**ORDERED THAT:**

1. The Debtors are authorized, but not directed, to continue to use their current existing Cash Management System in the ordinary course of business and consistent with prepetition practice, and shall maintain through the use thereof detailed records reflecting all transfers of funds, all under the terms and conditions provided for by, and in accordance with, the

existing cash management agreements and other documents and agreements governing the Bank Accounts (collectively, the “**Bank Account Agreements**”), except as modified by this Order. In connection with the ongoing utilization of the Cash Management System, the Debtors shall maintain accurate and detailed records with respect to all transfers, including with respect to postpetition Intercompany Claims and Intercompany Transactions, so that all transactions can be readily ascertained, traced, properly recorded, and distinguished between prepetition and postpetition transactions. The Debtors shall make such records available upon request by the U.S. Trustee, any statutory committee appointed in these Chapter 11 Cases, the advisors to the Ad Hoc Noteholder Group, and the advisors to the Prepetition ABL Agent.

2. The Debtors are authorized, but not directed, to continue to engage in Intercompany Transactions between and amongst Debtors and Non-Debtor Affiliates on a postpetition basis and to make payments to, or set off amounts owed from, the applicable Debtor entity on account of postpetition Intercompany Claims, in a manner consistent with their practices in effect as of the Petition Date in the ordinary course of business and consistent with historical practice.

3. The Debtors are authorized to (a) continue to use the Bank Accounts at the Banks in existence as of the Petition Date in the same manner and with the same account numbers, styles, and document forms as are currently employed and subject to the existing Bank Account Agreements, including, without limitation, those Bank Accounts identified on Exhibit B of the Motion, consistent with historical practice; (b) deposit funds in and withdraw funds from the Bank Accounts in the ordinary course by all usual means, including checks, wire transfers, drafts, and electronic funds transfers or other items presented, issued, or drawn on the Bank Accounts; (c) pay ordinary course Bank Fees in connection with the Bank Accounts (in accordance with the Bank Account Agreements), including any Bank Fees arising prior to the Petition Date; (d) perform their

obligations under the Bank Account Agreements; and (e) for all purposes, treat the Bank Accounts as accounts of the Debtors in their capacities as debtors in possession. For the avoidance of doubt, any other legal rights afforded to the Banks under applicable law shall be preserved.

4. The Banks and the Debtors' financial institutions shall be, and hereby are, authorized, when requested by the Debtors in their sole discretion, (a) to process, honor, pay, and, if necessary, reissue any and all checks, including prepetition checks that the Debtors reissue postpetition, and electronic funds transfers drawn on the Bank Accounts relating to payments permitted by an order of this Court, whether such checks were presented or funds transfer requests were submitted prior to or subsequent to the Petition Date; *provided* that sufficient funds are available in the applicable accounts to make the payments, and (b) to debit the Debtors' Bank Accounts in the ordinary course of business for all undisputed prepetition Bank Fees outstanding as of the date hereof, if any.

5. In each instance in which the Debtors hold Bank Accounts at banks that are party to a Uniform Depository Agreement with the U.S. Trustee, within fifteen days after entry of this Order the Debtors shall (a) contact the Banks, (b) provide the Banks with each of the Debtors' employer identification numbers, and (c) identify their bank accounts held as being held by a debtor in possession in a bankruptcy case and provide the main case number. In each instance in which the Debtors hold Bank Accounts at banks that are not a party to a Uniform Depository Agreement with the U.S. Trustee, the Debtors shall use their good faith efforts to cause the banks to execute a Uniform Depository Agreement in a form prescribed by the U.S. Trustee within thirty days of the date of this Order, to the extent such Bank is a domestic bank. The U.S. Trustee's rights to seek further relief from this Court in the event that the aforementioned banks are unwilling

to execute a Uniform Depository Agreement in a form prescribed by the U.S. Trustee are fully reserved.

6. The Debtors are authorized to continue to use their existing checks, correspondence, and other business forms without alteration or change and without the designation “Debtor in Possession” or a bankruptcy case number imprinted upon them. Notwithstanding the foregoing, once the Debtors’ existing checks have been used, the Debtors shall, when reordering checks, require the designation “Debtor in Possession” and the main bankruptcy case number on all checks; *provided* that, with respect to checks or other business forms that the Debtors or their agents print themselves, the Debtors shall begin printing the “Debtor in Possession” legend and the main case number on such items within ten days of the date of entry of this Order.

7. The Debtors are authorized to continue to utilize all third-party providers necessary for the administration of their Cash Management System. In addition, the Debtors are authorized, but not directed, to pay all postpetition amounts due to such third party providers in the ordinary course of business and consistent with past practices.

8. Effective as of the Petition Date, and subject to the terms of this Order, all Banks at which the Bank Accounts are maintained are authorized to continue to administer, service, and maintain the Bank Accounts as such accounts were administered, serviced, and maintained prepetition, without interruption and in the ordinary course (including making deductions and setoffs for Bank Fees and other applicable charges related to such cash management services, whether arising prepetition or postpetition, and any other rights and remedies afforded under any applicable Bank Account Agreements) and consistent with and subject to the Bank Account Agreements, and, when requested by the Debtors in their sole discretion, to honor any and all checks, drafts, wires, electronic funds transfers, or other items presented, issued, or drawn on the

Bank Accounts on account of a claim against the Debtors arising on or after the Petition Date; *provided, however*, that unless otherwise ordered by the Court and directed by the Debtors, no checks, drafts, electronic funds transfers (excluding any electronic funds transfer that the Banks are obligated to settle), or other items presented, issued, or drawn on the Bank Accounts on account of a claim against the Debtors arising prior to the Petition Date shall be honored. In no event shall the Banks be required to honor overdrafts or to pay any check, wire, electronic funds transfers, or other debit against the Bank Accounts that is drawn against uncollected funds or, subject to the below, that was issued prior to the Petition Date. Notwithstanding the foregoing, the Banks are authorized to rely on the Debtors' designation of any particular check or electronic payment request, funds transfer, or other transaction (including foreign currency exchanges, transactions or trades) as being approved by order of the Court and have no duty to inquire as to whether such payments are authorized by an order of this Court.

9. The Debtors and the Banks are authorized, without further order of this Court and consistent with the Bank Account Agreements, to agree to and implement such non-material, reasonable changes consistent with this Order to the Cash Management System as the Debtors and the Banks may deem necessary or appropriate, including, without limitation, the opening and closing of Bank Accounts. Any of the Banks are authorized to (a) honor the Debtors' directions with respect to the opening and closing of any Bank Account and (b) accept and hold, or invest, the Debtors' funds in accordance with the Debtors' instructions, provided that the Banks shall not have any liability to any party for relying on such representations.

10. The Debtors may close any of the Bank Accounts (subject to the terms of the existing cash management agreement) or open any additional bank accounts following the Petition Date (the "New Accounts") wherever the Debtors reasonably deem that such accounts are needed

or appropriate. Notwithstanding the foregoing, the Debtors shall open such New Account(s) only at banks that have executed a Uniform Depository Agreement with the U.S. Trustee for the Southern District of Texas, or at such banks that are willing to immediately execute such an agreement, and any New Account that the Debtors open shall be (a) at a bank that is organized under the laws of the United States of America or any state therein, and that is insured by the FDIC or the Federal Savings and Loan Insurance Corporation, (b) designated a “Debtor in Possession” account by the relevant bank, and (c) at a bank that agrees to be bound by the terms of this Order. The New Accounts are deemed to be Bank Accounts and are similarly subject to the rights, obligations, and relief granted in this Order. The Banks are authorized (but not required, except as set forth in the Bank Account Agreements between the Bank and the Debtors) to honor the Debtors’ requests to open or close (as the case may be) such Bank Account(s) or New Account(s). In the event that the Debtors open or close any Bank Account(s) or New Account(s), such opening or closing shall be timely indicated on the Debtors’ monthly operating reports and notice of such opening or closing shall be provided to the U.S. Trustee, any statutory committee appointed in the Chapter 11 Cases, the advisors to the Ad Hoc Noteholder Group, and the advisors to the Prepetition ABL Agent within ten (10) business days after the opening or closing of any such account.

11. The Debtors are authorized to deposit and invest funds in the ordinary course of business and in accordance with existing practices under the Cash Management System as in effect as of the Petition Date, subject to any reasonable non-material changes, consistent with this Order, to the Cash Management System that the Debtors may implement. To the extent such practices or Bank Accounts do not comply with the requirements of section 345(b) of the Bankruptcy Code or any of the U.S. Trustee’s requirements or guidelines, the Debtors are hereby granted an extension of time for a period of sixty (60) days from the Petition Date (*i.e.* until February 5, 2020)

(the “**Extension Period**”) within which to either come into compliance with section 345(b) of the Bankruptcy Code and any of the U.S. Trustee’s requirements or guidelines or to make such other arrangements as agreed with the U.S. Trustee. Such extension is without prejudice to the Debtors’ right to obtain a further extension of the Extension Period by entering into a written stipulation with the U.S. Trustee and filing such stipulation on the Court’s docket without the need for further Court order. Nothing herein shall prevent the Debtors or the U.S. Trustee from seeking further relief from the Court to the extent that an agreement cannot be reached.

12. Despite the Debtors’ use of a consolidated Cash Management System, the Debtors shall calculate any quarterly fees due under 28 U.S.C. § 1930(a)(6) based on the disbursements of each Debtor, regardless of who makes the disbursements.

13. The Debtors shall not be required to establish separate accounts for cash collateral and/or tax payments except as otherwise required by any applicable agreements between the Debtors and the Banks.

14. All Intercompany Claims arising after the Petition Date owed by a Debtor to another Debtor under any postpetition Intercompany Transactions authorized hereunder are hereby accorded administrative expense status under sections 503(b) and 507(a) of the Bankruptcy Code.

15. The Debtors are authorized to continue the Company Card Program, including payment of obligations thereunder, whether arising before, on, or after the Petition Date, including without limitation (a) the WellsOne Commercial Card Agreement, dated on or around October 31, 2020, with an effective date of October 23, 2012 (as amended, restated, supplemented or otherwise modified from time to time), between SESI, L.L.C. and Wells Fargo, and (b) the Wright Express Fleet Business Charge Card Agreement, dated on or around April 30, 2012 (as amended by the Amendment to Wright Express Fleet Business Charge Card Agreement, dated March 17, 2015,

and as further amended, restated, supplemented or otherwise modified), between SESI, L.L.C. (as assignee of Hamm & Phillips Service Company, Inc.) and WEX Bank (formerly known as Wright Express Financial Service Corporation).

16. If any Bank honors a prepetition check, wire, or item drawn on any account that is the subject of this Order, (a) at the direction of the Debtors to honor such prepetition check, wire, or item, (b) in the good faith belief that the Court has authorized such prepetition check, wire, or item to be honored, or (c) as a result of a good faith error, such Bank shall not be deemed liable to any party on account of such prepetition check, wire, or item being honored postpetition or otherwise in violation of this Order.

17. Nothing contained in the Motion or this Order shall be construed to (a) create, alter, or perfect, in favor of any person or entity, any interest in cash of a Debtor that did not exist as of the Petition Date, or (b) alter or impair any security interest or perfection thereof, in favor of any person or entity, that existed as of the Petition Date.

18. Nothing in the Motion or this Order, or the Debtors' payment of any claims pursuant to this Order, shall be construed as: (a) an admission as to the validity of any claim against any Debtor or the existence of any lien against the Debtors' properties; (b) a waiver of the Debtors' or any other party in interest's rights to dispute any claim or lien on any grounds; (c) a promise to pay any claim; (d) an implication or admission that any particular claim would constitute an allowed claim; (e) an assumption or rejection of any executory contract or unexpired lease pursuant to section 365 of the Bankruptcy Code; (f) a limitation on the Debtors' rights under section 365 of the Bankruptcy Code to assume or reject any executory contract with any party subject to this Order; or (g) a waiver of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable law. Nothing contained in this Order shall be deemed to increase,

decrease, reclassify, elevate to an administrative expense status, or otherwise affect any claim to the extent it is not paid.

19. Notwithstanding anything to the contrary herein or any historic past practices, no Debtor or Non-Debtor Affiliate may enter into any Intercompany Transaction with the Parent pursuant to which such Debtor or Non-Debtor Affiliate incurs any liability or satisfies any cost, expense, or other obligation related to the administration of the Parent's individual chapter 11 case, and no cash or other assets of a Debtor entity may be transferred to or used by the Parent in connection with the administration of the Parent's individual chapter 11 case.

20. Notwithstanding anything to the contrary contained herein, (a) any payment made or authorization contained hereunder shall be subject to the requirements imposed on the Debtors under any orders approving a postpetition financing facility or any order regarding the use of cash collateral approved by this Court in these Chapter 11 Cases (collectively, the "**DIP Order**"), and (b) to the extent there is any inconsistency between the terms of the DIP Order and any action taken or proposed to be taken hereunder, the terms of the DIP Order shall control. For the avoidance of doubt, the Debtors are not authorized to make any payments pursuant to this Order except as permitted by the Budget (as defined in the DIP Order).

21. The contents of the Motion satisfy the requirements of Bankruptcy Rules 6003(b) and 6004(a).

22. Notwithstanding Bankruptcy Rule 6004(h), to the extent applicable, this Order shall be effective and enforceable immediately upon entry hereof.

23. The Debtors are hereby authorized to take such reasonable actions and to execute such documents as may be necessary to implement the relief granted by this Order.

24. The Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.
