**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY AND
DISCLAIMER REGARDING THE DEBTORS' SCHEDULES OF ASSETS AND
LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

The above-captioned debtors and debtors in possession (each, a “Debtor” and collectively, the “Debtors”) are filing their respective Schedules of Assets and Liabilities (the “Schedules”) and Statements of Financial Affairs (the “Statements” and, with the Schedules, the “Schedules and Statements”) in the United States Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”). The Debtors, who were assisted by their advisors, prepared the Schedules and Statements in accordance with section 521 of title 11 of the United States Code, 11 U.S.C. §§ 101-1532 (the “Bankruptcy Code”), and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”).

These Global Notes and Statement of Limitations, Methodology and Disclaimer regarding the Debtors’ Schedules and Statements (collectively, the “Global Notes”) pertain to, are incorporated by reference in, and comprise an integral part of, all the Schedules and Statements. These Global Notes should be referred to, and reviewed in connection with, any review of the Schedules and Statements.²

The Schedules and Statements have been prepared by the Debtors’ management and are unaudited and subject to potential adjustment. In preparing the Schedules and Statements, the Debtors relied on financial data derived from their books and records that was available at the time of preparation. The Debtors have made reasonable efforts to ensure the accuracy and completeness of such financial information; however, subsequent information or discovery may result in material changes to the Schedules and Statements and inadvertent errors, omissions or

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, include: LAM 2011 Holdings, LLC (8742); Blitz Acquisition Holdings, Inc. (8825); Blitz Acquisition, LLC (8979); Blitz RE Holdings, LLC (9071); Blitz U.S.A., Inc. (8104); and F3 Brands LLC (2604). The location of the Debtors’ corporate headquarters and the Debtors’ service address is: 404 26th Ave. NW Miami, OK 74354.

² These Global Notes are in addition to any specific notes contained in each Debtor’s Schedules or Statements. The fact that the Debtors have prepared a specific note with respect to any of the Schedules and Statements and not to others should not be interpreted as a decision by the Debtors to exclude the applicability of such specific note to any of the Debtors’ remaining Schedules and Statements, as appropriate.

inaccuracies may exist. The Debtors reserve all rights to amend or supplement their Schedules and Statements.

Reservation of Rights

Nothing contained in the Schedules and Statements or these Global Notes shall constitute a waiver of any of the Debtors' rights or an admission with respect to the above-captioned chapter 11 cases (the "Chapter 11 Cases") including, but not limited to, any issues involving objections to claims, substantive consolidation, equitable subordination, defenses, characterization or re-characterization of contracts, assumption or rejection of contracts under the provisions of the Bankruptcy Code and/or causes of action arising under the Bankruptcy Code or any other relevant applicable laws to recover assets or avoid transfers.

Description of the Cases and "As of" Information Date

On November 9, 2011 (the "Petition Date"), each of the Debtors filed a voluntary petition for relief with the Court under chapter 11 of the Bankruptcy Code, thereby commencing the Chapter 11 Cases. The Debtors are operating their businesses and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. The Court subsequently entered an order jointly administering the Chapter 11 Cases pursuant to Bankruptcy Rule 1015(b).

The Debtors filed for bankruptcy at approximately 10:30 a.m. (EST) on the Petition Date. As it is impractical to determine assets and liabilities as of an arbitrary time, the books were closed as close to the filing time as possible. In some instances, the Debtors have used estimates or pro-rated amounts where actual data as of November 9, 2011 at 10:30 a.m. (EST) was not available. In other instances, however, based on the nature of the asset or liability, the Debtors were unable to pro-rate amounts to reflect amounts outstanding as of the Petition Date. Rather, such entries may reflect amounts relating to the end of the prior month, three days before the Petition Date, or even earlier. To the extent an amount reflected on the Schedules and Statements does not relate to the Petition Date, but rather reflects an amount relating to an earlier time, the Debtors have indicated that such amount is disputed. Further, in some instances, the Debtors have included a footnote to indicate the date to which the listed amount relates.

Therefore, these Schedules and Statements do no purport to represent financial statements prepared in accordance with GAAP nor are they intended to fully reconcile to the financial statements prepared by the Debtors. Unlike the consolidated financial statements, the Schedules and Statements, except where otherwise indicated, reflect the assets and liabilities of each Debtor on a non-consolidated basis where possible.

For purposes of the Schedules and Statements, the Debtors used reasonable efforts to attribute the assets and liabilities of each of their businesses to the proper legal entity; however, because the Debtors do not always record accounting entries at the individual legal entities, it is possible that not all assets or liabilities have been recorded at the correct legal entity on the Schedules and Statements. As such, the Debtors reserve all rights to amend these Schedules and Statements accordingly.

Moreover, given, among other things, the uncertainty surrounding the collection and ownership of certain assets and the valuation and nature of certain liabilities, to the extent that a Debtor shows more assets than liabilities, this is not an admission that the Debtor was solvent as of the Petition Date or at any time prior to the Petition Date. Likewise, to the extent that a Debtor shows more liabilities than assets, this is not an admission that the Debtor was insolvent at the Petition Date or any time prior to the Petition Date.

Consolidated Entity Accounts Payable and Disbursement Systems

The Debtors use a centralized cash management system to collect funds from customers and transfer them into their primary concentration accounts and maintain consolidated accounts payable and disbursements system to pay operating and administrative expenses through various disbursement accounts. A more complete description of the Debtors' centralized cash management system can be found in the *Debtors' Motion for Entry of an Order (I) Authorizing the Debtors to (A) Continue Using the Cash Management System, (B) Maintain Existing Bank Accounts and Business Forms, and (C) Continue Intercompany Arrangements and (II) Granting Intercompany Claims Administrative Priority* [Docket No. 4], filed on the Petition Date.

Insiders

For purposes of the Schedules and Statements, the Debtors define "insiders" pursuant to section 101(31) of the Bankruptcy Code as (a) directors, (b) officers, (c) relatives of directors or officers of the Debtors and (d) persons in control. Except as otherwise disclosed, payments to insiders listed in (a) through (d) above are set forth on Statement 3c. Persons listed as "insiders" have been included for informational purposes only and is not intended to be nor should be construed as a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right or defense, and all such rights, claims, and defenses are hereby expressly reserved. Further, the Debtors do not take any position with respect to (a) such person's influence over the control of the Debtors, (b) the management responsibilities or functions of such individual, (c) the decision-making or corporate authority of such individual or (d) whether such individual could successfully argue that he or she is not an "insider" under applicable law, including, without limitation, the federal securities laws, or with respect to any theories of liability or for any other purpose.

Summary of Significant Reporting Policies

The following is a summary of certain significant reporting policies:

Current Market Value — Net Book Value. In many instances, current market valuations are neither maintained by nor readily available to the Debtors. It would be prohibitively expensive and unduly burdensome to obtain current market valuations of the Debtors' property interests that are not maintained or readily available. Accordingly, unless otherwise indicated, the Schedules and Statements reflect the net book values, rather than current market values, of the Debtors' assets as of the Petition Date (or as of an earlier date, as described above) and may not reflect the

net realizable value. For this reason, amounts ultimately realized will vary, at some times materially, from net book value.

Accounts Receivable. The accounts receivable listed on the Schedules are summarized by trade receivables, other receivables and the total allowance balance.

First Day Orders. Pursuant to various “first day” orders issued by the Court, the Debtors were authorized to pay certain pre-petition claims, including, without limitation, claims relating to employee wages and benefit claims, claims for taxes and fees, claims of shippers, warehousemen and lien claimants (the “First Day Orders”). While the Debtors have attempted to exclude all claims satisfied pursuant to the First Day Orders, the claims listed in the Schedules and Statements may not reflect amounts paid pursuant to the First Day Orders as they were unpaid as of the Petition Date. To the extent claims listed on the Schedules and Statements have been or are subsequently paid pursuant to an order of the Bankruptcy Court (including the First Day Orders), the Debtors reserve all rights to amend or supplement their Schedules and Statements as is necessary and appropriate.

Undetermined Amounts. The description of an amount as “unknown,” or “undetermined” is not intended to reflect upon the materiality of such amount.

Estimates. To timely close the books and records of the Debtors as of the Petition Date and to prepare such information on a legal entity basis, the Debtors were required to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and reported revenue and expenses as of the Petition Date or an earlier date, as described above. The Debtors reserve all rights to amend the reported amounts of assets, liabilities, reported revenue and expenses to reflect changes in those estimates and assumptions.

Totals. The asset totals listed on Schedules A and B represent all known amounts included in the Debtors’ books and records as of the Petition Date or an earlier date, as described above. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.

Claims Description. Any failure to designate a claim on a given Debtor’s Schedules as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the Debtor that such amount is not “disputed,” “contingent” or “unliquidated.” The Debtors reserve all rights to dispute, or to assert any offsets or defenses to, any claim reflected on their respective Schedules on any grounds including, without limitation, amount, liability, validity, priority or classification, or to otherwise subsequently designate any claim as “disputed,” “contingent” or “unliquidated.” Listing a claim does not constitute an admission of liability by the Debtors, and the Debtors reserve the right to amend the Schedules accordingly. Additionally, the dollar amounts of a claim listed may be exclusive of contingent and additional unliquidated amounts. Furthermore, the Debtors’ failure to list any contingent and/or unliquidated claim held by the Debtors on a given Debtor’s Schedules shall not constitute a waiver, release, relinquishment or forfeiture of such claim.

Classifications. Listing a claim (a) on Schedule D as “secured,” (b) on Schedule E as “priority,” (c) on Schedule F as “unsecured non-priority,” or (d) listing a contract or lease on Schedule G as

“executory” or “unexpired,” does not constitute an admission by the Debtors of the legal rights of the claimant, or a waiver of the Debtors’ right to recharacterize or reclassify such claim or contract.

Causes of Action. The Debtors have not set forth causes of action against third parties as assets in their Schedules and Statements. The Debtors reserve all of their rights with respect to any causes of action they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action.

Executory Contracts. The Debtors have not set forth executory contracts as assets in their Schedules and Statements. The Debtors’ executory contracts have been set forth in Schedule G.

Property and equipment – leased. In the ordinary course of their businesses, the Debtors lease furniture, fixtures, and equipment from certain third-party lessors for use in the daily operation of their business. Any such leases are set forth in the Schedules and Statements. The property subject to such leases is not reflected in the Schedules and Statements as either owned property or assets of the Debtors or property or assets of third-parties within the control of the Debtors. Nothing in the Schedules and Statements is or shall be construed as an admission or determination as to the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors expressly reserve all rights with respect to any of such issues.

Schedules

Schedule B. Unless otherwise noted, (i) all values set forth in Schedule B reflect the book value of the Debtors’ assets as of November 9, 2011, and (ii) all of the amounts listed on Schedule B represent the value of the Debtors’ assets as reflected in the Debtors’ books and records (net of depreciation or amortization where applicable). The Debtors has performed no independent review of the value of these assets. The actual value of the assets listed may differ significantly from the amounts reflected in the Debtors’ books and records. In regards to Schedule B22, the Debtors hold numerous Patents and Trademarks. The Debtors do not capitalize the cost of either the Patents or the Trademarks and therefore the Debtors do not carry a value for its Patents and Trademarks in its books and records.

Schedule D. Subject to the Final Order Under 11 U.S.C. §§ 105(A), 361, 363, and 364 and Fed. R. Bankr. P. 2002, 4001 and 9014 (I) Authorizing Debtors to Incur Post-Petition Secured Indebtedness, (II) Granting Security Interests and Superpriority Claims, (III) Approving Use of Cash Collateral [Docket No. 132], entered on December 12, 2011, the Debtors reserve their rights to avoid and to dispute or challenge the validity, perfection or amount of any lien of any party listed on Schedule D of any Debtor. Moreover, although the Debtors have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor’s claim or the characterization of the structure of any such transaction, or any document or instrument (including without limitation, any intercompany agreement) related to such creditor’s claim. In certain instances, a Debtor may be a co-obligor, co-mortgagor or guarantor and Schedule D of any Debtor is not intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The

descriptions provided in Schedule D are intended only to be summaries, and reference to the applicable documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of the underlying agreements.

Additionally, if a claimant holds a secured claim by virtue of holding setoff rights against the Debtors or leasing equipment to the Debtors, those claimants are not included on Schedule D. Lessors, utility companies and other parties which may hold security deposits also have not been listed on Schedule D.

Schedule E. The listing of any claim or entity on Schedule E does not constitute an admission by the Debtors that any claim listed or held by an entity listed on Schedule E is entitled to priority treatment under 11 U.S.C. § 507. The Debtors reserve the right to take the position that any claim listed or held by an entity listed on Schedule E is not entitled to priority treatment.

Schedule F. In certain instances, a Debtor may be a co-obligor, co-mortgagor or guarantor with respect to scheduled claims and no claim set forth on Schedule F of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged. The descriptions provided in Schedule F are intended to be summaries only, and nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of any underlying agreements.

The Debtors expressly incorporate by reference into Schedule F all parties to pending and potential litigation listed in 4(a) of the Debtors' Statements as contingent, unliquidated and disputed claims, to the extent not already listed on Schedule F.

Schedule G. While every effort has been made to ensure the accuracy of the Schedule of Executory Contracts, inadvertent errors or omissions may have occurred. In addition, there may exist certain minor leases or executory contracts which are not listed on Schedule G. The Debtors hereby reserve all of their rights to dispute the validity, status or enforceability of any contracts, agreements or leases set forth in Schedule G and to amend or supplement such Schedule as necessary.

The placing of an agreement onto Schedule G shall not be deemed an admission that such agreement is an executory contract or unexpired lease, or that it is necessarily binding, valid and/or enforceable. Any and all of the Debtors' rights, claims and causes of action with respect to the agreements listed on Schedule G are hereby reserved and preserved. Omission of an agreement from Schedule G does not constitute an admission that such omitted agreement is not an executory contract or unexpired lease. Additionally, certain agreements may have been rejected by order of the Bankruptcy Court during the duration of this case. The Debtors' rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by their omission. Schedule G may be amended at any time to add any omitted agreement.

The contracts, agreements and leases listed on Schedule G may have expired or may have been modified, amended and supplemented from time to time by various amendments, restatements,

waivers, estoppel certificates, letter and other documents, instruments and agreements which may not be listed therein. Certain of the real property leases listed on Schedule G may contain renewal options, guarantees of payment, options to purchase, rights of first refusal, rights to lease additional space and other miscellaneous rights which are not set forth on Schedule G. Additionally, the Debtors may be parties to various other agreements concerning real property, such as easements, rights of way, subordination, non-disturbance and attornment agreements, supplemental agreements, amendments/letter agreements, title documents, consents, site plans, maps and other miscellaneous agreements. Such documents are not set forth in Schedule G. Certain of the agreements listed on Schedule G may be in the nature of secured financings, and the inclusion of such on Schedule G is not an admission that the agreement is an executory contract, financing agreement or otherwise.

Schedule H. Blitz Acquisition, LLC, Blitz U.S.A., Inc. and Blitz RE Holdings, LLC (the “Debtor Borrowers”) are parties to that certain First Amended and Restated Credit Agreement dated as of February 4, 2011 (the “Prepetition Credit Agreement”). Pursuant to that certain Limited Guaranty Agreement dated as of February 4, 2011 (the “Limited Guaranty”), Kinderhook Capital Fund II, L.P. (“Kinderhook”) guaranteed certain of the Debtor Borrower’s obligations under the Prepetition Credit Agreement. Kinderhook’s obligations with respect to amounts borrowed by the Debtor Borrowers under the Prepetition Credit Agreement are capped under and limited by the terms and conditions of the Limited Guaranty and that certain Forbearance Agreement dated as of October 4, 2011 between Kinderhook and BOKF, NA d/b/a Bank of Oklahoma as Administrative Agent on behalf of the Lenders (as defined in the Prepetition Credit Agreement).
