**GLOBAL NOTES, METHODOLOGY, AND SPECIFIC
DISCLOSURES REGARDING THE DEBTORS’ SCHEDULES OF
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

Introduction

Cobalt International Energy, Inc. (“Cobalt”) and its debtor affiliates, as debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, the “Debtors”), with the assistance of their advisors, have filed their respective Schedules of Assets and Liabilities (the “Schedules”) and Statements of Financial Affairs (the “Statements,” and together with the Schedules, the “Schedules and Statements”) with the United States Bankruptcy Court for the Southern District of Texas (the “Bankruptcy Court”), under section 521 of title 11 of the United States Code (the “Bankruptcy Code”), rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and rule 1007-1 of the of the Bankruptcy Local Rules for the Southern District of Texas (the “Bankruptcy Local Rules”).

These *Global Notes, Methodology, and Specific Disclosures Regarding the Debtors’ Schedules of Assets and Liabilities and Statements of Financial Affairs* (the “Global Notes”) pertain to, are incorporated by reference in, and comprise an integral part of all of the Debtors’ Schedules and Statements. The Global Notes should be referred to, considered, and reviewed in connection with any review of the Schedules and Statements.

The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“GAAP”), nor are they intended to be fully reconciled with the financial statements of each Debtor. Additionally, the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment and reflects the Debtors’ commercially reasonable efforts to report the assets and liabilities of each Debtor on an unconsolidated basis.

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are: Cobalt International Energy, Inc. (1169); Cobalt International Energy GP, LLC (7374); Cobalt International Energy, L.P. (2411); Cobalt GOM LLC (7188); Cobalt GOM # 1 LLC (7262); and Cobalt GOM # 2 LLC (7316). The Debtors’ service address is: 920 Memorial City Way, Suite 100, Houston, Texas 77024.

The Debtors and their agents, attorneys, and advisors do not guarantee or warrant the accuracy or completeness of the data that is provided in the Schedules and Statements and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. While commercially reasonable efforts have been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtors and their agents, attorneys, and advisors expressly do not undertake any obligation to update, modify, revise, or recategorize the information provided in the Schedules and Statements, or to notify any third party should the information be updated, modified, revised, or recategorized. In no event shall the Debtors or their agents, attorneys, and financial advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys, and financial advisors are advised of the possibility of such damages.

David D. Powell, the Debtors' Chief Financial Officer, has signed each of the Schedules and Statements. Mr. Powell is an authorized signatory for each of the Debtors. In reviewing and signing the Schedules and Statements, Mr. Powell necessarily has relied upon the efforts, statements, and representations of various personnel employed by the Debtors and their advisors. Mr. Powell has not (and could not have) personally verified the accuracy of each statement and representation contained in the Schedules and Statements, including statements and representations concerning amounts owed to creditors, classification of such amounts, and creditor addresses.

Global Notes and Overview of Methodology

1. **Reservation of Rights.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements, but inadvertent errors or omissions may exist. The Debtors reserve all rights to: (i) amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including² the right to amend the Schedules and Statements with respect to the description, designation, or Debtor against which any claim ("Claim") or interest ("Interest") is asserted; (ii) dispute or otherwise assert offsets or defenses to any Claim reflected in the Schedules and Statements as to amount, liability, priority, status, or classification; (iii) subsequently designate any Claim as "disputed," "contingent," or "unliquidated;" or (iv) object to the extent, validity, enforceability, priority, or avoidability of any Claim. Any failure to designate a Claim in the Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtors that such Claim or amount is not "disputed," "contingent," or "unliquidated." Listing a Claim does not constitute an admission of liability by the Debtor against which the Claim is listed or against any of the Debtors. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to the Debtors' chapter 11 cases, including issues involving Claims,

² The words "include," "includes," "including," and variations thereof, shall not be deemed to be terms of limitation, and shall be deemed to be followed by the words "without limitation."

substantive consolidation, defenses, equitable subordination, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph. Notwithstanding the foregoing, the Debtors shall not be required to update the Schedules and Statements.

2. **Description of Cases and “As Of” Information Date.** On December 14, 2017 (the “Petition Date”), the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their businesses and properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

On December 14, 2017, the Bankruptcy Court entered the *Order (I) Directing Joint Administration of Related Chapter 11 Cases and (II) Granting Related Relief* [Docket No. 33]. On December 21, 2017, the U.S. Trustee appointed an official committee of unsecured creditors in the chapter 11 cases [Docket No. 118].

The asset information provided in the Schedules and Statements represents the asset data of the Debtors as of the close of business on November 30, 2017, except as otherwise noted. The liability information provided in the Schedules and Statements represents the liability data of the Debtors as of the Petition Date, except as otherwise noted.

3. **Net Book Value of Assets.** It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate assets for the Debtors to obtain current market valuations for each of their assets on an individual-asset basis. Accordingly, unless otherwise indicated, the Debtors’ Schedules and Statements reflect net book values as of the close of business on November 30, 2017, in the Debtors’ books and records.

Nonetheless, because the book value of certain assets may differ from their fair market values, they may be listed as undetermined amounts as of the Petition Date. Furthermore, as applicable, assets that have fully depreciated or were expensed for accounting purposes may not appear in the Schedules and Statements.

Book values of assets prepared in accordance with GAAP generally do not reflect the current performance of the assets or the effect of the commodity price environment and may differ materially from the actual value and/or performance of the underlying assets. Given the recent volatility of commodity prices, this difference is material. As such, the value listed in the Schedules and Statements cannot be, and was not, used to determine the Debtors’ enterprise valuation.

4. **Recharacterization.** Notwithstanding the Debtors’ commercially reasonable efforts to properly characterize, classify, categorize, or designate certain Claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtors may nevertheless have improperly characterized, classified, categorized, designated, or omitted certain items due to the complexity and size of the Debtors’ businesses. Accordingly, the Debtors reserve all of their rights to recharacterize, reclassify, recategorize, redesignate, add, or delete items reported in the Schedules and Statements at

a later time as is necessary or appropriate as additional information becomes available, including whether contracts or leases listed herein were deemed executory or unexpired as of the Petition Date and remain executory and unexpired postpetition. Disclosure of information in one or more Schedules, one or more Statements, or one or more exhibits or attachments to the Schedules or Statements, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedules, Statements, exhibits, or attachments.

5. **Liabilities.** The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change. Accordingly, the Debtors reserve all of their rights to amend, supplement, or otherwise modify the Schedules and Statements as is necessary or appropriate.

The liabilities listed on the Schedules do not reflect any analysis of Claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtors reserve all of their rights to dispute or challenge the validity of any asserted Claims under section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any such transaction or any document or instrument related to any creditor's Claim.

6. **Excluded Assets and Liabilities.** The Debtors have excluded certain categories of assets, tax accruals, and liabilities from the Schedules and Statements, including accrued salaries, employee benefit accruals, and accrued accounts payable. The Debtors also have excluded rejection damage Claims of counterparties to executory contracts and unexpired leases that may or may not be rejected, to the extent such damage Claims exist. In addition, certain immaterial assets and liabilities may have been excluded.

The Debtors' books and records include capitalized expenditures related to the exploration and appraisal of the North Platte and Anchor projects, as well as certain Gulf of Mexico leasehold costs, which are excluded from the Schedules and Statements.

The Bankruptcy Court has authorized (but not directed) the Debtors to pay, in their discretion, certain outstanding Claims on a postpetition basis. As discussed below, prepetition liabilities which have been paid postpetition or those which the Debtors plan to pay via this authorization might not be listed in the Schedules and Statements.

7. **Insiders.** For purposes of the Schedules and Statements, the Debtors define "insiders" pursuant to section 101(31) of the Bankruptcy Code as: (a) directors; (b) officers; (c) persons in control of the Debtors; (d) relatives of the Debtors' directors, officers, or persons in control of the Debtors; and (e) debtor/non-Debtor affiliates of the foregoing. Persons listed as "insiders" have been included for informational purposes only and by including them in the Schedules, shall not constitute an admission that those persons are insiders for purposes of section 101(31) of the Bankruptcy Code. Moreover, the Debtors do not take any position with respect to: (a) any insider's influence over the control of the Debtors; (b) the management responsibilities or functions of any such insider; (c) the decision making or corporate authority of any such insider; or (d) whether the Debtors or

any such insider could successfully argue that he or she is not an “insider” under applicable law or with respect to any theories of liability or for any other purpose. The listing of a party as an “insider” is not intended to be nor should be construed as a legal characterization of such party as an insider and does not act as an admission of any fact, Claim, right, or defense, and all such rights, Claims, and defenses are hereby expressly reserved.

8. **Intellectual Property Rights.** Exclusion of certain intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction.
9. **Executory Contracts.** Although the Debtors made diligent attempts to attribute an executory contract to its rightful Debtor, in certain instances, the Debtors may have inadvertently failed to do so due to the complexity and size of the Debtors’ businesses. Accordingly, the Debtors reserve all of their rights with respect to the named parties of any and all executory contracts, including the right to amend Schedule G.
10. **Classifications.** Listing (a) a Claim on Schedule D as “secured,” (b) a Claim on Schedule E/F as “priority,” (c) a Claim on Schedule E/F as “unsecured,” or (d) a contract on Schedule G as “executory” or “unexpired,” does not constitute an admission by the Debtors of the legal rights of the claimant or a waiver of the Debtors’ rights to recharacterize or reclassify such Claims or contracts or to setoff of such Claims.
11. **Claims Description.** Schedules D and E/F permit each of the Debtors to designate a Claim as “disputed,” “contingent,” and/or “unliquidated.” Any failure to designate a Claim on a given Debtor’s Schedules and Statements as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by that Debtor that such amount is not “disputed,” “contingent,” or “unliquidated,” or that such Claim is not subject to objection. The Debtors reserve all of their rights to dispute, or assert offsets or defenses to, any Claim reflected on their respective Schedules and Statements on any grounds, including liability or classification. Additionally, the Debtors expressly reserve all of their rights to subsequently designate such Claims as “disputed,” “contingent,” or “unliquidated.” Moreover, listing a Claim does not constitute an admission of liability by the Debtors.
12. **Causes of Action.** Despite their commercially reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third-parties as assets in the Schedules and Statements, including causes of actions arising under chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. The Debtors reserve all of their rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross claim, counterclaim, or recoupment and any claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant

to any other theory of law (collectively, “Causes of Action”) they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any claims or Causes of Action or in any way prejudice or impair the assertion of such claims or Causes of Action.

13. **Summary of Significant Reporting Policies.** The following is a summary of significant reporting policies:

- **Undetermined Amounts.** The description of an amount as “unknown,” “TBD,” or “undetermined” is not intended to reflect upon the materiality of such amount.
- **Totals.** All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.
- **Non-Duplication.** Certain of the Debtors’ assets, liabilities, and prepetition payments may properly be disclosed in one Schedule or Statement as responsive to certain other Statements and Schedules, without duplication, to avoid double-counting of certain assets and liabilities. Although the Debtors have made a good faith effort to remove duplicate references of certain of their assets and liabilities, inadvertent errors or failures to omit may result in duplicate references for certain of the Debtors’ assets or liabilities.
- **Paid Claims.** The Debtors were authorized (but not directed) to pay certain outstanding prepetition Claims pursuant to various orders entered by the Bankruptcy Court. Accordingly, certain outstanding liabilities that have been reduced by postpetition payments made on account of prepetition liabilities have been designated as either contingent or unliquidated. To the extent the Debtors pay any of the Claims listed in the Schedules and Statements pursuant to any orders entered by the Bankruptcy Court, the Debtors reserve all of their rights to amend or supplement the Schedules and Statements or take other action as is necessary or appropriate to avoid over-payment of or duplicate payments for any such liabilities.
- **Liens.** Property and equipment listed in the Schedules and Statements are presented without consideration of any liens that may attach (or have attached) to such property and equipment.

14. **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.

15. **Intercompany Payables and Receivables.** Intercompany payables and receivables between the Debtors and certain non-Debtors are set forth on Schedule E/F or Schedule A/B.77, as applicable, each as of November 30, 2017.

As described more fully in the *Debtors’ Emergency Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Continue to Operate Their Cash Management System, (B) Honor Certain Prepetition Obligations Related Thereto, (C) Maintain Existing Business Forms, and (D) Perform Intercompany Transactions, and (II) Granting Related*

Relief [Docket No. 10] (the “Cash Management Motion”), Debtor Cobalt International Energy, L.P. maintains a concentration account, which serves as the centralized main operating account, that provides funding to and receives proceeds from the other accounts in the Debtors’ cash management system. Further, as set forth in the Cash Management Motion, the Debtors engage in a range of intercompany transactions in the ordinary course of business with Debtors and certain non-Debtors. Thus, intercompany balances as of the Petition Date, as set forth in Schedule E/F or Schedule A/B.77 may not accurately reflect current positions.

The listing by the Debtors of any account between a Debtor and another Debtor or between a Debtor and a non-Debtor affiliate is a statement of what appears in a particular Debtor’s books and records and does not reflect any admission or conclusion of the Debtors regarding the allowance, classification, characterization, validity, or priority of such account. The Debtors take no position in the Schedules and Statements as to whether such accounts would be allowed as a Claim, an Interest, or not allowed at all. The Debtors and all parties in interest reserve all rights with respect to such accounts.

16. **Setoffs.** The Debtors periodically incur certain setoffs in the ordinary course of business.

Setoffs in the ordinary course can result from various items, including intercompany transactions, pricing discrepancies, returns, warranties, credits, refunds, negotiations, and/or disputes between Debtors and their vendors, suppliers, or other counterparties regarding regulatory or governmental impositions costs incurred by Debtors, and other disputes between the Debtors and their vendors, suppliers, or other counterparties. These normal setoffs are consistent with the ordinary course of business in the Debtors’ industry. Although such setoffs and other similar rights may have been accounted for when scheduling certain amounts, these ordinary course setoffs are not independently accounted for, and as such, are or may be excluded from the Debtors’ Schedules and Statements, except as specifically set forth herein.

17. **Employee Addresses.** Employee addresses have been removed from entries listed throughout the Schedules and Statements, where applicable.

18. **Global Notes Control.** In the event that the Schedules and Statements differ from these Global Notes, the Global Notes shall control.

Specific Disclosures with Respect to the Debtors’ Schedules

Schedules Summary. Except as otherwise noted, the asset information provided in the Schedules and Statements represents the Debtors’ data regarding their assets as of November 30, 2017, and the liability information provided in the Schedules and Statements represents the Debtors’ data regarding their liabilities as of the Petition Date.

For financial reporting purposes, the Debtors and certain of their non-Debtor affiliates ordinarily prepare consolidated financial statements. Unlike the consolidated financial statements, the Schedules reflect the assets and liabilities of each Debtor on a nonconsolidated basis, except where otherwise indicated. Accordingly, the totals listed in the Schedules will likely differ, at times

materially, from the consolidated financial reports prepared by the Debtors for financial reporting purposes or otherwise.

The Schedules do not purport to represent financial statements prepared in accordance with GAAP, nor are they intended to be fully reconciled with the financial statements of each Debtor. Additionally, the Schedules contain unaudited information that is subject to further review and potential adjustment, and reflect the Debtors' commercially reasonable efforts to report the assets and liabilities of each Debtor on an unconsolidated basis. Moreover, given, among other things, the uncertainty surrounding the collection and ownership of certain assets and the valuation and nature of certain liabilities, to the extent that a Debtor shows more assets than liabilities, this is not an admission that the Debtor was solvent as of the Petition Date or at any time before the Petition Date. Likewise, to the extent a Debtor shows more liabilities than assets, this is not an admission that the Debtor was insolvent as of the Petition Date or at any time before the Petition Date.

Schedule A/B.3. The bank account balances listed are as of November 30, 2017.

Schedule A/B.11. Accounts receivable aging is reported in the Debtors' books and records at intervals of 0–90 days and over 90 days. Total amount of accounts receivable aging are forth in Schedule A/B.11 for the 0–90 day interval as of the Petition Date. Accrued accounts receivable are included in Schedule A/B.11 for certain of the counterparties of the Debtors.

Schedule A/B.15. Ownership interests in subsidiaries and affiliates have been listed in Schedule A/B.15 as having an undetermined value because the fair market value of such ownership is dependent on numerous variables and factors and may differ from its net book value.

Schedule A/B.21. The value of the Debtors' interest in certain inventory listed in Schedule A/B.21 is set forth in both gross and net total amounts because the cost related to such inventory has not been recovered from counterparties on account of joint interest billings or otherwise.

Schedule A/B., Part 7—Office Furniture, Fixtures, Equipment, and Collectibles. Dollar amounts are presented net of accumulated depreciation and other adjustments.

Schedule A/B.55. The Debtors do not own any real property. The Debtors have listed their real property leases in Schedule A/B.55, including leasehold interests/improvements.

The Debtors have used commercially reasonable efforts to list all contracts relating to real property rights in Schedule A/B.55. However, not all of the Debtors' executory contracts are listed in Schedule A/B. See Schedule G for each Debtor for a listing of such Debtor's executory contracts.

Schedule A/B.62. The Debtors maintain licenses for certain industry-specific and other software used in the normal course of business, which software has a de minimis value. Exclusion of such software licenses shall not be construed as an admission that such licenses or related property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction.

Schedule A/B.72. Certain of the Debtors may have the ability to take advantage of net operating losses ("NOLs") and other tax attributes. Schedule A/B.72 sets forth U.S. federal NOLs for the

Cobalt International Energy, Inc. consolidated tax group as of December 31, 2016. The Debtors may generate NOLs for subsequent years, but such amounts cannot be determined at this time.

Schedule A/B.77. The listing by the Debtors of any account between a Debtor and another Debtor or between a Debtor and a non-Debtor affiliate is a statement of what appears in a particular Debtor's books and records and does not reflect any admission or conclusion of the Debtors regarding the allowance, classification, characterization, validity, or priority of such account. The Debtors take no position in the Schedules and Statements as to whether such accounts would be allowed as a Claim, an Interest, or not allowed at all. The Debtors and all parties in interest reserve all rights with respect to such accounts.

Schedule D. The Debtors have not included parties that may believe their Claims are secured through setoff rights or inchoate statutory lien rights. Cobalt is the issuer or borrower, and certain of the other Debtors are guarantors, under prepetition secured debt. Although there are numerous beneficial holders of such debt, only indenture trustees have been listed for purposes of Schedule D, where applicable. The amounts outstanding under the Debtors' prepetition secured debt reflect approximate amounts as of the Petition Date.

Descriptions provided on Schedule D are intended only to be a summary. Reference to the applicable indentures and related loan documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens.

Schedule E/F. The listing by the Debtors of any account between a Debtor and another Debtor or between a Debtor and a non-Debtor affiliate is a statement of what appears in a particular Debtor's books and records and does not reflect any admission or conclusion of the Debtors regarding the allowance, classification, characterization, validity, or priority of such account. The Debtors take no position in the Schedules and Statements as to whether such accounts would be allowed as a Claim, an Interest, or not allowed at all. The Debtors and all parties in interest reserve all rights with respect to such accounts.

The claims of individual creditors for, among other things, goods, products, services, or taxes are listed as the amounts entered on the Debtors' books and records and may not reflect credits, allowances, or other adjustments due from such creditors to the Debtors. The Debtors reserve all of their rights with regard to such credits, allowances, and other adjustments, including the right to assert claims objections and/or setoffs with respect to the same.

Under the *Order (I) Authorizing the Payment of Certain Prepetition and Postpetition Taxes and Fees and (II) Granting Related Relief* [Docket No. 198], and as set forth and supplemented on the record during the chapter 11 cases, the Bankruptcy Court granted the Debtors the authority to pay the prepetition Claims of regulatory authorities on account of taxes and fees. The amounts accrued and payable on account of such Claims may not be reflected on the Schedule E/F.

Under the *Final Order Authorizing the Payment of Working Interest Expenditures, Joint Interest Billings, Royalty Payments, Delay Rental Payments, and Production Sale Expenditures* [Docket No. 298] (the "Lienholder Order"), the Bankruptcy Court granted the Debtors authority to pay the prepetition Claims of holders of Claims related to working interest expenditures, joint interest billings, royalty payments, delay rental payments, production sale expenditures, and

similar interest burdens (the “Lienholder Payments”) in the properties in which the Debtors have interests. The amounts accrued and payable on account of such interests may not be reflected on the Schedule E/F.

As described in the *Debtors’ Emergency Motion for Entry of Interim and Final Orders Authorizing the Payment of Working Interest Expenditures, Joint Interest Billings, Royalty Payments, Delay Rental Payments, and Production Sale Expenditures* [Docket No. 9], certain parties listed in Schedule E/F may assert liens against the Debtors’ property. The Debtors reserve all rights with respect to the validity of such liens.

Under the *Final Order (I) Authorizing the Debtors to (A) Pay Prepetition Wages, Salaries, Other Compensation, and Reimbursable Expenses and (B) Continue Employee Benefits Programs, and (II) Granting Related Relief* [Docket No. 195] (the “Wages Order”), the Bankruptcy Court granted the Debtors authority to pay or honor certain prepetition obligations for employee wages, salaries, and other compensation, reimbursable employee expenses, and employee medical and similar benefits. The Debtors have not listed on Schedule E/F any wage or wage-related obligations for which the Debtors have been granted authority to pay pursuant to any order that has been entered by the Bankruptcy Court. The Debtors believe that all such claims have been, or will be, satisfied in the ordinary course during their chapter 11 cases pursuant to the authority granted in the Wages Order.

Potential claims related to certain litigation and regulatory proceedings that may affect multiple Debtor subsidiaries may be listed only in Schedule F for Debtor Cobalt.

Schedule E/F does not include certain deferred charges, deferred liabilities, accruals, or general reserves. Such amounts are, however, reflected on the Debtors’ books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific Claims as of the Petition Date. The Claim of any vendor not included on the Debtors’ open accounts payable that is associated with an account that has an accrual or receipt not invoiced may not be reflected on Schedule E/F. The Debtors reserve their rights to pay postpetition accrued Claims in the ordinary course of business, postpetition.

Schedule G. Although commercially reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, the Debtors’ review is ongoing at the time of the filing of the Schedules and Statements, and inadvertent errors, omissions, or over-inclusion may have occurred in preparing Schedule G. In spite of best efforts, in some instances, the Debtors may not have been able to identify which Debtor entity is party to a particular contract. The Debtors and their professionals have undertaken commercially reasonable efforts to list such contracts in Schedule G for the appropriate Debtor or in the schedules of Cobalt. Certain of the instruments reflected on Schedule G may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional lands, and other miscellaneous rights. Such rights, powers, duties, and obligations may not be separately set forth on Schedule G. The Debtors hereby expressly reserve the right to assert that any instrument listed on Schedule G is an executory contract within the meaning of section 365 of the Bankruptcy Code. The Debtors reserve all of their rights, claims, and causes of action with respect to claims associated with any contracts and agreements listed on Schedule A/B, including their right to

dispute or challenge the characterization or the structure of any transaction, document, or instrument (including any intercompany agreement) related to a creditor's claim.

Certain confidentiality and non-compete agreements may not be listed on Schedule G. The Debtors reserve all of their rights with respect to such agreements.

Certain of the contracts and agreements listed on Schedule G may consist of several parts, including, purchase orders, amendments, restatements, waivers, letters, and other documents that may not be listed on Schedule G or that may be listed as a single entry.

The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments, and agreements that may not be listed therein despite the Debtors' use of reasonable efforts to identify such documents. Further, unless otherwise specified on Schedule G, each executory contract or unexpired lease listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is listed thereon. In some cases, the same supplier or provider appears multiple times on Schedule G. This multiple listing is intended to reflect distinct agreements between the applicable Debtor and such supplier or provider.

Schedule H. Although there are multiple beneficial holders of the Debtors' prepetition debt, only the indenture trustees have been listed on Schedule H.

Specific Disclosures with Respect to the Debtors' Statements

Statement 2. For financial reporting purposes, the Debtors and certain of their non-Debtor affiliates historically prepare consolidated financial statements. Unlike those consolidated financial statements, Statement 2 reflects the non-business revenue of each Debtor on a nonconsolidated basis. Accordingly, non-business revenue reported for individual Debtors may be shown in the Statements as revenue for that Debtor, whereas on a consolidated basis, may be shown as a net expense.

Statement 3. In Statement 3, disbursements made on account of multiple invoices may be reflected as a single payment.

As set forth more specifically pursuant to Global Note 3, the Debtors periodically incur setoffs in the ordinary course of business with certain of their creditors. Any negative amounts listed in Statement 3 are credits due and owing to the Debtors from such creditors, and the Debtors reserve and preserve all rights to deduct such credits from any past payments to specific creditors set forth in Statement 3 or future payments to those creditors. Certain same day credits and payments to creditors that the Debtors voided on the same business day are not set forth in Statement 3.

Statement 3 reflects cash payments only, and all disbursements listed in Statement 3 are made through the Debtors' cash management system. As described more fully in the Cash Management

Motion, Debtor Cobalt International Energy, L.P. maintains a concentration account that serves as the Debtors' centralized operating account and provides funding for and receives cash from the Debtors' other bank accounts on a periodic basis, including an operating account maintained by Debtor Cobalt International Energy, L.P. and a proceeds account maintained by Debtor GOM # 1 LLC, which collects revenue generated by the Debtors' Heidelberg operations. Disbursements from such accounts, including direct deposits, checks, wires, and automated-clearing transfers, are reflected in the applicable Debtor's Statement 3.

Statement 3 may include remittances on account of Lienholder Payments. Amounts remitted on account of Lienholder Payments may not be property of the Debtors' estates.

Statement 4. Directors and officers listed as transferees in Statement 4 for Cobalt may be (i) directors or officers of Cobalt as well as directors or officers of other Debtors or non-Debtor affiliates, (ii) directors or officers of one or more Debtors or non-Debtor affiliates other than Cobalt, or (iii) former directors or officers no longer employed by the Debtors.

Statement 4 does not include payments made to certain employee benefit providers in the ordinary course for the benefit of employee insiders.

Statement 11. All disbursements listed in Statement 11 were initiated and disbursed by Cobalt International Energy, L.P., but were for the benefit of all Debtors. Specifically, the disclosures in Statement 11 reflect prepetition payments made to the following Debtor professionals: (a) Kirkland and Ellis LLP, (b) Zack A.
