the “Debtors”) commenced the above-captioned bankruptcy cases (these “Chapter 11 Cases”) by filing their voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors continue to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

On June 7, 2023, the Court entered an order (the “Case Management Order”) [Docket No. 72], pursuant to sections 102(1), 105(a), 107(c), and 521 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “Bankruptcy Code”), rules 1001, 1007, 2002, 9007, 9013, 9014, and 9036 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and rule 1007-1 of the Local Bankruptcy Rules for the District of New Jersey (the “Local Rules”), approving (a) these Notice, Case Management, and Administrative Procedures (collectively, the “Case Management Procedures”), and (b) the form and notice thereof.

Pursuant to the Case Management Order, all notices, motions, applications, briefs, memoranda, declarations, affidavits, objections, responses, replies, supporting documents, and other papers filed in these Chapter 11 Cases, including with regards to any contested matters and any related adversary proceedings, and orders entered in these Chapter 11 Cases, including with regards to any contested matters and any related adversary proceedings, are subject to, and will not be deemed properly served unless they are served in accordance with, these Case Management Procedures. Additionally, to the extent there is a conflict between the Bankruptcy Code, the Bankruptcy Rules, or the Local Rules and these Case Management Procedures, these Case Management Procedures shall govern in all respects.

Accordingly, all parties in interest are strongly encouraged to review the below Case Management Procedures in their entirety and consult their own legal counsel with respect to any of the matters discussed herein prior to filing any documents in the Chapter 11 Cases.

Case Management Procedures

A. Omnibus Hearings

1. All Matters to Be Heard at Omnibus Hearings. All matters requiring a hearing in these Chapter 11 Cases, including with regards to any contested matters and any related adversary proceedings, shall be heard at periodic omnibus hearings (each, an “Omnibus Hearing”), in accordance with these Case Management Procedures, unless otherwise ordered by the Court for good cause shown. The Debtors shall be authorized to schedule, in cooperation with the Court, Omnibus Hearings to consider (a) all motions, applications, and other requests for relief, along with any notices, briefs, memoranda, declarations, affidavits, replies, and other documents filed in support of such papers seeking relief (collectively, the “Requests for Relief”); and (b) all objections and responses to such Requests for Relief and documents filed in support of such objections and responses (collectively, the “Objections” and, together with the Requests for Relief and all other filed documents, the “Court Filings”) pursuant to the following procedures:

(a) Initial Omnibus Hearings. The next three Omnibus Hearings shall be held on the following dates and times:

- (i) 10:00 a.m., prevailing Eastern Time, on June 29, 2023;
- (ii) 10:00 a.m., prevailing Eastern Time, on July 19, 2023; and
- (iii) 10:00 a.m., prevailing Eastern Time, on August 16, 2023.

(b) Subsequent Omnibus Hearings. The Debtors shall be authorized to schedule, in coordination with the Court, additional Omnibus Hearings. The Debtors shall file notices of additional Omnibus Hearing dates with the Court on a periodic basis. Kurtzman Carson Consultants LLC, the Debtors’ claims and noticing agent (the “Claims Agent”) shall post the dates of the Omnibus Hearings on a website established for this case at <https://www.kccllc.net/cyxtera> (the “Case Website”). Entities may contact the Claims Agent for information concerning all scheduled Omnibus Hearings.

(c) Proposed Notice of Agenda. Before noon (prevailing Eastern Time) on the day that is two (2) business days before each Omnibus Hearing, the Debtors’ counsel will file a proposed Notice of Agenda with regard to the matters that are

scheduled to be heard at such Omnibus Hearing (the “Notice of Agenda”). The Notice of Agenda may include notice of matters that have been consensually adjourned to a later Omnibus Hearing in lieu of parties filing a separate notice of such adjournment.

(d) Content of Notice of Agenda. The proposed Notice of Agenda shall list: (i) the docket number (in docketing order) and title of each matter scheduled for hearing at such Omnibus Hearing, including the initial filing and any filed responses, replies, or documents related thereto; (ii) the relevant objection deadlines and whether the matters are contested or uncontested; (iii) whether the matters have settled or are proposed to be continued; and (iv) other comments that will assist the Court. The matters listed on the proposed Notice of Agenda shall be limited to matters of substance and shall not include administrative filings, such as notices of appearance and affidavits of service. Resolved or continued matters shall be listed ahead of unresolved matters on the Notice of Agenda. Contested matters shall be listed in the order of docketing with the corresponding docket number.

All amended Notices shall list matters as listed in the original Notice of Agenda with all edits and additional information being listed in boldface type.

Copies of the Notice of Agenda shall be served upon all counsel who have entered an appearance in the case, as well as all other counsel with a direct interest in any matter on the Notice of Agenda and the United States Trustee simultaneously with the filing of the Notice of Agenda with the Court.

When an adversary proceeding is scheduled, the Notice of Agenda shall indicate the adversary proceeding number and the corresponding docket number for pleadings filed in the adversary proceeding on the Notice of Agenda, in addition to the information regularly required in a Notice of Agenda.

(e) Adjournment of Omnibus Hearings. Unless the Court orders otherwise, the Debtors’ counsel may, without further leave of the Court, (i) adjourn any hearing on a Request for Relief filed by the Debtors to a subsequent Omnibus Hearing either (A) if no Objection contesting the relief has been filed, or (B) with the consent of any party that has filed such an Objection; and (ii) adjourn any hearing on a Request for Relief filed by a non-Debtor party to a subsequent Omnibus Hearing provided that the filing party consents and either (A) no Objection contesting the relief has been filed, or (B) any party that has filed such an Objection consents. Notice of such adjournments may be filed separately on the docket or noted in the Proposed Hearing Agenda.

(f) Cancellation of Omnibus Hearings. If no matters are scheduled for hearing at an Omnibus Hearing, the Debtors may cancel the Omnibus Hearing, with the consent of the Court, by filing a notice of cancellation on the docket for these Chapter 11 Cases.

B. Filing Procedures; General Motion Practice; Deadlines for Filing of Responsive Pleadings

2. Procedures Established for Court Filings. Registered users of the Court's Electronic Case Filing System (the "ECF System") shall file all Court Filings electronically. Any Court Filing that refers specifically to a pleading that has already been filed in the Chapter 11 Cases shall make specific reference to the docket number assigned by the Court to such pleading by use of the designation "Docket No. ___" or similar designation.

3. General Motion Practice. The following procedures shall be followed for Requests for Relief generally, except as otherwise provided by these Case Management Procedures or an order of the Court:

(a) Requests for Relief. Any Request for Relief, including briefs, must be filed at least twenty-one (21) calendar days prior to the hearing thereon. A Request for Relief may be scheduled by the filing party to be heard at any Omnibus Hearing at least twenty-one (21) calendar days after the filing of such Request for Relief.

(b) Inconsistent Filings. If a party other than the Debtors files a Court Filing and purports to set a hearing date inconsistent with these Case Management Procedures (an "Inconsistent Filing"), the hearing shall be scheduled, without the necessity of Court order, for the first Omnibus Hearing date after the 21-day notice period has expired, and the Debtors shall provide such party with notice of these Case Management Procedures within three (3) business days of receipt of the Inconsistent Filing. If such filing is filed at least twenty-one (21) days from the next Omnibus Hearing Date, then the hearing with respect to such filing shall be deemed to be on such omnibus hearing date. If such filing is less than twenty-one (21) days prior to the next omnibus hearing date, then the hearing with respect to such filing shall be the next omnibus hearing date after the required twenty-one (21) days have passed. The movant must provide notice of the corrected hearing date to all affected parties and thereafter file a certificate of service regarding the notice.

(c) Service of Requests for Relief. All Requests for Relief shall be served in accordance with the provisions of the Bankruptcy Rules, the Local Rules, and any applicable Court order on: (i) the master service list (the "Master Service List") that the Claims Agent shall maintain pursuant to Bankruptcy Rule 2002; (ii) the list of entities (the "2002 List" and, together with the Master Service List, the "Core Service List") that have filed a written request for service of filings in these Chapter 11 Cases pursuant to Bankruptcy Rule 2002 (a "2002 Notice Request"), which the Claims Agent also shall maintain pursuant to Bankruptcy Rule 2002; and (iii) each

entity with a particularized interest in the subject matter of the specific Court Filing (each, an “Affected Entity”).

(d) Notices of Requests for Relief. Parties should consult the Local Rules regarding the form and content of notices with respect to Requests for Relief and visit the Court’s website at <http://njb.uscourts.gov> for more information.

(e) Requests for Shortened Time or Limited Notice. Nothing contained herein shall prejudice the rights of any party in interest to move the Court to further limit or expand notice of matters and proceedings upon a showing of good cause, including, but not limited to, the right to (i) file a Request for Relief upon shortened notice; or (ii) seek an enlargement or reduction of time pursuant to Bankruptcy Rule 9006.

(f) Expedited Hearings. If a party in interest has an emergency or other situation that it believes requires consideration on less than the 21-day notice as required by D.N.J. LBR 9013-2(c), the moving party should file and serve, a separate written application requesting shortened time and expedited hearing in respect of the underlying motion in the form provided at D.N.J. LBR 9013-2(c).

If the Court grants the motion for expedited hearing, the underlying motion will be set at the next available omnibus hearing date or at some other appropriate shortened date approved by the Court.

Requests for expedited hearings will only be granted under emergency or exigent circumstances.

(g) Negative Noticing Procedures. Subject to the Court’s discretion, the Court may approve notice procedures which provide that if no objections are timely filed and served by a deadline set in accordance with the Bankruptcy Rules and/or the Case Management Order and/or the Local Rules, the Court may enter an order granting the relief requested without further notice or a hearing (“Negative Notice”). The notice of motion accompanying such motion must specifically advise parties of the objection deadline and must also inform the recipient that if no objections are filed and served, the Court may enter an order granting the motion without further notice or hearing.

Negative Notice may be used in connection with motions including, but not limited to, matters requesting the following relief: (a) rejection of a non-residential real property lease or executory contract pursuant to 11 U.S.C. § 365; (b) extension of deadline to seek removal action pursuant to Bankruptcy Rule 9027; (c) sales of assets outside the ordinary course of business pursuant to 11 U.S.C. § 363 with a purchase price set on a case-by-case basis; (d) approval of settlements and compromises pursuant to Bankruptcy Rule 9019 of claims where the settled amount of the claim does not exceed an amount set on a case-by-case basis; and (e) nothing contained herein shall be construed to limit a party in interest’s ability to request

that the Court approve the use of Negative Notice procedures in connection with motions not specifically identified above.

If an objection is timely filed and served, a hearing will be scheduled for the next Omnibus Hearing date unless otherwise ordered by the Court.

(h) Evidentiary Hearings. Nothing herein shall prejudice the rights of any party to seek appropriate discovery with respect to any Court Filings, and all parties' rights to request an evidentiary hearing or establish a discovery schedule are preserved.

(i) Certificate of No Objection. After the Objection date has passed with no Objection having been filed or served, counsel for the movant may file a Certification of No Objection substantially in the form as it appears in the General Order Governing Procedures for Complex Chapter 11 Cases on the annexed Schedule "1" stating that no Objection has been filed or served on the movant.

By filing such certifications, counsel for the movant is representing to the Court that the movant is unaware of any objection to the motion or application and that counsel has reviewed the Court's docket and no Objection appears thereon.

Upon receipt of the Certification of No Objection, the Court may enter the order accompanying the motion or application without further pleading or hearing and, once the order is entered, the hearing scheduled on the motion or application shall be cancelled without further notice.

4. Filing and Service of Objections, Replies, and Other Responsive Pleadings. The following procedures shall be followed, except as otherwise provided by these Case Management Procedures or an order of the Court:

(a) Objections and Replies. Any Objection, including related briefs, must be filed on or before the date that is seven (7) days prior to the hearing set on the motion unless otherwise provided by the Court (the "Objection Deadline"). If an objection is filed, the movant or another interested party may file a reply and any documents in support of the reply, including briefs (collectively, a "Reply"), with the Court on or before four (4) days before the applicable hearing date unless otherwise provided by the Court (the "Reply Deadline").

(b) Extension of Objection Deadline. The Objection Deadline may be extended upon the consent of the entity filing the Request for Relief without further order of the Court, provided that the Objection Deadline shall not be less than seven (7) days before the hearing on such matter without approval of the Court. The Reply Deadline may be extended with the approval of the Court. Unless otherwise agreed by the entity filing the Request for Relief, adjournment of the hearing on the Request for Relief shall not extend the Objection Deadline.

(c) Service of Objections. All Objections shall be filed with the Court and served by the applicable Objection Deadline upon (i) the entity filing the Request for Relief, (ii) the Debtor, (iii) those entities on the Core Service List, and (iv) each Affected Entity.

(d) Service of Replies to Objections. Any Reply shall be filed and served by the applicable Reply Deadline upon (i) the entity filing the Request for Relief, (ii) the Debtors, (iii) each party that filed an Objection, (iv) each party on the Core Service List, and (v) each Affected Entity.

5. Granting the Request for Relief Without a Hearing. A Request for Relief may be granted without a hearing to the extent allowed under the Bankruptcy Rules or the Local Rules, except as otherwise provided herein. If the Court decides not to grant the Request for Relief without a hearing, (a) the Request for Relief shall be heard at the next scheduled Omnibus Hearing, and (b) the decision not to grant the Request for Relief shall not constitute an extension of the Objection Deadline related thereto with respect to any party, unless otherwise agreed between the party seeking relief and the party seeking to object.

C. Service and Notice Procedures

6. Procedures Established for Notices. All Court Filings shall be filed with the Court and served in accordance with the notice procedures set forth herein (the “Notice Procedures”).

7. Entities Entitled to Service. All Court Filings shall be served on the Core Service List and any other Affected Entities according to the Notice Procedures, except as otherwise provided by these Case Management Procedures or an order of the Court. In accordance with Bankruptcy Rule 2002, the Claims Agent shall maintain the Core Service List, which shall be updated in accordance with paragraph 8 below. An updated Core Service List can be obtained by (a) accessing the Case Website, (b) contacting the Claims Agent directly, or (c) contacting Debtors’ counsel directly.

8. Maintenance of the Core Service List. At least every fourteen (14) days during the first sixty (60) days of these Chapter 11 Cases, and thereafter at least once every thirty (30) days,

the Claims Agent shall maintain and update the Core Service List by (a) making any necessary additions and deletions, and (b) posting an updated version of the Core Service List on the Case Website. The Debtors' counsel must file a Core Service List with the Court every time it is updated.

Service on the persons/entities listed on the Master Service List shall be made only with respect to those matters enumerated in the Case Management Order. The Claims Agent must update the Master Service List at least every fourteen (14) days during the first sixty (60) days of the case and at least every thirty (30) days thereafter.

Further, the Debtors' counsel must file a Master Service List with the Court every thirty (30) days during these chapter 11 cases, only to the extent there are updates.

12. Certification Opting Out of Email Service. Any individual or entity filing a 2002 Notice Request who does not maintain (and cannot practicably obtain) an email address, and therefore cannot receive service by email, must include in the 2002 Notice Request a certification to that effect (the "Certification"). The Certification shall include a statement certifying that the individual or entity (a) does not maintain an email address, and (b) cannot practicably obtain an email address at which the individual or entity could receive service by email. Such individual or entity will thereafter receive paper service as provided in these Case Management Procedures.

13. No Email or Certification Provided. If a 2002 Notice Request fails to include an email address or a Certification, the Debtors shall forward a copy of these Case Management Procedures to such party within five (5) business days of receipt of service of the 2002 Notice Request and specifically request an email address and/or Certification. ***Until (a) an email address,***

or (b) a Certification is provided in response to the Debtors' request, such party shall not be added to the 2002 List and shall not be served with copies of Court Filings filed in these Chapter 11 Cases unless such Court Filings directly affect such party.

14. Service of Motions Required to Be Served on All Creditors and Parties in Interest.

With respect to Requests for Relief for which particular notices are required to be served on all creditors and parties in interest—including pursuant to Bankruptcy Rules 2002(a)(2), 2002(a)(3), 4001, 6004, 6007 and/or 9019—and subject to paragraph 16 below, parties shall serve all such filings by electronic mail (where available), except as otherwise provided in paragraphs 7 through 9 hereof, on the Core Service List and any Affected Entity.

15. All notices required by subdivisions Bankruptcy Rules 2002(a)(2), 2002(a)(3), 2002(a)(6), and 4001 shall be served upon:

- (b) when the notice is of a proposed use, sale, lease, or abandonment of property or of a hearing thereon, each entity designated on the most recent Master Service List and each entity having an interest in the property;
- (c) when the notice relates to relief from the stay in order to take action against property of the Debtors' Estate, each entity having a lien, encumbrance or interest in the subject property;

- (f) when the notice is of an application for compensation or reimbursement of expenses or of a hearing thereon, each entity designated on the most recent Master Service List and each professional person who is seeking compensation or reimbursement whose retention in these Chapter 11 Cases is authorized by the Court.

16. Service by Email. All Court Filings shall be electronically filed using the ECF System and served via email (where available) as provided in these Case Management Procedures, which shall be deemed to constitute proper service for all parties who are sent such email service, provided, however, that notwithstanding the foregoing and paragraph 13 below, (a) a summons and complaint in an adversary proceeding shall not be served by email and (b) documents filed under seal shall not be served. In accordance with Bankruptcy Rule 9036, the “Notice of Electronic Filing” that is automatically generated and sent via email by the ECF System shall constitute proper, sufficient, and effective service by email for those parties who are, or whose agents are, registered attorney users of the ECF System (collectively, the “ECF System Users”). Therefore, a party filing a Court Filing that is served on the ECF System Users via the ECF System has no further obligation to serve such Court Filing on the ECF System Users, provided that service to an ECF System User shall not be effective if the filing party receives notice that service of the Court Filing did not reach the ECF System User.

- (a) Consent to Electronic Service. Each creditor or party in interest that files a 2002 Notice Request shall be deemed to have consented to service of all Court Filings solely by electronic transmission, unless such creditor or party in interest has included a Certification opting out of such service.
- (b) Email Subject Line. With respect to the service of any Court Filing, the subject line of the email shall include: (i) the Debtors’ case name and case number (*In re Cyxtera Technologies, Inc.*, Case No. 23-14853); (ii) the name of the party serving such Court Filing and (iii) the title of the Court Filing being served. If the title of the Court Filing is too long to fit reasonably within the subject line of the email, the subject line shall contain a shortened version of such title and the text of the email shall contain the full name of such Court Filing.
- (c) Email Attachments. All Court Filings served by email shall include access to a computer file containing the entire document (including any proposed form of order and exhibits, attachments or other materials) in PDF format, readable by Adobe Acrobat or other equivalent document reader programs commonly available without cost. The relevant Court Filing shall either be attached to the email in a format specified above or the email shall contain a link to such filing in such format.

- (d) Effective Date of Service. Service by email on a party shall be effective as of the earlier of: (i) the date the Court Filing (or a notice stating that the Court Filing cannot be attached but is available on the ECF System or the Case Website) is transmitted by email to the address provided by such party; or (ii) the date the Court Filing is posted on the ECF System where service on such ECF System User via the ECF System is proper under these Case Management Procedures.

17. Certificates of Service. The certificate of service for each filing must be filed with the Court together with the complete Service List that was utilized and served for a particular filing but said certificate of service is not to be served via hard copy on the recipients of the filing.

18. Service in Adversary Proceedings. All filings in adversary proceedings shall be served, pursuant to Bankruptcy Rule 7005, upon all parties to the adversary proceeding, all parties known to have a particularized interest in the subject of such adversary proceeding, and the parties listed on the Core Service List. Any summons, complaint, or motion initiating an adversary proceeding shall be served in hard copy format, pursuant to Bankruptcy Rule 7004, upon the party or parties against whom relief is sought, all parties known to have a particularized interest in the subject of such proceeding, and the parties listed on the Core Service List. Absent leave of the Court, responsive pleadings shall be filed only by defendants in adversary proceedings and/or by parties in interest who seek to be joined or to dismiss for failure to join a necessary party.

19. Service of Orders. All parties submitting orders shall serve a confirmed copy of any entered order on the parties that were entitled to service of the underlying Request for Relief in accordance with these Case Management Procedures, except as otherwise provided by an order of the Court. The Claims Agent shall post all entered orders on the Case Website.

20. Service Upon United States Trustee. Pursuant to the General Order Governing Procedures for Complex Chapter 11 Cases, the Office of the United States Trustee for Region III—New Jersey Office requires service upon it of all pleadings and papers, including but not limited to, petitions, schedules, statements of financial affairs, plan, disclosure statement, and monthly

operating reports, in hard copy format regardless of whether the United States Trustee's Office receives same electronically.

21. Right to Request Special Notice Procedures. Nothing herein shall prejudice the rights of any party in interest to seek an amendment or waiver of the provisions of the Case Management Procedures upon a showing of good cause, including, without limitation, the right to file a motion seeking emergency ex parte relief or relief upon shortened notice.

D. Additional Case Management Procedures

22. Adequate Notice. Notice and service accomplished in accordance with the provisions set forth in these Case Management Procedures shall be deemed adequate in all respects pursuant to the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules.

23. Computation of Time. Unless otherwise specified, all time periods referenced in these Case Management Procedures shall be calculated in accordance with Bankruptcy Rule 9006(a).

24. Extensions of Time. Except as otherwise expressly set forth in any order entered in these Chapter 11 Cases, if a Motion to extend the time for a party to take any action is filed consistent with these Case Management Procedures before the expiration of the period prescribed by the Bankruptcy Code, the Bankruptcy Rules, the Local Rules or the provisions of any order entered by this Court, the time shall automatically be extended until the Court acts on the Motion, without the necessity for the entry of a bridge order. If the Court denies such Motion to extend, then the applicable action must be completed no later than 5:00 p.m., prevailing Eastern Time, on the first business day after the Court enters such order.

25. Effect of the Case Management Procedures. The Bankruptcy Rules and the Local Rules shall continue to apply to all proceedings in these Chapter 11 Cases, except to the extent that

any provision of these Case Management Procedures by its terms supersedes or is inconsistent with such rules.

26. Modification of Order. Any party may at any time apply for reconsideration or modification of the Order approving these Case Management Procedures. Service of said motion shall be made to all persons/entities on the Master Service List. The Court may amend Case Management Procedures from time to time as is necessary.
