he's got the same book I've got --

1 THE COURT: Okay.

2 MR. ROSS: So that we're talking apples to apples.

3 THE COURT: That's fine.

4 Q. This is it.

5 A. That's it.

6 THE COURT: Can you just identify what you've
7 pointed him to?

8 MR. ROSS: Yes, Your Honor, so in that part
9 (indiscernible).

10 THE COURT: No, no, the document that you're
11 pointing him to.

12 Q. Oh. I'd like to point you to, in the booklet you now
13 have, what is behind Tab 2, and which for the record was the
14 exhibit -- I'm sorry, behind Tab 3 -- which was Exhibit 2 to
15 the original Langston declaration. And this is the envelope
16 in which the first mailer arrived at Windstream customers'
17 doorsteps. And I want to call your attention to this color
18 scheme that was used on the envelope, which you see there on
19 the bottom. Had Spectrum ever used that color scheme, to
20 your knowledge, in any of its prior advertisements or
21 mailings?

22 A. I honestly wouldn't know.

23 Q. Okay. There's no return address on this envelope, is
24 there?

25 A. Doesn't appear to be on this.

1 Q. There's nothing that indicates it's from Spectrum on
2 the face of the envelope, is there?

3 A. Doesn't appear to be.

4 Q. Matter of fact, it says it's for Windstream customers,
5 right?

6 A. Important information enclosed for Windstream
7 customers, yes.

8 Q. So, and this was purposely designed to give the
9 impression that this was something that was coming from
10 Windstream, by using Windstream's colors and its trademark,
11 right?

12 MR. KINGSTON: Objection, foundation.

13 THE COURT: Yeah, he's testified that he doesn't
14 have anything to do with direct mailing. He just supervises
15 the guys that go -- and gals -- that go to the people's
16 houses and to the small businesses.

17 Q. All right, so you had nothing to do with any aspect of
18 this mailer or the mailer that's proposed to occur later
19 this week?

20 A. That's correct.

21 MR. ROSS: Okay, thank you, Your Honor.

22 THE COURT: Okay.

23 MR. ROSS: That's all.

24 THE COURT: So, can I just make sure I understand
25 this, Mr. Dardis? When Spectrum/Charter has an ad campaign,

1 a mailing ad campaign that goes to people, neither you nor
2 the door-to-door salesmen are aware of it?

3 MR. DARDIN: Yeah, it's a completely separate
4 division. It's our market --

5 THE COURT: So it's completely uncoordinated?

6 MR. DARDIN: Completely uncoordinated. We would
7 not know.

8 THE COURT: So, conceivably, the (indiscernible)
9 could be saying something completely different than what
10 your salesmen are saying to the --

11 MR. DARDIN: Absolutely. We try to coordinate our
12 pricing and our offer efforts so we're talking the same
13 language in terms of what we offer, but I have no idea when
14 a mailing is going out or what it says.

15 THE COURT: Okay.

16 MR. DARDIN: Nor do my direct salespeople,
17 obviously.

18 THE COURT: Okay, thanks. Any redirect?

19 MR. KINGSTON: No, Your Honor.

20 THE COURT: Okay, you can step down. Okay,
21 anything else?

22 MR. KINGSTON: I just wanted to make sure, Your
23 Honor, that I offered in Exhibits A, B, C, D, G, H, I, and
24 J.

25 THE COURT: Right. Yes, those were --

Steve –

As we know, today they filed for bankruptcy. If the meeting continues, the message is – we need them to bring their account current to avoid further actions taken (internally that means – potentially holding orders, not taking new orders – which is counterintuitive to why you are going).

If they need a contact to reach out to for billing information:

MaryAnn Marrero
704.206.5554

Or they can contact me and I can connect them appropriately to the Finance team.

Thanks,

Subject: RE: Past Due Balances - Windstream

MB-

Adam Sheiner are travelling to Rochester next week to meet with Mark Jeary (SVP Access Management and Vendor Relations) and our other key contacts at Windstream. We meet with them on Wednesday morning. Is there any message you need us to carry forward regarding the aged balance?

Thanks.

Steve

All –

Per the below, I spoke with Wendy Hayes this morning and followed up with the aging report which she asked for. She is aware we need payment next immediately and that I will be following up with her next Tuesday if no payment or update has been received.

I will keep you posted.

Thanks,

mbm

Wendy –

Thank you for taking my call this morning. Attached is the aging report which we have been discussing with Jennifer Edwards and Karla Roughton. As of this morning, we show \$1,671,661.72 past due greater than 90 days. Please review and advise when we can expect to receive payment for this amount and an additional payment to bring the account current.

We will need this information by Tuesday, February 26, 2019 to prevent taking further actions.

If you have any questions, please let me know and I can bring the appropriate resources within our Billing team to a call to discuss.

Thanks,

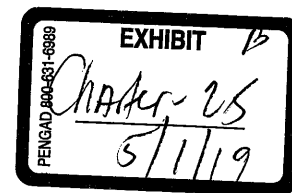

Marybeth

Good afternoon Cary,

All Non-pays have been cancelled minus the three below due to a rights error. When going through the accounts, I did not find any to be set up incorrectly. Without being able to log into the National biller I can't speak to that piece so it would be best to have a billing contact look into that portion for an understanding as to what transpired. I have listed the National account number below for you as well. Please let us know if anything additional is needed.

Matt, Clifton, and Lauren,

Windstream has returned the below list of accounts impacted by the non-pay. Would you please investigate?

Lauren, I know you're investigating Account 8150230010378929, but I believe these are TWC sites. I don't want to obligate you without your consent.

We have a customer down as a result of a non-payment on a TimeWarner circuit resold through hBVN/WIN identified as 718836AABL within hBVN. The TWC circuit/account is 8150230010378929. It appears these are beginning to stream in for other customers too. At least one of which was told by TWC that we owe \$262K. We're gathering up our customer-reported tickets now to consolidate communication around this as I know our team is actively coming to your group for these.

Hi Scott,

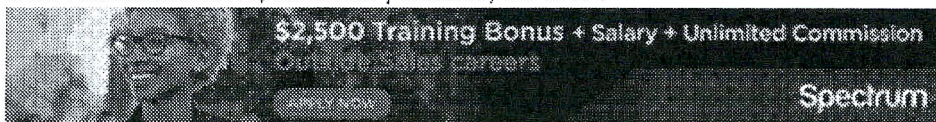

Attached are notes from the conversations with Emmitt Walker and Rebecca Root. Below is a summary:

- Scott Collins, Jerry Hawthorne and Jean Chewning were notified of a DSR (Emmitt Walker) attaching his business card to a flyer referencing Windstream
- DSR received a phone call from a customer and had a conversation where he (DSR) made statements regarding Windstream's bankruptcy
- Scott Collins, Jerry Hawthorne and Jean Chewning spoke with DSR who stated:
 - A customer gave Emmitt Walker and another DSR (Rebecca Root) a flyer that she had received in the mail from Charter
 - Feeling that the flyer was approved by Charter, Emmitt and Rebecca made some copies and gave flyers to two customers with DSR Emmitt Walker's business card attached
 - Emmitt Walker stated that he didn't know that he was doing anything wrong and since an approved flyer was being sent to potential customers in his assigned turf, thought he was allowed to use the flyer
 - The flyer altered by Emmitt Walker was a channel lineup see attached exhibit 1 pg. 4

Thank you,
Brenda

All,

It has been brought to my attention that we may have reps making inappropriate, inaccurate and/or disparaging claims about Windstream. As you may already be aware, Windstream has filed suit against Charter accusing us of telling their customers that they will likely lost their service as a result of their recent Chapter 11 filing. This is a sensitive topic and should be handled carefully.

Simply put: yes – they are in Chapter 11 bankruptcy, no – we cannot tell prospects they are going to lose service.

Please make sure your teams are aware ASAP.

LMK if you have questions.

Thanks,
SN

Conversation with Rebecca Root
Rebecca Root, Jerry Hawthorne, Jean Chewning
4/12/19

Jean: Have you seen this flyer before?

Rebecca: Sandra Ley (349 Ashford Dr, Elyria) gave it to me. I sold her on Friday. She called me on Monday and said she had gold for me. I asked her what it was. She said she had a flyer that Windstream sent out and she would give it to me. I told her I was off but would stop by the next day to pick it up. Emmitt and I went there and I saw the flyer and sent an email to Jay. I saw that it was a Spectrum mailer. It's my understanding that nothing is sent out unless it's pre-approved. I thought it was ok so we made some copies and told Jay. We only gave out 2 flyers. Emmitt wouldn't have had this if it wasn't for me. We haven't given any out for a week. I saw a list with different company names on it.

Jean: What was that list?

Rebecca: I just thought it was a list of companies who would take Windstream's customers.

Jean: Do you have that list?

Rebecca: No and I just thought they had probably built their network and was having trouble paying for it.

Jean: You didn't get that information here; from us?

Rebecca: No.

Jean: Jerry?

Jerry: You know that you aren't to give out any literature and not to give out anything that we haven't told you is appropriate to leave behind. You are only to talk to customers about Spectrum.

 DEBTORS' INTERROGATORIES TO DEFENDANTS**

Pursuant to Rules 26 and 33 of the Federal Rules of Civil Procedure and Rules 7026, 7033, and 9014 of the Federal Rules of Bankruptcy Procedure, Defendants Charter Communications, Inc. and Charter Communications Operating, LLC (Charter) hereby submit the following objections and responses to Debtors' Interrogatories.

PRELIMINARY STATEMENT

Charter bases its responses only on such information and documentation that is presently available to Charter and discloses only the information and contentions presently known to Charter. Charter reserves the right to amend these responses, and to offer related evidence, as Charter ascertains additional facts and contentions.

OBJECTIONS TO DEFINITIONS AND INSTRUCTIONS

Charter objects to each instruction, definition, and Interrogatory to the extent that it purports to impose any requirement or discovery obligation beyond or different than those imposed under the Federal Rules of Civil Procedure and Bankruptcy Procedure, the Local Rules of this Court, or other applicable law.

RESPONSES AND OBJECTIONS TO INTERROGATORIES

1. State all facts, including but not limited to, the identity of all Persons and Documents, that You contend support Your averment in Paragraph 1 of Defendants' Affirmative Defenses, that "Windstream has failed to state a claim under any of the Counts, because Windstream failed to allege, which, if any, of the 205 affiliated debtors were damaged and how each of the affiliated debtors were damaged by Charter's alleged actions."

RESPONSE: Charter objects to this Interrogatory as overly broad, unduly burdensome, and not proportional to the needs of the case, considering the importance of the issues at stake, the amount in controversy, the parties' relative access to relevant information, the parties' resources, the importance of the discovery in resolving the issues, and whether the burden or expense of the proposed discovery outweighs its likely benefit. *See Ritchie Risk-Linked Strategies Trading (Ireland), Ltd. v. Coventry First LLC*, 273 F.R.D. 367 (S.D.N.Y. 2010) (seeking every fact, every piece of evidence, every witness, and every application of law to fact through an interrogatory is

overly broad and unduly burdensome). Charter objects to this Interrogatory to the extent it seeks to impose duties, obligations, or responsibilities on Charter in excess of those permitted or required under the Federal Rules of Civil Procedure, local rules, and any Court Order. This Interrogatory improperly demands that Charter state/identify “all” supporting facts, persons, and documents and thus calls for an improper narrative response. *See Pasternak v. Dow Kim*, 2011 WL 4552389 (S.D.N.Y. Sept. 28, 2011) (acknowledging that contention interrogatories have been stricken when they seek to elicit a detailed narrative by requiring the other party to describe “all facts” that supported various allegations). To the extent Charter provides a response, it is not meant to be exhaustive and shall not preclude Charter’s right to rely on additional facts, information, persons, or documents in support in the future. Charter expressly reserves its right to supplement this Interrogatory under the Federal Rules of Civil Procedure. Charter objects to this Interrogatory to the extent that the burden of deriving specific information regarding individual documents is substantially the same for Windstream as it is for Charter. Charter has produced over 50,000 pages of documents in response to Windstream’s discovery in this litigation, while Windstream has produced less than 3,000. Charter further objects to this Interrogatory as seeking a legal conclusion and/or information that is the subject of expert opinion. Charter shall disclose all expert opinions in accordance with the expert disclosure deadlines set by the Court in this litigation. Charter also objects to this Interrogatory as premature because it requires Charter to specifically identify and state all supporting facts, persons, and documents prior to the close of expert discovery and long before the deadline for dispositive motions and Charter’s pre-trial obligations (e.g., the exchange of witness and exhibit lists). Charter also objects to this Interrogatory as seeking information that is not in Charter’s possession, custody, or control due to Windstream’s refusal to provide necessary information in

response to Charter's discovery in this litigation. Charter objects to this interrogatory to the extent it seeks information protected by the attorney-client privilege, attorney work-product doctrine, or any other applicable privilege or doctrine under the law.

Subject to and without waiving the foregoing objections, Charter directs Debtors to Debtors' allegations in this action, which fail to allege which, if any, of the 205 affiliated debtors were damaged and how each of the affiliated debtors were damaged by Charter's alleged actions.

2. State all facts, including but not limited to, the identity of all Persons and Documents, that You contend support Your averment in Paragraph 2 of Defendants' Affirmative Defenses, that "Windstream cannot prevail on its claims against Charter in that Charter acted in good faith and in conformity with and in reliance upon all applicable laws, rules, and regulations and was privileged in its actions." In particular, but without limiting the foregoing, identify "all applicable laws, rules, and regulations" and/or "privileges" that Charter relies upon in asserting this Affirmative Defense.

RESPONSE: Charter objects to this Interrogatory as overly broad, unduly burdensome, and not proportional to the needs of the case, considering the importance of the issues at stake, the amount in controversy, the parties' relative access to relevant information, the parties' resources, the importance of the discovery in resolving the issues, and whether the burden or expense of the proposed discovery outweighs its likely benefit. *See Ritchie Risk-Linked Strategies Trading (Ireland), Ltd. v. Coventry First LLC*, 273 F.R.D. 367 (S.D.N.Y. 2010) (seeking every fact, every piece of evidence, every witness, and every application of law to fact through an interrogatory is overly broad and unduly burdensome). Charter objects to this Interrogatory to the extent it seeks to impose duties, obligations, or responsibilities on Charter in excess of those permitted or required under the Federal Rules of Civil Procedure, local rules, and any Court Order. This

Interrogatory improperly demands that Charter state/identify “all” supporting facts, persons, and documents and thus calls for an improper narrative response. *See Pasternak v. Dow Kim*, 2011 WL 4552389 (S.D.N.Y. Charter expressly reserves its right to supplement this Interrogatory under the Federal Rules of Civil Procedure. Charter objects to this Interrogatory to the extent that the burden of deriving specific information regarding individual documents is substantially the same for Windstream as it is for Charter. Charter also objects to this Interrogatory as seeking information that is not in Charter’s possession, custody, or control due to Windstream’s refusal to provide necessary information in response to Charter’s discovery in this litigation. Charter objects to this interrogatory to the extent it seeks information protected by the attorney-client privilege, attorney work-product doctrine, or any other applicable privilege or doctrine under the law.

Subject to and without waiving the foregoing objections, Charter states that all alleged statements made by Charter related to Windstream are not actionable under the Lanham Act (15 U.S.C. § 1125) or any of the state unfair competition claims asserted by Windstream (O.C.G.A. § 10-1-370, *et. seq.*; N.C. Gen. Stat. § 75-1.1, *et. seq.*; and Neb. Rev. Stat. § 87-302, *et. seq.*). Moreover, Charter did not authorize any alleged statements made by Charter's employees, agents, or representatives related to Windstream's bankruptcy, beyond Charter's March 2019 direct mailer. Individuals likely to have information in support include, but are not necessarily limited to, Kelly Atkinson, Alison Novasel, Matt Bury, Peter Maguire, Keith Dardis, Jennifer Smith, Chris Czekaj, Latisha Truong, Emmitt Walker, and Andrew Sites. Answering further, Charter refers Windstream to the deposition testimony and exhibits referenced in Charter's corporate representative depositions in May and September of 2019.

3. State all facts, including but not limited to, the identity of all Persons and Documents, that You contend support Your averment in Paragraph 3 of Defendants' Affirmative Defenses, that "Windstream cannot prevail on its claims against Charter because Charter did not act with negligence, malice, actual malice, or willful intent to injure in communications with any other person or entity."

RESPONSE: Charter objects to this Interrogatory as overly broad, unduly burdensome, and not proportional to the needs of the case, considering the importance of the issues at stake, the amount in controversy, the parties' relative access to relevant information, the parties' resources, the importance of the discovery in resolving the issues, and whether the burden or expense of the proposed discovery outweighs its likely benefit. *See Ritchie Risk-Linked Strategies Trading (Ireland), Ltd. v. Coventry First LLC*, 273 F.R.D. 367 (S.D.N.Y. 2010) (seeking every fact, every piece of evidence, every witness, and every application of law to fact through an interrogatory is

overly broad and unduly burdensome). Charter objects to this Interrogatory to the extent it seeks to impose duties, obligations, or responsibilities on Charter in excess of those permitted or required under the Federal Rules of Civil Procedure, local rules, and any Court Order. This Interrogatory improperly demands that Charter state/identify “all” supporting facts, persons, and documents and thus calls for an improper narrative response. *See Pasternak v. Dow Kim*, 2011 WL 4552389 (S.D.N.Y. Sept. 28, 2011) (acknowledging that contention interrogatories have been stricken when they seek to elicit a detailed narrative by requiring the other party to describe “all facts” that supported various allegations). To the extent Charter provides a response, it is not meant to be exhaustive and shall not preclude Charter’s right to rely on additional facts, information, persons, or documents in support in the future. Charter expressly reserves its right to supplement this Interrogatory under the Federal Rules of Civil Procedure. Charter objects to this Interrogatory to the extent that the burden of deriving specific information regarding individual documents is substantially the same for Windstream as it is for Charter. Charter has produced over 50,000 pages of documents in response to Windstream’s discovery in this litigation, while Windstream has produced less than 3,000. Charter further objects to this Interrogatory as seeking a legal conclusion and/or information that is the subject of expert opinion. Charter shall disclose all expert opinions in accordance with the expert disclosure deadlines set by the Court in this litigation. Charter also objects to this Interrogatory as premature because it requires Charter to specifically identify and state all supporting facts, persons, and documents prior to the close of expert discovery and long before the deadline for dispositive motions and Charter’s pre-trial obligations (e.g., the exchange of witness and exhibit lists). Charter also objects to this Interrogatory as seeking information that is not in Charter’s possession, custody, or control due to Windstream’s refusal to provide necessary information in

response to Charter's discovery in this litigation. Charter objects to this interrogatory to the extent it seeks information protected by the attorney-client privilege, attorney work-product doctrine, or any other applicable privilege or doctrine under the law.

Subject to and without waiving the foregoing objections, Charter's alleged actions constitute lawful competition and any harm suffered by Windstream, if any, was a natural result of such lawful competition. Charter's practices were consistent with industry standard. Charter believed in the truth of all statements in the challenged advertising. Charter took good faith steps to prevent its employees from making misstatements related to Windstream. *See also* Charter's disclosures of witness and documents pursuant to Fed. R. Civ. Pro. 26(a), all exhibits to Charter's Corporate Representative Depositions, and ONE TOUCH INTELLIGENCE, *Windstream sends up white flag, files Chapter 11 bankruptcy*, Charter_000836-38; ONE TOUCH INTELLIGENCE, *COMPETITIVE ALERT: Embattled Windstream declares Chapter 11 bankruptcy*, Charter_009422. Individuals likely to have information in support include, but are not necessarily limited to, Kelly Atkinson, Alison Novasel, Matt Bury, Peter Maguire, Keith Dardis, Jennifer Smith, Chris Czekaj, Latisha Truong, Emmitt Walker, and Andrew Sites. Answering further, Charter refers Windstream to the deposition testimony and exhibits referenced in Charter's corporate representative depositions in May and September of 2019.

4. State all facts, including but not limited to, the identity of all Persons and Documents, that You contend support Your averment in Paragraph 4 of Defendants' Affirmative Defenses, that "Charter's alleged statements and actions did not harm Windstream's goodwill or reputation or mislead consumers because Windstream sent letters to its customers disclosing its bankruptcy, and the bankruptcy was otherwise a matter of public record."

RESPONSE: Charter objects to this Interrogatory as overly broad, unduly burdensome, and not proportional to the needs of the case, considering the importance of the issues at stake, the amount in controversy, the parties' relative access to relevant information, the parties' resources, the importance of the discovery in resolving the issues, and whether the burden or expense of the proposed discovery outweighs its likely benefit. *See Ritchie Risk-Linked Strategies Trading (Ireland), Ltd. v. Coventry First LLC*, 273 F.R.D. 367 (S.D.N.Y. 2010) (seeking every fact, every piece of evidence, every witness, and every application of law to fact through an interrogatory is overly broad and unduly burdensome). Charter objects to this Interrogatory to the extent it seeks to impose duties, obligations, or responsibilities on Charter in excess of those permitted or required under the Federal Rules of Civil Procedure, local rules, and any Court Order. This Interrogatory improperly demands that Charter state/identify "all" supporting facts, persons, and documents and thus calls for an improper narrative response. *See Pasternak v. Dow Kim*, 2011 WL 4552389 (S.D.N.Y. Sept. 28, 2011) (acknowledging that contention interrogatories have been stricken when they seek to elicit a detailed narrative by requiring the other party to describe "all facts" that supported various allegations). To the extent Charter provides a response, it is not meant to be exhaustive and shall not preclude Charter's right to rely on additional facts, information, persons, or documents in support in the future. Charter expressly reserves its right to supplement this Interrogatory under the Federal Rules of Civil Procedure. Charter objects to this Interrogatory to the extent that the burden of deriving specific information regarding individual documents is substantially the same for Windstream as it is for Charter. Charter has produced over 50,000 pages of documents in response to Windstream's discovery in this litigation, while Windstream has produced less than 3,000. Charter further objects to this Interrogatory as seeking a legal conclusion and/or information that is the subject of expert

opinion. Charter shall disclose all expert opinions in accordance with the expert disclosure deadlines set by the Court in this litigation. Charter also objects to this Interrogatory as premature because it requires Charter to specifically identify and state all supporting facts, persons, and documents prior to the close of expert discovery and long before the deadline for dispositive motions and Charter's pre-trial obligations (e.g., the exchange of witness and exhibit lists). Charter also objects to this Interrogatory as seeking information that is not in Charter's possession, custody, or control due to Windstream's refusal to provide necessary information in response to Charter's discovery in this litigation. Charter objects to this interrogatory to the extent it seeks information protected by the attorney-client privilege, attorney work-product doctrine, or any other applicable privilege or doctrine under the law.

Subject to and without waiving the foregoing objections, Charter states that the judgment rendered in favor of Aurelius Capital Management LP on February 15, 2019 and Windstream's own decision to declare bankruptcy on February 25, 2019 harmed Windstream's goodwill. By February 25, 2019, Windstream's uncertainty was a matter of public record and numerous third-party reports. For example, on February 15, 2019, Bloomberg reported that "[t]he fate of Windstream Holdings Inc. was cast into doubt after a court ruled that the rural phone company defaulted on its bonds in 2015 by spinning off Uniti Group Inc. Windstream shares fell as much as 43 percent in extended trading." See BLOOMBERG NEWS, *Windstream in Peril After Losing Default Ruling to Aurelius*, available at <https://www.bloomberg.com/news/articles/2019-02-15/windstream-services-loses-default-ruling-in-victory-for-aurelius> (last viewed September 23, 2019). Upon filing for bankruptcy on February 25, 2019, Windstream immediately released a press release and sent letters notifying its customers, vendors, channel partners, and employees of its bankruptcy. See WIN2727-2746. Beginning the week of March 15, 2019, Windstream

sent a cover letter and Official Form 309F notices of bankruptcy to its customers. *See* WIN002064-2071. In its Form 10-K filed on March 15, 2019, and certified as true by Tony Thomas, Windstream’s President and Chief Executive Officer, Windstream volunteered that its bankruptcy created “uncertainty,” and that its Chapter 11 filing could ultimately “have a material adverse effect on [Windstream’s] ability to meet customer expectations.” Form 10-K at 19. Indeed, Windstream represented to the bankruptcy court: “The Debtors commenced these cases amidst a great deal of uncertainty caused by the adverse decision in the Uniti spin-off litigation—and with barely any time to take steps to ensure retention of key employees.” *Debtors’ Reply in support of Debtor’s Motion for Entry of an Order Approving the Debtors’ Key Employee Incentive Program and Debtors’ Motion for Entry of an Order Approving the Debtors’ Key Employee Retention Program*, No. 19-22312-rdd, ECF 512 at 3, ¶ 6 (Bankr. S.D.N.Y. May 13, 2019). To the extent Charter’s non-actionable statements could be deemed to have harmed Windstream’s goodwill, those statements did not harm Windstream’s goodwill. Any alleged harm to Windstream’s goodwill occurred because of the uncertainty surrounding Windstream’s bankruptcy and the knowledge publicly available to Windstream’s employees, customers, vendors, channel partners, and the public regarding that ongoing uncertainty. Individuals likely to have information in support include, but are not necessarily limited to, Kelly Atkinson, Alison Novasel, Matt Bury, Peter Maguire, Keith Dardis, Jennifer Smith, Chris Czekaj, Latisha Truong, Emmitt Walker, and Andrew Sites. Answering further, Charter refers Windstream to the deposition testimony and exhibits referenced in Charter’s corporate representative depositions in May and September of 2019.

5. State all facts, including but not limited to, the identity of all Persons and Documents, that You contend support Your averment in Paragraph 5 of Defendants’ Affirmative

Defenses, that “Any alleged harm to Windstream is the result of a superseding and/or intervening cause, including but not limited to the bankruptcy filing of Windstream and/or the letters that Windstream sent to its customers disclosing its bankruptcy.”

RESPONSE: Charter objects to this Interrogatory as overly broad, unduly burdensome, and not proportional to the needs of the case, considering the importance of the issues at stake, the amount in controversy, the parties’ relative access to relevant information, the parties’ resources, the importance of the discovery in resolving the issues, and whether the burden or expense of the proposed discovery outweighs its likely benefit. *See Ritchie Risk-Linked Strategies Trading (Ireland), Ltd. v. Charter objects to this interrogatory to the extent it seeks information protected by the attorney-client privilege, attorney work-product doctrine, or any other applicable privilege or doctrine under the law.

Subject to and without waiving the foregoing objections, Charter incorporates its answer to Interrogatory No. 4 as though set forth fully herein. Answering further, Charter refers Windstream to the deposition testimony and exhibits referenced in Charter's corporate representative depositions in May and September of 2019.

6. State all facts, including but not limited to, the identity of all Persons and Documents, that You contend support Your averment in Paragraph 6 of Defendant's Affirmative Defenses, that "Windstream's claims, in whole or part, are barred in that any statements allegedly made by Charter regarding Windstream were true or substantially true."

RESPONSE: Charter objects to this Interrogatory as overly broad, unduly burdensome, and not proportional to the needs of the case, considering the importance of the issues at stake, the

amount in controversy, the parties' relative access to relevant information, the parties' resources, the importance of the discovery in resolving the issues, and whether the burden or expense of the proposed discovery outweighs its likely benefit. *See Ritchie Risk-Linked Strategies Trading (Ireland), Ltd. v. 7. State all facts, including but not limited to, the identity of all Persons and Documents, that You contend support Your averment in Paragraph 7 of Defendants’ Affirmative Defenses, that “Charter’s alleged statements are non-actionable statements of opinion.”

RESPONSE: Charter objects to this Interrogatory as overly broad, unduly burdensome, and not proportional to the needs of the case, considering the importance of the issues at stake, the amount in controversy, the parties’ relative access to relevant information, the parties’ resources, the importance of the discovery in resolving the issues, and whether the burden or expense of the proposed discovery outweighs its likely benefit. *See Ritchie Risk-Linked Strategies Trading (Ireland), Ltd. v. response to Charter's discovery in this litigation. Charter objects to this interrogatory to the extent it seeks information protected by the attorney-client privilege, attorney work-product doctrine, or any other applicable privilege or doctrine under the law.

Subject to and without waiving the foregoing objections, Charter states that any statements allegedly made by Charter regarding Windstream are non-actionable statements of opinion regarding the uncertainty surrounding Windstream following the February 15, 2019 ruling against Windstream and Windstream's subsequent decision to declare bankruptcy. Subject to and without waiving the foregoing objections, Charter incorporates its response to Interrogatory Nos. 4-7 as though fully set forth herein. Answering further, Charter’s March 2019 direct mailer was less successful than subsequent advertising that did not include references to Windstream’s bankruptcy and Windstream’s records and sworn testimony of its

Charter objects to this Interrogatory to the extent that the burden of deriving specific information regarding individual documents is substantially the same for Windstream as it is for Charter. Charter has produced over 50,000 pages of documents in response to Windstream's discovery in this litigation, while Windstream has produced less than 3,000. Charter further objects to this Interrogatory as seeking a legal conclusion and/or information that is the subject of expert opinion. Charter shall disclose all expert opinions in accordance with the expert disclosure deadlines set by the Court in this litigation. Charter also objects to this Interrogatory as premature because it requires Charter to specifically identify and state all supporting facts, persons, and documents prior to the close of expert discovery and long before the deadline for dispositive motions and Charter's pre-trial obligations (e.g., the exchange of witness and exhibit lists). Charter also objects to this Interrogatory as seeking information that is not in Charter's possession, custody, or control due to Windstream's refusal to provide necessary information in response to Charter's discovery in this litigation. Charter objects to this interrogatory to the extent it seeks information protected by the attorney-client privilege, attorney work-product doctrine, or any other applicable privilege or doctrine under the law.

Subject to and without waiving the foregoing objections, Charter states that its envelope truthfully informed recipients that the contents contained important information for Windstream customers. *See e.g.*, WIN 000006 – WIN 000027. On the front of the envelope, Charter used only the word "Windstream," in standard text, to refer to Windstream. Individuals likely to have information in support include, but are not necessarily limited to, Kelly Atkinson, Alison

Novasel, Matt Bury, Peter Maguire, and Jennifer Smith. Answering further, Charter refers Windstream to the deposition testimony and exhibits referenced in Charter's corporate representative depositions in May and September of 2019.

11. State all facts, including but not limited to, the identity of all Persons and Documents, that You contend support Your averment in Paragraph 12 of Defendants' Affirmative Defenses, that "Charter has the right to use colors similar or identical to Windstream's alleged 'signature color pattern' because Windstream has not registered or otherwise protectable trademark or trade dress in those colors."

RESPONSE: Charter objects to this Interrogatory as overly broad, unduly burdensome, and not proportional to the needs of the case, considering the importance of the issues at stake, the amount in controversy, the parties' relative access to relevant information, the parties' resources, the importance of the discovery in resolving the issues, and whether the burden or expense of the proposed discovery outweighs its likely benefit. *See Ritchie Risk-Linked Strategies Trading (Ireland), Ltd. v. Coventry First LLC*, 273 F.R.D. 367 (S.D.N.Y. 2010) (seeking every fact, every piece of evidence, every witness, and every application of law to fact through an interrogatory is overly broad and unduly burdensome). Charter objects to this Interrogatory to the extent it seeks to impose duties, obligations, or responsibilities on Charter in excess of those permitted or required under the Federal Rules of Civil Procedure, local rules, and any Court Order. This Interrogatory improperly demands that Charter state/identify "all" supporting facts, persons, and documents and thus calls for an improper narrative response. *See Pasternak v. Dow Kim*, 2011 WL 4552389 (S.D.N.Y. Sept. 28, 2011) (acknowledging that contention interrogatories have been stricken when they seek to elicit a detailed narrative by requiring the other party to describe "all facts" that supported various allegations). To the extent Charter provides a response, it is not

meant to be exhaustive and shall not preclude Charter's right to rely on additional facts, information, persons, or documents in support in the future. Charter expressly reserves its right to supplement this Interrogatory under the Federal Rules of Civil Procedure. Charter objects to this Interrogatory to the extent that the burden of deriving specific information regarding individual documents is substantially the same for Windstream as it is for Charter. Charter objects to this interrogatory to the extent it seeks information protected by the attorney-client privilege, attorney work-product doctrine, or any other applicable privilege or doctrine under the law.

Subject to and without waiving the foregoing objections, Charter states that Windstream has no registration for the purple/pink color scheme alleged in this litigation. *See* Windstream's Objections and Responses to Charter's Second Set of Requests for Admissions at 10-11, ¶ 24 ("Admit the alleged Signature Color Pattern is not registered on the U.S. Patent & Trademark Office's Principal Register. ...Windstream admits."); ¶ 25 ("Admit the alleged Signature Color

Pattern is not registered on the U.S. Patent & Trademark Office's Supplemental Register. ...Windstream admits." Charter further states Windstream's colors are green and black and Kinetic services have limited availability. See <https://www.windstream.com/support/kinetic-tv/Is-Kinetic-TV-available-in-my-area>. Individuals that may have information in support include, but are not necessarily limited to, Jeffrey Auman and Lewis Langston. Answering further, Charter refers Windstream to the deposition testimony and exhibits referenced in Charter's corporate representative depositions in May and September of 2019.

12. State all facts, including but not limited to, the identity of all Persons and Documents, that You contend support Your averment in Paragraph 13 of Defendants' Affirmative Defenses, that "Charter's alleged statements and actions are justified under the circumstances and/or protected by the competition privilege because Charter did not use wrongful means to advance a legitimate interest in competing in the free market, and other absolute and/or qualified privileges." In particular, but without limiting the foregoing, identify all "privileges" that Charter relies upon in asserting this affirmative defense.

RESPONSE: Charter objects to this Interrogatory as overly broad, unduly burdensome, and not proportional to the needs of the case, considering the importance of the issues at stake, the amount in controversy, the parties' relative access to relevant information, the parties' resources, the importance of the discovery in resolving the issues, and whether the burden or expense of the proposed discovery outweighs its likely benefit. Charter objects to this Interrogatory to the extent it seeks to impose duties, obligations, or responsibilities on Charter in excess of those permitted or

required under the Federal Rules of Civil Procedure, local rules, and any Court Order. Charter objects to this interrogatory to the

extent it seeks information protected by the attorney-client privilege, attorney work-product doctrine, or any other applicable privilege or doctrine under the law.

Subject to and without waiving the foregoing objections, Charter incorporates its responses to Interrogatory Nos. 2-11 as if fully set forth herein. Answering further, Charter refers Windstream to the deposition testimony and exhibits referenced in Charter's corporate representative depositions in May and September of 2019.

13. State all facts, including but not limited to, the identity of all Persons and Documents, that You contend support Your averment in Paragraph 14 of Defendants' Affirmative Defenses, that "Charter acted in good faith. Charter did not act in bad faith or with willful intent in its alleged statements and actions."

RESPONSE: Charter objects to this Interrogatory as overly broad, unduly burdensome, and not proportional to the needs of the case, considering the importance of the issues at stake, the amount in controversy, the parties' relative access to relevant information, the parties' resources, the importance of the discovery in resolving the issues, and whether the burden or expense of the proposed discovery outweighs its likely benefit. *See Ritchie Risk-Linked Strategies Trading (Ireland), Ltd. v. Subject to and without waiving the foregoing objections, Charter incorporates its responses to Interrogatory Nos. 2-12 as if fully set forth herein. Answering further, Charter

refers Windstream to the deposition testimony and exhibits referenced in Charter's corporate representative depositions in May and September of 2019.

14. State all facts, including but not limited to, the identity of all Persons and Documents, that You contend support Your averment in Paragraph 15 of Defendants' Affirmative Defenses, that "Charter acted in good faith and with commercially reasonable speed to: (a) discontinue and remove the alleged statements from the marketplace in response to Windstream's March 21 and March 26, 2019 letters, and (b) restore the service of disconnected Windstream customers." In particular, but without limiting the foregoing, identify what constitutes "commercially reasonable speed" and the basis upon which You contend commercial reasonableness is established.

RESPONSE: Charter objects to this Interrogatory as overly broad, unduly burdensome, and not proportional to the needs of the case, considering the importance of the issues at stake, the amount in controversy, the parties' relative access to relevant information, the parties' resources, the importance of the discovery in resolving the issues, and whether the burden or expense of the proposed discovery outweighs its likely benefit. *See Ritchie Risk-Linked Strategies Trading (Ireland), Ltd. v. 15. State all facts, including but not limited to, the identity of all Persons and Documents, that You contend support Your averment in Paragraph 16 of Defendants' Affirmative Defenses, that "The statements of which Windstream complains were made upon a proper occasion, for a proper motive, in a proper manner, and were based upon reasonable and proper cause." In particular, but without limiting the foregoing, identify the basis upon which You contend a "proper occasion," a "proper motive," a "proper manner," and a "reasonable and proper cause" are each established.

RESPONSE: Charter objects to this Interrogatory as overly broad, unduly burdensome, and not proportional to the needs of the case, considering the importance of the issues at stake, the amount in controversy, the parties' relative access to relevant information, the parties' resources, the importance of the discovery in resolving the issues, and whether the burden or expense of the proposed discovery outweighs its likely benefit. *See Ritchie Risk-Linked Strategies Trading (Ireland), Ltd. v. Subject to and without waiving the foregoing objections, Charter incorporates its responses to Interrogatory Nos. 2-14 as if fully set forth herein. Answering further, Charter refers Windstream to the deposition testimony and exhibits referenced in Charter's corporate representative depositions in May and September of 2019.

16. State all facts, including but not limited to, the identity of all Persons and Documents, that You contend support Your averment in Paragraph 17 of Defendants'

Affirmative Defenses, that “Windstream’s claims for equitable relief are barred because Windstream has an adequate remedy at law.”

RESPONSE: Charter objects to this Interrogatory as overly broad, unduly burdensome, and not proportional to the needs of the case, considering the importance of the issues at stake, the amount in controversy, the parties’ relative access to relevant information, the parties’ resources, the importance of the discovery in resolving the issues, and whether the burden or expense of the proposed discovery outweighs its likely benefit. *See Ritchie Risk-Linked Strategies Trading (Ireland), Ltd. v. litigation, while Windstream has produced less than 3,000. Charter further objects to this Interrogatory as seeking a legal conclusion and/or information that is the subject of expert opinion. Charter shall disclose all expert opinions in accordance with the expert disclosure deadlines set by the Court in this litigation. Charter objects to this interrogatory to the extent it seeks information protected by the attorney-client privilege, attorney work-product doctrine, or any other applicable privilege or doctrine under the law.

Subject to and without waiving the foregoing objections, Charter states that monetary damages, if any, are an available remedy and, therefore, equitable relief is not required. Moreover, equitable relief is unnecessary because Charter has ceased distribution of the allegedly false and/or misleading March 2019 direct mailer referencing Windstream's bankruptcy.

17. State all facts, including but not limited to, the identity of all Persons and Documents, that You contend support Your averment in Paragraph 18 of Defendants' Affirmative Defenses, that "Windstream's claims for equitable relief are barred by the doctrine of unclean hands."

RESPONSE: Charter objects to this Interrogatory as overly broad, unduly burdensome, and not proportional to the needs of the case, considering the importance of the issues at stake, the

amount in controversy, the parties' relative access to relevant information, the parties' resources, the importance of the discovery in resolving the issues, and whether the burden or expense of the proposed discovery outweighs its likely benefit. *See Ritchie Risk-Linked Strategies Trading (Ireland), Ltd. v. Charter further objects to this Interrogatory as seeking a legal conclusion and/or information that is the subject of expert opinion. Charter shall disclose all expert opinions in accordance with the expert disclosure deadlines set by the Court in this litigation. Charter also objects to this Interrogatory as

premature because it requires Charter to specifically identify and state all supporting facts, persons, and documents prior to the close of expert discovery and long before the deadline for dispositive motions and Charter's pre-trial obligations (e.g., the exchange of witness and exhibit lists). Charter also objects to this Interrogatory as seeking information that is not in Charter's possession, custody, or control due to Windstream's refusal to provide necessary information in response to Charter's discovery in this litigation. Charter objects to this interrogatory to the extent it seeks information protected by the attorney-client privilege, attorney work-product doctrine, or any other applicable privilege or doctrine under the law.

Subject to and without waiving the foregoing objections, Windstream's false testimony regarding, e.g., the volume of customer inquiries in response to its notice of bankruptcy and its method for obtaining recordings of customers using, e.g., the word "Charter" preclude Windstream from invoking equitable relief.

18. State all facts, including but not limited to, the identity of all Persons and Documents, that You contend support Your averment in Paragraph 19 of Defendants' Affirmative Defenses, that "Windstream's claims, in whole or part, are barred in that Charter's allegedly wrongful conduct was not the proximate cause of Windstream's alleged losses or injuries."

RESPONSE: Charter objects to this Interrogatory as overly broad, unduly burdensome, and not proportional to the needs of the case, considering the importance of the issues at stake, the amount in controversy, the parties' relative access to relevant information, the parties' resources, the importance of the discovery in resolving the issues, and whether the burden or expense of the proposed discovery outweighs its likely benefit. *See Ritchie Risk-Linked Strategies Trading (Ireland), Ltd. v. To the extent Charter provides a response, it is not meant to be exhaustive and shall not preclude Charter’s right to rely on additional facts, information, persons, or documents in support in the future. Charter expressly reserves its right to supplement this Interrogatory under the Federal Rules of Civil Procedure. Charter objects to this Interrogatory to the extent that the burden of deriving specific information regarding individual documents is substantially the same for Windstream as it is for Charter. Charter has produced over 50,000 pages of documents in response to Windstream’s discovery in this litigation, while Windstream has produced less than 3,000. Charter further objects to this Interrogatory as seeking a legal conclusion and/or information that is the subject of expert opinion. Charter shall disclose all expert opinions in accordance with the expert disclosure deadlines set by the Court in this litigation. Charter also objects to this Interrogatory as premature because it requires Charter to specifically identify and state all supporting facts, persons, and documents prior to the close of expert discovery, and long before the deadline for dispositive motions and Charter’s pre-trial obligations (e.g., the exchange of witness and exhibit lists). Charter also objects to this Interrogatory as seeking information that is not in Charter’s

possession, custody, or control due to Windstream's refusal to provide necessary information in response to Charter's discovery in this litigation. Charter objects to this interrogatory to the extent it seeks information protected by the attorney-client privilege, attorney work-product doctrine, or any other applicable privilege or doctrine under the law.

Subject to and without waiving the foregoing objections, Charter incorporates its responses to Interrogatory Nos. 2-17 as if fully set forth herein. Answering further, documents produced by Windstream and the testimony of its corporate representatives indicate that Windstream customers became concerned about Windstream's future and considered leaving Windstream because of, *inter alia*, news articles related to Windstream's bankruptcy, Windstream's own bankruptcy announcement to each of its customers, and bankruptcy related advertisements run by other Windstream competitors. Windstream customers also left Windstream for reasons unrelated to Windstream's bankruptcy, such as price, quality, and reliability of service. Charter further refers Windstream to the deposition testimony and exhibits referenced in Charter's corporate representative depositions in May and September of 2019.

19. State all facts, including but not limited to, the identity of all Persons and Documents, that You contend support Your averment in Paragraph 20 of Defendants' Affirmative Defenses, that "Windstream has failed to mitigate its alleged damages, if any."

RESPONSE: Charter objects to this Interrogatory as overly broad, unduly burdensome, and not proportional to the needs of the case, considering the importance of the issues at stake, the amount in controversy, the parties' relative access to relevant information, the parties' resources, the importance of the discovery in resolving the issues, and whether the burden or expense of the proposed discovery outweighs its likely benefit. *See Ritchie Risk-Linked Strategies Trading (Ireland), Ltd. v. Coventry First LLC*, 273 F.R.D. 367 (S.D.N.Y. 2010) (seeking every fact, every

piece of evidence, every witness, and every application of law to fact through an interrogatory is overly broad and unduly burdensome). Charter objects to this Interrogatory to the extent it seeks to impose duties, obligations, or responsibilities on Charter in excess of those permitted or required under the Federal Rules of Civil Procedure, local rules, and any Court Order. This Interrogatory improperly demands that Charter state/identify “all” supporting facts, persons, and documents and thus calls for an improper narrative response. *See Pasternak v. Dow Kim*, 2011 WL 4552389 (S.D.N.Y. Sept. 28, 2011) (acknowledging that contention interrogatories have been stricken when they seek to elicit a detailed narrative by requiring the other party to describe “all facts” that supported various allegations). To the extent Charter provides a response, it is not meant to be exhaustive and shall not preclude Charter’s right to rely on additional facts, information, persons, or documents in support in the future. Charter expressly reserves its right to supplement this Interrogatory under the Federal Rules of Civil Procedure. Charter objects to this Interrogatory to the extent that the burden of deriving specific information regarding individual documents is substantially the same for Windstream as it is for Charter. Charter has produced over 50,000 pages of documents in response to Windstream’s discovery in this litigation, while Windstream has produced less than 3,000. Charter further objects to this Interrogatory as seeking a legal conclusion and/or information that is the subject of expert opinion. Charter shall disclose all expert opinions in accordance with the expert disclosure deadlines set by the Court in this litigation. Charter also objects to this Interrogatory as premature because it requires Charter to specifically identify and state all supporting facts, persons, and documents prior to the close of expert discovery and long before the deadline for dispositive motions and Charter’s pre-trial obligations (e.g., the exchange of witness and exhibit lists). Charter also objects to this Interrogatory as seeking information that is not in Charter’s

possession, custody, or control due to Windstream's refusal to provide necessary information in response to Charter's discovery in this litigation. Charter objects to this interrogatory to the extent it seeks information protected by the attorney-client privilege, attorney work-product doctrine, or any other applicable privilege or doctrine under the law.

Subject to and without waiving the foregoing objections, Windstream has not yet produced a damage computation. Windstream has produced no evidence suggesting it took any steps to mitigate its, as-yet unidentified, damages.

20. State all facts, including but not limited to, the identity of all Persons and Documents, that You contend support Your averment in Paragraph 21 of Defendants' Affirmative Defenses, that "Each cause of action in the Complaint and/or any recovery claimed by Windstream is barred by the doctrines of recoupment and/or setoff."

RESPONSE: Charter objects to this Interrogatory as overly broad, unduly burdensome, and not proportional to the needs of the case, considering the importance of the issues at stake, the amount in controversy, the parties' relative access to relevant information, the parties' resources, the importance of the discovery in resolving the issues, and whether the burden or expense of the proposed discovery outweighs its likely benefit. *See Ritchie Risk-Linked Strategies Trading (Ireland), Ltd. v. Coventry First LLC*, 273 F.R.D. 367 (S.D.N.Y. 2010) (seeking every fact, every piece of evidence, every witness, and every application of law to fact through an interrogatory is overly broad and unduly burdensome). Charter objects to this Interrogatory to the extent it seeks to impose duties, obligations, or responsibilities on Charter in excess of those permitted or required under the Federal Rules of Civil Procedure, local rules, and any Court Order. This Interrogatory improperly demands that Charter state/identify "all" supporting facts, persons, and documents and thus calls for an improper narrative response. *See Pasternak v. Dow Kim*, 2011

WL 4552389 (S.D.N.Y. Sept. 28, 2011) (acknowledging that contention interrogatories have been stricken when they seek to elicit a detailed narrative by requiring the other party to describe “all facts” that supported various allegations). To the extent Charter provides a response, it is not meant to be exhaustive and shall not preclude Charter’s right to rely on additional facts, information, persons, or documents in support in the future. Charter expressly reserves its right to supplement this Interrogatory under the Federal Rules of Civil Procedure. Charter objects to this Interrogatory to the extent that the burden of deriving specific information regarding individual documents is substantially the same for Windstream as it is for Charter. Charter has produced over 50,000 pages of documents in response to Windstream’s discovery in this litigation, while Windstream has produced less than 3,000. Charter further objects to this Interrogatory as seeking a legal conclusion and/or information that is the subject of expert opinion. Charter shall disclose all expert opinions in accordance with the expert disclosure deadlines set by the Court in this litigation. Charter also objects to this Interrogatory as premature because it requires Charter to specifically identify and state all supporting facts, persons, and documents prior to the close of expert discovery and long before the deadline for dispositive motions and Charter’s pre-trial obligations (e.g., the exchange of witness and exhibit lists). Charter also objects to this Interrogatory as seeking information that is not in Charter’s possession, custody, or control due to Windstream’s refusal to provide necessary information in response to Charter’s discovery in this litigation. Charter objects to this interrogatory to the extent it seeks information protected by the attorney-client privilege, attorney work-product doctrine, or any other applicable privilege or doctrine under the law.

Subject to and without waiving the foregoing objections, Debtors owe Charter at least \$13,672,143.83 for pre-petition obligations. Charter has filed proofs of claim for those pre-

petition obligations. In addition, Debtors owe Charter several million dollars for post-petition services provided to Windstream Services, LLC and its affiliates. Debtors' post-petition obligations continue to accrue in the ordinary course and to be paid. To the extent of any damages awarded to Debtors in this adversary proceeding, Charter is entitled to set off and/or recoup the amounts owed to Charter.

21. State all facts, including but not limited to, the identity of all Persons and Documents, that You contend support Your averment in Paragraph 24 of Defendants' Affirmative Defenses, that "Count VII of the Complaint is barred because it is not ripe for adjudication and impermissibly seeks an advisory opinion in as much as none of Charter or Charter's subsidiaries or affiliates had an allowed claim as of the filing of the Complaint."

RESPONSE: Charter objects to this Interrogatory as overly broad, unduly burdensome, and not proportional to the needs of the case, considering the importance of the issues at stake, the amount in controversy, the parties' relative access to relevant information, the parties' resources, the importance of the discovery in resolving the issues, and whether the burden or expense of the proposed discovery outweighs its likely benefit. *See Ritchie Risk-Linked Strategies Trading (Ireland), Ltd. v. Coventry First LLC*, 273 F.R.D. 367 (S.D.N.Y. 2010) (seeking every fact, every piece of evidence, every witness, and every application of law to fact through an interrogatory is overly broad and unduly burdensome). Charter objects to this Interrogatory to the extent it seeks to impose duties, obligations, or responsibilities on Charter in excess of those permitted or required under the Federal Rules of Civil Procedure, local rules, and any Court Order. This Interrogatory improperly demands that Charter state/identify "all" supporting facts, persons, and documents and thus calls for an improper narrative response. *See Pasternak v. Dow Kim*, 2011 WL 4552389 (S.D.N.Y. Sept. 28, 2011) (acknowledging that contention interrogatories have

been stricken when they seek to elicit a detailed narrative by requiring the other party to describe “all facts” that supported various allegations). To the extent Charter provides a response, it is not meant to be exhaustive and shall not preclude Charter’s right to rely on additional facts, information, persons, or documents in support in the future. Charter expressly reserves its right to supplement this Interrogatory under the Federal Rules of Civil Procedure. Charter objects to this Interrogatory to the extent that the burden of deriving specific information regarding individual documents is substantially the same for Windstream as it is for Charter. Charter has produced over 50,000 pages of documents in response to Windstream’s discovery in this litigation, while Windstream has produced less than 3,000. Charter further objects to this Interrogatory as seeking a legal conclusion and/or information that is the subject of expert opinion. Charter shall disclose all expert opinions in accordance with the expert disclosure deadlines set by the Court in this litigation. Charter also objects to this Interrogatory as premature because it requires Charter to specifically identify and state all supporting facts, persons, and documents prior to the close of expert discovery and long before the deadline for dispositive motions and Charter’s pre-trial obligations (e.g., the exchange of witness and exhibit lists). Charter also objects to this Interrogatory as seeking information that is not in Charter’s possession, custody, or control due to Windstream’s refusal to provide necessary information in response to Charter’s discovery in this litigation. Charter objects to this interrogatory to the extent it seeks information protected by the attorney-client privilege, attorney work-product doctrine, or any other applicable privilege or doctrine under the law. By raising this defense, Charter does not assume any burdens.

Subject to and without waiving the foregoing objections, at the time of filing, Debtors’ Complaint was deficient in stating a cause of action under Count VII because Debtors had not

filed their schedules and Charter and/or its affiliates had not filed a claim. At the time of filing, Charter had no allowed claim as required for equitable subordination. Following filing of Debtors' Complaint and Charter's answer in the adversary proceeding, Charter filed its proofs of claim. Because no objection to those claims has been filed to date, Charter currently has allowed claims.

22. State all facts, including but not limited to, the identity of all Persons and Documents, that You contend support Your averment in Paragraph 25 of Defendants' Affirmative Defenses, that "Windstream has failed to state a cause of action in Count VII of the Complaint in as much as Windstream failed to identify any *allowed* claim of Charter of Charter's subsidiaries and affiliates as required for an action under 11 U.S.C. § 510(c), failed to allege any inequitable conduct by Charter or any of Charter's subsidiaries and affiliates, and subordination of Charter or Charter's subsidiaries and affiliates claims would be inconsistent with the provisions of the Bankruptcy Code."

RESPONSE: Charter objects to this Interrogatory as overly broad, unduly burdensome, and not proportional to the needs of the case, considering the importance of the issues at stake, the amount in controversy, the parties' relative access to relevant information, the parties' resources, the importance of the discovery in resolving the issues, and whether the burden or expense of the proposed discovery outweighs its likely benefit. *See Ritchie Risk-Linked Strategies Trading (Ireland), Ltd. v. Charter objects to this Interrogatory to the extent it seeks to impose duties, obligations, or responsibilities on Charter in excess of those permitted or required under the Federal Rules of Civil Procedure, local rules, and any Court Order. This

Interrogatory improperly demands that Charter state/identify “all” supporting facts, persons, and documents and thus calls for an improper narrative response. *See Pasternak v. Dow Kim*, 2011 WL 4552389 (S.D.N.Y. Sept. 28, 2011) (acknowledging that contention interrogatories have been stricken when they seek to elicit a detailed narrative by requiring the other party to describe “all facts” that supported various allegations). To the extent Charter provides a response, it is not meant to be exhaustive and shall not preclude Charter’s right to rely on additional facts, information, persons, or documents in support in the future. Charter expressly reserves its right to supplement this Interrogatory under the Federal Rules of Civil Procedure. Charter objects to this Interrogatory to the extent that the burden of deriving specific information regarding individual documents is substantially the same for Windstream as it is for Charter. Charter has produced over 50,000 pages of documents in response to Windstream’s discovery in this litigation, while Windstream has produced less than 3,000. Charter further objects to this Interrogatory as seeking a legal conclusion and/or information that is the subject of expert opinion. Charter shall disclose all expert opinions in accordance with the expert disclosure deadlines set by the Court in this litigation. Charter also objects to this Interrogatory as premature because it requires Charter to specifically identify and state all supporting facts, persons, and documents prior to the close of expert discovery and long before the deadline for dispositive motions and Charter’s pre-trial obligations (e.g., the exchange of witness and exhibit lists). Charter also objects to this Interrogatory as seeking information that is not in Charter’s possession, custody, or control due to Windstream’s refusal to provide necessary information in response to Charter’s discovery in this litigation. Charter objects to this interrogatory to the extent it seeks information protected by the attorney-client privilege, attorney work-product

doctrine, or any other applicable privilege or doctrine under the law. By raising this as an affirmative defense, Charter does not assume any burdens.

Subject to and without waiving the foregoing objections, at the time of filing, Debtors' Complaint was deficient in stating a cause of action under Count VII because Debtors had not filed their schedules and Charter and/or its affiliates had not filed a claim as is required for equitable subordination. Following filing of the Complaint and Charter's answer in the adversary proceeding, Charter filed its proofs of claim. Because no objection to those claims has been filed to date, Charter currently has allowed claims. Charter is not aware of any inequitable conduct by Charter, its affiliates, or anyone on Charter's behalf with respect to Windstream, its affiliates, or its bankruptcy case. If Windstream Services, LLC and its affiliated debtors bound by Charter's contracts with Windstream Services, LLC, assume the contracts with Charter, Debtors will cure all defaults. Unless Debtors intend on rejecting Charter's contracts with Windstream and disconnecting Windstream's customers, the relief requested in Count VII would be inconsistent with other provisions of the Bankruptcy Code. Windstream has refused to inform Charter whether it will be assuming or rejecting Charter's contracts.

23. Identify all employees, agents, contractors and representatives of Charter, as well as any persons acting or purporting to act on behalf of Charter, that distributed the Advertisements to customers or potential customers in any manner other than through the United States mail, including but not limited to email, hand delivery or facsimile transmission, and/or otherwise informed customers or potential customers that Windstream was going out of business.

RESPONSE: Charter objects to this Interrogatory as vague and ambiguous regarding the term "distributed." Charter also objects to this Interrogatory as overly broad, unduly burdensome, not proportional to the needs of the case and irrelevant to any claim or defense asserted in this

litigation, particularly to the extent that it seeks information related to unauthorized actions taken by employees, agents, contractors or representatives of Charter. Charter further objects to this Interrogatory to the extent it claims Charter, or any of its employees, agents, contractors, or representatives, ever said that Windstream was going out of business.

Subject to and without waiving the foregoing objections, Charter states as follows: Not one person acting on behalf of Charter distributed the advertisements at issue in any manner other than through the United States mail. No person acting on behalf of Charter has otherwise informed customers or potential customers that Windstream was going out of business.

Without Charter's permission and contrary to established Charter policy and training, Emmitt Walker and Rebecca Root made copies of a direct mail advertisement and left copies with fewer than 15 people. They were not acting on behalf of Charter. Charter disciplined Mr. Walker and Ms. Root and placed them on a one-year "one-strike" probation, whereby they are each subject to immediate termination for any further infraction.

Without Charter's permission and contrary to established Charter policy and training, Andrew Sites sent fewer than 10 emails to people suggesting Windstream was going out of business. Mr. Sites sent a follow up email disclaiming his prior message. He was not acting on behalf of Charter. Charter disciplined Mr. Sites and placed him on a one-year "one-strike" probation, whereby he is subject to immediate termination for any further infraction.

24. Identify all Windstream customers (including consumers, businesses or other categories of customers) that switched services to Charter from March 15, 2019 to present.

RESPONSE: Charter objects to this Interrogatory as overly broad, unduly burdensome, not proportional to the needs of the case, and irrelevant to any claim or defense asserted in this litigation, as the interrogatory is not limited to Windstream customers (if any) that switched

services to Charter as a result of the advertisements at issue in this litigation. Charter further objects to the extent this Interrogatory calls for the production of information protected from disclosure pursuant to Section 12(f) of the Protective Order.

Subject to and without waiving the foregoing objections, Charter responds as follows: Windstream promised to provide a list of customers to Charter so that Charter could identify customers that may have switched in response to the advertisement at issue. Windstream has since withdrawn its agreement to provide a customer list. Charter is unaware of a single customer that (a) was on the mailing list for the advertising at issue and (b) was a Windstream customer before switching to Charter.

25. State whether the Advertisements were reviewed by legal counsel prior to distribution and identify any legal counsel that reviewed the Advertisements prior to distribution.

RESPONSE: Charter objects to this Interrogatory as overly broad, unduly burdensome, not proportional to the needs of the case, and irrelevant to any claim or defense asserted in this litigation. Charter further objects to this Interrogatory to the extent it seeks information protected by the attorney-client privilege, attorney work-product doctrine, or any other applicable privilege or doctrine under the law.

Voicemail Message from Customer

Customer:	<p>■ this is ■. What I was calling about, I got those letters about Windstream saying they're in bankruptcy. Well, today this Spectrum guy comes knocking on the door telling me in two months, I won't have no service. I'll just be cut off, trying to get me right then to switch to Spectrum and I told him no. I wasn't making up my mind. What I'm trying to do is to find out, is that going to happen, and are they just going to cut everybody off and we just ain't going to have no service? I don't want to switch unless I have to and if you could just – and if I'm not here, just call back on the house number and leave a message for me or something will be fine. I'm just trying to find out what to do, you know, because I don't want to change unless I have to and all. Just call the house number ■ and if you could just leave me a brief message or something. I hate to bother you with this, but I don't really want to change unless I have to and I had other people asking me about it too and all. So, I would appreciate that ■ very much. I appreciate all your help. Thanks and bye-bye.</p>

Type of fee statement or application: Monthly Fee Statement²

Objection Deadline: May 24, 2019 at 12:00 p.m. (ET)

Pursuant to sections 327, 330 and 331 of title 11 of the United States Code (as amended, the “Bankruptcy Code”), Rule 2016 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and Rule 2016-1 of the Local Bankruptcy Rules of the United States Bankruptcy Court for the Southern District of New York (the “Local Rules”), the *Order Authorizing the Retention and Employment of Katten Muchin Rosenman LLP as Conflicts Counsel to the Debtors Effective Nunc Pro Tunc to the Petition Date* [Docket No. 369], and the *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Retained Professionals*, entered on April 22, 2019 [Docket No. 374] (the “Interim Compensation Order”), the law firm of Katten Muchin Rosenman LLP (“Katten”), conflicts counsel to the above-captioned debtors and debtors in possession (the “Debtors”) hereby files this monthly fee statement (this “Monthly Fee Statement”) for (i) compensation in the amount of \$190,777.60 for the reasonable and necessary legal services Katten rendered to the Debtors from February 25, 2019 through and including March 31, 2019 (the “Fee Period”) (80% of \$238,472) and (ii) reimbursement for the actual and necessary expenses that Katten incurred, in the amount of \$9,038.53 during the Fee Period.

² Notice of this Monthly Fee Statement (as defined herein) shall be served in accordance with the Interim Compensation Order (as defined herein) and objections to payment of the amounts described in this Monthly Fee Statement shall be addressed in accordance with the Interim Compensation Order.

Itemization of Services Rendered and Disbursements Incurred

1. Attached hereto as **Exhibit A** is a schedule of the number of hours expended and fees incurred (on an aggregate basis) by Katten partners, associates, and paraprofessionals during the Fee Period with respect to each of the subject matter categories Katten established in accordance with its internal billing procedures. As reflected in **Exhibit A**, Katten incurred \$238,472 in fees during the Fee Period. Pursuant to this Monthly Fee Statement, Katten seeks payment of 80% of such fees (\$190,777.60 in the aggregate).

2. Attached hereto as **Exhibit B** is a schedule of Katten professionals and paraprofessional who rendered services to the Debtors in connection with these Chapter 11 cases during the Fee Period and the title, hourly rate, aggregate hours worked and the amount of fees earned by each professional and paraprofessional. The blended hourly billing rate of attorneys for all services provided during the Fee Period is \$814.³ The blended hourly billing rate of all paraprofessionals is \$200.⁴

3. Attached hereto as **Exhibit C** is a schedule for the Fee Period setting forth the total amount of payment sought with respect to each category of expenses for which Katten is seeking payment in this Monthly Fee Statement. All of these disbursements comprise the requested sum for Katten's out-of-pocket expenses, which total \$9,038.53.

4. Attached hereto as **Exhibit D** are the time records of Katten, which provide a daily summary of the time spent by each Katten professional and paraprofessional during the Fee Period as well as an itemization of expenses by project category.

³ The blended hourly rate of \$814 for attorneys is derived by dividing the total fees for attorneys of \$237,212 by the total hours of 291.40 for those same attorneys.

⁴ The blended hourly billing rate of \$200 for paraprofessionals is similarly derived by dividing the total fees for paraprofessionals of \$1,260 by the total hours of 6.3 for these same paraprofessionals.

Representations

5. Although every effort has been made to include all fees and expenses incurred in the Fee Period, some fees and expenses might not be included in this Monthly Fee Statement due to delays caused by accounting and processing during the Fee Period. Katten reserves the right to make further application to the United States Bankruptcy Court for the Southern District of New York for allowance of such fees and expenses not included herein. Subsequent Monthly Fee Statements will be filed in accordance with the Bankruptcy Code, the Bankruptcy Rules, Local Rules, and the Interim Compensation Order.

Itemization of Services Rendered and Disbursements Incurred

1. Attached hereto as **Exhibit A** is a schedule of the number of hours expended and fees incurred (on an aggregate basis) by Katten partners, associates, and paraprofessionals during the Fee Period with respect to each of the project categories Katten established in accordance with its internal billing procedures. As reflected in **Exhibit A**, Katten incurred \$245,927.50 in fees during the Fee Period. Pursuant to this Fee Statement, Katten seeks payment of 80% of such fees (\$196,742 in the aggregate).

2. In support of this Fee Application, Katten submits the declaration of Steven J. Reisman, a partner at Katten (the “Reisman”

Declaration”), which is attached hereto as **Exhibit A** and incorporated herein by reference. In further support of this Fee Application, Katten respectfully states as follows:

Preliminary Statement

1. During the Fee Period, Katten professionally, diligently and efficiently advised the Debtors on a variety of complex matters and issues, including but not limited to:

- a. commencing an action for a temporary restraining order and preliminary injunction against one of the Debtors’ key competitors, Charter Communications LLC, to enjoin Charter from engaging in a false and misleading advertising campaign against the Debtors;
- b. conducting extensive discovery in connection with the litigation against Charter, including responding to voluminous document requests and taking and defending multiple depositions;
- c. following two contested evidentiary hearings, obtaining a temporary restraining order and preliminary injunction order enjoining Charter from engaging in the prohibited activities;
- d. analyzing potential claims and causes of action of the Debtors against Frontier Communications Corporation (“Frontier”) and assisting in discussions regarding a potential settlement; and
- e. advising the Debtors with respect to the foregoing matters and communicating with other professionals in these Chapter 11 Cases regarding same.

2. With respect to each of these matters and as described in further detail below, the professional services rendered by Katten were reasonable, necessary and appropriate. In light of the complexity of the issues involved and the significant time constraints imposed in the Debtors’ chapter 11 cases (the “Chapter 11 Cases”), Katten maintained a team of highly-qualified attorneys that completed the tasks with which they were charged in an efficient and effective manner. Accordingly, Katten respectfully requests that the Bankruptcy Court grant the relief requested herein.

The United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference from the United States District Court for the Southern District of New York*, dated February 1, 2012. 4. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

5. Background

A. The Bankruptcy Filing and General Case Background

6. The Debtors are a leading provider of advanced network communications and technology solutions for businesses across the United States. The Debtors also offer broadband, entertainment and security solutions to consumers and small businesses primarily in rural areas in 18 states. Additionally, the Debtors supply core transport solutions on a local and long-haul fiber network spanning approximately 150,000 miles and have over 11,000 employees.

7. On February 25, 2019 (the “Petition Date”), each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. A detailed description of certain facts and circumstances surrounding these Chapter 11 Cases is set forth in the *Declaration of Tony Thomas, Chief Executive Officer and President of Windstream Holdings, Inc., (I) in Support of Debtors’ Chapter 11 Petitions and First Day Motions and (II) Pursuant to Local Bankruptcy Rule 1007-2* (the “First Day Declaration”) [Docket No. 27], filed on the Petition Date.

8. The Debtors’ Chapter 11 Cases have been consolidated for procedural purposes only and are being jointly administered pursuant to Bankruptcy Rule 1015(b) [Docket No. 56]. The Debtors continue to operate their business and manage their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On March 12, 2019, the United States Trustee for the Southern District of New York appointed the creditors’ committee (the “UCC”) pursuant to section 1102 of the Bankruptcy Code [Docket No. 136].

9. On April 22, 2019, the Bankruptcy Court entered the Interim Compensation Order, which sets forth the procedures for interim compensation and reimbursement of expenses for all estate professionals in these Chapter 11 Cases.

B. The Debtors' Retention of Katten

10. On March 26, 2019, the Debtors filed the *Application for Entry of an Order Authorizing the Retention and Employment of Katten Muchin Rosenman LLP as Conflicts Counsel for the Debtors and Debtors in Possession Effective Nunc Pro Tunc to the Petition Date* (the "Retention Application") [Docket No. 194]. On April 22, 2019, the Bankruptcy Court entered the Retention Order, which is attached hereto as **Exhibit B**.

11. The Retention Order authorizes Katten to provide the Debtors with the professional services as described in the Retention Application and the terms of Katten's engagement letter between Katten and the Debtors (the "Engagement Letter"), which is dated as of February 24, 2019 and attached to the Retention Order as Exhibit 1. Specifically, but without limitation, the Retention Order authorizes Katten to render the following legal services where Kirkland and Ellis LLP ("K&E") has an actual or perceived conflict of interest or where the Debtors believe it would be more efficient or economical for Katten to handle the matter:

- a. advising the Debtors with respect to their powers and duties as debtors in possession in the continued management and operation of their businesses and properties;

- f. representing the Debtors in connection with obtaining authority to continue using cash collateral and postpetition financing;
- g. advising the Debtors in connection with any potential sale of assets;
- h. appearing before the Court and any appellate courts to represent the interests of the Debtors' estates;
- i. advising the Debtors regarding tax matters;
- j. taking any necessary action on behalf of the Debtors to negotiate, prepare, and obtain approval of a disclosure statement and confirmation of a chapter 11 plan and all documents related thereto; and
- k. performing all other necessary legal services for the Debtors in connection with the prosecution of these Chapter 11 Cases, including: (i) analyzing the Debtors' leases and contracts and the assumption and assignment or rejection thereof; (ii) analyzing the validity of liens against the Debtors; and (iii) advising the Debtors on corporate and litigation matters.

C. Disinterestedness of Katten

12. As disclosed in the *Declaration of Steven J. Reisman in Support of the Debtors' Application for Entry of an Order Authorizing the Retention and Employment of Katten Muchin Rosenman LLP as Conflicts Counsel for the Debtors and Debtors in Possession Effective Nunc Pro Tunc to the Petition Date*, attached as Exhibit B to the Retention Application (the "Declaration of Disinterestedness") (a) Katten is a "disinterested person" within the meaning of section 101(14) of the Bankruptcy Code, as required by section 327(a) of the Bankruptcy Code, and does not hold or represent an interest adverse to the Debtors' estates, and (b) Katten has no connection to the Debtors, their creditors, or other parties in interest, except as may be disclosed in the Declaration of Disinterestedness.

13. Katten may have in the past represented, may currently represent and likely in the future will represent parties in interest in connection with matters unrelated to the Debtors in these Chapter 11 Cases. In the Declaration of Disinterestedness, Katten disclosed its connections to parties in interest that it has been able to ascertain using its reasonable efforts. Katten

disclosed additional connections to parties in interest in the *First Supplemental Declaration of Steven J. Reisman in Support of the Debtors' Application for Entry of an Order Authorizing the Retention and Employment of Katten Muchin Rosenman LLP as Conflicts Counsel for the Debtors and Debtors in Possession Effective Nunc Pro Tunc to the Petition Date* (the "Supplemental Declaration of Disinterestedness") [Docket No. 811], filed on July 15, 2019. Katten will update the Declaration of Disinterestedness, as appropriate, if Katten becomes aware of relevant and material new information.

14. Katten performed the services for which it is seeking compensation on behalf of the Debtors and their estates, and not on behalf of any committee, creditor, or other entity.

15. Katten has received no payment and no promises for payment from any source other than the Debtors for services provided in any capacity whatsoever in connection with these Chapter 11 Cases.

16. Pursuant to Bankruptcy Rule 2016(b), Katten has not shared, nor has Katten agreed to share (a) any compensation it has received or may receive with another party or person other than with the partners, counsel, and associates of Katten or (b) any compensation another person or party has received or may receive.

Summary of Compliance with Interim Compensation Order and Fee Examiner Protocol

17. This Fee Application has been prepared in accordance with the Interim Compensation Order.

18. Katten seeks interim compensation for professional services provided to the Debtor during the Fee Period in the amount of \$2,019,102 and reimbursement of actual and necessary expenses incurred in connection with providing such services in the amount of

\$87,194. During the Fee Period, Katten attorneys and paraprofessionals expended a total of 2,599 hours for which compensation is requested.²

19. In accordance with the Interim Compensation Order, as of the date hereof, Katten has received payments in the amount of \$1,488,933.89 of which \$1,419,259.60 was for services provided and \$69,674.29 of which was for reimbursement of expenses for the Fee Period. Accordingly, by this Fee Application, and to the extent such amounts have not been paid by the time of the hearing on this Fee Application, Katten seeks payment of the remaining \$617,361.50 which amounts represents the unpaid fees and expenses incurred between February 25, 2019 and June 30, 2019.

Fees and Expenses Incurred During Fee Period

A. Customary Billing Disclosures.

20. Katten's hourly rates are set at a level designed to compensate Katten fairly for the work of its attorneys and paraprofessionals and to cover fixed and routine expenses. The hourly rates and corresponding rate structure utilized by Katten in these Chapter 11 Cases are equivalent to the hourly rates and corresponding rate structure used by Katten for other restructuring matters, as well as similar complex corporate and litigation matters whether in court or otherwise, regardless of whether a fee application is required. The rates and rate structure reflect that such restructuring and other complex matters typically are national in scope and typically involve great complexity, high stakes, and significant time pressures. For the convenience of the Bankruptcy Court and all parties in interest, attached hereto as attached hereto as **Exhibit C** is Katten's budget and staffing plan for the Fee Period, and attached hereto as **Exhibit D** is a summary of blended hourly rates for all non-bankruptcy domestic timekeepers

² As a courtesy to the Debtors' estates, Katten voluntarily wrote off the time incurred by attorneys and paraprofessionals billing less than three hours during the Fee Period and consequently does not seek payment of these fees (in the aggregate amount of \$900.50) in this Fee Application.

who billed to non-bankruptcy matters and blended hourly rates for timekeepers who billed to the Debtors during the Fee Period.

B. Fees Incurred During Fee Period.

21. In the ordinary course of Katten's practice, Katten maintains computerized records of the time expended to render the professional services required by its client. For the convenience of the Bankruptcy Court and all parties in interest, attached hereto as **Exhibit E** is a summary of fees incurred and hours expended during the Fee Period, setting forth the following information:

- a. the name of each attorney and paraprofessional for whose work on these Chapter 11 Cases compensation is sought;
- b. each attorney's year of bar admission and area of practice concentration;
- c. the hourly billing rate for each attorney and each paraprofessional;
- d. the total hours billed by each attorney and each paraprofessional during the Fee Period; and
- e. a calculation of total compensation requested using the rates disclosed in the Fee Application.

C. Expenses Incurred During Fee Period.

22. In the ordinary course of Katten's practice, Katten maintains a record of expenses incurred in the rendition of the professional services required by the Debtors and for which reimbursement is sought. Katten currently charges \$0.10 per page for standard black and white duplication and \$0.25 per page for color duplication. Katten does not charge its clients for incoming facsimile transmissions.

23. For the convenience of the Bankruptcy Court and all parties in interest, attached hereto as **Exhibit F** is a summary setting forth the total amount of reimbursement sought with respect to each category of expenses for which Katten is seeking reimbursement.

Summary of Legal Services Rendered During the Fee Period

24. As discussed above, during the Fee Period, Katten provided extensive and important professional services to the Debtors in connection with these Chapter 11 Cases. These services were often performed under severe time constraints and were necessary to address a multitude of critical issues both unique to these Chapter 11 Cases and typically faced by large corporate debtors in similar cases of this magnitude and complexity.

25. To provide a meaningful summary of the services rendered by Katten to the Debtors and their estates, Katten has established, in accordance with its internal billing procedures, certain subject matters categories (each, a “Matter Category”) in connection with these Chapter 11 Cases. A schedule setting forth a description of the Matter Categories utilized in these Chapter 11 Cases, the number of hours expended by Katten partners, associates and paraprofessionals by matter, and the aggregate fees associated with each matter is attached hereto as **Exhibit G**.

26. **Exhibit H** is a comparison of the hours and fees budgeted for each Matter Category to which Katten professionals and paraprofessionals billed time during the Fee Period against the hours and fees for which Katten seeks compensation for during the Fee Period. In addition, Katten’s computerized records of time expended providing professional services to the Debtors and expenses are attached hereto as **Exhibit I**.

27. The following is a summary of the most significant professional services provided by Katten in each Matter Category organized in accordance with Katten’s internal system of matter numbers for these Chapter 11 Cases. The detailed descriptions demonstrate that Katten was heavily involved in performing services for the Debtors on a daily basis, often including night and weekend work, to meet the needs of the Debtors’ estates in these Chapter 11 Cases.

(a) **Adversary Proceedings, Contested Matter [Matter No. 7]**

Total Fees: \$69,428.50

Total Hours: 79.60

28. This Matter Category includes time spent by Katten attorneys and paraprofessionals on certain Conflict Matters that were contested during the Fee Period. Specifically, Katten attorneys spent time advising the Debtors during settlement negotiations with Frontier Communications Corporation (“Frontier”). This also included assessing Frontier’s claims against the Debtors and the Debtors’ claims against Frontier. Ultimately, Katten attorneys were able to successfully negotiate a stipulation, the *Stipulation and Order Extending Bar Date to File a Proof of Claim for Frontier Communications Corporation* [Docket No. 764], extending Frontier’s bar date, thereby allowing the Debtors and Frontier additional time to continue settlement discussions in a productive manner.

(b) **Charter Litigation [Matter No. 8]**

Total Fees: \$1,834,720

Total Hours: 2,353.50

29. Shortly after the Debtors’ filing of these Chapter 11 Cases, Charter Communications, Inc. and Charter Communications Operating, LLC (collectively, “Charter”), began a deceptive advertising campaign under its brand name, Spectrum, to damage the Debtors’ brand, reputation and business. After Charter failed to provide the Debtors with sufficient assurances that these tactics would stop immediately, the Debtors tasked Katten to commence litigation against Charter for violating the Bankruptcy Code’s automatic stay and section 43 of the Lanham Act, which prohibits companies from engaging in deceptive marketing practices. Katten was also tasked with obtaining a temporary restraining order (“TRO”) on behalf of the Debtors against Charter as soon as possible.

30. The litigation against Charter (the “Charter Litigation”) involved extensive work on a compressed timetable. Katten attorneys researched, drafted and filed the *Debtors’ Motion for a Temporary Restraining Order, Preliminary Injunction and Other Equitable Relief Against Charter Communications, Inc. and Charter Communications Operating, LLC* [Docket No. 2] and the *Debtors’ Reply in Support of Their Motion for Temporary Restraining Order, Preliminary Injunction and Other Equitable Relief* [Docket No. 17], along with supporting declarations and evidence. Katten attorneys prepared for the TRO Hearing on April 14, including spending significant time preparing the Debtors’ witness and for cross-examination of Charter’s management. After a hotly contested evidentiary hearing, the Bankruptcy Court granted the TRO against Charter [Docket No. 25], finding that Charter had intentionally set out to deceive the Debtors’ customers and had violated both the Bankruptcy Code’s automatic stay and the Lanham Act.

31. Following the TRO, Katten attorneys began preparing for an action to obtain a preliminary injunction against Charter (the “Preliminary Injunction”). Katten thereafter engaged in written discovery and document production, including drafting and responding to document requests, Rule 30(b)(6) notices, and interrogatories, in addition to producing and reviewing documents and preparing for and defending or taking depositions. Katten attorneys spent significant time reviewing the Debtors’ internal records to protect the identities of the thousands of customers impacted by Charter’s false advertising campaign. Katten attorneys researched, drafted and filed the *Debtors’ Memorandum of Law in Support of a Preliminary Injunction Against Charter Communications, Inc. and Charter Communications Operating, LLC* [Docket No. 35] and the *Debtors’ Reply Memorandum of Law in Support of a Preliminary Injunction*

Against Charter Communications, Inc. and Charter Communications Operating, LLC [Docket No. 47], along with supporting declarations and evidence.

32. Following a contested hearing conducted on May 14, 2019, Katten attorneys successfully obtained a Preliminary Injunction against Charter [Docket No. 61]. In addition, the Bankruptcy Court ordered corrective advertising, requiring Charter to pay all of the Debtors' costs incurred in mailing a corrective mailer to persons who received the false advertising, informing them that Charter's advertising had been found by the Bankruptcy Court to be "untrue and improper."

Actual and Necessary Expenses Incurred by Katten

33. As set forth in **Exhibit I** attached hereto, and as summarized in **Exhibit F** attached hereto, Katten seeks reimbursement of a total of \$87,194 for expenses incurred on behalf of the Debtors during the Fee Period. These charges are intended to reimburse Katten's direct operating costs, which are not incorporated into Katten's hourly billing rates. Katten charges external copying and computer research at the provider's cost without markup. Only clients who actually use services of the types set forth in **Exhibit I** of this Fee Application are separately charged for such services. The effect of including such expenses as part of the hourly billing rates would impose that cost upon clients who do not require extensive photocopying and other facilities and services.

Reasonable and Necessary Services Provided by Katten

A. Reasonable and Necessary Fees Incurred in Providing Services to the Debtors

34. The foregoing professional services provided by Katten on behalf of the Debtors during the Fee Period were reasonable, necessary and appropriate to address Conflict Matters in these Chapter 11 Cases.

35. Many of the services performed by partners and associates of Katten were provided by Katten's Insolvency and Restructuring Practice. Katten has a prominent practice in this area and enjoys a national reputation for its specialized expertise. The attorneys at Katten have extensive experience acting as estate professionals in many large chapter 11 cases.

36. In addition, due to the facts and circumstances of these Chapter 11 Cases, and particularly the Charter Litigation, attorneys from Katten's Litigation Practice and Intellectual Property Practice were heavily involved with Katten's representation of the Debtors. These practice groups also enjoy national reputations for their skill and knowledge advising and advocating for their clients, who operate across the globe in virtually all market sectors. Overall, Katten brings to these Chapter 11 Cases a particularly high level of skill and knowledge, which inured to the benefit of the Debtors and all stakeholders.

B. Reasonable and Necessary Expenses Incurred in Providing Services to the Debtor

37. The time constraints imposed by the circumstances of these Chapter 11 Cases required Katten attorneys and other employees to devote substantial time during the evenings and on weekends to perform services on behalf of the Debtors. These services were essential to meet deadlines and otherwise provide professional services on an expedited timetable. Consistent with firm policy, and as further disclosed in the Retention Application, Katten attorneys and other Katten employees who worked late in the evenings or on weekends were reimbursed for their reasonable meal and transportation costs. Katten's regular practice is not to include components for those charges in overhead when establishing billing rates, but rather to charge its clients for these and all other out-of-pocket disbursements incurred during the regular course of the rendition of legal services.

38. In addition, due to the location of the Debtors' businesses and other parties-in-interest in relation to Katten's offices, frequent multi-party telephone conferences involving

numerous parties were required. The disbursements for such services are not included in Katten's overhead for the purpose of setting billing rates and Katten has made every effort to minimize its disbursements in these Chapter 11 Cases. The actual expenses incurred in providing professional services were necessary, reasonable and justified under the circumstances to serve the needs of the Debtors in these Chapter 11 Cases.

39. Among other things, Katten makes sure that all overtime meals, travel meals, hotel rates and airfares are reasonable and appropriate expenses for which to seek reimbursement.

40. Specifically, Katten regularly reviews its bills to ensure that the Debtors are only billed for services that were actual and necessary and, where appropriate, prorates expenses. In that regard, Katten will waive certain fees and reduce its expenses if necessary. Consequently, Katten does not seek payment of such fees or reimbursement of such expenses in the Fee Application.

Katten's Requested Compensation and Reimbursement Should be Allowed

41. Section 330 of the Bankruptcy Code provides that a court may award a professional employed under section 327 of the Bankruptcy Code "reasonable compensation for actual necessary services rendered . . . and reimbursement for actual, necessary expenses." 11 U.S.C. § 330(a)(1). Section 330 also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded, the court should consider the nature, extent, and the value of such services, taking into account all relevant factors, including—

- (a) the time spent on such services;
- (b) the rates charged for such services;
- (c) whether the services were necessary to the administration of, or beneficial at the time at which

the service was rendered toward the completion of, a case under this title;

- (d) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed; and
- (e) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11. U.S.C. § 330(a)(3).

42. Katten respectfully submits that the services for which it seeks compensation in this Fee Application were, at the time rendered, necessary for and beneficial to the Debtors and their estates and were rendered to protect and preserve the Debtors' estates. Katten further believes that it performed the services for the Debtors economically, effectively and efficiently, and the results obtained benefited not only the Debtors, but also the Debtors' estates and the Debtors' constituents. Katten further submits that the compensation requested herein is reasonable in light of the nature, extent and value of such services to the Debtors, their estates and all parties-in-interest.

43. During the Fee Period, Katten's hourly billing rates for attorneys ranged from \$440 to \$1,220. The hourly rates and corresponding rate structure utilized by Katten in these Chapter 11 Cases are equivalent to the hourly rates and corresponding rate structure used by Katten for restructuring, workout, bankruptcy, insolvency and comparable matters, and similar complex corporate and litigation matters, whether in court or otherwise, regardless of whether a fee application is required. Katten strives to be efficient in the staffing of matters. These rates and the rate structure reflect that such matters are typically national in scope and involve great complexity, high stakes and severe time pressures—all of which were present in these Chapter 11 Cases.

44. Moreover, Katten's hourly rates are set at a level designed to compensate Katten fairly for the work of its attorneys and paraprofessionals and to cover certain fixed and routine overhead expenses. Hourly rates vary with the experience and seniority of the individuals assigned. These hourly rates are subject to periodic adjustments to reflect economic and other conditions and are consistent with the rates charged elsewhere.

45. In sum, Katten respectfully submits that the professional services provided by Katten on behalf of the Debtors and their estates during these Chapter 11 Cases were necessary and appropriate given the complexity of these Chapter 11 Cases, the time expended by Katten, the nature and extent of Katten's services provided, the value of Katten's services, and the cost of comparable services outside of bankruptcy, all of which are relevant factors set forth in section 330 of the Bankruptcy Code. Accordingly, Katten respectfully submits that approval of the compensation sought herein is warranted and should be approved.

Reservation of Rights

46. It is possible that some professional time expended or expenses incurred during this Fee Period are not reflected in this Fee Application. Katten reserves the right to include such amounts in future fee applications.

Notice

47. The Debtors have provided notice of this Fee Application to: (a) the entities on the Master Service List (as defined in the Case Management Order and available on the Debtors' case website at www.kccllc.net/windstream) and (b) any person or entity with a particularized interest in the subject matter of the Fee Application. The Debtors respectfully submit that no other or further notice is necessary.

No Prior Request

48. No prior application for the relief requested herein has been made to this or any other court.

WHEREFORE, Katten respectfully requests that the Bankruptcy Court enter an order (a) awarding Katten interim compensation for professional and paraprofessional services rendered during the Fee Period in the amount of \$2,019,102, and reimbursement of actual, reasonable and necessary expenses incurred in the Fee Period in the amount of \$87,194; (b) authorizing and directing the Debtors to remit payment to Katten for such fees and expenses; and (c) granting such other relief as is appropriate under the circumstances.

- c) the total fees sought do not exceed the fees budgeted in the budget and staffing plan;
- d) Katten did not increase hourly rates from those disclosed in the Retention Application during the Fee Period;
- e) Katten is seeking compensation with respect to the 38.2 hours and \$19,016.50 in fees spent reviewing and revising time records, preparing, reviewing and revising invoices, and redacting privileged and confidential information from time records;³
- f) in providing a reimbursable expense, Katten does not make a profit on that expense, whether the service is performed by Katten in-house or through a third party;

² Capitalized terms used but not otherwise defined herein shall have the meaning as set forth in the Fee Application.

³ This is limited to work involved preparing and editing billing records that would not be compensable outside of bankruptcy and does not include reasonable fees for preparing this Fee Application.

- g) in accordance with Bankruptcy Rule 2016(a) and section 504 of the Bankruptcy Code, no agreement or understanding exists between Katten and any other person for the sharing of compensation to be received in connection with the Debtors' Chapter 11 Cases except as authorized pursuant to the Bankruptcy Code, Bankruptcy Rules, and Local Bankruptcy Rules;
- h) all services for which compensation is sought were professional services on behalf of the Debtors and not on behalf of any other person.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.

Re: **Engagement Agreement**

Dear Kristi:

We are pleased to have the opportunity to represent Windstream Holdings, Inc. and its debtor affiliates to the extent requested by the client (the "Client") with regard to providing advice and representation as co-counsel in connection with a potential in-court restructuring and such other matters as the Client may request and the Firm may agree to handle (the "Matters"). Kirkland & Ellis LLP will be serving as lead counsel. This letter and the enclosed Terms of Engagement which contains a provision on conflicts of interest, describe the basis on which the Firm provides legal services.

I will be the lawyer at the firm with the primary responsibility for the Matter and understand that it is your expectation, as well as my own intention, that I be involved in managing all aspects of this engagement. I will be assisted by such other partner(s), associate(s), and other member(s) of the Firm as appropriate. As indicated in the Terms of Engagement, our fees are based upon our hourly rates unless otherwise noted herein.

Please review the Terms of Engagement, with the assistance of independent counsel if you wish, and let me know if you have any questions about them. If all the terms are satisfactory, please indicate your consent by signing this letter and returning it to me. However, your continuing instructions in this matter will amount to your acceptance of the terms of this letter, including the Terms of Engagement (collectively the "Terms"). All parties to this agreement agree that a digital signature shall be effective to prove each party's agreement to the Terms. Furthermore, the parties agree that the Terms may be proven through an electronic copy in digital format, and that no "original" hard-copy document need be retained to prove the Terms.

Upon your commencement of a restructuring case under Chapter 11 of the U.S. Bankruptcy Code, your ongoing employment of the Firm will be subject to the approval of the

court with jurisdiction over the bankruptcy petition. If necessary, the Firm will take steps to prepare the disclosure materials required in connection with the Firm's retention as restructuring co-counsel/ efficiency counsel. If necessary, the Firm will prepare a preliminary draft of a schedule describing the Firm's relationships with certain interested parties. The Firm will then give you a draft of this schedule once it is available. Even if the Firm does not believe that these relationships constitute actual conflicts of interest, these relationships must be described and disclosed in your application to the court to retain the Firm. If in the Firm's determination a conflict of interest arises in your Chapter 11 case requiring separate conflicts counsel, then you will be required to use separate conflicts counsel in those matters. Further, you understand, acknowledge, and agree that in connection with a Chapter 11 case, if you have not objected to the payment of a Firm invoice or to a Firm fee and expense application, have in fact paid such invoice, or have approved such fee and expense application, then you waive your right to subsequently object to the payment of fees and expenses covered by such invoice or fee application. You should also be aware that, under applicable law, in the event a trustee or examiner is appointed in any Chapter 11 case or a trustee is appointed in a superseding Chapter 7 case, the trustee or examiner may waive the attorney-client privilege as to otherwise privileged communications between the Firm and your representatives.

Upon your commencement of a restructuring case under Chapter 11 of the Bankruptcy Code, the Firm will comply with the United States Trustee's guidelines for fees and expenses, notwithstanding any terms herein to the contrary. In the event of a bankruptcy filing, the Bankruptcy Code will rule and override Section VIII of the Terms of Engagement regarding arbitration.

A schedule of the Firm's standard hourly rates is annexed as Exhibit A. The Firm's disbursements that are billed on a per-unit basis are annexed as Exhibit B. The Firm's wiring instructions are annexed as Exhibit C and the Firm's W-9 Taxpayer Certification is annexed as Exhibit D.

KATTEN MUCHIN ROSENMAN LLP
TERMS OF ENGAGEMENT

The information below describes the terms that apply to the legal services provided for you by Katten Muchin Rosenman LLP (the "Firm"). We encourage you to discuss any of these Terms with us at any time. If modifications to the Terms are needed, you should discuss that with us so that agreement on changes can be reached and reduced to writing. All references to "you" or "your" means only the client or clients identified in our engagement letter. **Individuals or entities that are related to or affiliated with you, such as partners, officers, directors, stockholders, parent companies, related companies, or family members, are not clients, unless we otherwise agree in writing.**

I. Scope of Representation. The scope of the work we will do for you is limited to the description stated in our engagement letter. Any changes or additions to the scope of our work, which we would be pleased to consider, must be agreed to and memorialized by letter or email. Unless that description states otherwise, **our engagement does not include responsibility for:** (1) review of your insurance policies to determine the possibility of coverage for our fees and costs or for the claim asserted against you, (2) notification of your insurance carriers about a matter, (3) advice to you about your disclosure obligations concerning a matter under the federal securities laws or any other applicable law, or (4) advice to you about tax issues that relate to a matter. If we agree to represent you in additional matters, we will do so in writing by letter or email, and the Terms of our engagement will remain the same for these additional matters unless changed by agreement in writing.

Additionally, if in response to your request or by requirement of lawful process we: testify; gather and/or produce documents; respond to document hold or production requests; or respond to any other requests in connection with possible, threatened or actual proceedings commenced by third parties that relate to our representation of you, you agree to pay us our reasonable fees and costs incurred.

II. Staffing. Steven J. Reisman will have the primary responsibility for our relationship. We assign additional lawyers and other personnel when needed based upon the type of work and the appropriate experience level required.

III. Client Responsibilities. You agree to provide us with all information that we believe is necessary or appropriate to fulfill our professional responsibilities in this matter and to cooperate with us in matters such as fact investigation, preparation of pleadings, discovery responses, settlement conferences, etc. You will designate one or more persons to give us instructions and authority to receive our requests and inquiries. You further agree that without our express written consent, you will not use our name or the fact of your engagement of us in any form of advertising or solicitation of business.

IV. Financial Arrangements.

A. Fees and Expenses. Our fees are based primarily upon the hourly rates of our lawyers and other personnel in effect when the services are performed. These rates change periodically based upon economic factors and the experience level of our

personnel. In determining the amount of our fee, we may also consider and adjust our total fee based on other factors, including the novelty and difficulty of the issues involved, the amount involved and the results obtained, and the time limits, if any, imposed by you or by the circumstances of the engagement. We are affiliated with Katten Muchin Rosenman UK LLP of London, England, and if we obtain advice or services on your behalf from that firm, we will include their time and expenses on our bill.

Expenses include items such as consultants, experts, filing fees, court reporting fees, travel costs, overnight or other special mail services, messenger services, photocopies, long distance telephone, outgoing faxes, research service charges (e.g., LEXIS), secretarial and other staff overtime charges (when required to meet the needs of the matter), and other special services such as document imaging. Certain of these charges are adjusted to include administrative and overhead expenses incurred by the Firm to provide the billed service. With respect to costs incurred and payable to third parties, such as court reporters or experts, it is our usual policy to forward those bills to you for payment directly to the third party, and you agree to pay those fees directly to the provider. As an accommodation to you, however, we may advance those costs on your behalf and include them in our monthly bills. Some large disbursements may be forwarded to you for direct payment. Some charges may not be in the system at the time of monthly billing and will appear on a later bill.

B. Fee Deposits. The amount of any fee deposit required in this engagement, if any, is set forth in the engagement letter, which is not an estimate of the total costs of the representation, nor is it a maximum fee. This fee deposit will be deposited in the Firm's client retainer trust account and will be used to pay our fees and expenses when they come due. We will pay our monthly invoices using the fee deposit when earned, unless you already have paid the invoice or dispute the amount of our invoice before that time. You agree that you will maintain the fee deposit balance at the amount agreed in the engagement letter. Accordingly, while we will pay our invoices from the fee deposit as set forth above, you agree to maintain the agreed balance by either paying each invoice within 20 days of mailing or by replenishing the fee deposit in a like amount. In the event our fees and expenses exceed the retainer deposited with us, we will bill you for the excess. We may, as an accommodation to you, agree to waive the fee deposit if our invoices are timely paid. In the event we do so, however, you agree that we may request replenishment of the fee deposit at any time, should we determine that to be necessary, in our sole discretion. We may also request, and you agree to provide, additional fee advances from time to time based on our estimates of future work to be undertaken. If you fail to maintain the balance of the fee deposit when requested or to pay promptly any additional fees requested, we reserve the right to cease performing further work and withdraw from the representation.

C. Billing and Payment. We generally forward our statements monthly. The statements will include a brief description of the work performed, the date the work was performed, the time required to do the work, and the expenses incurred. Payment is due promptly upon receipt of our statement. We reserve the right to terminate our representation of clients who do not pay promptly. We do not and cannot guarantee the

outcome of any matter, and payment of our fees and disbursements is not conditioned on any particular outcome.

V. Electronic Communication. The use of email can be an efficient means of communication, and we use it often in communicating with clients. Some clients also use instant messaging as a means of communication. However, these electronic communications can be delayed or blocked (for example, by anti-spam software) or otherwise not transmitted. You must not assume that an email or instant message sent to us was actually opened and read by us unless you receive a non-automated reply message indicating that we have read your message.

VI. Responses to Auditors' Inquiries. We are frequently asked to provide information to auditing firms regarding client legal matters and we respond to those inquiries with the same level of care and professionalism used to handle the client's other legal work. We will accordingly charge for those services at the same rates. When you make a written request that we provide information to an auditing firm, we will deem your request to be your consent for us to disclose the requested information on your behalf. Additionally, when an auditing firm makes a written request for information on your behalf, that request will be deemed to be your consent for us to disclose that information to the auditing firm.

VII. Conflicts of Interest Issues. As you know, we are a large general services law firm with many clients and with offices located in Austin, Texas; Charlotte, North Carolina; Chicago, Illinois; Dallas, Texas; Houston, Texas; Irving, Texas; Los Angeles, California (Century City and Downtown); New York, New York; Orange County, California; San Francisco Bay Area, California; Washington D.C.; and Shanghai, China, and we have an affiliate in London, England. It is possible that, during the course of our engagement, an existing or future client may seek to hire the Firm in connection with an actual or potential transaction or pending or potential litigation or other dispute resolution proceeding in which such other client's interests are or potentially may become adverse to your interests.

Because the duty of loyalty would otherwise prevent the Firm from being adverse to a current client, rules of professional conduct prevent the Firm from accepting such engagements during the Firm's representation of you absent informed consent by you and the waiver of the duty of loyalty. In particular, the Firm often represents parties in restructuring and insolvency matters, both in- and out-of-court. By agreeing to these Terms of Engagement, you waive the duty of loyalty insofar as it would be applicable and agree that, even while the Firm is representing you, and at all times thereafter, the Firm may represent existing or new clients in any matter that is not substantially related to our work for you, even if the interests of such clients are adverse to yours (whether or not you are then represented by the Firm), or any of your affiliates, including litigation in which you or any of your affiliates are parties. This waiver also is intended to allow the Firm to examine or cross-examine you (and/or your employees and agents) on behalf of existing or new clients in other proceedings (including but not limited to proceedings to which you are not a party) provided the other matter is not substantially related to our representation of you. Notwithstanding this consent and waiver, the Firm will not undertake such representation unless we first reasonably determine that we will be able to provide competent and diligent representation to both of the affected clients. We also will continue to maintain the confidentiality of the confidential information you provide to us in the course of the Firm's

engagement by you, and will not use such information for any purpose except for the benefit of, and on behalf of, you without your written consent.

Potential adverse consequences may result from the Firm's representing parties that are adverse to you. These may include a perception that the Firm's loyalty and independence of judgment with respect to you are impaired. Also, the Firm's representation of parties adverse to you may come at a time when it would harm your interests to terminate the services of the Firm, or after expenditures of fees and costs to the Firm that might need to be replicated by new counsel. The Firm encourages you to have this conflicts waiver reviewed by independent counsel acting on your behalf before agreeing to these Terms of Engagement.

Further, in the course of our representation of you, it may be necessary for our lawyers to analyze or address their professional duties or responsibilities or those of the Firm, and to consult with the Firm's General Counsel, Deputy General Counsel, Conflicts Counsel, or other lawyers in doing so. To the extent we are addressing our duties, obligations or responsibilities to you in those consultations, it is possible that a conflict of interest might be deemed to exist as between our Firm and you. As a condition of this engagement, you waive any conflict of interest that might be deemed to arise out of any such consultations. You further agree that these consultations are protected from disclosure by the Firm's attorney-client privilege. Nothing in the foregoing shall diminish or otherwise affect our obligation to keep you informed of material developments in your representation, including any conclusions arising out of such consultations to the extent that they affect your interests.

VIII. Arbitration of Disputes. You acknowledge having reviewed a copy of Part 137 of the Rules of the Chief Administrator of the Courts of New York (available at <http://www.courts.state.ny.us/admin/feedispute/137.pdf> or upon request from us) which provides a mechanism for resolution of fee disputes between us using a particular arbitration procedure and forum; you have a right to select this mechanism for the resolution of fee disputes between us under this letter agreement unless you waive that right. You hereby waive that right, and you and we instead agree upon the following: If any dispute, controversy or claim directly or indirectly relating to or arising out of this agreement, work we perform for you or the fees charged by us or your failure to pay such fees you agree that such dispute shall be submitted to binding arbitration with JAMS in New York, New York under the JAMS Comprehensive Arbitration Rules and Procedures. The arbitrator shall have no authority to award punitive damages or to treble or otherwise multiply actual damages. The award in the arbitration shall be final and binding and judgment thereon may be entered and enforced in any court of competent jurisdiction. The costs and expenses (including reasonable attorney's fees of the prevailing party) shall be borne and paid by the party that the arbitrator, or arbitrators, determine is the non-prevailing party. You agree and consent to personal jurisdiction, service of process and venue in any federal or state court within the State of New York in connection with any action brought to enforce an award in arbitration. You further agree that service of process may be made upon you by Katten Muchin Rosenman LLP by causing process to be delivered to you at the above address (or such other address of which you hereafter shall advise us in writing) by registered or certified mail, return receipt requested.

IX. Conclusion of Representation. Our representation of you will terminate when we send you our final statement for services rendered in this matter. We may also terminate our

representation for any reason consistent with rules of professional responsibility, including conflicts of interest or your failure to pay our fees and expenses. Our representation may also be terminated upon your request. Following termination, any nonpublic information you have supplied to us which is retained by us will be kept confidential in accordance with applicable rules of professional responsibility. Once our representation is concluded, we will not be obligated to take any steps such as keeping track of deadlines, filing papers, pursuing appeals, or monitoring or advising you about changes in the law or circumstances that might bear upon the concluded matter.

X. Disposition of Client Files. Upon conclusion of your representation, we may return to you your original papers, documents and/or other property that you provided to the Firm during our engagement. You agree to accept the return of such documents and/or property. If you so request, we will also provide to you, at your expense, copies or originals of your complete file. We reserve the right to make, at our expense, copies of all documents generated or received by us in the course of our representation of you. The Firm will not provide copies or originals of the Firm Administrative or Matter Administration files pertaining to the matter, which will be retained by the Firm. All such documents retained by the Firm, including client files (including any original documents and/or property that we attempted unsuccessfully to return to you) and Firm Administrative or Matter Administration files, will be transferred to the person responsible for administering our records retention program. For various reasons, including the minimization of unnecessary storage expenses, we reserve the right to destroy or otherwise dispose of any documents or other materials retained by us within a reasonable time, but not less than seven (7) years after the matter is closed.

Voluntary Rate Disclosures

In re Windstream Holdings, Inc., et al.
Bankruptcy Case No. 19-22312 (RDD) (Jointly Administered)

Voluntary Rate Disclosures

- The blended hourly rate for Katten timekeepers in the New York, Washington, D.C. and Los Angeles offices (including both professionals and paraprofessionals) who billed to non-bankruptcy matters (collectively, the “Non-Bankruptcy Matters”)¹ during the period beginning on July 1, 2018 and ending on June 30, 2019 (the “Comparable Period”) was, in the aggregate, approximately \$650 per hour (the “Non-Bankruptcy Blended Hourly Rate”).²
- The blended hourly rate for all Katten timekeepers (including both professionals and paraprofessionals) who billed to the Debtors during the Fee Period was approximately \$770 per hour (the “Debtor Blended Hourly Rate”).³
- A detailed comparison of these rates is as follows:

Position at Katten	Debtor Blended Hourly Rate for this Fee Application⁴	Non-Bankruptcy Blended Hourly Rate
Partners	\$ 963.79	\$ 812.00
Counsel	N/A	685.00
Associates	556.51	514.00
Paraprofessionals	208.66	236.00
Total Combined Blended Rate	\$ 770.07	\$ 650.00

¹ It is the nature of Katten’s practice that certain non-bankruptcy engagements require the advice and counsel of professionals and paraprofessionals who work primarily within Katten’s Insolvency and Restructuring Practice. Accordingly, “Non-Bankruptcy Matters” consist of matters for which Katten’s domestic timekeepers represented a client in a matter other than an in-court bankruptcy proceeding. Moreover, the Non-Bankruptcy Matters may include time billed by Katten domestic timekeepers who work primarily within Katten’s Insolvency and Restructuring Practice.

² Katten calculated the blended rate for Non-Bankruptcy Matters by dividing the *total dollar amount billed* by Katten timekeepers in the New York, Washington, D.C. and Los Angeles offices to the Non-Bankruptcy Matters during the Comparable Period by the *total number of hours billed* by Katten timekeepers in the New York, Washington, D.C. and Los Angeles offices to the Non-Bankruptcy Matters during the Comparable Period.

³ Katten calculated the blended rate for timekeepers who billed to the Debtor by dividing the *total dollar amount billed* by such timekeepers during the Fee Period by the *total number of hours billed* by such timekeepers during the Fee Period.

⁴ These amounts do not reflect fees written off for time incurred by attorneys and paraprofessionals billing less than three hours during the Fee Period.

Declaration”), which is attached hereto as **Exhibit A** and incorporated herein by reference. In further support of this Fee Application, Katten respectfully states as follows:

Preliminary Statement

1. During the Fee Period, Katten professionally, diligently and efficiently advised the Debtors on a variety of complex matters and issues, including but not limited to:

- a. conducting extensive fact and expert discovery in connection with the Debtors’ adversary proceeding (the “Charter Adversary Proceeding”) against Charter Communications, Inc. and Charter Communications Operating, LLC (collectively, “Charter”), including analyzing and responding to hundreds of document requests, requests for admission and interrogatories, reviewing and analyzing thousands of documents produced by the respective parties, and taking and defending eleven depositions;
- b. seeking and obtaining relief from the Bankruptcy Court on numerous discovery disputes in the Charter Adversary Proceeding;
- c. researching, drafting and filing multiple pleadings in the Bankruptcy Court in connection with the Charter Adversary Proceeding, as well as the District Court in connection with Charter’s motion to withdraw the reference;
- d. drafting and serving subpoenas in the *Windstream Holdings, Inc. v. Uniti Group Inc.* adversary proceeding (the “Uniti Adversary Proceeding”) and responding to all objections thereto; and
- e. advising the Debtors with respect to the foregoing matters and communicating with other professionals in these Chapter 11 Cases regarding same.

2. With respect to each of these matters and as described in further detail below, the professional services rendered by Katten were reasonable, necessary and appropriate. In light of the complexity of the issues involved and the significant time constraints imposed in the Debtors’ chapter 11 cases (the “Chapter 11 Cases”), Katten maintained a team of highly-qualified attorneys that completed the tasks with which they were charged in an efficient and

effective manner. Accordingly, Katten respectfully requests that the Bankruptcy Court grant the relief requested herein.

Jurisdiction and Bases for Relief

3. The United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference from the United States District Court for the Southern District of New York*, dated February 1, 2012. The Debtors confirm their consent, pursuant to rule 7008 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), to the entry of a final order by the Bankruptcy Court in connection with this Fee Application to the extent that it is later determined that the Bankruptcy Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

4. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

5. The bases for the relief requested herein are sections 330 and 331 of title 11 of the Bankruptcy Code, Bankruptcy Rule 2016, Rule 2016-1(a) of the Local Rules for the United States Bankruptcy Court for the Southern District of New York (the “Local Rules”), standing General Order M-447, *Amended Guidelines for Fees and Disbursements for Professionals in Southern District of New York Bankruptcy Cases* (Bankr. S.D.N.Y. Jan. 23, 2013) (the “Local Guidelines”), the *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Retained Professionals* (the “Interim Compensation Order”) [Docket No. 374] and the *Order Authorizing the Retention and Employment of Katten Muchin Rosenman LLP as Conflicts Counsel to the Debtors Effective Nunc Pro Tunc to the Petition Date* (the “Retention Order”) [Docket No. 369].

Background

A. The Bankruptcy Filing and General Case Background

6. The Debtors are a leading provider of advanced network communications and technology solutions for businesses across the United States. The Debtors also offer broadband, entertainment and security solutions to consumers and small businesses primarily in rural areas in 18 states. Additionally, the Debtors supply core transport solutions on a local and long-haul fiber network spanning approximately 150,000 miles and have over 11,000 employees.

7. On February 25, 2019 (the “Petition Date”), each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. A detailed description of certain facts and circumstances surrounding these Chapter 11 Cases is set forth in the *Declaration of Tony Thomas, Chief Executive Officer and President of Windstream Holdings, Inc., (I) in Support of Debtors’ Chapter 11 Petitions and First Day Motions and (II) Pursuant to Local Bankruptcy Rule 1007-2* (the “First Day Declaration”) [Docket No. 27], filed on the Petition Date.

8. The Debtors’ Chapter 11 Cases have been consolidated for procedural purposes only and are being jointly administered pursuant to Bankruptcy Rule 1015(b) [Docket No. 56]. The Debtors continue to operate their business and manage their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On March 12, 2019, the United States Trustee for the Southern District of New York appointed the creditors’ committee (the “UCC”) pursuant to section 1102 of the Bankruptcy Code [Docket No. 136].

9. On April 22, 2019, the Bankruptcy Court entered the Interim Compensation Order, which sets forth the procedures for interim compensation and reimbursement of expenses for all estate professionals in these Chapter 11 Cases.

B. The Debtors' Retention of Katten

10. On March 26, 2019, the Debtors filed the *Application for Entry of an Order Authorizing the Retention and Employment of Katten Muchin Rosenman LLP as Conflicts Counsel for the Debtors and Debtors in Possession Effective Nunc Pro Tunc to the Petition Date* (the "Retention Application") [Docket No. 194]. On April 22, 2019, the Bankruptcy Court entered the Retention Order, which is attached hereto as **Exhibit B**.

11. The Retention Order authorizes Katten to provide the Debtors with the professional services as described in the Retention Application and the terms of Katten's engagement letter between Katten and the Debtors (the "Engagement Letter"), which is dated as of February 24, 2019 and attached to the Retention Order as Exhibit 1. Specifically, but without limitation, the Retention Order authorizes Katten to render the following legal services where Kirkland and Ellis LLP ("K&E") has an actual or perceived conflict of interest or where the Debtors believe it would be more efficient or economical for Katten to handle the matter:

- a. advising the Debtors with respect to their powers and duties as debtors in possession in the continued management and operation of their businesses and properties;
- b. advising and consulting on their conduct during these Chapter 11 Cases, including all of the legal and administrative requirements of operating in chapter 11;
- c. attending meetings and negotiating with representatives of creditors and other parties in interest;
- d. taking all necessary actions to protect and preserve the Debtors' estates, including prosecuting actions on the Debtors' behalf, defending any action commenced against the Debtors, and representing the Debtors in negotiations concerning litigation in which the Debtors are involved, including objections to claims filed against the Debtors' estates;
- e. preparing pleadings in connection with these Chapter 11 Cases, including motions, applications, answers, orders, reports and papers necessary or otherwise beneficial to the administration of the Debtors' estates;

- f. representing the Debtors in connection with obtaining authority to continue using cash collateral and postpetition financing;
- g. advising the Debtors in connection with any potential sale of assets;
- h. appearing before the Court and any appellate courts to represent the interests of the Debtors' estates;
- i. advising the Debtors regarding tax matters;
- j. taking any necessary action on behalf of the Debtors to negotiate, prepare, and obtain approval of a disclosure statement and confirmation of a chapter 11 plan and all documents related thereto; and
- k. performing all other necessary legal services for the Debtors in connection with the prosecution of these Chapter 11 Cases, including: (i) analyzing the Debtors' leases and contracts and the assumption and assignment or rejection thereof; (ii) analyzing the validity of liens against the Debtors; and (iii) advising the Debtors on corporate and litigation matters.

C. Disinterestedness of Katten

12. As disclosed in the *Declaration of Steven J. Reisman in Support of the Debtors' Application for Entry of an Order Authorizing the Retention and Employment of Katten Muchin Rosenman LLP as Conflicts Counsel for the Debtors and Debtors in Possession Effective Nunc Pro Tunc to the Petition Date*, attached as Exhibit B to the Retention Application (the "Declaration of Disinterestedness") (a) Katten is a "disinterested person" within the meaning of section 101(14) of the Bankruptcy Code, as required by section 327(a) of the Bankruptcy Code, and does not hold or represent an interest adverse to the Debtors' estates, and (b) Katten has no connection to the Debtors, their creditors, or other parties in interest, except as may be disclosed in the Declaration of Disinterestedness.

13. Katten may have in the past represented, may currently represent and likely in the future will represent parties in interest in connection with matters unrelated to the Debtors in these Chapter 11 Cases. In the Declaration of Disinterestedness, Katten disclosed its connections to parties in interest that it has been able to ascertain using its reasonable efforts. Katten

disclosed additional connections to parties in interest in the *First Supplemental Declaration of Steven J. Reisman in Support of the Debtors' Application for Entry of an Order Authorizing the Retention and Employment of Katten Muchin Rosenman LLP as Conflicts Counsel for the Debtors and Debtors in Possession Effective Nunc Pro Tunc to the Petition Date* (the "Supplemental Reisman Declaration of Disinterestedness") [Docket No. 811], filed on July 15, 2019 and the *Declaration of Shaya Rochester in Support of the Debtors' Application for Entry of an Order Authorizing the Retention and Employment of Katten Muchin Rosenman LLP as Conflicts Counsel for the Debtors and Debtors in Possession Effective Nunc Pro Tunc to the Petition Date* (the "Rochester Declaration of Disinterestedness") [Docket No. 1020], filed on September 11, 2019. Katten will update the Declaration of Disinterestedness, as appropriate, if Katten becomes aware of relevant and material new information.

14. Katten performed the services for which it is seeking compensation on behalf of the Debtors and their estates, and not on behalf of any committee, creditor, or other entity.

15. Katten has received no payment and no promises for payment from any source other than the Debtors for services provided in any capacity whatsoever in connection with these Chapter 11 Cases.

16. Pursuant to Bankruptcy Rule 2016(b), Katten has not shared, nor has Katten agreed to share (a) any compensation it has received or may receive with another party or person other than with the partners, counsel, and associates of Katten or (b) any compensation another person or party has received or may receive.

Summary of Compliance with Interim Compensation Order and Fee Examiner Protocol

17. This Fee Application has been prepared in accordance with the Interim Compensation Order.

18. Katten seeks interim compensation for professional services provided to the Debtor during the Fee Period in the amount of \$1,622,620 and reimbursement of actual and necessary expenses incurred in connection with providing such services in the amount of \$39,829.52. During the Fee Period, Katten attorneys and paraprofessionals expended a total of 2,184.60 hours for which compensation is requested.²

19. In accordance with the Interim Compensation Order, as of the date hereof, Katten has received payments in the amount of \$1,339,939.12 of which \$1,300,109.60 was for services provided and \$39,829.52 of which was for reimbursement of expenses for the Fee Period. Accordingly, by this Fee Application, and to the extent such amounts have not been paid by the time of the hearing on this Fee Application, Katten seeks payment of the remaining \$322,510.40 which amounts represent the unpaid fees and expenses incurred during the Fee Period.

Fees and Expenses Incurred During Fee Period

A. Customary Billing Disclosures.

20. Katten's hourly rates are set at a level designed to compensate Katten fairly for the work of its attorneys and paraprofessionals and to cover fixed and routine expenses. The hourly rates and corresponding rate structure utilized by Katten in these Chapter 11 Cases are equivalent to the hourly rates and corresponding rate structure used by Katten for other restructuring matters, as well as similar complex corporate and litigation matters whether in court or otherwise, regardless of whether a fee application is required. The rates and rate structure reflect that such restructuring and other complex matters typically are national in scope and typically involve great complexity, high stakes, and significant time pressures. For the convenience of the Bankruptcy Court and all parties in interest, attached hereto as attached

² As a courtesy to the Debtors' estates, Katten voluntarily wrote off the time incurred by attorneys and paraprofessionals billing less than three hours during the Fee Period and consequently does not seek payment of these fees (in the aggregate amount of \$2,517) in this Fee Application.

hereto as **Exhibit C** is Katten's budget and staffing plan for the Fee Period, and attached hereto as **Exhibit D** is a summary of blended hourly rates for all non-bankruptcy domestic timekeepers who billed to non-bankruptcy matters and blended hourly rates for timekeepers who billed to the Debtors during the Fee Period.

B. Fees Incurred During Fee Period.

21. In the ordinary course of Katten's practice, Katten maintains computerized records of the time expended to render the professional services required by its client. For the convenience of the Bankruptcy Court and all parties in interest, attached hereto as **Exhibit E** is a summary of fees incurred and hours expended during the Fee Period, setting forth the following information:

- a. the name of each attorney and paraprofessional for whose work on these Chapter 11 Cases compensation is sought;
- b. each attorney's year of bar admission and area of practice concentration;
- c. the hourly billing rate for each attorney and each paraprofessional;
- d. the total hours billed by each attorney and each paraprofessional during the Fee Period; and
- e. a calculation of total compensation requested using the rates disclosed in the Fee Application.

C. Expenses Incurred During Fee Period.

22. In the ordinary course of Katten's practice, Katten maintains a record of expenses incurred in the rendition of the professional services required by the Debtors and for which reimbursement is sought. Katten currently charges \$0.10 per page for standard black and white duplication and \$0.25 per page for color duplication. Katten does not charge its clients for incoming facsimile transmissions.

23. For the convenience of the Bankruptcy Court and all parties in interest, attached hereto as **Exhibit F** is a summary setting forth the total amount of reimbursement sought with respect to each category of expenses for which Katten is seeking reimbursement.

Summary of Legal Services Rendered During the Fee Period

24. As discussed above, during the Fee Period, Katten provided extensive and important professional services to the Debtors in connection with these Chapter 11 Cases. These services were often performed under severe time constraints and were necessary to address a multitude of critical issues both unique to these Chapter 11 Cases and typically faced by large corporate debtors in similar cases of this magnitude and complexity.

25. To provide a meaningful summary of the services rendered by Katten to the Debtors and their estates, Katten has established, in accordance with its internal billing procedures, certain subject matters categories (each, a “Matter Category”) in connection with these Chapter 11 Cases. A schedule setting forth a description of the Matter Categories utilized in these Chapter 11 Cases, the number of hours expended by Katten partners, associates and paraprofessionals by matter, and the aggregate fees associated with each matter is attached hereto as **Exhibit G**.

26. **Exhibit H** is a comparison of the hours and fees budgeted for each Matter Category to which Katten professionals and paraprofessionals billed time during the Fee Period against the hours and fees for which Katten seeks compensation for during the Fee Period. In addition, Katten’s computerized records of time expended providing professional services to the Debtors and expenses are attached hereto as **Exhibit I**.

27. The following is a summary of the most significant professional services provided by Katten in each Matter Category organized in accordance with Katten’s internal system of matter numbers for these Chapter 11 Cases. The detailed descriptions demonstrate that Katten

was heavily involved in performing services for the Debtors on a daily basis, often including night and weekend work, to meet the needs of the Debtors' estates in these Chapter 11 Cases.

(a) **Adversary Proceedings, Contested Matter [Matter No. 7]**

Total Fees: \$93,385
Total Hours: 122.20

28. This Matter Category includes time spent by Katten attorneys and paraprofessionals on certain Conflict Matters that were contested during the Fee Period. Specifically, Katten attorneys spent time advising the Debtors during settlement negotiations with Frontier Communications Corporation ("Frontier"). This also included assessing Frontier's claims against the Debtors and the Debtors' claims against Frontier. Katten attorneys were able to successfully negotiate the *Stipulation and Order Further Extending Bar Date to File a Proof of Claim for Frontier Communications Corporation* [Docket No. 1149], which further extended Frontier's bar date, thereby giving the Debtors and Frontier additional time to continue settlement discussions in a productive manner.

29. Additionally, in connection with the Uniti Adversary Proceeding, Katten attorneys drafted and served several subpoenas on, and negotiated the scope of document requests with, interested parties in the Uniti Adversary Proceeding. The documents and information produced in response to these subpoenas allowed the Debtors to further build its case against Uniti in an efficient manner.

(b) **Charter Litigation [Matter No. 8]**

Total Fees: \$1,456,985.50
Total Hours: 1,918.40

30. This Matter Category includes time spent by Katten attorneys and paraprofessionals in connection with the Charter Adversary Proceeding. During the Fee Period, Charter served extensive discovery on the Debtors. Specifically, during the Fee Period, Katten

responded to nearly 100 requests for production of documents, nearly 100 requests for admissions and four sets of interrogatories. Additionally, Katten attorneys sought discovery from Charter, drafting interrogatories and reviewing over 5,000 documents produced by Charter. Katten attorneys also spent considerable time preparing for and defending or taking eleven depositions across the country.

31. Many of Charter's discovery requests were beyond the scope of the adversary proceeding, requiring Katten attorneys to spend many hours disputing Charter's requests. Twice Charter sought leave from the Bankruptcy Court to obtain Windstream's confidential customer lists from both the Debtors and their Claims and Noticing Agent, Kurtzman Carson Consultant LLC ("KCC"). Katten attorneys successfully argued at both teleconferences with the Court, including quashing Charter's subpoena against KCC, thereby preserving the confidentiality of Windstream's customers.

32. Charter also filed a *Motion to Withdraw the Automatic Reference on Counts I through V of Windstream's Complaint* [Case No. 19-09354, Dkt. No. 1] (the "Motion to Withdraw the Reference") in the United States District Court for the Southern District of New York (the "District Court"). Charter's Motion to Withdraw the Reference has required Katten attorneys to litigate separate proceedings simultaneously against Charter in both the Bankruptcy Court and the District Court.

33. Toward the end of the Fee Period, Katten began preparing for the next stage of this litigation—moving for summary judgment, opposing Charter's Motion for Judgment on the Pleadings filed in the Bankruptcy Court and continuing to contest Charter's Motion to Withdraw the Reference filed in the District Court.

Actual and Necessary Expenses Incurred by Katten

34. As set forth in **Exhibit I** attached hereto, and as summarized in **Exhibit F** attached hereto, Katten seeks reimbursement of a total of \$39,829.52 for expenses incurred on behalf of the Debtors during the Fee Period. These charges are intended to reimburse Katten's direct operating costs, which are not incorporated into Katten's hourly billing rates. Katten charges external copying and computer research at the provider's cost without markup. Only clients who actually use services of the types set forth in **Exhibit I** of this Fee Application are separately charged for such services. The effect of including such expenses as part of the hourly billing rates would impose that cost upon clients who do not require extensive photocopying and other facilities and services.

Reasonable and Necessary Services Provided by Katten

A. Reasonable and Necessary Fees Incurred in Providing Services to the Debtors

35. The foregoing professional services provided by Katten on behalf of the Debtors during the Fee Period were reasonable, necessary and appropriate to address Conflict Matters in these Chapter 11 Cases.

36. Many of the services performed by partners and associates of Katten were provided by Katten's Insolvency and Restructuring Practice. Katten has a prominent practice in this area and enjoys a national reputation for its specialized expertise. The attorneys at Katten have extensive experience acting as estate professionals in many large chapter 11 cases.

37. In addition, due to the facts and circumstances of these Chapter 11 Cases, and particularly the litigation against Charter , attorneys from Katten's Litigation Practice Intellectual Property Practice and Appeals Practice were heavily involved with Katten's representation of the Debtors. These practice groups also enjoy national reputations for their skill and knowledge advising and advocating for their clients, who operate across the globe in virtually all market

sectors. Overall, Katten brings to these Chapter 11 Cases a particularly high level of skill and knowledge, which inured to the benefit of the Debtors and all stakeholders.

B. Reasonable and Necessary Expenses Incurred in Providing Services to the Debtor

38. The time constraints imposed by the circumstances of these Chapter 11 Cases required Katten attorneys and other employees to devote substantial time during the evenings and on weekends to perform services on behalf of the Debtors. These services were essential to meet deadlines and otherwise provide professional services on an expedited timetable. Consistent with firm policy, and as further disclosed in the Retention Application, Katten attorneys and other Katten employees who worked late in the evenings or on weekends were reimbursed for their reasonable meal and transportation costs. Katten's regular practice is not to include components for those charges in overhead when establishing billing rates, but rather to charge its clients for these and all other out-of-pocket disbursements incurred during the regular course of the rendition of legal services.

39. In addition, due to the location of the Debtors' businesses and other parties-in-interest in relation to Katten's offices, frequent multi-party telephone conferences involving numerous parties were required. The disbursements for such services are not included in Katten's overhead for the purpose of setting billing rates and Katten has made every effort to minimize its disbursements in these Chapter 11 Cases. The actual expenses incurred in providing professional services were necessary, reasonable and justified under the circumstances to serve the needs of the Debtors in these Chapter 11 Cases.

40. Among other things, Katten makes sure that all overtime meals, travel meals, hotel rates and airfares are reasonable and appropriate expenses for which to seek reimbursement.

41. Specifically, Katten regularly reviews its bills to ensure that the Debtors are only billed for services that were actual and necessary and, where appropriate, prorates expenses. In that regard, Katten will waive certain fees and reduce its expenses if necessary. Consequently, Katten does not seek payment of such fees or reimbursement of such expenses in the Fee Application.

Katten's Requested Compensation and Reimbursement Should be Allowed

42. Section 330 of the Bankruptcy Code provides that a court may award a professional employed under section 327 of the Bankruptcy Code “reasonable compensation for actual necessary services rendered . . . and reimbursement for actual, necessary expenses.” 11 U.S.C. § 330(a)(1). Section 330 also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded, the court should consider the nature, extent, and the value of such services, taking into account all relevant factors, including—

- (a) the time spent on such services;
- (b) the rates charged for such services;
- (c) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (d) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed; and
- (e) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11. U.S.C. § 330(a)(3).

43. Katten respectfully submits that the services for which it seeks compensation in this Fee Application were, at the time rendered, necessary for and beneficial to the Debtors and their estates and were rendered to protect and preserve the Debtors' estates. Katten further believes that it performed the services for the Debtors economically, effectively and efficiently, and the results obtained benefited not only the Debtors, but also the Debtors' estates and the Debtors' constituents. Katten further submits that the compensation requested herein is reasonable in light of the nature, extent and value of such services to the Debtors, their estates and all parties-in-interest.

44. During the Fee Period, Katten's hourly billing rates for attorneys ranged from \$390 to \$1,220. The hourly rates and corresponding rate structure utilized by Katten in these Chapter 11 Cases are equivalent to the hourly rates and corresponding rate structure used by Katten for restructuring, workout, bankruptcy, insolvency and comparable matters, and similar complex corporate and litigation matters, whether in court or otherwise, regardless of whether a fee application is required. Katten strives to be efficient in the staffing of matters. These rates and the rate structure reflect that such matters are typically national in scope and involve great complexity, high stakes and severe time pressures—all of which were present in these Chapter 11 Cases.

45. Moreover, Katten's hourly rates are set at a level designed to compensate Katten fairly for the work of its attorneys and paraprofessionals and to cover certain fixed and routine overhead expenses. Hourly rates vary with the experience and seniority of the individuals assigned. These hourly rates are subject to periodic adjustments to reflect economic and other conditions and are consistent with the rates charged elsewhere.

46. In sum, Katten respectfully submits that the professional services provided by Katten on behalf of the Debtors and their estates during these Chapter 11 Cases were necessary and appropriate given the complexity of these Chapter 11 Cases, the time expended by Katten, the nature and extent of Katten's services provided, the value of Katten's services, and the cost of comparable services outside of bankruptcy, all of which are relevant factors set forth in section 330 of the Bankruptcy Code. Accordingly, Katten respectfully submits that approval of the compensation sought herein is warranted and should be approved.

Reservation of Rights

47. It is possible that some professional time expended or expenses incurred during this Fee Period are not reflected in this Fee Application. Katten reserves the right to include such amounts in future fee applications.

Notice

48. The Debtors have provided notice of this Fee Application to: (a) the entities on the Master Service List (as defined in the Case Management Order and available on the Debtors' case website at www.kccllc.net/windstream) and (b) any person or entity with a particularized interest in the subject matter of the Fee Application. The Debtors respectfully submit that no other or further notice is necessary.

No Prior Request

49. No prior application for the relief requested herein has been made to this or any other court.

WHEREFORE, Katten respectfully requests that the Bankruptcy Court enter an order (a) awarding Katten interim compensation for professional and paraprofessional services rendered during the Fee Period in the amount of \$1,622,620, and reimbursement of actual, reasonable and necessary expenses incurred in the Fee Period in the amount of \$39,829.52; (b) authorizing and

directing the Debtors to remit payment to Katten for such fees and expenses; and (c) granting such other relief as is appropriate under the circumstances.

If necessary, the Firm will take steps to prepare the disclosure materials required in connection with the Firm's retention as restructuring co-counsel/ efficiency counsel. If necessary, the Firm will prepare a preliminary draft of a schedule describing the Firm's relationships with certain interested parties. KATTEN MUCHIN ROSENMAN LLP
TERMS OF ENGAGEMENT

The information below describes the terms that apply to the legal services provided for you by Katten Muchin Rosenman LLP (the "Firm"). We encourage you to discuss any of these Terms with us at any time. If modifications to the Terms are needed, you should discuss that with us so that agreement on changes can be reached and reduced to writing. All references to "you" or "your" means only the client or clients identified in our engagement letter. **Individuals or entities that are related to or affiliated with you, such as partners, officers, directors, stockholders, parent companies, related companies, or family members, are not clients, unless we otherwise agree in writing.**

I. Scope of Representation. The scope of the work we will do for you is limited to the description stated in our engagement letter. Any changes or additions to the scope of our work, which we would be pleased to consider, must be agreed to and memorialized by letter or email. Unless that description states otherwise, **our engagement does not include responsibility for:** (1) review of your insurance policies to determine the possibility of coverage for our fees and costs or for the claim asserted against you, (2) notification of your insurance carriers about a matter, (3) advice to you about your disclosure obligations concerning a matter under the federal securities laws or any other applicable law, or (4) advice to you about tax issues that relate to a matter. If we agree to represent you in additional matters, we will do so in writing by letter or email, and the Terms of our engagement will remain the same for these additional matters unless changed by agreement in writing.

Additionally, if in response to your request or by requirement of lawful process we: testify; gather and/or produce documents; respond to document hold or production requests; or respond to any other requests in connection with possible, threatened or actual proceedings commenced by third parties that relate to our representation of you, you agree to pay us our reasonable fees and costs incurred.

II. Staffing. Steven J. Reisman will have the primary responsibility for our relationship. We assign additional lawyers and other personnel when needed based upon the type of work and the appropriate experience level required.

III. Client Responsibilities. You agree to provide us with all information that we believe is necessary or appropriate to fulfill our professional responsibilities in this matter and to cooperate with us in matters such as fact investigation, preparation of pleadings, discovery responses, settlement conferences, etc. You will designate one or more persons to give us instructions and authority to receive our requests and inquiries. You further agree that without our express written consent, you will not use our name or the fact of your engagement of us in any form of advertising or solicitation of business.

IV. Financial Arrangements.

A. Fees and Expenses. Our fees are based primarily upon the hourly rates of our lawyers and other personnel in effect when the services are performed. These rates change periodically based upon economic factors and the experience level of our

personnel. In determining the amount of our fee, we may also consider and adjust our total fee based on other factors, including the novelty and difficulty of the issues involved, the amount involved and the results obtained, and the time limits, if any, imposed by you or by the circumstances of the engagement. We are affiliated with Katten Muchin Rosenman UK LLP of London, England, and if we obtain advice or services on your behalf from that firm, we will include their time and expenses on our bill.

Expenses include items such as consultants, experts, filing fees, court reporting fees, travel costs, overnight or other special mail services, messenger services, photocopies, long distance telephone, outgoing faxes, research service charges (e.g., LEXIS), secretarial and other staff overtime charges (when required to meet the needs of the matter), and other special services such as document imaging. Certain of these charges are adjusted to include administrative and overhead expenses incurred by the Firm to provide the billed service. With respect to costs incurred and payable to third parties, such as court reporters or experts, it is our usual policy to forward those bills to you for payment directly to the third party, and you agree to pay those fees directly to the provider. As an accommodation to you, however, we may advance those costs on your behalf and include them in our monthly bills. Some large disbursements may be forwarded to you for direct payment. Some charges may not be in the system at the time of monthly billing and will appear on a later bill.

B. Fee Deposits. The amount of any fee deposit required in this engagement, if any, is set forth in the engagement letter, which is not an estimate of the total costs of the representation, nor is it a maximum fee. This fee deposit will be deposited in the Firm's client retainer trust account and will be used to pay our fees and expenses when they come due. We will pay our monthly invoices using the fee deposit when earned, unless you already have paid the invoice or dispute the amount of our invoice before that time. You agree that you will maintain the fee deposit balance at the amount agreed in the engagement letter. Accordingly, while we will pay our invoices from the fee deposit as set forth above, you agree to maintain the agreed balance by either paying each invoice within 20 days of mailing or by replenishing the fee deposit in a like amount. In the event our fees and expenses exceed the retainer deposited with us, we will bill you for the excess. We may, as an accommodation to you, agree to waive the fee deposit if our invoices are timely paid. In the event we do so, however, you agree that we may request replenishment of the fee deposit at any time, should we determine that to be necessary, in our sole discretion. We may also request, and you agree to provide, additional fee advances from time to time based on our estimates of future work to be undertaken. If you fail to maintain the balance of the fee deposit when requested or to pay promptly any additional fees requested, we reserve the right to cease performing further work and withdraw from the representation.

C. Billing and Payment. We generally forward our statements monthly. The statements will include a brief description of the work performed, the date the work was performed, the time required to do the work, and the expenses incurred. Payment is due promptly upon receipt of our statement. We reserve the right to terminate our representation of clients who do not pay promptly. We do not and cannot guarantee the

outcome of any matter, and payment of our fees and disbursements is not conditioned on any particular outcome.

V. Electronic Communication. The use of email can be an efficient means of communication, and we use it often in communicating with clients. Some clients also use instant messaging as a means of communication. However, these electronic communications can be delayed or blocked (for example, by anti-spam software) or otherwise not transmitted. You must not assume that an email or instant message sent to us was actually opened and read by us unless you receive a non-automated reply message indicating that we have read your message.

VI. Responses to Auditors' Inquiries. We are frequently asked to provide information to auditing firms regarding client legal matters and we respond to those inquiries with the same level of care and professionalism used to handle the client's other legal work. We will accordingly charge for those services at the same rates. When you make a written request that we provide information to an auditing firm, we will deem your request to be your consent for us to disclose the requested information on your behalf. Additionally, when an auditing firm makes a written request for information on your behalf, that request will be deemed to be your consent for us to disclose that information to the auditing firm.

VII. Conflicts of Interest Issues. As you know, we are a large general services law firm with many clients and with offices located in Austin, Texas; Charlotte, North Carolina; Chicago, Illinois; Dallas, Texas; Houston, Texas; Irving, Texas; Los Angeles, California (Century City and Downtown); New York, New York; Orange County, California; San Francisco Bay Area, California; Washington D.C.; and Shanghai, China, and we have an affiliate in London, England. It is possible that, during the course of our engagement, an existing or future client may seek to hire the Firm in connection with an actual or potential transaction or pending or potential litigation or other dispute resolution proceeding in which such other client's interests are or potentially may become adverse to your interests.

Because the duty of loyalty would otherwise prevent the Firm from being adverse to a current client, rules of professional conduct prevent the Firm from accepting such engagements during the Firm's representation of you absent informed consent by you and the waiver of the duty of loyalty. In particular, the Firm often represents parties in restructuring and insolvency matters, both in- and out-of-court. By agreeing to these Terms of Engagement, you waive the duty of loyalty insofar as it would be applicable and agree that, even while the Firm is representing you, and at all times thereafter, the Firm may represent existing or new clients in any matter that is not substantially related to our work for you, even if the interests of such clients are adverse to yours (whether or not you are then represented by the Firm), or any of your affiliates, including litigation in which you or any of your affiliates are parties. This waiver also is intended to allow the Firm to examine or cross-examine you (and/or your employees and agents) on behalf of existing or new clients in other proceedings (including but not limited to proceedings to which you are not a party) provided the other matter is not substantially related to our representation of you. Notwithstanding this consent and waiver, the Firm will not undertake such representation unless we first reasonably determine that we will be able to provide competent and diligent representation to both of the affected clients. We also will continue to maintain the confidentiality of the confidential information you provide to us in the course of the Firm's

engagement by you, and will not use such information for any purpose except for the benefit of, and on behalf of, you without your written consent.

Potential adverse consequences may result from the Firm's representing parties that are adverse to you. These may include a perception that the Firm's loyalty and independence of judgment with respect to you are impaired. Also, the Firm's representation of parties adverse to you may come at a time when it would harm your interests to terminate the services of the Firm, or after expenditures of fees and costs to the Firm that might need to be replicated by new counsel. The Firm encourages you to have this conflicts waiver reviewed by independent counsel acting on your behalf before agreeing to these Terms of Engagement.

Further, in the course of our representation of you, it may be necessary for our lawyers to analyze or address their professional duties or responsibilities or those of the Firm, and to consult with the Firm's General Counsel, Deputy General Counsel, Conflicts Counsel, or other lawyers in doing so. To the extent we are addressing our duties, obligations or responsibilities to you in those consultations, it is possible that a conflict of interest might be deemed to exist as between our Firm and you. As a condition of this engagement, you waive any conflict of interest that might be deemed to arise out of any such consultations. You further agree that these consultations are protected from disclosure by the Firm's attorney-client privilege. Nothing in the foregoing shall diminish or otherwise affect our obligation to keep you informed of material developments in your representation, including any conclusions arising out of such consultations to the extent that they affect your interests.

VIII. Arbitration of Disputes. You acknowledge having reviewed a copy of Part 137 of the Rules of the Chief Administrator of the Courts of New York (available at <http://www.courts.state.ny.us/admin/feedispute/137.pdf> or upon request from us) which provides a mechanism for resolution of fee disputes between us using a particular arbitration procedure and forum; you have a right to select this mechanism for the resolution of fee disputes between us under this letter agreement unless you waive that right. You hereby waive that right, and you and we instead agree upon the following: If any dispute, controversy or claim directly or indirectly relating to or arising out of this agreement, work we perform for you or the fees charged by us or your failure to pay such fees you agree that such dispute shall be submitted to binding arbitration with JAMS in New York, New York under the JAMS Comprehensive Arbitration Rules and Procedures. The arbitrator shall have no authority to award punitive damages or to treble or otherwise multiply actual damages. The award in the arbitration shall be final and binding and judgment thereon may be entered and enforced in any court of competent jurisdiction. The costs and expenses (including reasonable attorney's fees of the prevailing party) shall be borne and paid by the party that the arbitrator, or arbitrators, determine is the non-prevailing party. You agree and consent to personal jurisdiction, service of process and venue in any federal or state court within the State of New York in connection with any action brought to enforce an award in arbitration. You further agree that service of process may be made upon you by Katten Muchin Rosenman LLP by causing process to be delivered to you at the above address (or such other address of which you hereafter shall advise us in writing) by registered or certified mail, return receipt requested.

IX. Conclusion of Representation. Our representation of you will terminate when we send you our final statement for services rendered in this matter. We may also terminate our

representation for any reason consistent with rules of professional responsibility, including conflicts of interest or your failure to pay our fees and expenses. Our representation may also be terminated upon your request. Following termination, any nonpublic information you have supplied to us which is retained by us will be kept confidential in accordance with applicable rules of professional responsibility. Once our representation is concluded, we will not be obligated to take any steps such as keeping track of deadlines, filing papers, pursuing appeals, or monitoring or advising you about changes in the law or circumstances that might bear upon the concluded matter.

X. Disposition of Client Files. Upon conclusion of your representation, we may return to you your original papers, documents and/or other property that you provided to the Firm during our engagement. You agree to accept the return of such documents and/or property. If you so request, we will also provide to you, at your expense, copies or originals of your complete file. We reserve the right to make, at our expense, copies of all documents generated or received by us in the course of our representation of you. The Firm will not provide copies or originals of the Firm Administrative or Matter Administration files pertaining to the matter, which will be retained by the Firm. All such documents retained by the Firm, including client files (including any original documents and/or property that we attempted unsuccessfully to return to you) and Firm Administrative or Matter Administration files, will be transferred to the person responsible for administering our records retention program. For various reasons, including the minimization of unnecessary storage expenses, we reserve the right to destroy or otherwise dispose of any documents or other materials retained by us within a reasonable time, but not less than seven (7) years after the matter is closed.

Voluntary Rate Disclosures

In re Windstream Holdings, Inc., et al.
Bankruptcy Case No. 19-22312 (RDD) (Jointly Administered)

Voluntary Rate Disclosures

- The blended hourly rate for Katten timekeepers in the New York, Washington, D.C., and Chicago offices (including both professionals and paraprofessionals) who billed to non-bankruptcy matters (collectively, the “Non-Bankruptcy Matters”)¹ during the period beginning on November 1, 2018 and ending on October 31, 2019 (the “Comparable Period”) was, in the aggregate, approximately \$613 per hour (the “Non-Bankruptcy Blended Hourly Rate”).²
- The blended hourly rate for all Katten timekeepers (including both professionals and paraprofessionals) who billed to the Debtors during the Fee Period was approximately \$743.91 per hour (the “Debtor Blended Hourly Rate”).³
- A detailed comparison of these rates is as follows:

Position at Katten	Debtor Blended Hourly Rate for this Fee Application⁴	Non-Bankruptcy Blended Hourly Rate
Partners	\$ 928.56	\$ 794.00
Counsel	N/A	684.00
Associates	571.37	497.00
Paraprofessionals	264.64	264.00
Total Combined Blended Rate	\$ 743.91⁵	\$ 613.00

¹ It is the nature of Katten’s practice that certain non-bankruptcy engagements require the advice and counsel of professionals and paraprofessionals who work primarily within Katten’s Insolvency and Restructuring Practice. Accordingly, “Non-Bankruptcy Matters” consist of matters for which Katten’s domestic timekeepers represented a client in a matter other than an in-court bankruptcy proceeding. Moreover, the Non-Bankruptcy Matters may include time billed by Katten domestic timekeepers who work primarily within Katten’s Insolvency and Restructuring Practice.

² Katten calculated the blended rate for Non-Bankruptcy Matters by dividing the *total dollar amount billed* by Katten timekeepers in the New York, Washington, D.C., and Chicago offices to the Non-Bankruptcy Matters during the Comparable Period by the *total number of hours* billed by Katten timekeepers in the New York, Washington, D.C., and Chicago offices to the Non-Bankruptcy Matters during the Comparable Period.

³ Katten calculated the blended rate for timekeepers who billed to the Debtor by dividing the *total dollar amount billed* by such timekeepers during the Fee Period by the *total number of hours billed* by such timekeepers during the Fee Period.

⁴ These amounts do not reflect fees written off for time incurred by attorneys and paraprofessionals billing less than three hours during the Fee Period.

⁵ The Debtor Blended Hourly Rate for this Fee Application is greater than the Non-Bankruptcy Blended Hourly Rate because Katten was required to staff the Charter Adversary Proceeding with multiple Partners and other senior level attorneys from its Litigation, Intellectual Property and Insolvency & Restructuring Departments due to the complexity and expedited nature of the Charter Adversary Proceeding.
