**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY,
AND DISCLAIMERS REGARDING THE DEBTOR’S SCHEDULES
OF ASSETS AND LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS**

Tehum Care Services, Inc., the above-captioned debtor and debtor in possession (the “Debtor”), hereby files its Schedules of Assets and Liabilities (the “Schedules”) and Statement of Financial Affairs (the “Statement,” and together with the Schedules, the “Schedules and Statement”) in the United States Bankruptcy Court for the Southern District of Texas (the “Bankruptcy Court”). The Debtor, with the assistance of its legal and financial advisors, prepared the Schedules and Statement in accordance with section 521 of title 11 of the United States Code (the “Bankruptcy Code”), rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and rule 1007-1 of the Bankruptcy Local Rules for the Southern District of Texas (the “Bankruptcy Local Rules”).

These *Global Notes and Statement of Limitations, Methodology, and Disclaimers Regarding the Debtor’s Schedules of Assets and Liabilities and Statement of Financial Affairs* (the “Global Notes”) pertain to, are incorporated by reference in, and constitute an integral part of the Schedules and Statement. These Global Notes should be referred to, considered, and reviewed in connection with any review of the Schedules and Statement. To the extent that the Schedules and Statement conflict with these Global Notes, these Global Notes shall control.

The Debtor and its professionals do not and cannot guarantee or warrant the accuracy or completeness of the data that is provided herein, and shall not be liable for any loss or injury arising out of, or caused in whole or in part by, the acts, errors, or omissions in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. While diligent and reasonable efforts have been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. In no event shall the Debtor or its professionals be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtor or damages to business reputation, lost

business, or lost profits), whether foreseeable or not and however caused, even if the Debtor or its professionals are advised of the possibility of such damages.

Global Notes and Overview of Methodology

1. **Description of Case and “As Of” Information Date.** On February 13, 2023 (the “Petition Date”), the Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtor is managing its assets as debtor in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

The asset information, and all liability information, except where otherwise noted, is reflected as of as of the close of business on January 31, 2023. The Debtor is no longer operating, and asset and liability information was therefore derived from the last month ending prior to the Petition Date. In certain instances, the Debtor may have used estimates or pro-rated amounts where actual data as of the aforementioned date was not available.

2. **Reservations and Limitations.** Diligent and reasonable efforts have been made to prepare and file complete and accurate Schedules and Statement; however, as noted above, inadvertent errors or omissions may exist. The Debtor reserves all rights to: (a) amend and/or supplement the Schedules and Statement from time to time, in all respects, as may be necessary or appropriate, including, without limitation, amending the Schedules and Statement with respect to the description or designation of any claim (“Claim”); (b) dispute or otherwise assert offsets or defenses to any Claim reflected in the Schedules and Statement as to amount, liability, priority, status, or classification; and (c) subsequently designate any Claim as “disputed,” “contingent,” or “unliquidated;” or (d) object to the extent, validity, enforceability, priority, or avoidability of any Claim (regardless of whether such Claim is designated in the Schedules and Statement as “disputed,” “contingent,” or “unliquidated”).

Furthermore, nothing contained in the Schedules and Statement constitutes a waiver of any of the Debtor’s rights or an admission of any kind with respect to this chapter 11 case, including, but not limited to, any rights or Claims of the Debtor against any third party or issues involving Claims, substantive consolidation, equitable subordination, or defenses and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant applicable bankruptcy or non-bankruptcy laws to recover assets or avoid transfers.

Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in the above paragraphs.

- (a) **Classification and Recharacterization.** Listing (i) a Claim on Schedule D as “secured,” (ii) a Claim on Schedule E/F as “priority,” (iii) a Claim on Schedule E/F as “unsecured,” or (iv) a contract or lease on Schedule G as “executory” or

“unexpired,” does not constitute an admission by the Debtor of the legal rights of the claimant or a waiver of the Debtor’s rights to re-characterize or reclassify such Claims, contracts, or leases or to setoff such Claims. Notwithstanding the Debtor’s diligent and reasonable efforts to properly characterize, classify, categorize, or designate certain Claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statement, the Debtor may nevertheless have inadvertently improperly characterized, classified, categorized, designated, or omitted certain items. Accordingly, the Debtor reserves all of its rights to recharacterize, reclassify, recategorize, redesignate, add, or delete items reported in the Schedules and Statement at a later time as is necessary or appropriate as additional information becomes available, including, without limitation, whether contracts or leases listed herein were deemed executory or unexpired as of the Petition Date and remain executory and unexpired postpetition. Disclosure of information in one or more Schedules, or one or more exhibits or attachments to the Schedules and Statement, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedules, exhibits or attachments.

Moreover, nothing in the Schedules and Statement is, or shall be construed to be, an admission as to the determination of the legal status of any lease or financing arrangement (including whether any lease or financing arrangement is a true lease, a financing arrangement or a real property interest), and the Debtor reserves all rights with respect to such issues.

- (b) **Claims Description.** Schedules D and E/F permit the Debtor to designate a Claim as “disputed,” “contingent,” and/or “unliquidated.”

A claim that is dependent on the realization of some uncertain future event is a “**contingent**” claim.

A claim, or portion of a claim, for which a specific value could not be readily quantified by the Debtor using currently available information is scheduled as “**unliquidated.**”

A claim with respect to which the applicable Debtor and the claimant disagree as to the amount owed, whether any amount is owed, or the claim classification, is “**disputed.**”

Any failure to designate a Claim in the Schedules and Statement as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the Debtor that such Claim or amount is not “disputed,” “contingent,” or “unliquidated,” or that such Claim is not subject to objection. The Debtor reserves all of its rights to dispute, or assert offsets or defenses to, any Claim reflected on its Schedules and Statement on any grounds, including, but not limited to, amount, liability, priority, status, or classification. Additionally, the Debtor expressly reserves all of its rights to designate such Claims as “disputed,” “contingent,” or

“unliquidated” at a later date. Moreover, listing a Claim does not constitute an admission of liability by the Debtor. The Debtor reserves all rights to amend Schedules and Statement as necessary and appropriate, including, but not limited to, with respect to Claim description and designation.

- (c) **Estimates and Assumptions.** The preparation of the Schedules and Statement required the Debtor to make reasonable estimates and assumptions with respect to the reported amounts of assets and liabilities, the amount of contingent assets and contingent liabilities on the date of the Schedules and Statement, and the reported amounts of revenues and expenses during the applicable reporting periods. Actual results could differ materially from such estimates. The Debtor reserves all rights to amend the reported amounts of assets and liabilities to reflect changes in estimates or assumptions.

- (d) **Causes of Action.** Despite making diligent and reasonable efforts to identify all known assets, the Debtor may not have identified and/or set forth all of its causes of action (filed or potential) against third parties as assets in its Schedules and Statement, including, without limitation, causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and actions under other relevant bankruptcy and non-bankruptcy laws to recover assets or avoid transfers. The Debtor reserves all rights with respect to any causes of action (including avoidance actions), controversy, right of setoff, cross claim, counterclaim, or recoupment and any claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law (collectively, “Causes of Action”) it may have, and neither these Global Notes nor the Schedules and Statement shall be deemed a waiver of any claims or Causes of Action or in any way prejudice or impair the assertion of such claims or Causes of Action.

- (e) **Intellectual Property Rights.** The exclusion of any intellectual property should not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated or have otherwise expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of any intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated or have otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Accordingly, the Debtor reserves all of its rights with respect to the legal status of any and all such intellectual property rights.

- (f) **Insiders.** In instances where the Schedules and Statement require information regarding “insiders,” the Debtor has included information with respect to the individuals and entities who the Debtor believes may be included in the definition of “insider” set forth in section 101(31) of the Bankruptcy Code during the relevant time periods. Such individuals may no longer serve in such capacities.

The listing or omission of a party as an insider for purposes of the Schedules and Statement is for informational purposes and is not intended to be, nor should it be, construed as an admission of the legal characterization of such party as an insider for purpose of section 101(31) of the Bankruptcy Code. Moreover, the Debtor does not take any position with respect to: (i) any insider’s influence over the control of the Debtor; (ii) the management responsibilities or functions of any such insider; (iii) the decision making or corporate authority of any such insider; or (iv) whether the Debtor or any such insider could successfully argue that he or she is not an “insider” or “affiliate” under applicable law or with respect to any theories of liability or for any other purpose.

3. **Methodology.**

- (a) **Basis of Presentation.** The Schedules and Statement do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“GAAP”), nor are they intended to be fully reconciled to the Debtor’s financial statements. Additionally, the Schedules and Statement contain unaudited information that is subject to further review and potential adjustment.
- (b) **Confidential Information.** Pursuant to the *Order (I) Authorizing Redaction of Certain Personal Identification Information, (II) Approving the Form and Manner of Notifying Creditors of the Commencement of the Chapter 11 Case, and (III) Granting Related Relief* [Docket No. 213] (the “Creditor Matrix Order”), the Bankruptcy Court has authorized the Debtor to redact certain personally identifiable information, such as home addresses of individuals. To the extent the Debtor believes a claim, name, address, or amount falls under the purview of the Creditor Matrix Order, such information is not included in the Schedules and Statement. The alterations or redactions are limited only to what the Debtor believes is warranted to comply with the Creditor Matrix Order.
- (c) **Executory Contracts.** Although the Debtor has made diligent and reasonable efforts to properly identify executory contracts and unexpired leases, the inclusion of a contract or lease on Schedule G does not constitute an admission as to the executory or unexpired nature (or non-executory or expired nature) of the contract or lease, or an admission as to the existence or validity of any Claims held by the counterparty to such contract or lease.

- (d) **Leases.** Nothing in the Schedules or Statement is, or shall be construed to be, an admission as to the determination of the legal status of any lease (including whether any lease is a true lease, a financing arrangement, or a real property interest), and the Debtor reserve all rights with respect to such issues.
- (e) **Net Book Value.** Unless otherwise noted, the Schedules and Statement reflect net book values as of January 31, 2023. Certain assets that have been fully depreciated or that were expensed for accounting purposes either do not appear in the Schedules and Statement or are listed with a zero-dollar value, as such assets have no net book value. The omission of an asset from the Schedules and Statement does not constitute a representation regarding the ownership of such asset, and any such omission does not constitute a waiver of any rights of the Debtor with respect to such asset.

The book values of certain assets may materially differ from their fair market values. For the avoidance of doubt, nothing contained in the Schedules and Statement is indicative of the Debtor's enterprise value.

- (f) **Undetermined and Unknown Amounts.** The description of an amount as "unknown," "TBD," or "undetermined" is not intended to reflect upon the materiality of such amount.
- (g) **Totals.** All totals that are included in the Schedules and Statement represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.
- (h) **Indemnifications and Other Secondary Liability Claims.** The Debtor has used diligent and reasonable efforts to locate and identify indemnification rights and other secondary liability claims (collectively, the "Indemnities") in its divisional merger documents, corporate governance documents, executory contracts, unexpired leases, debt instruments, and other such agreements. Where such Indemnities have been identified, they have been included in the relevant Schedule. The Debtor believes that certain Indemnities embedded in the Debtor's executory contracts, unexpired leases, debt instruments, and similar agreements may exist and, to the extent they do, will be identified upon further review. Therefore, the Debtor reserves its right to amend the Schedules to the extent additional Indemnities are identified.
- (i) **Excluded Assets and Liabilities.** The Debtor has excluded the following categories of assets and liabilities from the Schedules and Statement: reserves recorded only for purposes of complying with the requirements of GAAP; deferred tax assets and liabilities; goodwill and other intangibles; deferred revenue accounts; and certain accrued liabilities. The Debtor has also excluded rejection damage Claims of counterparties to executory contracts and unexpired leases that have not been rejected, to the extent such damage Claims

exist. In addition, other immaterial assets and liabilities may also have been excluded. The Debtor reserves its right to amend the Schedules to the extent additional assets or liabilities are identified.

- (j) **Credits and Adjustments.** The Claims of individual creditors for, among other things, goods, products, or services are listed as amounts entered on the Debtor's books and records and may not reflect credits, allowances, or other adjustments due from such creditors to the Debtor. The Debtor reserves all of its rights respecting such credits, allowances and other adjustments, including the right to assert Claims objections and/or setoffs with respect to the same.
- (k) **Setoffs.** The Debtor may have incurred setoffs and net payments in the ordinary course of business. Such setoffs and nettings may have occurred due to a variety of transactions or disputes including, but not limited to, intercompany transactions, counterparty settlements, pricing discrepancies, rebates, returns, warranties, refunds, and negotiations and/or disputes between Debtor and its customers and/or suppliers. Therefore, although such setoffs and other similar rights may have been accounted for when scheduling certain amounts, these ordinary course setoffs are not independently accounted for, and as such, are or may be excluded from the Schedules and Statement. In addition, some amounts listed in the Schedules and Statement may have been affected by setoffs or nettings by third parties of which the Debtor is not yet aware. The Debtor reserves all rights to challenge any setoff and/or recoupment rights that may be asserted.

Specific Schedules Disclosures

Schedules Summary. The Schedules do not purport to represent financial statements prepared in accordance with GAAP, nor are they intended to be fully reconciled with the financial statements of the Debtor. Certain write-downs, impairments, and other accounting adjustments may not be reflected in the Schedules. Additionally, the Schedules contain unaudited information that is subject to further review and potential adjustment and reflect the Debtor's diligent and reasonable efforts to report the assets and liabilities of the Debtor.

Schedule A/B

1. **Part 10 – Intangibles and Intellectual Property.**

- **Question 67.** *Personally identifiable information of customers.* The Debtor does not operate a business that provides goods or services to customers and therefore does not collect or retain personally identifiable information of customers, as defined in 11 U.S.C. § 101(41A).

2. **Part 11 – All Other Assets.**

- **Question 71. *Notes Receivable.*** The Debtor is party to a funding agreement (the “Funding Agreement”) with M2 LoanCo, LLC (“Payor”). Among other things, the Funding Agreement obligates the Payor to provide funding, up to an aggregate amount of \$15 million, to pay for costs and expenses of the Debtor, \$11 million of which was earmarked for the Debtor’s creditors. The Funding Agreement imposes no repayment obligation on the Debtor. Although the Debtor has access to funding under the Funding Agreement, to the extent funds remain available, it is neither a note payable nor a note receivable. The Funding Agreement is listed as “other property of any kind not already listed” in Schedule A/B, Part 11/Question 77.
- **Question 73. *Interests in insurance policies or annuities.*** The Debtor is an insured and/or additional insured under various insurance policies. Insurance coverage includes coverage for, among other things, director & officer insurance, professional liability insurance, cyber insurance, umbrella insurance, stop-loss insurance, workers compensation insurance and commercial general liability insurance which is provided through group coverage from various insurance companies. The Debtor has made a diligent and reasonable attempt to include in the Schedules all such policies in which it has an interest and for which the Debtor believes there are or may be active claims. Any failure to list an insurance policy in the Schedules, however, is not an admission by the Debtor that such policy does not exist or otherwise with respect to coverage under such policy. The Debtor reserves the right to amend these Schedules to add any such omitted insurance policies in the future.
- **Question 75. *Other Contingent and Unliquidated Claims or Causes of Action of Every Nature, including Counterclaims of the Debtor and Rights to Setoff Claims.*** In the ordinary course, the Debtor may have accrued, or may subsequently accrue, certain rights to counter-claims, cross-claims, setoffs, or refunds with its suppliers. Additionally, the Debtor may be a party to pending litigation in which the Debtor has asserted, or may assert, claims as a plaintiff or counter-claims and/or cross-claims as a defendant. The Debtor attempted to list known causes of action and other claims. Because certain of such claims are unknown to the Debtor and not quantifiable as of the Petition Date, they are not listed on Schedule A/B, Part 11. The Debtor’s failure to list any cause of action, claim, or right of any nature is not an admission that such cause of action, claim, or right does not exist, and should not be construed as a waiver of such cause of action, claim, or right.

The Debtor believes it is entitled to Employee Retention Credits under the CARES Act for tax years 2020 and 2021 and has engaged third party

professionals to assist in the calculation and filing of necessary filings with the Internal Revenue Service to maximize the recovery of such credits.

- **Question 77.** *Other property of any kind not already listed.* As described above, the Funding Agreement provides the Debtor with access to funding to pay for its costs and expenses, up to \$15 million. The Debtor is in the process of reconciling payments received prior to the Petition Date to determine if any amounts are left outstanding under the Funding Agreement. These amounts are undetermined at this time. Therefore, the value of the Funding Agreement has been listed in Schedule A/B, Part 11/Question 77 as “undetermined.”

Schedule E/F – Creditors Who Have Unsecured Claims

1. Part 1 – Creditors with Priority Unsecured Claims.

The listing of a Claim on Schedule E/F, Part 1, does not constitute an admission by the Debtor that such Claim or any portion thereof is entitled to priority status.

2. Part 2 – Creditors with Nonpriority Unsecured Claims.

The liabilities identified in Schedule E/F, Part 2, are derived from the Debtor’s books and records. The Debtor made a diligent and reasonable attempt to set forth its unsecured obligations, although the actual amounts of Claims against the Debtor may vary from those liabilities represented on Schedule E/F, Part 2. The listed liabilities may not reflect the correct amount of any unsecured creditor’s allowed Claims or the correct amount of all unsecured claims.

Schedule E/F, Part 2, contains information regarding threatened or pending litigation involving the Debtor. The amounts for potential Claims are listed as “undetermined” and are marked as contingent, unliquidated, and disputed.

Schedule E/F, Part 2, reflects certain prepetition amounts owing to counterparties to executory contracts and unexpired leases. Schedule E/F, Part 2, does not include Claims that may arise in connection with the rejection of any executory contracts and unexpired leases that may be rejected.

In many cases, the Claims listed on Schedule E/F, Part 2, arose, accrued, or were incurred on various dates or on a date or dates that are unknown to the Debtor or are subject to dispute. Where the determination of the date on which a Claim arose, accrued, or was incurred would be unduly

burdensome and costly to the Debtor's estates, the Debtor has not listed a specific date or dates for such Claim.

The Debtor does not believe guarantees exist, and therefore has not included guarantees in the Schedules. The Debtor reserves its right to amend the Schedules to the extent guaranties are identified or such guaranties are discovered to have expired or be unenforceable. In addition, the Debtor reserves the right to amend the Schedules and Statement and to re-characterize or reclassify any such contract or Claim, whether by amending the Schedules and Statement or in another appropriate filing. Additionally, failure to list any guaranties in the Schedules and Statement, including in any future amendments to the Schedules and Statement, shall not affect the enforceability of any guaranties not listed.

As of the time of filing of the Schedules and Statement, the Debtor may not have received all invoices for payables, expenses, and other liabilities that may have accrued prior to the Petition Date. Accordingly, the information contained in Schedule E/F may be incomplete. The Debtor reserves its right, but undertakes no obligation, to amend Schedule E/F if and as it receives such invoices.

Schedule G – Executory Contracts and Unexpired Leases.

While diligent and reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors or omissions may have occurred. In certain instances, contracts may have been allocated to the Debtor under the 2022 divisional merger, but such counterparties have elected to provide goods or services to YesCare Corp. under the same (or similar) terms as those previously provided to the Debtor, without having entered into new contracts.

Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease or that such contract or agreement was in effect on the Petition Date or is valid or enforceable. The Debtor hereby reserves all of its rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. Certain of the contracts listed on Schedule G may contain renewal options, guarantees of payment, indemnifications, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth separately on Schedule G. In addition, the Debtor may have entered into various other types of agreements in the ordinary course of its business, such as supplemental agreements and letter agreements, which documents may not be set forth in Schedule G.

In some cases, the same supplier or provider may appear multiple times in Schedule G. Multiple listings, if any, reflect distinct agreements between the applicable Debtor and such supplier or provider.

The Debtor reserves all rights to dispute or challenge the characterization of any transaction or any document or instrument related to a creditor's Claim.

Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. Contracts or agreements identified on Schedule G, include all amendments, supplements, and other documents related thereto. The Debtor's rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by the omission.

The Funding Agreement has not been listed on Schedule G because it requires M2 LoanCo., LLC to provide funding to the Debtor without any corresponding repayment obligation by the Debtor. The Debtor reserves all rights with respect to the Funding Agreement.

Specific Statement Disclosures.

1. **Statement, Part 1, Questions 1.** The gross revenue and non-business revenue reported for the current calendar year are through January 31, 2023.
2. **Statement, Part 2, Question 3 – 90 Day Payments.** The Debtor has responded to Statement, Part 2, Question 3 in a detailed format by creditor. The payment data is presented is on a book basis. The response to Statement, Part 2, Question 3 includes any disbursement or other transfer made by the Debtor except for those made to (i) insiders or other Debtor (which payments appear in response to Statement, Part 2, Question 4), (ii) non-insider employees, and (iii) bankruptcy professionals (which payments appear in response to Statement, Part 6, Question 11). As of the filing of the Schedules and Statement, the Debtor has outstanding discovery requests from third parties. As such, the Debtor has not yet received all bank records and payment records from third parties who may have made payments to creditors on the Debtor's behalf. The Debtor reserves the right to supplement the Statement should it discover additional transfers.
3. **Statement, Part 2, Question 4.** Payments on account of intercompany transactions are not included herein.

To the extent: (i) a person qualified as an "insider" in the year prior to the Petition Date, but later resigned their insider status or (ii) did not begin the year as an insider, but later became an insider, the Debtor has only listed those payments made while such person was defined as an insider in the Statement, Part 2, Question 4.

The inclusion of a party as an "insider" is not intended to be, nor should it be, construed as a legal characterization of such party as an insider and does not act as an admission of

any fact, Claim, right, or defense, and such rights, Claims, and defenses are hereby expressly reserved.

4. **Statement, Part 4, Question 9 – Gifts.** The Debtor does not keep track of gifts or charitable contributions. The amounts listed in the Statement, Part 4, Question 9 were based on a manual review of items in the Debtor’s books and records determined to be gifts or charitable contributions. As a result, inadvertent errors or omissions may exist.
5. **Statement, Part 6, Question 11 – Payments Related to Bankruptcy.** Presented herein are payments made to various professional services firms for services rendered within one year immediately preceding the Petition Date. The services rendered pertain to the Divisional Merger dated May 5, 2022 and related transactions. Amounts listed reflect the total amounts paid to these respective firms as bifurcating the specific restructuring activities would be administratively burdensome.
6. **Statement, Part 9, Question 16 – Personally Identifiable Information.** The Debtor does not operate a business that requires the collection or retention of personally identifying information of its customers, as defined in 11 U.S.C. § 101(41A).
7. **Statement, Part 13, Question 26 – Books, Records and Financial Statements.** The Debtor provides certain parties, such as banks, auditors, potential investors, vendors, and financial advisors, with financial statements that may not be part of a public filing. The Debtor does not maintain complete lists or other records tracking such disclosures.
8. **Statement, Part 13, Question 29 – Former Directors and Officers.** Diligent and reasonable efforts have been made to provide accurate and complete information regarding the former directors, managing members, general partners, members, or shareholders who were in control of the Debtor within one year before the Petition Date but who no longer hold these positions. While this information was based on a review of the Debtor’s books and records and on the best historical information available, inadvertent errors or omissions may exist.
9. **Statement, Part 13, Question 30 – Payments, Distributions, or Withdrawals Credited or Given to Insiders.** Distributions by the Debtor to its members and officers are listed on the attachment to Question 4. The amounts listed under Questions 4 reflect the gross amounts paid to such members and executive officers, rather than the net amounts after deducting for tax withholdings.
10. **Statement, Part 13, Question 32 and Statement, Part 9, Question 17.** The Debtor has listed all active plans in addition to inactive plans. The Debtor reserves all of its rights with respect to its responses to the Statement, Part 13, Question 32 and Statement, Part 9, Question 17.
