ARTICLE V

RIGHTS OF CERTAIN STOCKHOLDERS

5.1 Right of First Refusal.

(a) In the event that a Stockholder negotiates to transfer any of its New Common Stock (its "Offered Shares"), other than pursuant to Sections 6.2 or 7.1, such Stockholder (the "Proposed Transferor"), shall give prompt written notice (a "First Refusal Notice") to PAL Holdings, Inc. ("PHI") and the Company of its intention to transfer the Offered Shares. The Proposed Transferor agrees not to consummate any such transfer until a date that is 15 Business Days after the date on which PHI and the Company actually have received the applicable First Refusal Notice (the "Option Period"). The First Refusal Notice shall identify (i) the number of Offered Shares, (ii) the purchase price per Offered Share at which the Proposed Transferor wishes to transfer and form of consideration therefor (the "Offer Price"), (iii) the identity of the proposed transferee, (iv) the intended date of the proposed transfer, and (v) all other material terms and conditions of the proposed transfer.

(b) During the Option Period, PHI shall have the irrevocable right and option (but not the obligation) to elect to purchase, at the Offer Price and on the same terms and conditions as set forth in the First Refusal Notice, all or a portion of the Offered Shares. The rights of PHI set forth in this Section 5.1(b) are exercisable by delivery, within the Option Period, by PHI of an irrevocable written notice to the Proposed Transferor and the Company (the “Notice of Acceptance”) of PHI’s commitment to purchase all or a portion of the Offered Shares (the “Accepted Shares”). Failure by PHI to give the Notice of Acceptance within the Option Period shall be deemed an election by PHI not to purchase the Offered Shares with respect to the applicable First Refusal Notice.

(c) PHI and the Proposed Transferor shall negotiate in good faith the definitive documentation with respect to any transfer of Accepted Shares as soon as practicable after delivery of the Notice of Acceptance to the Proposed Transferor and shall use commercially reasonable efforts to consummate such transfer on the same terms and conditions set forth in the First Refusal Notice (subject to Section 5.1(f)) within 15 Business Days after such delivery.

(d) If (i) the First Refusal Notice was delivered in accordance with Section 5.1(a) has been duly given, and (ii) (x) PHI has not delivered a Notice of Acceptance during the Option Period, (y) PHI has delivered a Notice of Acceptance during the Option Period for less than all of the Offered Shares or (z) PHI’s transfer of any Accepted Shares fails to be consummated in accordance with Section 5.1(c) (and such failure is not the result of any breach hereof by the Proposed Transferor), then the Proposed Transferor shall have the right, subject to Section 6.2, to enter into and consummate, subject to Section 5.1(e), an agreement to transfer the Offered Shares not transferred to PHI under this Section 5.1 (the “Eligible Shares”) to the proposed transferee set forth in the First Refusal Notice at a price not less than the Offer Price and on terms and conditions no less favorable to the Proposed Transferor, economically or otherwise, than as set forth in the First Refusal Notice; provided that simultaneously with any such transfer, any transferee not already party to this Agreement executes and delivers to the Company, for the benefit of the Company and all Stockholders, a Joinder Agreement; provided, further, that such transferee was identified in the applicable First Refusal Notice. If the transfer of Eligible Shares pursuant to this Section 5.1(d) is not consummated pursuant to the terms of the immediately preceding sentence and within the time periods described in the next paragraph (e), the Proposed Transferor may not consummate the transfer of any of the Offered Shares without commencing de novo the procedures set forth in this Section 5.1.

(e) The closing of the sale of any Eligible Shares that are being transferred under this Section 5.1 shall take place at the Company’s principal executive office (or such other place as the Proposed Transferor and the applicable transferee shall agree) on a date (the “Eligible Transfer Closing Date”) no later than 60 days following the date of delivery of the First Refusal Notice (or if such date is not a Business Day, the next Business Day) at 10:00 a.m., local time. On the Eligible Transfer Closing Date, the parties shall take all actions necessary (including cooperation in obtaining any required governmental consents) to transfer such New Common Stock in accordance with this Agreement.

(f) If the consideration proposed to be paid for the Offered Shares is in property, services or other non-cash consideration, then (i) the Proposed Transferor shall notify the Company of such fact prior to the delivery of any First Refusal Notice with respect thereto,

(ii) the fair market value of the consideration shall be as determined in good faith by the Board (as so determined, the “FMV”), with the Proposed Transferor being informed by the Company of such determination within 30 days of receipt of such notification and (iii) such FMV shall be set forth in the First Refusal Notice. If PHI cannot for any reason pay for the Offered Shares in the same form of non-cash consideration, PHI may pay the cash equivalent of such FMV.

(g) If any Proposed Transferor becomes obligated to transfer any Offered Shares to PHI under this Agreement and fails to deliver such Offered Shares in accordance with the terms of this Agreement, PHI may, at its option, in addition to all other remedies it may have, send to such Proposed Transferor the consideration for such Offered Shares as is herein specified and request that the Company effect, and the Company shall then effect, such transfer in the name of PHI on the Company’s books and any certificates, instruments or book entry representing the Offered Shares to be transferred.

ARTICLE VI

DRAG-ALONG AND TAG-ALONG RIGHTS

6.1 Drag-along Rights.

(a) If at any time a Stockholder or group of Stockholders that hold 50% or more of the issued and outstanding New Common Stock (collectively, the “Dragging Stockholder”) receives a bona fide offer from a third-party purchaser to consummate, in one transaction or a series of related transactions, the sale of the Company (a “Drag-along Sale”), the Dragging Stockholder shall have the right to require that each other Stockholder (each, a “Drag-along Stockholder”) participate in such transfer in the manner set forth in this Section 6.1. Notwithstanding anything to the contrary in this Agreement, (i) each Drag-along Stockholder shall vote in favor of the transaction and take all actions to waive any dissenters, appraisal or other similar rights and (ii) no transaction contemplated by Section 7.1 shall constitute a Drag-along Sale.

(b) The Dragging Stockholder shall exercise its rights pursuant to this Section 6.1 by delivering a written notice (the “Drag-along Notice”) to the Company no later than 20 days prior to the closing date of such Drag-along Sale. The Company shall promptly deliver a copy of the Drag-along Notice to each Drag-along Stockholder. The Drag-along Notice shall make reference to the Dragging Stockholder’s rights and obligations hereunder and shall describe in reasonable detail: (i) the number of shares of New Common Stock to be sold by the Dragging Stockholder, if the Drag-along Sale is structured as a transfer of New Common Stock; (ii) the identity of the third-party purchaser; (iii) the proposed date, time and location of the closing of the Drag-along Sale; (iv) the per share purchase price and the other material terms and conditions of the transfer, including a description of any non-cash consideration in sufficient detail to permit the valuation thereof; and (v) a copy of any form of agreement proposed to be executed in connection therewith to the extent available at such time.

(c) The consideration to be received by a Drag-along Stockholder shall be the same form and amount of consideration per share of New Common Stock to be received by the Dragging Stockholder (or, if the Dragging Stockholder is given an option as to the form and

amount of consideration to be received, the same option shall be given) and the terms and conditions of such transfer shall, except as otherwise provided in the immediately succeeding sentence, be the same as those upon which the Dragging Stockholder transfers its New Common Stock. Any (i) representations and warranties to be made or provided by a Drag-along Stockholder in connection with such Drag-along Sale shall be limited to representations and warranties related to such Drag-along Stockholder's authority, ownership and the ability to convey title to its New Common Stock, and with respect thereto, shall be the same representations and warranties that the Dragging Stockholder make or provide with respect to its New Common Stock, (ii) Drag-along Stockholder shall not be required to agree to any non-competition or similar restrictions in connection with such Drag-along Sale and (iii) covenants, indemnities and agreements made by the Drag-along Stockholders shall be the same covenants, indemnities and agreements as the Dragging Stockholder makes or provides in connection with the Drag-along Sale, except that with respect to covenants, indemnities and agreements pertaining specifically to the Dragging Stockholder, the Drag-along Stockholder shall make the comparable covenants, indemnities and agreements pertaining specifically to itself; provided that any indemnification obligation relating to the Company shall be pro rata based on the consideration received by the Dragging Stockholder and each Drag-along Stockholder, in each case in an amount not to exceed the aggregate proceeds received by the Dragging Stockholder and each such Drag-along Stockholder in connection with the Drag-along Sale.

(d) The fees and expenses of the Dragging Stockholder incurred in connection with a Drag-along Sale and for the benefit of all Stockholders as determined in good faith by the Board (it being understood that costs incurred by or on behalf of a Dragging Stockholder for its sole benefit shall not be considered to be for the benefit of all Stockholders), to the extent not paid or reimbursed by the Company or the third-party purchaser, shall be shared by all the Stockholders on a pro rata basis, based on the aggregate consideration received by each Stockholder; provided that no Stockholder shall be obligated to make or reimburse any out-of-pocket expenditure prior to the consummation of the Drag-along Sale.

(e) Each Stockholder shall take all actions as may be reasonably necessary to consummate the Drag-along Sale, including entering into agreements and delivering certificates and instruments, in each case consistent with the agreements being entered into and the certificates being delivered by the Dragging Stockholder.

(f) The Dragging Stockholder shall have 120 days following the date of the Drag-along Notice in which to consummate the Drag-along Sale on the terms set forth in the Drag-along Notice (which such 120-day period may be extended for a reasonable time not to exceed 180 days to the extent reasonably necessary to obtain Governmental Authority approvals). If at the end of such period, the Dragging Stockholder has not consummated the Drag-along Sale, the Dragging Stockholder may not then consummate a transaction subject to this Section 6.1 without commencing de novo the procedures set forth in this Section 6.1.

6.2 Tag-along Rights.

(a) If at any time a Stockholder or group of Stockholders that holds 50% or more of the issued and outstanding New Common Stock (collectively, the "Selling Stockholder") proposes to transfer any of its shares of New Common Stock to a third-party purchaser (the

“Proposed Transferee”) and the Selling Stockholder cannot or has not elected to exercise its drag-along rights set forth in Section 6.1, each other Stockholder (each, a “Tag-along Stockholder”) shall be permitted to participate in such transfer (a “Tag-along Sale”) on the terms and conditions set forth in this Section 6.2. Notwithstanding anything to the contrary in this Agreement, no transaction contemplated by Section 7.1 shall constitute a Tag-along Sale.

(b) Prior to the consummation of any transfer of New Common Stock described in Section 6.1(a), the Selling Stockholder shall deliver to the Company and each other Stockholder a written notice (a “Sale Notice”) of the proposed Tag-along Sale subject to this Section 6.2(b) no later than 10 days prior to the closing date of the Tag-along Sale. The Sale Notice shall make reference to the Tag-along Stockholders’ rights hereunder and shall describe in reasonable detail: (i) the aggregate number of shares of New Common Stock the Proposed Transferee has offered to purchase; (ii) the identity of the Proposed Transferee; (iii) the proposed date, time and location of the closing of the Tag-along Sale; (iv) the per share purchase price and the other material terms and conditions of the transfer, including a description of any non-cash consideration in sufficient detail to permit the valuation thereof; and (v) a copy of any form of agreement proposed to be executed in connection therewith to the extent available at such time.

(c) Each Tag-along Stockholder may exercise its right to participate in a transfer of New Common Stock by the Selling Stockholder subject to this Section 6.2 by delivering to the Selling Stockholder a written notice (a “Tag-along Notice”) stating its election to do so and specifying the number of shares of New Common Stock to be transferred by it no later than 5 Business Days after receipt of the Sale Notice (the “Tag-along Period”). The offer of each Tag-along Stockholder set forth in a Tag-along Notice shall be irrevocable, and, to the extent such offer is accepted, such Tag-along Stockholder shall be bound and obligated to transfer in the proposed transfer on the terms and conditions set forth in this Section 6.2. Each Tag-along Stockholder that timely delivers a Tag-along Notice (a “Tag-along Seller”) shall have the right to transfer in a transfer subject to this Section 6.2 up to the number of shares of New Common Stock equal to the product of (x) the aggregate number of shares of New Common Stock owned by the Tag-along Seller and (y) a fraction (A) the numerator of which is equal to the number of shares of New Common Stock proposed to be sold by the Selling Stockholder in the Tag-along Sale, and (B) the denominator of which is equal to the number of shares of New Common Stock owned by the Selling Stockholder.

(d) Each Tag-along Stockholder that does not deliver a Tag-along Notice in compliance with Section 6.2(c) above shall be deemed to have waived all of such Tag-along Stockholder’s rights to participate in such transfer, and the Selling Stockholder shall (subject to the rights of any Tag-along Seller) thereafter be free to transfer to the Proposed Transferee its shares of New Common Stock at a per share price that is no greater than the per share price set forth in the Sale Notice and on terms and conditions that are not materially more favorable to the Selling Stockholder than those set forth in the Sale Notice without any further obligation to the non-accepting Tag-along Stockholders.

(e) Each Tag-along Seller shall receive the same consideration per share as the Selling Stockholder after deduction of such Tag-along Seller’s proportionate share of the related expenses in accordance with Section 6.2(g) below.

(f) Each Tag-along Seller shall make or provide the same representations, warranties, covenants, indemnities and agreements as the Selling Stockholder makes or provides in connection with the Tag-along Sale (except that in the case of representations, warranties, covenants, indemnities and agreements pertaining specifically to the Selling Stockholder, the Tag-along Seller shall make the comparable representations, warranties, covenants, indemnities and agreements pertaining specifically to itself); provided that all representations, warranties, covenants and indemnities shall be made by the Selling Stockholder and each Tag-along Seller severally and not jointly, and any indemnification obligation in respect of breaches of representations and warranties shall be pro rata based on the consideration received by the Selling Stockholder and each Tag-along Seller, in each case in an amount not to exceed the aggregate proceeds received by the Selling Stockholder and each such Tag-along Seller in connection with any Tag-along Sale.

(g) The fees and expenses of the Selling Stockholder incurred in connection with a Tag-along Sale and for the benefit of all Stockholders as determined in good faith by the Board (it being understood that costs incurred by or on behalf of the Selling Stockholder for its sole benefit shall not be considered to be for the benefit of all Stockholders), to the extent not paid or reimbursed by the Company or the Proposed Transferee, shall be shared by all the Stockholders participating in the Tag-along Sale on a pro rata basis, based on the aggregate consideration received by each such Stockholder; provided that no Stockholder shall be obligated to make or reimburse any out-of-pocket expenditure prior to the consummation of the Tag-along Sale.

(h) Each Tag-along Seller shall take all actions as may be reasonably necessary to consummate the Tag-along Sale, including entering into agreements and delivering certificates and instruments, in each case consistent with the agreements being entered into and the certificates being delivered by the Selling Stockholder.

(i) The Selling Stockholder shall have 120 days following the expiration of the Tag-along Period in which to transfer the shares of New Common Stock described in the Sale Notice and the shares to be sold by the Tag-along Sellers on the terms set forth in the Sale Notice (which such 120-day period may be extended for a reasonable time not to exceed 180 days to the extent reasonably necessary to obtain Governmental Authority approvals). If at the end of such period, the Selling Stockholder has not consummated such transfer, the Selling Stockholder may not then consummate a transfer of New Common Stock subject to this Section 6.2 without commencing de novo the procedures set forth in this Section 6.2.

(j) If the Selling Stockholder transfers to the Proposed Transferee any of its shares of New Common Stock in breach of this Section 6.2, then each Tag-along Stockholder shall have the right to transfer to the Selling Stockholder, and the Selling Stockholder undertakes to purchase from each Tag-along Stockholder, the number of shares of New Common Stock that such Tag-along Stockholder would have had the right to transfer to the Proposed Transferee pursuant to this Section 6.2, for a per share amount and form of consideration and upon the terms and conditions on which the Proposed Transferee bought such New Common Stock from the Selling Stockholder, but without indemnity being granted by any Tag-along Stockholder to the Selling Stockholder; provided that nothing contained in this Section 6.2 shall preclude any Tag-along Stockholder from seeking alternative remedies against such Selling Stockholder as a result

of its breach of this Section 6.2. The Selling Stockholder shall also reimburse each Tag-along Stockholder for any and all reasonable and documented out-of-pocket fees and expenses, including reasonable legal fees and expenses, incurred pursuant to the exercise or the attempted exercise of the Tag-along Stockholder's rights.

9.2 Amendment and Waiver.

(a) No amendment, supplement, modification or waiver of this Agreement shall be made or given without the prior written consent of the Company and Stockholders holding at least a majority of the outstanding shares of New Common Stock; provided that no such amendment, supplement, modification or waiver may adversely and disproportionately affect any Stockholder without such Stockholder's prior written consent.

(b) No failure or delay on the part of any party hereto in exercising any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or remedy preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The remedies provided for herein are cumulative and are not exclusive of any remedies that may be available to the parties hereto at law, in equity or otherwise.

9.3 Specific Performance. The parties hereto intend that each of the parties have the right to seek damages or specific performance in the event that any other party hereto fails to perform such party's obligations hereunder. Therefore, if any party shall institute any action or proceeding to enforce the provisions hereof, any party against whom such action or proceeding is brought hereby waives any claim or defense therein that the plaintiff party has an adequate remedy at law.

9.5 Severability. If any one or more of the provisions contained herein, or the application thereof in any circumstance, is held invalid, illegal or unenforceable in any respect for any reason, the validity, legality and enforceability of any such provision in every other respect and of the remaining provisions hereof shall not be in any way impaired, unless the provisions held invalid, illegal or unenforceable shall substantially impair the benefits of the remaining provisions hereof.

9.6 Entire Agreement. This Agreement, together with the exhibits and schedules hereto, is intended by the parties as a final expression of their agreement and is intended be a complete and exclusive statement of the agreement and understanding of the parties hereto in respect of the subject matter contained herein and therein. There are no restrictions, promises, warranties or undertakings, other than those set forth or referred to herein and therein. This Agreement, together with the exhibits hereto, supersedes all prior agreements and understandings between the parties with respect to such subject matter.

9.7 Term of Agreement. This Agreement shall become effective upon the Effective Date and shall terminate automatically as to any Stockholder without any action on the part of any party when such Stockholder no longer owns any New Common Stock; provided that this Section 9.1 shall survive the termination of this Agreement; provided, further, that no termination of this Agreement shall relieve a party, including the Company, of any liability for any breach occurring prior to such termination.

9.8 Interpretation; Construction. The parties have participated jointly in negotiating and drafting this Agreement. In the event that an ambiguity or a question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provision of this Agreement.

9.9 After-Acquired Securities. Unless otherwise specified, all of the provisions of this Agreement shall apply to all of the New Common Stock now owned or which may be issued or transferred hereafter to a Stockholder in consequence of any additional issuance, purchase, conversion, exchange or reclassification of any of the New Common Stock, corporate reorganization or any other form of recapitalization, consolidation, merger, share split or share dividend, or which are acquired by a Stockholder in any other manner.

Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Nothing contained in Section 9.11 shall limit the right of any Stockholder to take any action against any other Stockholder in any court of competent jurisdiction for the purposes of seeking any equitable remedy or relief, including injunctions, rescission or specific performance, nor shall the taking of any such action by a Stockholder in one or more jurisdictions preclude the taking of any such action in any other jurisdiction (whether concurrently or not) if and to the extent permitted by law.

9.12 Further Assurances. Each of the parties hereto shall, and shall cause their respective Affiliates to, execute such instruments and take such action as may be reasonably required or desirable to carry out the provisions hereof and the transactions contemplated hereby.

9.13 Confidentiality. Each Stockholder agrees to keep confidential, and to use the same degree of care as such Stockholder uses to protect its own confidential information to keep confidential any confidential or proprietary information furnished to such Stockholder by the Company or any of its Affiliates (so long as such information is not in the public domain), except

that such Stockholder may disclose such proprietary or confidential information (i) to any Affiliate of such Stockholder as long as such Affiliate is advised of and agrees or has agreed to be bound by the confidentiality provisions of this Section 9.13 or comparable restrictions, and such Stockholder will be liable for any breach of this Section 9.13 by any such Person; (ii) at such time as it enters the public domain through no fault of such Stockholder; (iii) that is communicated to it free of any obligation of confidentiality; (iv) that is developed by such Stockholder or its agents independently of and without reference to any confidential information communicated by the Company; (v) to a Permitted Transferee, as long as such Permitted Transferee is advised of and agrees or has agreed to be bound by the confidentiality provisions of this Section 9.13 or comparable restrictions, and such Stockholder will be liable for any breach of this Section 9.13 by any such Person, or (vi) as required by applicable law or stock exchange rules.

Except as otherwise provided herein, this Agreement shall be binding upon and inure to the benefit of the parties and their respective successors, assigns, heirs, legatees and legal representatives. This Agreement is not assignable except in connection with a transfer of New Common Stock in accordance with the terms of this Agreement.

9.15 Certain Representations and Warranties. List of Retained Causes of Action

List of Retained Causes of Action

Article 10.8 of the Plan provides as follows:

Unless any Causes of Action against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan, including pursuant to Section 10.6(a) of the Plan, the DIP Order, or a Final Order, in accordance with section 1123(b) of the Bankruptcy Code, the Reorganized Debtor shall retain and may enforce all rights to commence and pursue any and all Causes of Action, whether arising before or after the Petition Date, including any actions specifically enumerated in the Plan Supplement, and the Reorganized Debtor's rights to commence, prosecute, or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date. No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against them as any indication that the Debtor or the Reorganized Debtor will not pursue any and all available Causes of Action against them. The Debtor and the Reorganized Debtor expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly provided herein. Unless any Causes of Action against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan, including pursuant to Section 10.6(a) of the Plan, the DIP Order, or a Bankruptcy Court order, the Reorganized Debtor expressly reserves all Causes of Action, for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the confirmation or consummation of the Plan. For the avoidance of doubt, in no instance will any Cause of Action preserved pursuant to this Section 10.8 include any claim or Cause of Action with respect to, or against, a Released Party.

In accordance with section 1123(b)(3) of the Bankruptcy Code, any Causes of Action preserved pursuant to the first paragraph of this Section 10.8 that the Debtor may hold against any Entity shall vest in the Reorganized Debtor. The Reorganized Debtor, through its authorized agents or representatives, shall retain and may exclusively enforce any and all such Causes of Action. The Reorganized Debtor shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action, or to decline to do any of the foregoing, without the consent or approval of any third party or any further notice to or action, order, or approval of the Bankruptcy Court. For the avoidance of doubt, the Debtor and the Reorganized Debtor shall not retain any Claims or Causes of Action released pursuant to the Plan against the Released Parties or arising under chapter 5 of the Bankruptcy Code (except that such Claims or Causes of Action may be asserted as a defense to a Claim in connection with the claims reconciliation and objection procedures pursuant to section 502(d) of the Bankruptcy Code or otherwise).

Notwithstanding (and without limiting the generality of) Article 10.8 of the Plan, the Debtor and the Reorganized Debtor, as applicable, expressly reserve all Causes of Action

(including Causes of Action not specifically identified or of which the Debtor may presently be unaware or which may arise or exist by reason of additional facts or circumstances unknown to the Debtor at this time or facts or circumstances that may change or be different from those the Debtor now believes to exist) in the following types of claims:³

I. Claims Related to Insurance Policies

Unless otherwise expressly released by the Plan, the Debtor expressly reserves all Causes of Action based in whole or in part upon any and all insurance contracts and insurance policies to which the Debtor or Reorganized Debtor are a party or pursuant to which the Debtor or Reorganized Debtor have any rights whatsoever, regardless of whether such contract or policy is specifically identified in the Plan, this Plan Supplement, or any amendments thereto, including, without limitation, Causes of Action against insurance carriers, reinsurance carriers, insurance brokers, underwriters, occurrence carriers, or surety bond issuers relating to coverage, indemnity, contribution, reimbursement, or any other matters.

II. Claims Related to Tax Obligations and Refunds

Unless otherwise expressly released by the Plan, the Debtor expressly reserves all Causes of Action based in whole or in part upon any and all tax obligations to which the Debtor or the Reorganized Debtor are a party or pursuant to which the Debtor or the Reorganized Debtor have any rights whatsoever, including, without limitation, against or related to all Entities that owe or that may in the future owe money related to tax refunds to the Debtor or the Reorganized Debtor, regardless of whether such Entity is specifically identified herein.

III. Claims, Defenses, Cross-Claims, and Counter-Claims Related to Litigation and Possible Litigation

Unless otherwise expressly released by the Plan, the Debtor expressly reserves all Causes of Action against or related to all Entities that are party to or that may in the future become party to litigation, arbitration, or any other type of adversarial proceeding or dispute resolution proceeding, including an adversary proceeding before the Bankruptcy Court, whether formal or informal or judicial or non-judicial, regardless of whether such Entity is specifically identified in the Plan, this Plan Supplement, or any amendments thereto.

IV. Claims Related to Contracts and Leases

Unless otherwise expressly released by the Plan, the Debtor and Reorganized Debtor, as applicable, expressly reserve Causes of Action based in whole or in part upon any and all contracts and leases to which the Debtor or Reorganized Debtor is a party or pursuant to which the Debtor or the Reorganized Debtor has any rights whatsoever (regardless of whether such contract or lease is specifically identified in the Plan, this Plan Supplement, or any amendments

³ Subject to any applicable consent rights contained in the Plan, the Debtor reserves all rights to amend, revise, or supplement the Plan Supplement, and any of the documents and designations contained herein, at any time before the Effective Date of the Plan, or any such other date as may be provided for by the Plan or by order of the Bankruptcy Court.

thereto), including without limitation all contracts and leases that the Debtor designated for assumption in the Schedule of Assumed Contracts and Leases (as may be amended, modified or supplemented, the “**Assumption List**”), are otherwise assumed under the Plan or were previously assumed by the Debtor. Exhibit D

Schedule of Assumed Contracts and Leases

General Notes to Schedule of Assumed Contracts and Leases:

1. To the extent a contract is executory, each executory contract in the following categories shall be deemed assumed as of the Effective Date, except for any executory contract that (i) has been previously assumed or rejected pursuant to a Final Order of the Bankruptcy Court, (ii) is the subject of a separate motion to assume or reject pending on the Confirmation Date, (iii) is otherwise expressly assumed or rejected pursuant to the Plan, or (iv) is the subject of a pending Assumption Dispute:
 - Amendment Agreements, whether or not listed on this Schedule of Assumed Contracts and Leases
 - Employee Arrangements, including, employment, severance, confidentially, training, retention and similar agreements with current employees, if any, that are not listed on this Schedule of Assumed Contracts and Leases
 - Securitization Documents
 - Any insurance policies to which the Debtor is a party or beneficiary
 - Any agreements governing or related to Intercompany Claims
2. The proposed Cure Amount with respect to each executory contract and unexpired lease listed on this Schedule (whether described generally or listed specifically) shall be zero dollars (\$0), unless otherwise noted.⁵
3. Neither the exclusion nor the inclusion of a contract or lease by the Debtor on this schedule (whether described generally or listed specifically), nor anything contained herein, shall constitute an admission by the Debtor that any such contract or lease is an executory contract or unexpired lease or that the Debtor, or its affiliates, has any liability thereunder. In addition, out of an abundance of caution, the Debtor has listed certain contracts or leases on this schedule (whether described generally or listed specifically) that have or may have either terminated or expired (or will terminate or expire) prior to the Confirmation Hearing pursuant to the terms of such contracts or leases or pursuant to a notice of termination delivered pursuant to the terms of such contracts or leases. Such termination or expiration shall supersede any purported assumption or rejection implied by the listing of such contract or lease on this schedule.
4. All contract or lease assumptions listed on this schedule that are subject to modifications under any applicable Restructuring Support Agreement (or otherwise) are contingent upon receipt of the signed agreement including the agreed upon modified terms. The Debtor reserves the right, on or prior to 4:00 p.m. (Eastern Time) on the Business Day

⁵ Notwithstanding the above, the “cure amount” and the Debtor’s “cure” obligations with respect to those assumed contracts and leases that are the subject of a Restructuring Support Agreement shall be governed by the terms of such Restructuring Support Agreements and the relevant Amendment Agreements.

immediately prior to the commencement of the Confirmation Hearing, (x) to amend this schedule in order to add, delete or reclassify any executory contract or unexpired lease and (y) to amend the Cure Notice to any contract party; *provided, however*, that if the Confirmation Hearing is adjourned for a period of more than two (2) consecutive calendar days, the Debtor's right to amend this schedule and notices shall be extended to 4:00 p.m. (Eastern Time) on the Business Day immediately prior to the adjourned date of the Confirmation Hearing, with such extension applying in the case of any and all subsequent adjournments of the Confirmation Hearing.

5. As a matter of administrative convenience, in certain cases the Debtor has listed the original parties to the documents listed in this schedule without taking into account any guarantors or succession of trustees or any other transfers from one party to another. The fact that the current parties to a particular agreement may not be named in this schedule is not intended to change the treatment of such documents. Similarly, references to any agreement to be assumed are to the applicable agreement and other operative documents, as may have been amended, modified or supplemented from time to time and as is in effect as of the date hereof, as may be further amended, modified or supplemented by the parties thereto between the date hereof and the Effective Date.
6. In addition, and for the avoidance of doubt, any agreement relating to more than one aircraft (such as any master lease facility agreement or aircraft lease general terms agreement) that relates to an assumed lease of an aircraft that is listed on this schedule shall be deemed to be part of this schedule solely as it relates to such aircraft but not as it relates to any other aircraft.
7. Although in most instances only certain agreements governing an aircraft lease or financing transaction are currently described herein for an aircraft lease that is being assumed, each other related operative document to which the Debtor is a party that is integral to such transaction (including, without limitation, (x) any lessee consent to any leveraging transaction in connection with any lease, (y) any residual value guarantee issued for the benefit of the Debtor and (z) any security assignments in connection with any listed aircraft sublease and sub-sublease) also will be deemed to be part of this schedule and each related operative document, whether described herein or deemed to be part of this schedule, shall be assumed if the related aircraft lease is assumed unless (i) such operative document has otherwise been rejected or (ii) a Restructuring Support Agreement expressly provides for termination, replacement or other discontinuance of such operative document or any obligations of the Debtor, any affiliate thereof or any operator of the applicable aircraft under, with respect to or resulting from such operative document.
8. With respect to those counterparties that have entered into Restructuring Support Agreements, the Debtors shall assume each of the contracts or leases, as amended or amended and restated (if applicable), on the Effective Date subject in all respects to the satisfaction or waiver of any conditions to the effectiveness of definitive documentation relating to the amendment (if any) of any of such contracts or leases and the terms and conditions of each applicable Restructuring Support Agreement and related Amendment Agreements, Soft Landing Stipulation, Super-Soft Stipulation, Soft Landing Agreement,

Storage Agreement, and/or PBH Agreement, as applicable. If the conditions to the effectiveness of definitive documentation relating to the amendment (if any) of any such contract or lease or related transaction document set forth in this Schedule are not satisfied, are not capable of being satisfied, or are not waived, the Debtor may reject such contract or lease pursuant to the conditions, if any, set forth in the relevant Restructuring Support Agreement, Usage Stipulation, Soft Landing Stipulation or Super-Soft Landing Stipulation, unless otherwise agreed by the parties.

9. Out of an abundance of caution, and for the avoidance of doubt, the Debtor may have listed on the Plan's schedules certain contracts or leases that they have previously assumed or rejected, and nothing herein is intended to change or alter the date of assumption or rejection or the terms of assumption or rejection of any previously assumed or rejected contracts or leases.
