**DEBTORS’ MOTION FOR ENTRY OF AN
ORDER (I) APPROVING THE DEBTORS’ ENTRY INTO THE EXIT ABL
FACILITY COMMITMENT DOCUMENTS, (II) AUTHORIZING PAYMENT OF
FEES AND EXPENSES THEREUNDER, AND (III) GRANTING RELATED RELIEF**

The above-captioned debtors and debtors in possession (collectively, the “Debtors”) respectfully state as follows in support of this motion:²

Preliminary Statement

1. On August 21, 2022, after extensive negotiations, the Debtors, JPMorgan Chase Bank, N.A. (“JPM” or the “Agent,” as applicable), and the other lenders party thereto (together with JPM, collectively, the “Exit ABL Backstop Parties”) entered into (a) a commitment letter (together with all exhibits and attachments thereto, the “Commitment Letter”), attached hereto as **Exhibit B**, which documents the Exit ABL Backstop Parties’ commitment to provide a senior secured asset-based revolving credit facility to the Debtors in an aggregate principal

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are: Carestream Health, Inc. (0334); Carestream Health Acquisition, LLC (0333); Carestream Health Canada Holdings, Inc. (7700); Carestream Health Holdings, Inc. (7822); Carestream Health International Holdings, Inc. (5771); Carestream Health International Management Company, Inc. (0532); Carestream Health Puerto Rico, LLC (8359); Carestream Health World Holdings, LLC (1662); and Lumisys Holding Co. (3232). The location of the Debtors’ service address is: 150 Verona Street, Rochester, New York 14608.

² A detailed description of the Debtors and their businesses, including the facts and circumstances giving rise to the Debtors’ chapter 11 cases, is set forth in the *Declaration of Scott H. Rosa, Chief Financial Officer of Carestream Health, Inc., in Support of Chapter 11 Petitions and First Day Motions* (the “First Day Declaration”), filed contemporaneously herewith. Capitalized terms used but not defined in this motion have the meanings ascribed to them in the First Day Declaration or in the contemporaneously filed *Joint Prepackaged Chapter 11 Plan of Reorganization of Carestream Health, Inc. and Its Debtor Affiliates* (as amended, supplemented, or otherwise modified from time to time, the “Plan”), as applicable.

amount of up to \$85 million (the “Exit ABL Facility”), and (b) related fee letters (attached hereto as **Exhibits C, D, and E**).

2. The Commitment Letter is the product of extensive good faith, arm’s-length negotiations between the Debtors and the Exit ABL Backstop Parties. The Commitment Letter provides that the Exit ABL Backstop Parties will continue to conduct legal and business diligence, prepare and negotiate the definitive documentation for the Exit ABL Facility, and ultimately fund at least a portion of the Exit ABL Facility, subject to confirmation of the Plan and other conditions precedent detailed in the Commitment Letter. In exchange for such obligations, the Commitment Letter includes customary provisions for reimbursement of reasonable and documented costs and expenses related to the Exit ABL Facility, payment of certain other nonrefundable fees related to the Exit ABL Facility as set forth in the Fee Letters (as defined in the Commitment Letter, and together with the Commitment Letter, the “Exit ABL Facility Commitment Documents”), and an indemnification (such provisions, collectively, the “Expense Reimbursement and Indemnification”).

3. The Exit ABL Backstop Parties’ commitment to provide the Exit ABL Facility is conditioned on the Debtors’ seeking approval of the Exit ABL Facility Commitment Documents at the outset of these chapter 11 cases through this motion, and the Debtors’ performance under the Exit ABL Facility Commitment Documents is necessary to secure the Exit ABL Backstop Parties’ commitment to provide the Exit ABL Facility. In the Debtors’ business judgment, the Exit ABL Backstop Parties’ exit financing proposal is the best available proposal, and allows the Debtors to embark on these chapter 11 cases with exit financing already secured. Additionally, the Debtors’ ability to consummate their proposed chapter 11 plan of reorganization depends on the availability of the exit financing provided by the Exit ABL Facility. Accordingly, the

Debtors seek approval of their entry into the Exit ABL Facility Commitment Documents and to perform thereunder to facilitate their prompt emergence from chapter 11.

Relief Requested

4. The Debtors seek entry of an order, substantially in the form attached hereto as **Exhibit A** (the “Order”), (a) approving the Debtors’ entry into and performance under the Exit ABL Facility Commitment Documents; (b) authorizing the Debtors’ payment of the Exit ABL Facility Obligations (as defined below); and (c) granting related relief. In support of this motion, the Debtors submit the *Declaration of Scott H. Rosa in Support of the Debtors’ Motion for Entry of an Order (I) Approving the Debtors’ Entry Into the Exit ABL Facility Commitment Documents, (II) Authorizing Payment of Fees and Expenses Thereunder, and (III) Granting Related Relief* (the “Rosa Declaration”), filed contemporaneously herewith.

Jurisdiction and Venue

5. The United States Bankruptcy Court for the District of Delaware (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware, dated February 29, 2012. The Debtors confirm their consent, pursuant to rule 9013-1(f) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the “Local Rules”), to the entry of a final order by the Court in connection with this motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

6. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

7. The statutory bases for the relief requested herein are sections 363 and 503(b) of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “Bankruptcy Code”), rule 6004 of

the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and Local Rules 2002-1 and 9013-1.

Background

8. The Debtors, together with their non-Debtor affiliates (collectively, “Carestream” or the “Company”), are a leading provider of medical imaging and non-destructive testing products with over 100 years of industry experience. The Company is a partner of choice to approximately 8,000 direct customers and approximately 900 dealers in more than 130 countries. Its products are used by prominent health systems, hospitals, imaging centers, specialty practices and industrial companies worldwide. Headquartered in Rochester, New York, Carestream employs a global workforce of approximately 3,410 employees with approximately 180 contractors.

9. Carestream, like many businesses, faced significant headwinds in 2020, principally as a result of changing product and customer trends and the global COVID-19 pandemic, which, in light of the Debtors’ capital structure, placed substantial strain on the Debtors’ businesses. To alleviate the strain, the Debtors executed a voluntary amend-and-extend transaction in early 2020 that extended the maturities of their first lien revolver and term loan and second lien term loan debt. The amend-and-extend transaction provided the Debtors with time to meaningfully examine various strategic alternatives, including sale transactions and debt-for-equity exchanges to deleverage the Company.

10. Ultimately, the Debtors determined that a substantial deleveraging combined with new capital investment was the best path forward for their business. To implement the foregoing, the Debtors negotiated, and ultimately agreed, with a majority of their prepetition secured lenders and their equity sponsor on the terms of a comprehensive financial restructuring. The terms of the proposed restructuring are memorialized in a restructuring support agreement

(the “RSA”) that serves as the foundation of the Debtors’ prepackaged Plan. Under the RSA, the Debtors will eliminate approximately \$470 million of prepetition funded debt and raise up to \$75 million of new equity capital, while also leaving general unsecured claims unimpaired. As of August 23, 2022 (the “Petition Date”), the Debtors have fully solicited their Plan, which was accepted by all creditor classes entitled to vote, including lenders collectively holding approximately 73% of the Debtors’ prepetition first lien revolver and term loan debt and approximately 98% of the Debtors’ prepetition second lien term loan debt.

11. On the Petition Date, each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors have also filed a motion requesting joint administration of these chapter 11 cases pursuant to Bankruptcy Rule 1015(b). The Debtors are operating their businesses and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made in these chapter 11 cases and no official committees have been appointed or designated.

The Exit ABL Facility and Related Obligations

12. The Plan contemplates that the reorganized Debtors will enter into the Exit ABL Facility on the effective date of the Plan. The Exit ABL Facility will allow the Debtors to replace or continue their outstanding letters of credit, have access to certain existing revolving commitments, and provide additional borrowing availability to fund go-forward operations following their reorganization and emergence from chapter 11. Key provisions of the Exit ABL Facility include:

³ This table is provided for reference purposes only. The specific terms of the Exit ABL Facility are set forth in greater detail in the Commitment Letter, which documents the Exit ABL Backstop Parties' commitment to provide the Exit ABL Facility.

13. The Exit ABL Facility Commitment Documents also provide for the Debtors' payment of the Exit ABL Facility Obligations, as summarized below (collectively, the "Exit ABL Facility Obligations"): ⁴

- a. **Expense Reimbursement.** The reorganized Debtors will reimburse the Exit ABL Backstop Parties for all reasonable and documented out-of-pocket expenses (including due diligence expenses, field exam and appraisal expenses, travel expenses, and reasonable and documented fees, charges and disbursements of counsel (including Simpson Thacher & Bartlett LLP and Freshfields Bruckhaus Deringer US LLP) and of local counsel in each appropriate jurisdiction incurred in connection with the Exit ABL Facility and any related documentation (including the Exit ABL Facility Commitment Documents, the definitive documentation relating to the ABL Facility, the Plan or the Cases).
- b. **Indemnification.** In connection with the Debtors' acceptance of the Exit ABL Facility Commitment Documents, the Debtors have agreed to indemnify the Exit ABL Backstop Parties and certain related parties from liabilities and related expenses to which any such indemnified person may become subject arising out of or in connection with the Exit ABL Facility Commitment Documents, the Exit ABL Facility, the use of the proceeds thereof, any related transaction or the activities performed or services furnished pursuant to the Exit ABL Facility Commitment Documents or the role of any Exit ABL Commitment Party, unless otherwise resulting from the willful misconduct or gross negligence of such indemnified party, subject to the terms of the Commitment Letter.
- c. **Arranger / Structuring Fees.** Annual administration fee (payable on the effective date of the Plan and each anniversary thereafter) to the Agent and one-time arrangement and structuring fees, payable on the Closing Date.
- d. **Commitment / Upfront Fees.** Commitment fee equal to a percentage of the commitments of each Exit ABL Commitment Party in the Exit ABL Facility payable on the Closing Date.

14. In the Debtors' business judgement, the Exit ABL Facility Obligations are a reasonable price to pay for the Exit ABL Backstop Parties' commitment to provide the Exit ABL Facility given the benefits arising therefrom and the Debtors' ability to promptly emerge from

⁴ Capitalized terms used but not defined in this summary have the meanings given to them in the Commitment Letter. The full provisions governing the reimbursement and payment of fees and expenses are set forth in the Commitment Letter and Fee Letters. If any description set forth herein is in conflict with the Commitment Letter, the Commitment Letter shall control.

chapter 11 with sufficient liquidity to fund Plan distributions and the reorganized Debtors' go-forward businesses. Moreover, the Commitment Letter expressly contemplates that the Debtors use reasonable best efforts to seek approval of their entry into the Exit ABL Facility Commitment Documents at the outset of these chapter 11 cases in order to secure the benefit of the commitments contemplated therein:

It is a condition to the Commitment Parties' commitments and agreements hereunder that (a) you use reasonable best efforts to obtain entry of an order (in form and substance reasonably satisfactory to the Commitment Parties) by the Bankruptcy Court approving the Borrower's entry into to this Commitment Letter and the Fee Letters and authorizing the payment of fees and expenses and the granting of indemnification provided for in this Commitment Letter and the payment of fees provided for in the Fee Letters) at the initial hearing for relief in the Cases; provided, however, that to the extent such an order is not entered by the Bankruptcy Court at the initial hearing for relief in the Cases, it shall be a condition to the Commitment Parties' commitments and agreements hereunder that such an order is entered within ten (10) calendar days of the date the Cases are commenced.

15. Accordingly, the Debtors seek approval of their entry into the Exit ABL Facility Commitment Documents.

Basis for Relief

I. The Debtors' Entry Into and Performance Under the Exit ABL Facility Commitment Documents and Payment of the Exit ABL Facility Obligations Are Sound Exercises of the Debtors' Business Judgment.

16. Section 363(b) of the Bankruptcy Code provides, in relevant part, that a debtor, "after notice and a hearing, may use, sell, or lease, other than in the ordinary course of business, property of the estate." 11 U.S.C. § 363(b)(1). Courts in this circuit will approve the use, sale or lease of estate property outside of the ordinary course if the proposed action is supported by a valid business reason. *See In re Martin*, 91 F.3d 389, 395 (3d Cir. 1996) ("[U]nder normal circumstances the court would defer to the [debtor's] judgment so long as there is a legitimate business justification."); *In re Montgomery Ward Holding Corp.*, 242 B.R. 147, 153

(D. Del. 1999) (“[C]ourts require the debtor to show that a sound business purpose justifies such actions.”); *In re Del. & Hudson Ry. Co.*, 124 B.R. 169, 176 (D. Del. 1991) (noting section 363 requires “a sound business purpose” for proposed use of property).

17. If a valid business reason exists for non-ordinary-course use of estate property, then the debtor’s business decision to so use estate property is entitled to judicial deference under the business judgment rule. *See, e.g., Martin*, 91 F.3d at 395; *In re Bridgeport Holdings, Inc.*, 388 B.R. 548, 567 (Bankr. D. Del. 2008). Under the business judgment rule, courts will approve the debtor’s business decision to use estate property outside of the ordinary course of business unless it is shown that such decision is the product of bad faith. *See In re Tower Air, Inc.*, 416 F.3d 229, 238 (3d Cir. 2005) (stating that overcoming the business judgment rule is a “near-Herculean task,” in that it requires a showing that the business decision in question “go[es] so far beyond the bounds of reasonable business judgment that its only explanation is bad faith”).

18. Here, the Debtors’ entry into and performance under the Exit ABL Facility Commitment Documents is supported by valid and sound business reasons. The Exit ABL Facility Commitment Documents are the product of extensive good faith, arm’s-length negotiations between the Debtors and the Exit ABL Backstop Parties and allow the Debtors to commence these cases with a line of sight to emerging with a well-capitalized balance sheet. Through this motion, the Debtors seek court approval of the Exit ABL Facility Commitment Documents to reciprocate the Exit ABL Backstop Parties’ commitment at the outset of these chapter 11 cases to finalize and document the Exit ABL Facility during the pendency of these cases, and ultimately fund the Exit ABL Facility upon emergence. Absent the Debtors’ entry into and performance under the Exit ABL Facility Commitment Documents, including payment of the Exit ABL Facility Obligations, the Debtors would likely be unable to secure the Exit ABL

Backstop Parties' commitment to provide the Exit ABL Facility, therefore jeopardizing the Debtors' ability to conclude the chapter 11 cases within the timeframe contemplated by the DIP Orders and the RSA. Rather than delay ongoing work on the Exit ABL Facility until after confirmation of the Plan and potentially risk defaulting on the milestones contained in the RSA and the DIP Orders, the Debtors submit that it is in the best interests of all stakeholders for the Debtors to continue advancing documentation of the Exit ABL Facility as soon as possible.

19. In light of the foregoing, and given the importance of the Exit ABL Facility to the Debtors' successful reorganization, the Debtors' entry into and performance under the Exit ABL Facility Commitment Documents constitutes a sound exercise of the Debtors' business judgment and is in the best interests of the Debtors' estates.

II. The Expense Reimbursement and Indemnification Should Constitute Allowed Administrative Expenses Pursuant to Section 503(b) of the Bankruptcy Code.

20. The Expense Reimbursement and Indemnification should be approved under section 503(b) of the Bankruptcy Code as necessary to preserve the value of the Debtors' estates. In *Calpine Corp. v. O'Brien Env'tl. Energy, Inc. (In re O'Brien Env'tl. Energy, Inc.)*, 181 F.3d 527 (3d Cir. 1999), the Third Circuit stated: "the allowability of break-up fees, like that of other administrative expenses, depends upon the requesting party's ability to show that the fees were *actually necessary to preserve the value of the estate.*" *Id.* (emphasis added). Because the Exit ABL Backstop Parties require the Expense Reimbursement and Indemnification to enter into the Commitment Letter, and because the Exit ABL Facility is essential to the Debtors' ability to consummate the Plan in accordance with the timeframe set forth in the DIP Orders and RSA, the Expense Reimbursement and Indemnification are "necessary to preserve the value of the estate[s]."

21. The Expense Reimbursement and Indemnification are designed to fairly compensate the Exit ABL Backstop Parties for their efforts to negotiate and finalize documentation of the Exit ABL Facility during the pendency of these chapter 11 cases. The Exit ABL Backstop Parties have already committed substantial time and resources in connection with the Exit ABL Facility, and will only continue to do so with the assurance of the relief requested in this motion. The Debtors believe that the Exit ABL Facility is critical to the Debtors' successful emergence, but there remains a risk, however limited, that the Exit ABL Facility will not be consummated. Accordingly, the Expense Reimbursement and Indemnification will protect the Exit ABL Backstop Parties during the pre-closing period and is a necessary inducement to the Exit ABL Backstop Parties' agreement to enter into the Commitment Letter. Importantly, the Exit ABL Facility ensures that the Debtors have the necessary financing to consummate the Plan, if approved, and emerge expeditiously from chapter 11 with a deleveraged balance sheet—a tremendous benefit to the Debtors' estates.

22. Moreover, because the Plan provides for unimpaired treatment for all allowed unsecured claims, the Debtors submit that approval of the Expense Reimbursement and Indemnification does not prejudice any junior creditors, particularly in light of the benefits of securing the Exit ABL Backstop Parties' commitment at this time. Accordingly, the Debtors request that the Court grant administrative expense status to the Expense Reimbursement and Indemnification.

The Requirements of Bankruptcy Rule 6003 Are Satisfied

23. Bankruptcy Rule 6003 empowers a court to grant certain relief within the first 21 days after the petition date only “to the extent that relief is necessary to avoid immediate and irreparable harm.” For the reasons discussed above, the Debtors believe immediate approval of the Exit ABL Facility Commitment Documents is necessary to secure the commitment of the

Exit ABL Backstop Parties and the failure to receive the requested relief during the first 21 days of these chapter 11 cases would extinguish the Debtors' prepetition efforts to sign up the Commitment Letter and severely disrupt the Debtors' efforts to expeditiously conclude these chapter 11 cases at this important juncture. The requested relief is necessary for the Debtors to preserve the ongoing value of their operations, and maximize the value of their estates for the benefit of all stakeholders. The Debtors have demonstrated that the requested relief is "necessary to avoid immediate and irreparable harm," as contemplated by Bankruptcy Rule 6003, and the Court should grant the requested relief.

Reservation of Rights

24. Nothing contained in this motion or any order granting the relief requested in this motion, and no action taken pursuant to the relief requested or granted (including any payment made in accordance with any such order), is intended as or shall be construed or deemed to be: (a) an admission as to the amount of, basis for, or validity of any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any particular claim; (d) an implication, admission or finding that any particular claim is an administrative expense claim, other priority claim or otherwise of a type specified or defined in this motion or any order granting the relief requested by this motion; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (g) a waiver or limitation of any claims, causes of action or other rights of the Debtors or any

other party in interest against any person or entity under the Bankruptcy Code or any other applicable law.

Waiver of Bankruptcy Rule 6004(a) and 6004(h)

25. To implement the foregoing successfully, the Debtors seek a waiver of the notice requirements under Bankruptcy Rule 6004(a) and the 14-day stay of an order authorizing the use, sale, or lease of property under Bankruptcy Rule 6004(h).

Notice

26. The Debtors will provide notice of this motion to the following parties or their respective counsel: (a) the U.S. Trustee for the District of Delaware; (b) the holders of the thirty largest unsecured claims against the Debtors (on a consolidated basis); (c) counsel to the DIP Agent; (d) counsel to the First Lien Agent and the Second Lien Agent; (e) counsel to the Crossover Group; (f) counsel to the Agent; (g) the office of the attorney general for each of the states in which the Debtors operate; (h) the United States Attorney's Office for the District of Delaware; (i) the Internal Revenue Service; and (j) any party that has requested notice pursuant to Bankruptcy Rule 2002. As this motion is seeking "first day" relief, within two business days of the hearing on this motion, the Debtors will serve copies of this motion and any order entered in respect to this motion as required by Local Rule 9013-1(m). The Debtors submit that, in light of the nature of the relief requested, no other or further notice need be given.

No Prior Request

27. No prior request for the relief sought in this motion has been made to this or any other court.

[Remainder of page intentionally left blank.]

WHEREFORE, the Debtors respectfully request entry of the Order, substantially in the form attached hereto as **Exhibit A**, (a) granting the relief requested herein and (b) granting such other relief as is just and proper.

The commitments of the Commitment Parties in respect of the ABL Facility will be reduced upon the election via the ABL Roll Election Form of Holders (as defined in the Plan as in effect on the date hereof) of Allowed (as defined in the Plan) First Lien Revolving Claims Holders (as defined in the Plan) (“Prepetition Revolving Lenders”) (in each case, other than the Commitment Parties) to participate in the ABL Facility, which commitment reduction shall be allocated among the Commitment Parties in accordance with the provisions in the Term Sheet under the heading “Commitment Reductions”.

2. Titles and Roles

It is agreed that (i) each of JPMorgan Chase Bank and Barclays will act as a joint lead arranger and bookrunner for the ABL Facility (acting in such capacity, the “Lead Arrangers”); provided that you agree that JPMorgan Chase Bank may perform its responsibilities hereunder through its affiliate, J.P. Morgan Securities LLC and (ii) JPMorgan Chase Bank will act as sole administrative agent for the ABL Facility (acting in such capacity, the “Administrative Agent”).

It is further agreed that JPMorgan will have “left” placement in any marketing materials or other documentation used in connection with the ABL Facility and shall hold the leading role and responsibilities customarily associated with such “top left” placement. You agree that no other agents, co-agents, arrangers, co-arrangers, bookrunners, co-bookrunners, managers or co-managers will be appointed, no other titles will be awarded and no compensation will be paid (in each case, other than that expressly contemplated by this Commitment Letter and the Fee Letters referred to below) in connection with the ABL Facility unless you and we shall so agree

3. Information

You hereby represent and warrant that (a) all written information, other than the Projections (as defined below) and information of a general economic or industry specific nature (the “Information”), that has been or will be made available to any Commitment Party by you or by any of your representatives on your behalf in connection with the transactions contemplated hereby, when taken as a whole after giving effect to all supplements and updates provided thereto, does not or will not, when furnished to us, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements contained therein, when taken as a whole, not materially misleading in light of the circumstances under which such statements are made and (b) the financial projections, including financial estimates, forecasts and other forward-looking information (the “Projections”) that have been or will be made available to any Commitment Party by you or any of your representatives on your behalf in connection with the transactions contemplated hereby have been or will be prepared in good faith based upon assumptions that are believed by you to be reasonable at the time furnished to us (it being recognized by the Commitment Parties that Projections are not to be viewed as facts, Projections are subject to significant uncertainties and contingencies, many of which are beyond your control, that no assurance can be given that any particular Projections will be realized and that actual results during the period or periods covered by any such Projections may differ from the Projections, and such differences may be material). You agree that if, at any time prior to the Closing Date, you become aware that any of the representations in the preceding sentence would be incorrect if such Information or Projections were furnished at such time and such

representations were remade, in any material respect, then you will promptly supplement the Information and the Projections so that such representations when remade would be correct, in all material respects, under those circumstances. You understand that in arranging the ABL Facility we may use and rely on the Information and Projections without independent verification thereof.

In connection with our distribution to prospective Lenders of any marketing materials and, upon our reasonable written request, any other Information, you will execute and deliver to us a customary authorization letter authorizing such distribution and, in the case of any marketing materials consisting exclusively of information that is not material non-public information (within the meaning of United States federal securities laws and any state securities laws) with respect to you and your affiliates (such information, "Non-MNPI"), representing that it only contains Non-MNPI. Such marketing materials will be accompanied by a disclaimer exculpating you and us with respect to any use thereof and of any related Information by the recipients thereof. You also agree to identify information to be distributed that contains only Non-MNPI by clearly and conspicuously marking the same as "PUBLIC". By marking any documents, information or other data "PUBLIC", you shall be deemed to have authorized the Commitment Parties and the prospective Lenders to treat such documents, information or other data as containing Non-MNPI. You also agree that all of the information that is not specifically identified as "PUBLIC" shall be treated as being suitable for distribution to private lenders.

You also understand and acknowledge that we may provide to market data collectors, such as league tables, or other service providers to the lending industry, customary information regarding the closing date, size, type, purpose of, and parties to, the ABL Facility.

As consideration for the commitments and agreements of the Commitment Parties hereunder, you agree to pay or cause to be paid the nonrefundable fees described in the Commitment Fee Letter dated the date hereof and delivered herewith (the "Commitment Fee Letter"), the Barclays Fee Letter dated the date hereof and delivered herewith (the "Barclays Fee Letter") and the Administrative Agent Fee Letter dated the date hereof and delivered herewith (the "Administrative Agent Fee Letter"; and together with the Commitment Fee Letter and the Barclays Fee Letter, the "Fee Letters") on the terms and subject to the conditions set forth therein.

You agree to use commercially reasonable efforts to (a) obtain any necessary bankruptcy court authorization for payment of the fees in the Fee Letters pursuant to orders in form and substance satisfactory to the Commitment Parties and (b) maintain the confidentiality of the fee arrangements herein by seeking authority to make any necessary filings either under seal or in redacted form acceptable to the Commitment Parties and pursuant to section 107(b) of the Bankruptcy Code.

6. Limitation of Liability, Indemnity, Settlement

(a) You and we agree that (i) in no event shall any Commitment Party, its affiliates and its and their respective officers, directors, employees, advisors, and agents (each, and including, without limitation, each Commitment Party, a "Related Person") or you or your affiliates and your and their respective officers, directors, employees, advisors, and agents have any Liabilities (as defined below), on any theory of liability, for any special, indirect, consequential or punitive damages incurred by us or you, or our or your affiliates or our or your respective equity holders arising out of, in connection with, or as a result of, this Commitment Letter, the Fee Letters or any other agreement or instrument contemplated hereby and (ii) no Related Person shall have any Liabilities arising from, or be responsible for, the use by others of Information (as defined below) or other materials (including, without limitation, any personal data) obtained through electronic, telecommunications or other information transmission systems, including an Electronic Platform or otherwise via the internet; provided that nothing in this clause (a) shall relieve you of any obligation you may have to indemnify an Indemnified Person (as defined below), as provided in clause (b) below, against any special, indirect, consequential or punitive damages asserted against such Indemnified Person by a third party. You agree, to the extent permitted by applicable law, to not assert any claims against any Related Person with respect to any of the foregoing. As used herein, the term "Liabilities" shall mean any losses, claims (including intraparty claims), demands, damages or liabilities of any kind.

(b) You agree (A) to (i) indemnify and hold harmless each Commitment Party, its affiliates and its and their respective officers, directors, employees, advisors, and agents (each, and including, without limitation, each Commitment Party, an "Indemnified Person") from and against any and all Liabilities and related expenses to which any such Indemnified Person may become subject arising out of or in connection with this Commitment Letter, the ABL Facility, the use of the proceeds thereof, any related transaction or the activities performed or services furnished pursuant to this Commitment Letter or the role of any Commitment Party in connection therewith or in connection with any actual or prospective claim, litigation, investigation, arbitration or administrative, judicial or regulatory action or proceeding in any jurisdiction relating to any of the foregoing (including in relation to enforcing the terms of clause (a) above and the terms of this clause (b)) (each, a "Proceeding"), regardless of whether or not any Indemnified Person is a party thereto and whether or not such Proceeding is brought by you, your equity holders, affiliates, creditors or any other person and (ii) reimburse each Indemnified Person upon demand for any documented, out-of-pocket legal or other expenses incurred in connection with investigating or defending any of the foregoing, regardless of whether or not in connection with any pending or threatened Proceeding to which any Indemnified Person is a party, in each case as such expenses are incurred or paid (it being understood that such legal expenses shall be limited to one firm of counsel for all such Indemnified Persons, taken as a whole and, if necessary, of a single local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions) of all such Indemnified Persons, taken as a whole (and, in the case of an actual or perceived conflict of interest where the Indemnified Person affected by such conflict informs you of such conflict, of another firm of counsel for all similarly affected Indemnified Persons);

(c) You shall not be liable for any settlement of any Proceedings effected without your consent (which consent shall not be unreasonably withheld or delayed), but if settled with your written consent or if there is a final non-appealable judgment against an Indemnified Person in any such Proceedings, you agree to indemnify and hold harmless each Indemnified Person from and against any and all losses, claims, damages, liabilities and expenses by reason of such settlement or judgment in accordance with the preceding paragraphs. You shall not, without the prior written consent of each Commitment Party affected thereby and their respective affiliates affected thereby (which consent shall not be unreasonably withheld, conditioned or delayed), effect any settlement of any pending or threatened Proceedings in respect of which indemnity could have been sought hereunder by such Commitment Party unless (x) such settlement includes an unconditional release of such Indemnified Person in form and substance reasonably satisfactory to such Commitment Party from all liability on claims that are the subject matter of such Proceedings and (y) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Commitment Party or any injunctive relief or other non-monetary remedy. You and we hereby irrevocably agree to waive trial by jury in any suit, action, proceeding, claim or counterclaim brought by or on behalf of any party related to or arising out of the transactions contemplated hereby, this Commitment Letter or the Fee Letters or the performance of services hereunder or thereunder.

Each of the Commitment Parties hereby notifies you that, pursuant to the requirements of the USA PATRIOT Act, Title III of Pub. L. 107-56 (signed into law on October 26, 2001) (the “PATRIOT Act”) and the requirements of 31 C.F.R. § 1010.230 (the “Beneficial Ownership Regulation”), it (i) is required to obtain, verify and record information that identifies the Borrower and each guarantor under the ABL Facility, which information includes names, addresses, tax identification numbers and other information that will allow such Lender to identify the Borrower and each guarantor under the ABL Facility in accordance with the PATRIOT Act and (ii) may be required to obtain a certification regarding beneficial ownership (a “Beneficial Ownership Certification”) from the Borrower, which certification shall be substantially similar in form and substance to the form of Certification Regarding Beneficial Owners of Legal Entity Customers published jointly, in May 2018, by the Loan Syndications and Trading Association and Securities Industry and Financial Markets Association. This notice is given in accordance with the requirements of the PATRIOT Act and the Beneficial Ownership Regulation and is effective for the

Commitment Parties and each Lender. You hereby acknowledge that the Commitment Parties shall be permitted to share any or all such information with the Lenders.

The indemnification, fee, expense, jurisdiction and confidentiality provisions contained herein and in the Fee Letters, in each case, shall remain in full force and effect regardless of whether definitive financing documentation shall be executed and delivered and notwithstanding the termination of this Commitment Letter; provided that your obligations under this Commitment Letter (other than your obligations with respect to confidentiality) shall automatically terminate and be superseded, to the extent comparable, by the provisions of the ABL Facility Documentation upon the funding thereunder, and you shall automatically be released from all liability in connection therewith at such time.

If the foregoing correctly sets forth our agreement, please indicate your acceptance of the terms of this Commitment Letter and the Fee Letters by returning to the Commitment Parties executed counterparts of this Commitment Letter and the Fee Letters not later than 11:59 p.m., New York City time, on August 21, 2022. This offer will automatically expire at such time if we have not received such executed counterparts in accordance with the preceding sentence. Thereafter, all commitments and undertakings of the Commitment Parties hereunder will expire on the earliest of (a) the date that is sixty (60) days following the Petition Date, in the event the Closing Date has not occurred on or prior to such date unless we shall, in our sole discretion, agree to an extension, (b) the execution of the ABL Facility Documentation, (c) the termination of the Restructuring Support Agreement (as defined in the Plan) or the Rights Offering (as defined in the Plan) or (d) receipt by the Commitment Parties of written notice from the Borrower of its election to terminate all commitments under the ABL Facility in full.

The date each of the conditions set forth in Exhibit B are satisfied or otherwise waived in accordance with the Commitment Letter.

2. ABL FACILITY

A. ABL Facility

Type and Amount:

A four and a half-year asset-based revolving facility (the “ABL Facility”, the date of effectiveness thereof, the “Closing Date”, and the commitments thereunder, the “ABL Commitments”) in the amount of \$85 million (the loans thereunder, the “ABL Loans”).

Availability and Maturity:

The ABL Commitments will expire, and the ABL Loans will mature, on the date that is four and a half years after the Closing Date (the “ABL Termination Date”); *provided* that the ABL Credit Documentation shall include (x) “amend and extend” provisions and (y) commitment reduction and termination provisions, in each case, usual and customary for facilities of this type. The ABL Facility shall be available on a revolving basis

during the period commencing on the Closing Date and ending on the ABL Termination Date; *provided* that no more than \$47,424,495.19 of ABL Loans may be drawn on the Closing Date and no Letters of Credit (as defined below) shall be issued (or deemed issued) under the ABL Facility on the Closing Date. Funding will be ratable among the ABL Lenders according to ABL Commitments on the Closing Date and in a manner that is satisfactory to the ABL Commitment Parties and ABL Administrative Agent.

Excess Availability (as defined below) under the ABL Facility will be subject to the Borrowing Base referred to below.

“Excess Availability” means, at any time, an amount equal to (i) the Line Cap (as defined below) minus (ii) the sum of (a) the aggregate outstanding amount of ABL Loans plus (b) the aggregate undrawn amount of outstanding Letters of Credit and (c) unreimbursed drawings in respect of Letters of Credit (unless otherwise converted into ABL Loans).

“Line Cap” means, at any time, the lesser of the aggregate ABL Commitments at such time and the Borrowing Base at such time.

“Specified Excess Availability” means the sum of (i) Excess Availability plus (ii) the amount (not to exceed 2.5% of the total ABL Commitments then in effect) by which the Borrowing Base then in effect exceeds the total ABL Commitments then in effect.

Letters of Credit:

All letters of credit outstanding under the revolving credit facility under the Prepetition First Lien Credit Agreement immediately prior to the Plan Effective Date shall, on the Plan Effective Date, continue to be cash collateralized in a manner satisfactory to CS until replacement Letters of Credit can be issued under the ABL Facility and such letters of credit are returned to CS undrawn and the applicable beneficiaries have accepted the applicable replacement Letters of Credit. A portion of the ABL Facility in an amount equal to \$15 million shall be available, subject to Excess Availability, for the issuance of letters of credit (the “Letters of Credit”) by JPMorgan Chase Bank, CS and other Lenders reasonably satisfactory to the Borrower (in such capacity, each an “Issuing Lender”); *provided* that (x) no Issuing Lender shall be required to issue Letters of Credit in an aggregate face amount in excess of \$5.0 million (or such greater amount as agreed to by the applicable Issuing Lender (as defined below)) and (y) with respect to any Letter of Credit issued, the Borrower shall provide cash collateral to the applicable Issuing Lender in an amount equal to 103% of the pro rata portion of such Letter of Credit attributable to any Lender that is not a Regulated Bank. No Letter of Credit shall have an expiration date after the earlier of (a) one year after the date of issuance unless consented to by the Issuing Lender and (b) five

(5) business days prior to the ABL Termination Date, *provided* that any Letter of Credit with a one-year tenor may provide for the renewal thereof for additional one-year periods (which shall in no event extend beyond the date referred to in clause (b) above).

Drawings under any Letter of Credit shall be reimbursed by the Borrower (whether with its own funds or with the proceeds of ABL Loans) within one business day. To the extent that the Borrower does not so reimburse the Issuing Lender, the Lenders under the ABL Facility shall be irrevocably and unconditionally obligated to fund participations in the reimbursement obligations on a pro rata basis.

Borrowing Base:

The “Borrowing Base” will equal the sum of:

(a) 85% of the eligible accounts receivable of the Borrowing Base Loan Parties (as defined below) plus

(b) the lesser of (i) 70% of the eligible inventory of the Borrowing Base Loan Parties (valued at the lower of cost and fair market value) and (ii) the product of 85% multiplied by the net orderly liquidation value percentage identified in the most recent inventory appraisal ordered by the ABL Administrative Agent multiplied by the Borrowing Base Loan Parties’ eligible inventory minus

(c) Eligible Reserves (as defined below).

The ABL Administrative Agent will have the right to establish and modify Eligible Reserves, which the ABL Administrative Agent determines from time to time in its Permitted Discretion (as defined below) as being necessary, against the Borrowing Base assets, upon at least three (3) business days’ prior written notice to the Borrower (such three (3) business days (or longer) period, the “Review Period”) (which notice shall include a reasonably detailed description of such reserve being established); *provided* that no reserves may be taken after the Closing Date based on circumstances, conditions, events or contingencies known to the ABL Administrative Agent as of the Closing Date and for which no reserves were imposed on the Closing Date, unless such circumstances, conditions, events or contingencies shall have changed in any material adverse respect since the Closing Date. During the Review Period, (i) the ABL Administrative Agent shall, if requested, discuss any such reserve or change with the Borrower, and the Borrower may take such action as may be required so that the event, condition or matter that is the basis for such reserve or change no longer exists or exists in a manner that would result in the establishment of a lower reserve or result in a lesser change, in each case, in a manner and to the extent reasonably satisfactory to the ABL

Administrative Agent, (ii) if failure to implement any such reserve or change within a shorter time period would, in the good faith judgment of the ABL Administrative Agent, reasonably be expected to result in a Material Adverse Effect (to be defined in the ABL Credit Documentation) or materially and adversely affect the Collateral or the rights of the Lenders, such change may be implemented within a shorter time as determined by the ABL Administrative Agent in its Permitted Discretion and (iii) any borrowings or issuances of Letters of Credit made during the Review Period shall be made based on the Borrowing Base as modified by the proposed new or modified Eligible Reserves. Notwithstanding anything to the contrary herein, (a) the amount of any such reserve or change shall have a reasonable relationship to the event, condition or other matter that is the basis for such reserve or such change, (b) no reserves or changes shall be duplicative of reserves or changes already accounted for through eligibility criteria and (c) no reserves shall be imposed on the first 5% of dilution of accounts receivable and thereafter no dilution reserve shall exceed 1% for each incremental whole percentage in dilution over 5%.

As used herein:

“Borrowing Base Loan Parties” means domestic and Canadian Loan Parties.

“Eligible Reserves” means such amounts as the ABL Administrative Agent, in its Permitted Discretion, may from time to time establish in accordance with the ABL Credit Documentation.

“Permitted Discretion” means a determination made in good faith and in the exercise of reasonable (from the perspective of a secured asset-based lender) business judgment.

A certificate presenting the Borrower’s computation of the Borrowing Base (a “Borrowing Base Certificate”) will be delivered to the ABL Administrative Agent on or prior to the 20th calendar day following the end of each calendar month, (or, if such day is not a business day, on the immediately following Business Day); *provided, however*, that during a Cash Dominion Period (as defined below), the Borrower will be required to compute the Borrowing Base and deliver a Borrowing Base Certificate on a weekly basis (on or prior to the date that is the third business day following the end of each such week) (each delivery of a Borrowing Base certificate pursuant to this paragraph, a “Scheduled Borrowing Base Delivery”).

Eligibility:

The definitions of eligible accounts and eligible inventory will be mutually agreed by the ABL Commitment Parties and the Borrower in accordance with the ABL Documentation Principles

and contained in the ABL Credit Documentation; *provided* that eligible accounts and eligible inventory shall only include accounts and inventory owned by a Borrowing Base Loan Party and located in the United States or Canada. In addition, the ABL Administrative Agent will retain the right, from time to time, in its Permitted Discretion, to establish additional standards of eligibility against eligibility and to adjust reserves.

Use of Proceeds:

The Proceeds of the ABL Loans on the Closing Date shall be used as set forth on Exhibit B. The proceeds of the ABL Loans after the Closing Date shall be used to finance the working capital needs and general corporate purposes of the Borrower and its subsidiaries, including on the Closing Date to refinance the indebtedness outstanding under the Prepetition First Lien Credit Agreement (the “Refinancing”) and to pay fees and expenses in connection therewith and in connection with the ABL Credit Documentation.

B. Increase in ABL Commitments:

The ABL Credit Documentation (as defined below) will permit the Borrower to request an increase in commitments under the ABL Facility (any such increase, an “Incremental ABL Facility”) in an aggregate principal amount that shall not exceed the greater of (a) the sum of (i) \$25 million plus (ii) any voluntary prepayments that are accompanied by permanent commitment reductions under the ABL Facility (including the termination of commitments in connection with any “yank-a-bank” provisions) and (b) the excess of the Borrowing Base then in effect over the aggregate amount of ABL Commitments then in effect, by requesting additional commitments from one or more Lenders or, with the consent of the ABL Administrative Agent to the extent such consent would be required under the heading “Assignment and Participations” below, but without the consent of any other Lenders, from other entities; provided that, in connection with any Incremental ABL Facility, each ABL Lender shall be permitted to elect to have its ABL Commitment reduced by an amount equal to 40% of such Incremental ABL Facility and the Borrower shall prepay the outstanding ABL Loans held by such Lender in an amount proportionate to the ABL Commitment so reduced as compared to the aggregate ABL Commitment of such Lender outstanding immediately prior to such reduction; provided, further, that if more than one ABL Lender elects to have their ABL Commitments reduced, such reduction shall be applied on a pro rata basis as between such electing ABL Lenders. For the avoidance of doubt the terms of and conditions of any Incremental ABL Facility shall be substantially identical to the ABL Facility.

Limited Conditionality Provision:

For purposes of determining pro forma compliance with any basket (but not, for the avoidance of doubt, the satisfaction of conditions to the making of a credit extension) based on (a) a financial ratio (other than Excess Availability or Specified

Excess Availability), (b) Consolidated EBITDA (to be defined in a manner no less favorable, taken as a whole, to the Borrower than in the Referenced First Lien Credit Agreement and otherwise as agreed by the ABL Administrative Agent and the Borrower subject to the ABL Documentation Principles (*provided* that (i) pro forma cost savings and synergy addbacks shall be permitted in the calculation of Consolidated EBITDA and capped at 15% of Consolidated EBITDA with an 12 month look-forward period) and (ii) management incentive plan cash and equity-based compensation addbacks shall be permitted in the calculation of Consolidated EBITDA), (c) whether a default or event of default has occurred and is continuing, or (d) the accuracy of any representation or warranty contained in the ABL Credit Documentation, in each case, in connection with the consummation of an acquisition or similar investment that the Borrower or one or more of its subsidiaries is contractually committed to consummate (it being understood that such commitment may be subject to conditions precedent, which conditions precedent may be amended, satisfied or waived in accordance with the terms of the applicable agreement) and whose consummation is not conditioned on the availability of, or on obtaining, third party financing (any such acquisition or investment, a "Limited Conditionality Transaction"), the date of determination shall, at the option of the Borrower (the exercise of such option, an "LC Election"), be the time the definitive agreements for such acquisition or investment are entered into or (the "LC Test Date") after giving pro forma effect to such acquisition or investment and the other transactions to be entered into in connection therewith (including any incurrence of indebtedness and the use of proceeds thereof) as if they had occurred at the beginning of the applicable test period, rather than the date that such Limited Conditionality Transaction is consummated and, for the avoidance of doubt, if any of such ratios or amounts are exceeded on any date other than the LC Test Date as a result of fluctuations in such ratio or amount including due to fluctuations in Consolidated EBITDA of the Borrower or, if applicable, the person subject to such acquisition or investment, at or prior to the consummation of the relevant transaction or action, such ratios will not be deemed to have been exceeded as a result of such fluctuations solely for purposes of determining whether the relevant transaction or action is permitted to be consummated or taken under any basket.

If the Borrower has made an LC Election for any Limited Conditionality Transaction, then in connection with any calculation of any basket availability in connection with the consummation of any subsequent acquisition or similar investment that the Borrower or one or more of its subsidiaries is contractually committed to consummate (each, a "Subsequent Transaction") following the relevant LC Test Date and prior to the earlier of the date on which such Limited Condition

Transaction is consummated or the date that the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, for purposes of determining whether such Subsequent Transaction is permitted under the ABL Credit Documentation, any such basket shall be required to be satisfied on a pro forma basis (a) assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated, and (b) assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of indebtedness and the use of proceeds thereof) have not been consummated.

3. CERTAIN PAYMENT PROVISIONS

Fees and Interest Rates: As set forth on Annex I.

Optional Prepayments and Commitment Reductions: ABL Loans may be prepaid and ABL Commitments may be reduced, in whole or in part without premium or penalty, in minimum amounts of \$1 million or a whole multiple of \$100,000 in excess thereof, at the option of the Borrower at any time upon one day's (or, in the case of a prepayment of Term Benchmark Loans (as defined in Annex I hereto), three (3) days') prior notice, subject to customary reimbursement of the Lenders' redeployment costs in the case of a prepayment of Term Benchmark Loans prior to the last day of the relevant interest period).

Mandatory Prepayments: If at any time the aggregate amount of outstanding ABL Loans, unreimbursed Letter of Credit drawings and undrawn Letters of Credit exceeds the lesser of the aggregate ABL Commitments and the Borrowing Base, the ABL Credit Documentation will require a prepayment to the extent of such excess be applied *first*, to the outstanding ABL Loans (without a concurrent reduction of the ABL Commitments) and *second*, to the cash collateralization of outstanding Letters of Credit.

4. COLLATERAL

Collateral: The ABL Facility will be secured by the collateral which secures the Term Loan Facility (the "Collateral"). The liens securing the ABL Facility will be first priority in the case of the ABL Priority Collateral (as defined below) and, with respect to Term Priority Collateral, junior only to the liens securing the Term Loans.

"Term Priority Collateral" shall mean all Collateral securing the Term Loans other than ABL Priority Collateral.

“ABL Priority Collateral” shall mean all of the present and after acquired (a) cash, deposit accounts, securities accounts, accounts receivable and inventory of the Loan Parties; (b) general intangibles, instruments, documents and chattel paper relating to the property identified in clause (a); (c) commercial tort claims, security and guarantees and supporting obligations in respect of the collateral identified in clauses (a) and (b); and (d) proceeds (including insurance proceeds) of the foregoing (other than any such items constituting proceeds arising from the sale or disposition of Term Priority Collateral and cash on deposit in trust accounts, payroll or tax accounts and escrow accounts).

The ABL Priority Collateral will also secure obligations in respect of interest rate protection or other hedging arrangements entered into for non-speculative purposes in the ordinary course of business (including, for the avoidance of doubt, any interest rate protection or other hedging arrangements entered into prepetition) and cash management obligations (collectively, the “Swap and Cash Management Obligations”), in each case, owing to any person that is (or was on the date such obligation was entered into) the ABL Administrative Agent, any ABL Commitment Party, any Lender or any affiliate of the foregoing; *provided* that Swap and Cash Management Obligations shall only be pari with principal in the payment waterfall to the extent that (x) Borrowing Base reserves are in place in respect of such obligations and (y) such Swap and Cash Management Obligations are owing to the ABL Administrative Agent, any ABL Commitment Party, any Lender or any affiliate of the foregoing. For the avoidance of doubt, no Borrowing Base reserves shall be in place in respect of Swap and Cash Management Obligations owing to a person that is not the ABL Administrative Agent, an ABL Commitment Party, a Lender or an affiliate of the foregoing.

The lien priority, relative rights and other creditors’ rights issues in respect of the ABL Facility and the Term Loan Facility shall be subject to an intercreditor agreement reasonably satisfactory to the ABL Commitment Parties and the Borrower (the “Intercreditor Agreement”).

5. CERTAIN CONDITIONS

Initial Conditions:

The availability of the ABL Facility on the Closing Date will be subject to the conditions set forth in Exhibit B.

On-Going Conditions:

The making of each ABL Loan and the issuance of each Letter of Credit shall be conditioned upon (a) the accuracy in all material respects (or in all respects if qualified by materiality) of all representations and warranties in the ABL Credit Documentation and (b) there being no default or event of default

in existence at the time of, or immediately after giving effect to, such extension of credit.

6. DOCUMENTATION

ABL Credit

Capitalized terms not defined in this ABL Term Sheet shall be given substantially the same meaning assigned to such terms as defined in the Referenced First Lien Credit Agreement, with changes as mutually agreed, subject to the ABL Documentation Principle.

Financial Covenant:

Limited to a minimum Fixed Charge Coverage Ratio (as defined below) of not less than 1.00:1.00 (the “ABL Financial Covenant”), to be tested at the end of the most recently ended four fiscal quarters for which financial statements have been or are required to be delivered (each such period, a “Testing Period”) but only during the continuance of a Financial Covenant Compliance Period (as defined below).

As used herein:

“Financial Covenant Compliance Period” means any period beginning on any date on which Specified Excess Availability is less than the greater of (x) 15% of the Line Cap and (y) \$10.5 million and ending on the subsequent date on which Specified Excess Availability is equal to or greater than the greater of (x) 15% of the Line Cap and (y) \$10.5 million for at least thirty (30) consecutive calendar days.

“Fixed Charge Coverage Ratio” means during any period, with respect to the Borrower and its restricted subsidiaries on a consolidated basis, the ratio of (a)(i) Consolidated EBITDA, minus, (ii) in each case to the extent paid in cash, the aggregate amount of all capital expenditures made by the Borrower and its restricted subsidiaries during such period (other than capital expenditures to the extent financed with the proceeds of any incurrence of indebtedness (other than the incurrence of any ABL Loans), proceeds from asset sales or proceeds from equity issuances), minus, (iii) the aggregate amount of all cash payments made by the Borrower and its restricted subsidiaries in respect of income taxes or income tax liabilities (net of cash income tax refunds) during such period (excluding, solely for purposes of testing the Financial Covenant, the lesser of (x) \$5,000,000 and (y) 50% of the tax or tax liabilities paid in cash by the Borrower related to the taxable years ending on or before December 31, 2022 related to any gain as a result of the recapitalization effected on the Closing Date), to (b) Fixed Charges of the Borrower and its restricted subsidiaries for such period.

“Fixed Charges” means during any period, with respect to the Borrower and its restricted subsidiaries on a consolidated basis, the sum of (i) consolidated interest expense paid in cash, plus (ii) scheduled payments in cash of principal on indebtedness (other than ABL Loans) included in the definition of Consolidated Total Debt (to be defined in a manner substantially similar to the definition contained in the Referenced First Lien Credit Agreement, subject to the ABL Documentation Principles) (other than mandatory prepayments of Term Loans based on (x) “Excess Cash Flow” of the Borrower pursuant to the Term Loan Facility or (y) asset sales) plus (iii) Restricted Payments paid in cash.

The foregoing Financial Covenant shall be tested quarterly with respect to the Borrower and its restricted subsidiaries on a consolidated basis, (i) immediately upon trigger of a Financial Covenant Compliance Period based on the most recently completed four-fiscal quarter period for which financial statements have been delivered under the ABL Credit Documentation and (ii) on the last day of each subsequently completed fiscal quarter of the Borrower ending during a Financial Covenant Compliance Period for which financial statements are required to have been delivered hereunder.

For purposes of determining compliance with the Financial Covenant, any cash equity contribution made to Holdings, and contributed by Holdings to the Borrower as common equity, after the beginning of the relevant fiscal quarter and prior to the day that is ten (10) business days after the day on which financial statements are required to be delivered for such fiscal quarter

will, at the request of the Borrower, be included in the calculation of Consolidated EBITDA of the Borrower and its restricted subsidiaries solely for the purposes of determining compliance with the Financial Covenant at the end of such fiscal quarter and applicable subsequent periods that include such fiscal quarter (any such equity contribution so included in the calculation of Consolidated EBITDA of the Borrower and its restricted subsidiaries, a “Specified Equity Contribution”); *provided* that (a) in each four consecutive fiscal quarter period, there shall be at least two (2) fiscal quarters in respect of which no Specified Equity Contribution is made, (b) during the life of the ABL Facility there shall be no more than five (5) Specified Equity Contributions in the aggregate, (c) the amount of any Specified Equity Contribution shall be no greater than the amount required to cause the Borrower to be in pro forma compliance with the Financial Covenant for the relevant fiscal quarter, (d) all Specified Equity Contributions shall be disregarded for purposes of calculating Consolidated EBITDA in determining any financial ratio-based conditions or baskets with respect to the covenants contained in the ABL Credit Documentation (other than, with respect to any future period, with respect to any portion of such Specified Equity Contribution that is actually applied to repay any indebtedness) and (e) there shall be no pro forma or other reduction of indebtedness with the proceeds of any Specified Equity Contribution for purposes of determining compliance with the Financial Covenant for the fiscal quarter in respect of which such Specified Equity Contribution was made.

The ABL Credit Documentation will contain a standstill provision with regard to exercise of remedies (but no borrowings or issuances of Letters of Credit shall be permitted during the standstill period (without Required Lender (as defined below) consent)) during the period in which any Specified Equity Contribution will be made after the receipt of written notice by the ABL Administrative Agent of the Borrower’s intention to cure a Financial Covenant default with proceeds of a Specified Equity Contribution; *provided, however*, that such standstill shall be solely with respect to a breach of the Financial Covenant to which such Specified Equity Contribution applies.

Representations and Warranties:

Limited to the following (applicable to Holdings, the Borrower and its restricted subsidiaries), in each case, with customary materiality qualifiers, thresholds, exceptions, limitations and qualifications to be mutually agreed in accordance with the ABL Documentation Principles: financial condition, financial statements, no Material Adverse Effect (substantially as defined in the Referenced First Lien Credit Agreement, subject to the ABL Documentation Principles), corporate existence, compliance with laws, corporate power and authority, non-contravention, governmental authorization, enforceability of

“Adjusted Term SOFR Rate” means the Term SOFR Rate, plus 0.10%; *provided* that if the Adjusted Term SOFR Rate as so determined would be less than the Floor, such rate shall be deemed to be equal to the Floor for the purposes of calculating such rate.

“Overnight Bank Funding Rate” means, for any day, the rate comprised of both overnight federal funds and overnight eurodollar transactions denominated in U.S. Dollars by U.S.-managed banking offices of depository institutions, as such composite rate shall be determined by the NYFRB as set forth on its public website from time to time, and published on the next succeeding Business Day by the NYFRB as an overnight bank funding rate (from and after such date as the NYFRB shall commence to publish such composite rate).

“SOFR” means, with respect to any business day, a rate per annum equal to the secured overnight financing rate for such business day published by the NYFRB on the NYFRB’s on the immediately succeeding business day.

“Term SOFR Reference Rate” means, for any day and time, with respect to any Term Benchmark Borrowing denominated in U.S. Dollars for any Interest Period, the rate per annum determined by the Administrative Agent as the forward-looking term rate based on SOFR.

“U.S. Government Securities Business Day” means any day except for (i) a Saturday, (ii) a Sunday or (iii) a day on which the Securities Industry and Financial Markets Association recommends that the fixed income departments of its members be closed for the entire day for purposes of trading in United States government securities.

A fronting fee in an amount equal to 0.125% of the face amount of each Letter of Credit shall be payable quarterly in arrears to the Issuing Lender for its own account. In addition, customary administrative, issuance, amendment, payment and negotiation charges shall be payable to the Issuing Lender for its own account.

Default Rate:

At any time when the Borrower is in default in the payment of any amount under the ABL Facility, after giving effect to any applicable grace period, the Required Lenders may elect that all outstanding amounts under the ABL Facility shall bear interest at 2.00% per annum above the rate otherwise applicable thereto (or, in the event there is no applicable rate, 2.00% per annum in excess of the rate otherwise applicable to ABL Loans maintained as ABR Loans from time to time).

Rate and Fee Basis:

All per annum rates shall be calculated on the basis of a year of 360 days (or 365/366 days, in the case of ABR Loans the interest rate payable on which is then based on the Prime Rate) for actual days elapsed.

Annex I-A

covered by such financial information, projections or assumptions may differ from the projected results set forth therein by a material amount).

In computing the amount of the contingent liabilities of the Borrower and its Restricted Subsidiaries as of the date hereof, such liabilities have been computed at the amount that, in light of all the facts and circumstances existing as of the date hereof, represents the amount that can reasonably be expected to become an actual or matured liability.
