<sup>1</sup> The Debtors also include NOMC Physician Services, Inc., case no. 08-60740, and NOMC Services, Inc., case no. 60732. This Plan and Disclosure Statement applies to Pontiac General Hospital and Medical Center, Inc. and NOMC Physician Services, Inc., but not to NOMC Services, Inc., as that case will soon be the subject of a motion to dismiss.

**CONSOLIDATED PLAN OF LIQUIDATION OF PONTIAC GENERAL HOSPITAL  
AND MEDICAL CENTER, INC. d/b/a NORTH OAKLAND MEDICAL CENTER  
("NOMC") and NOMC PHYSICIAN SERVICES, INC. ("Physician Services")  
(collectively with NOMC, the "Plan Debtors") UNDER CHAPTER 11 OF THE BANKRUPTCY  
CODE**

**PRELIMINARY STATEMENT AND OVERVIEW OF PLAN**

NOMC is the principal debtor in this case. It is the entity that owned and operated North Oakland Medical Center until the sale of its assets in November of 2008. Physician Services and NOMC Services, Inc. ("NOMC Services") who filed separate petitions, provided administrative and staffing services to NOMC and its physicians. The three cases were consolidated for administrative purposes at the outset of this case. The limited assets available are primarily assets of NOMC. NOMC Services has no assets and will soon be the subject to a motion to dismiss its chapter 11 case. Physician Services has limited assets and no creditors, and this Plan provides for distribution of those assets to its parent, NOMC, for further distribution to creditors. Rather than expending limited assets on preparing and distributing two separate Plans of Liquidation, the Debtors are filing one Combined Plan and Disclosure Statement which includes provisions for both cases.

This Plan calls for the liquidation of the Plan Debtors, the distribution of Physician Services' limited assets to NOMC, and for the transfer of NOMC's assets (including assets received from Physician Services) to a liquidating trust that will be administered by one trustee. The trustee will pay the creditors of the NOMC estate, as applicable, their share of funds available for distribution. The Plan also provides for the objection and disallowance or recharacterization of numerous claims that NOMC believes were improperly filed in these cases.

#### A. NOMC.

##### 5.1 Class 1: Allowed Priority Claims

Class 1 consists of all Allowed Priority Claims against NOMC. Unless NOMC or the Liquidation Trustee and the holder of such Allowed Priority Claim agree to a different treatment, and subject to the provisions of Article 6 of this Plan of Liquidation, if applicable, each holder of an Allowed Priority Claim shall be paid, in full and in cash, from the proceeds of the Liquidation Trust by the Liquidation Trustee, after payment in full of all unpaid Allowed Administrative Claims. Class 3 will receive nothing under this Plan of Liquidation and is deemed to reject this Plan of Liquidation.

By filing this Plan of Liquidation, NOMC is deemed to vote in favor of this Plan of Liquidation.

## ARTICLE 6

### THE LIQUIDATION TRUST

#### 6.1 Formation of the Liquidation Trust

On the Effective Date, and pursuant to the Confirmation Order in the chapter 11 case of Pontiac General Hospital and Medical Center, Inc. d/b/a North Oakland Medical Center (“NOMC”), a Liquidation Trust shall be established for the sole purpose of liquidating and distributing the Liquidation Trust Assets in accordance with this Plan of Liquidation with no objective to continue or engage in the conduct of a trade or business. In carrying out such purpose, the Liquidation Trustee shall have the authority to: (i) administer the Liquidation Trust Assets, (ii) analyze and, in the sole discretion of the Liquidation Trustee, prosecute and/or liquidate Causes of Action, Estate Litigation and other Estate Claims (other than Released Avoidance Actions), (iii) resolve all Disputed Claims as of the Effective Date, and (iv) make all Distributions provided for under the Plan of Liquidation in respect of Allowed Claims and all other Claims that may become Allowed Claims subsequent to the Effective Date. The Liquidation Trust is intended to qualify as a liquidating trust pursuant to United States Treasury Regulation section 301.7701-4(d). The Liquidation Trust shall be governed under the laws of the State of Michigan. The trust shall be known as the NOMC Liquidation Trust.

#### 6.2 The Liquidation Trustee

The Liquidation Trustee, who shall act as Trustee for the Liquidation Trusts, shall be designated by the Committee in consultation with NOMC. A party is not precluded from serving as the Liquidation Trustee merely as a consequence of having a prior relationship with any Debtor or by serving as a professional retained by any Debtor or the Committee in the Cases. The person so designated shall become the Liquidation Trustee on the Effective Date. The Liquidation Trustee shall have and perform all of the duties, responsibilities, rights, and obligations set forth in the Liquidation Trust Agreement. The Liquidation Trustee may be removed by the Court for cause shown or pursuant to the terms of the Liquidation Trust Agreement.

#### 6.3 Funding of the Liquidation Trust and Beneficiaries’ Interests

On the Effective Date, all Liquidation Trust Assets shall automatically and irrevocably vest in the Liquidation Trust without further action on the part of NOMC, the Liquidation Trustee or the Court, with no reversionary interest in NOMC.

The Liquidation Trust Assets shall include the following: (i) all of the Causes of Action and Estate Litigation, other than Released Avoidance Actions, provided, however, that the ability to use Released Avoidance Actions defensively is a Liquidation Trust Asset (ii) the Liquidation Trust Proceeds; and (iii) all other tangible or intangible remaining Assets of NOMC (including assets of Physician Services transferred to NOMC pursuant to the terms of this Plan of Liquidation).

The transfer of the Liquidation Trust Assets to the Liquidation Trust shall be made for the benefit and on behalf of the holders of Allowed Claims against NOMC entitled to receive distributions from the Liquidation Trust under this Plan of Liquidation and holders of Disputed Claims that are later allowed.. The interests of each Beneficiary in the Liquidation Trust shall be uncertificated and shall consist of a fraction of all distributions from the Liquidation Trust. The interests of each Beneficiary shall be unassignable and non-transferable

Upon the transfer of the Liquidation Trust Assets to the Liquidation Trust, NOMC shall have no other or further rights or obligations with respect to the Liquidation Trust except as specifically set forth in this Plan of Liquidation; provided, however, that NOMC will make reasonable efforts to cooperate with the Liquidation Trustee in achieving and effectuating the intent and purpose of the Liquidation Trust.

#### **6.4 Distributions**

On each Distribution date, each holder of an Allowed Claim that is entitled to a Distribution pursuant to this Plan of Liquidation will receive a Distribution on account of such Claim in an amount equal to (A) the amount of Cash that such holder would have been entitled to receive as if the Claim had become an Allowed Claim on the applicable Distribution Date (after giving effect to the allowance or disallowance of Claims through that date); minus the aggregate amount of Cash previously distributed on account of the Claim. Notwithstanding the foregoing, the Liquidation Trustee shall not be required to make a Distribution on a Distribution Date if the Liquidation Trustee determines, in its sole discretion, that making such Distribution would not be cost-efficient. Any Distribution to a holder of a Claim that has not been made shall be retained for distribution on the next Distribution Date for which such distribution is cost-efficient or such time as all Claims have been allowed or disallowed. Notwithstanding the previous provision of this paragraph, the Liquidation Trustee must distribute at least annually to the Beneficiaries the net income of the Liquidation Trust plus all net proceeds from the liquidation or sale of Liquidation Trust Assets, except that the Liquidation Trustee may retain an amount of the net proceeds and/or net income necessary to maintain the value of the Liquidation Trust Assets, to meet claims and contingent liabilities and pay expenses.

#### **6.5 Responsibilities of Liquidation Trustee**

The Liquidation Trustee will be in control of and authorized and empowered to carry out the terms and conditions of this Plan of Liquidation and the Liquidation Trust Agreement and will have those responsibilities created by this Plan of Liquidation and the Liquidation Trust Agreement upon the terms and conditions summarized herein and in the Liquidation Trust Agreement, and will, for the benefit of all beneficiaries of the Liquidation Trust, exercise the rights and powers vested in him by this Plan of Liquidation and the Liquidation Trust in the same manner, and use the same degree of care and skill in their exercise as a prudent person would exercise and use under the circumstances in the conduct of his own affairs, and further agrees to receive and disburse all of the Liquidation Trust's Assets in accordance with the terms thereof and this Plan of Liquidation. More specifically, the Liquidation Trustee shall have the right, power, authority, standing and approval and shall be empowered to:

- (a) perform all of the obligations and agreements of this Plan of Liquidation and the Liquidation Trust provided for herein;

The reasonable fees and expenses of all professionals retained by the Liquidation Trustee shall be paid without any need for Court approval from the Liquidation Trust Proceeds of the Liquidation Trust obtained from the formation of the Liquidation Trust or the liquidation and/or prosecution of the Causes of Action and Estate Litigation. Professionals of the Liquidation Trustee may reserve in their client trust accounts amounts sufficient to pay such fees and expenses from the Liquidation Trust Proceeds;

## **6.6 Claims Against the Liquidation Trusts**

All persons having any claim against the Liquidation Trustee or his Professionals in connection with his performance of his rights, powers and duties as such shall only look to the Liquidation Trust and the Liquidation Trust Assets for payment or satisfaction thereof.

## **6.7 Reliance on Others**

The Liquidation Trustee may rely upon and shall be protected in acting or refraining from acting upon any certificates, opinions, statements, instruments or reports believed by him to be genuine and to have been signed or presented by the proper person or persons, provided, however, that the Liquidation Trustee shall be under a duty to have examined the same to determine whether or not such writings conform to the requirements of this Plan of Liquidation.

## **6.8 Liability for Errors and Omissions**

The Liquidation Trust, Liquidation Trustee, and all Professionals and agents of same, shall not be liable for any error of business judgment or with respect to any action taken or omitted to be taken by

him, unless it shall be proved that they or their agents shall have been grossly negligent or shall have acted with willful misconduct in ascertaining the pertinent facts or in performing any of their rights, powers or duties according to this Plan of Liquidation and the Liquidation Trust. Except as necessary to cause consistent valuation of the Liquidation Trust Assets by the Liquidation Trustee and the Beneficiaries, the Liquidation Trustee shall not make any representations as to: (i) the value or condition of the Assets of the Plan Debtors or any part thereof, (ii) the dollar amount, if any, which may be collected as a result of pursuing Causes of Action or Estate Litigation (iii) the amount at which Liabilities may be settled, (iv) the amount of any Distributions to be made in accordance with this Plan of Liquidation from the Liquidation Trust Assets and (v) the security afforded by this Plan of Liquidation, or as to the validity, execution (except its own execution), enforceability, legality or sufficiency of this Plan of Liquidation, and the Liquidation Trustee, and all Professionals shall incur no liability or responsibility regarding such matters.

## **6.9 Indemnification**

The Liquidation Trustee and his Professionals and agents shall be indemnified by and receive reimbursement from the Liquidation Trust Assets (whether or not distributed to the Beneficiaries) against and from any and all loss, liability, cost, damage or expense which it may incur or sustain in the exercise and performance of any of its powers and duties pursuant to this Plan of Liquidation and the Liquidation Trusts unless such loss, liability, cost, damage or expense shall be incurred or sustained as a result of the gross negligence or willful misconduct of the Liquidation Trustee, Trust Advisory Board, or their Professionals and agents. All claims of the Liquidation Trustee, Trust Advisory Board, their Professionals or agents for indemnification or reimbursement under this Article 6 shall be offset only against any portion of the Assets of the Debtor including, but not limited to, the Liquidation Trust Proceeds or, at Liquidation Trustee's discretion, against any payment or distribution made or to be made in accordance with Articles 5 and 8 of this Plan of Liquidation; provided, however, that payment of all outstanding chapter 11 pre-confirmation Allowed Administrative Claims are paid in full.

## **6.10 Tax Treatment of the Liquidation Trust**

The Liquidation Trustee may pay taxes from the Liquidation Trust Assets as appropriate. In addition, the Liquidation Trust shall require consistent valuation of the property contributed to the Liquidation Trust by the Liquidation Trustee and the Beneficiaries for all federal income tax purposes. The Liquidation Trust is intended to be treated for federal income tax purposes as a liquidating trust for the benefit of creditors or claimants within the meaning of Treasury Regulations section 301.7701-4(d) and in accordance with IRS Revenue Procedure 94-45, and, as a grantor trust under Section 677 of the Internal Revenue Code of 1986, as amended. Accordingly, the Liquidation Trust Assets shall be treated for all purposes of the Internal Revenue Code as (i) a transfer of such distribution to such creditors who are the Beneficiaries of the Liquidation Trust; and (ii) a transfer to the Liquidation Trust by the Beneficiaries, who will be treated as the grantors and deemed owners of the Liquidation Trust Assets. The Liquidation Trustee shall be responsible for filing all federal, state, and local tax returns for the Liquidation Trust as a grantor trust pursuant to applicable Treasury Regulations, including Treasury Regulation Section 1.671-4(a), and any income of the Liquidation Trust will be treated as subject to tax on a current basis. Subject to the receipt of any definitive guidance of the IRS or the Bankruptcy Court, the Disputed Reserve is intended to qualify and be treated as a disputed ownership fund pursuant to Treasury Regulation Section 1.468B-9 and the Liquidation Trustee will make an election to treat such Disputed Reserve as a disputed ownership fund. As such, Disputed Reserve shall report and pay any taxes on its income, the Liquidation Trustee shall act as the "administrator" of the Disputed Reserve that constitutes the disputed ownership fund, and the Disputed Reserve shall be subject to the continuing jurisdiction of the Bankruptcy Court. No money or other property shall be distributed to any Person

holding a disputed claim except to the extent that such disputed claim becomes an Allowed Claim pursuant to the Plan.

#### **6.11 Reports to be Filed by the Liquidation Trusts**

The Liquidation Trusts may, but is not required to, file with the Court semi-annual reports regarding the liquidation or other administration of property comprising the Liquidation Trust Assets of the Liquidation Trust, the distributions made by it, and other matters required to be included in such report in accordance with each Liquidation Trust Agreement.

#### **6.12 Investment Authority**

The Liquidation Trustee shall have investment powers that are limited to those powers reasonably necessary to maintain the value of the Liquidation Trusts' assets and to further the liquidating purpose of the trust as further described in IRS Revenue Procedure 94-45. The Liquidation Trustee may only invest in demand and time deposits, such as short-term certificates of deposit, in banks or other savings institutions, or other temporary, liquid investments, such as Treasury Bills as specified in Revenue Procedure 94-45. Income earned on investments shall be deemed a part of the respective Liquidation Trust Assets. Notwithstanding the foregoing, the Liquidation Trustee may not retain cash or cash equivalents in excess of reasonable amounts needed to meet Claims and contingent liabilities, cover ordinary costs, expenses, and obligations of the Liquidation Trust, and to maintain the value of the Liquidation Trust Assets.

#### **6.13 Exemption from Certain Transfer Taxes**

Pursuant to Section 1146(a) of the Bankruptcy Code, any transfers from NOMC or the Liquidation Trust to any Entity pursuant to the Plan of Liquidation in the United States shall not be taxed under any law imposing a stamp tax or other similar tax. Such exemption specifically applies, without limitation, to all documents necessary to evidence and implement distributions under the Plan of Liquidation.

#### **6.14 Termination**

Termination of the Liquidation Trust shall occur no later than five (5) years after the Effective Date, unless the Bankruptcy Court shall approve an extension within six months of the beginning of the extension period based upon a finding that such an extension is necessary for the Liquidation Trust to complete its purpose.

#### **6.15 Privileges**

To the full extent permitted by law, the Plan Debtors shall irrevocably transfer to the Liquidation Trustee, as their legal successor, all rights of the Plan Debtors and their Estates to exercise or waive any privilege, including the attorney-client privilege, accountant-client privilege, work-product privilege or other privilege or immunity attaching to any document or communication (whether written or oral) (collectively, the "Privileges"), and NOMC and the Liquidation Trustee are authorized to take all necessary actions to effectuate the transfer of the Privileges. All such Privileges also shall vest in the respective Liquidation Trusts and its representatives, to the full extent permitted under law. This transfer is self-executing as of the Effective Date, provided however, that the Liquidation Trustee and NOMC are authorized and directed to take any and all necessary actions to effectuate the transfer of such Privileges. After the Effective Date, the Liquidation Trustee shall have the power and authority to assert or waive the Privileges.

## **ARTICLE 7**

### **MEANS FOR EXECUTION OF THE PLAN OF LIQUIDATION**

#### **7.1 Liquidation of the Plan Debtors**

The Debtors shall be deemed to have been liquidated as of the Effective Date.

On the Effective Date, Physician Services will assign and transfer to NOMC, and NOMC will in turn assign, transfer, and distribute to the Liquidation Trust all of the books and records including, without limitation, computer generated or computer maintained books and records and computer data, as well as electronically generated or maintained books and records or data, along with books and records of the Plan Debtors maintained by or in the possession of third parties, wherever located. The Liquidation Trustee shall not be obligated to maintain any such books and records and may abandon such documents and data described herein without any liability or the need for notice or Court approval; provided, however, that NOMC has arranged for the retention of documents necessary to be retained under relevant health law, and the Liquidation Trustee shall not abandon or destroy such records except in accordance with the law. The soon to be filed motion to dismiss the chapter 11 case of NOMC Services will provide for its records to be assigned and transferred to the Liquidation Trust as well.

The Plan Debtors will request that the Court hold in the Confirmation Order that the Physician Services case will be deemed closed on the Effective Date. Following completion of the purposes for which the Liquidation Trust is created, the Liquidation Trustee shall be authorized to request that the Court issue a final decree closing the NOMC case.

#### **7.2 Release of Released Avoidance Actions**

On the Effective Date, the Plan Debtors shall release any and all Released Avoidance Actions and the Plan Debtors and any of their successors or assigns and any entity acting on behalf of the Debtors shall be deemed to have waived the right to pursue any and all Released Avoidance Actions; provided, however, that the right to use Released Avoidance Actions defensively, including in defense of a Claim, shall be retained and transferred to the Liquidation Trust as a Liquidation Trust Asset.

## **ARTICLE 8**

### **DISTRIBUTIONS UNDER THE PLAN OF LIQUIDATION**

#### **8.1 Distribution Date**

Subject to the provisions of this Plan, the Distribution Date shall be a date selected by the Liquidation Trustee as the time reasonably subsequent to completion and final liquidation of the Liquidation Trust Assets. At such time, the Liquidation Trustee shall distribute, consistent with the terms of the Plan, the Liquidation Trust Assets to holders of Allowed Claims as provided herein.

#### **8.2 Disputed Reserves**

##### **8.2.1 Establishment of Disputed Reserve**

Notwithstanding the provisions of Article 8.1, if in the exercise of his business judgment, the Liquidation Trustee believes that complete and final resolution of certain Disputed Claims,

Causes of Action or Estate Litigation will take an unreasonably long period of time, and if economically feasible, the Liquidation Trustee may elect to establish a separate account as a Disputed Reserve for the unresolved Disputed Claims, which Disputed Reserve and the related account shall be administered by the Liquidation Trustee. Following establishment and funding of the Disputed Reserve, the Liquidation Trustee may then declare the Distribution Date and make distributions consistent with the terms of this Plan of Liquidation and the Liquidation Trust. Upon complete and final resolution of the Disputed Claims, the Liquidation Trustee shall make a subsequent Distribution from the Disputed Reserve consistent with any resolution and the terms of this Plan of Liquidation and the Liquidation Trust.

### **8.2.2 Termination of Disputed Reserve**

The Disputed Reserve account shall be closed and extinguished upon final resolution of all Disputed Claims and when all Distributions and other dispositions of Cash or other property required to be made hereunder will have been made in accordance with the terms of the Plan of Liquidation and the Liquidation Trust.

### **8.3 Record Date for Distributions**

The Liquidation Trustee shall have no obligation to recognize any Claim occurring or arising after the Record Date. In making any Distribution with respect to any Claim, the Liquidation Trustee shall be entitled to recognize and deal with, for all purposes hereunder, only the Entity that is listed on the Proof of Claim Filed with respect thereto or on the Plan Debtors' Schedules as the holder of the Claim as of the close of business on the Record Date and upon such other evidence or record of transfer or assignment that are known to Liquidation Trustee as of the Record Date.

### **8.4 Delivery of Distributions**

#### **8.4.1 General Provisions; Unclaimed Property**

Subject to Bankruptcy Rule 9010 and except as otherwise provided herein, Distributions to the Beneficiaries shall be made by the Liquidation Trustee at (i) the address of each Beneficiary as set forth in the Plan Debtors' Schedules, unless superseded by the address set forth on Proofs of Claim filed by such Beneficiary or (ii) the last known address of such Beneficiary if no Proof of Claim is Filed or if the Liquidation Trustee has been notified in writing of a change of address. If any Beneficiary's Distribution is returned as Unclaimed Property, no further Distributions to such Beneficiary shall be made unless and until the Liquidation Trustee is notified of such Beneficiary's then current address, at which time all missed Distributions shall be made to such Beneficiary without interest.

Amounts in respect of Unclaimed Property distributed by the Liquidation Trustee shall be returned to the Liquidation Trust until such Unclaimed Property is claimed. All claims for Unclaimed Property must be made on or before four (4) months from the date of Distribution, after which date the Unclaimed Property shall be deemed unclaimed property under Section 347(b) of the Bankruptcy Code and shall revert to the Liquidation Trust free of any restrictions thereon, and the Claims of any Beneficiary, or successor to such Beneficiary, shall be discharged and forever barred, notwithstanding any federal or state escheat laws to the contrary.

In the event of a timely claim for Unclaimed Property, the Liquidation Trustee shall deliver the Unclaimed Property to the Beneficiary pursuant to this Plan of Liquidation. Nothing contained in this Plan of Liquidation or the Liquidation Trust shall require the Plan Debtors, the Liquidation

Trust, the Liquidation Trustee, or their respective Professionals, to attempt to locate any Beneficiary.

#### **8.4.2 Unfeasible/Uneconomical Distribution**

While all Distributions shall be made in accordance with the provisions of this Plan of Liquidation, in no event shall the Liquidation Trustee be obligated to make a Distribution if, in the sole discretion of the Liquidation Trustee, there are insufficient Liquidation Trust Assets to make a cost-efficient Distribution, taking into account the size of the Distribution to be made and the number of Beneficiaries of such Distribution, in which event such funds shall, in the discretion of the Liquidation Trustee, be donated to charity.

#### **8.5 No Distributions Pending Allowance**

Notwithstanding any other provision hereof, unless ordered otherwise by a Final Order, if any portion of a Claim is a Disputed Claim, no payment or Distribution provided hereunder shall be made on account of the Allowed portion of the Claim unless and until the Disputed portion of the Claim is Allowed.

#### **8.6 Distributions to Holders of Disputed Claims**

Upon resolution of a disputed Claim, the Liquidation Trustee shall remove the portion of cash distributable to such claim from the Disputed Reserve and shall add such cash to the balance of Liquidation Trust Assets to be distributed to the claimant on the next Distribution Date, subject to the terms of the Liquidation Trust Agreement. In the event the resolution of the Disputed Claim results in an amount that exceeds the claimant's share of the Disputed Reserve, the holder of a Disputed Claim shall have no recourse, causes of action, or Claims against the Estate, the Liquidation Trust, the Liquidation Trustee, or any Professional retained by the Estate, the Liquidation Trust, or the Liquidation Trustee, for collection or payment of any deficiency.

### **ARTICLE 9**

#### **OBJECTIONS TO CLAIMS AND AMENDMENT OF SCHEDULES**

##### **9.1 Claims Objection Bar Date**

- (a) All objections to Claims must be Filed and served on the holders of such Claims, and any amendment to the Schedules to reduce the scheduled Claim of such holder must be made by NOMC or the Liquidation Trustee, as applicable, by the applicable Claims Objection Bar Date.
- (b) If an objection has not been Filed to a Claim or an amendment has not been made to the Schedules with respect to a scheduled Claim by the applicable Claims Objection Bar Date, the particular Claim will be treated as an Allowed Claim if such Claim has not been allowed earlier.

##### **9.2 Amendment of Schedules (including Employee Claims)**

The Plan Debtors or, after the Effective Date, the Liquidation Trust shall have the authority to amend the Schedules with respect to any Claim and to make distributions based on such amended Schedules without approval of the Bankruptcy Court. If any amendment to the Schedules reduces the

amount of a Claim or changes the nature or priority of a Claim, the Plan Debtors or the Liquidation Trust, as applicable, will provide the holder of such Claim with notice of such amendment and such parties will have 28 days to file an objection to such amendment with the Bankruptcy Court. If no such objection is filed, the Liquidation Trustee may proceed with distributions based on such amended Schedules without approval of the Bankruptcy Court.

NOMC has identified certain filed Proofs of Claim that were filed as Administrative Expense Claims and which relate to unpaid employee wages and/or benefits. During the course of its Case, NOMC paid to the holders of these Claims the Allowed portion of such Claims that was appropriately entitled to treatment as an Administrative Expense. Pursuant to orders of the Court, the remaining balances of these Claims are to be classified as General Unsecured Claims. With respect to claims asserted by NOMC's unionized employees, these Claims have been resolved in full through a settlement reached between NOMC and representatives of the various unions in late 2008 in connection with NOMC's rejection of the various Collective Bargaining Agreements. Again, any Claims filed by unionized employees will be recalculated to reflect the portion of such Claim already paid during the course of these proceedings and the balance shall be Allowed as General Unsecured Claims. Entry of the Confirmation Order will constitute an amendment to the Schedules and reclassification of the aforementioned Claims as General Unsecured Claims.

A list of affected Claims, including the amount asserted in the Proof of Claim Filed with the Court is attached hereto as Schedule 9.2A. Each Claim set forth on Schedule 9.2A shall be disallowed. Attached as Schedule 9.2B is a list of the reclassified and adjusted employee Claims that were partially paid in the manner described above during the course of these proceedings. These Claims will be Allowed as General Unsecured Claims.

Entry of the Confirmation Order will constitute an amendment to the Schedules and order of the Court disallowing the Claims set forth on Schedule 9.2A and reclassifying of the Claims listed on Schedule 9.2B as General Unsecured Claims.

### **9.3 Objections to Claims**

The Debtors have identified numerous claims they assert have been improperly filed in amount or priority or for which the Debtors have no liability. By this Plan the Debtors object to these claims and seek the recharacterization, reduction or denial of these claims as set forth herein. Included among these Claims are (i) various Claims filed by taxing authorities that impermissibly include interest, late fees and/or other penalties; and (ii) various alleged Administrative Claims related to outstanding bonds issued by NOMC, which Claims were fully resolved through the Court-approved settlement and arbitration agreements<sup>2</sup> between the Debtor, malpractice claimants, City of Pontiac and PHFA; (iii) various Claims filed by the State of Michigan, Unemployment Insurance Agency that the Debtor believes are overstated and/or impermissibly include interest, late fees and/or other penalties; and (iv) various Secured and Administrative Expense Claims filed by the U.S. Department of Health and Human Services ("CMS")(any liability owed by NOMC to CMS was assumed by OPMC (n/k/a DHOM) in connection with its acquisition of NOMC's assets).

A complete list of affected Claims, subdivided by Debtor, and the reclassification and adjusted value of each claim is set forth on group Schedule 9.3A. Entry of the Confirmation Order will constitute disallowance, or, as applicable, a reduction in amount and/or priority classification as set forth on Schedule 9.3A

---

<sup>2</sup> Copies of the referenced agreements are available upon request to the Debtor's counsel.

Schedule 9.3B sets forth a list of liabilities reflected on the Debtor's Schedules, as filed in this case, that the Debtor has since reconciled and determined that the scheduled amount was incorrect and for which no proof of claim was filed. The adjusted value of each of these liabilities is set forth on Schedule 9.3B. Entry of the Confirmation Order will constitute an amendment to the Schedules and order of the Court disallowing or reducing in amount and/or priority classification Claims as set forth on Schedule 9.3B.

#### **9.4 Litigation Claims.**

These Claims represent General Unsecured Claims in the nature of alleged medical malpractice and/or professional negligence by the Debtor and/or its agents and physicians relative to prepetition patient treatment. General liability Claims are also included in this category. The subject patients received treatment at Pontiac General Hospital and/or a related treatment center. Through resolution of litigation brought against NOMC concerning its entitlement to assets in a certain medical malpractice trust, a pool of funds was set aside for the benefit of, among others, those parties who had asserted medical malpractice and/or professional negligence claims against NOMC. These Claims have administered and, paid in accordance with the Court-approved settlement and arbitration agreements<sup>3</sup> between NOMC, malpractice claimants, the City of Pontiac and PHFA. NOMC seeks the disallowance of any Proofs of Claim pending against any of the Debtors' estates for medical malpractice and/or professional negligence. These Claims must be exclusively administered under the terms of the settlement and arbitration agreements and all such Claims should be deemed as withdrawn as to the debtors. Many of these Claims were improperly filed as priority Claims instead of as General Unsecured Claims. Notwithstanding, each of these Claims should be disallowed. Attached as Schedule 9.4 is a list of the Claims to be disallowed.

Entry of the Confirmation Order will constitute a disallowance of each Claim listed on Schedule 9.4.

#### **9.5 Unpaid Workers' Compensation Claims.**

Any Claims asserted against the estate for unpaid workers' compensation benefits should be asserted against the State of Michigan, rather than a Debtor. During the course of these proceedings the State of Michigan assumed responsibility for administration of workers' compensation claims for the Debtors' employees and swept a \$1 million letter of credit maintained by NOMC for the insurance of payment of such Claims. As these Claims should be asserted against the State of Michigan, these Claims for workers' compensation benefits should be disallowed in full as to the Debtors. Many of these Claims were improperly filed as priority Claims instead of as General Unsecured Claims. Notwithstanding, each of these Claims should be disallowed. Attached as Schedule 9.5 is a list of the Claims to be disallowed

Entry of the Confirmation Order will constitute a disallowance of each Claim listed on Schedule 9.5.

#### **9.6 Claims filed by the National Labor Relations Board ("NLRB").**

The NLRB filed various Administrative Expense Claims on behalf of certain of NOMC's unionized employees. These Claims have been resolved in full through a settlement reached between NOMC and representatives of the various unions in late 2008 in connection with NOMC's rejection of the various Collective Bargaining Agreements. Therefore, each of the Claims filed by the NLRB is now moot and these Claims filed by the NLRB should be disallowed in their entirety. Any Claims filed by

---

individual employees will be recalculated to reflect the portion of such Claim already paid during the course of these proceedings and shall be Allowed as General Unsecured Claims. Attached as Schedule 9.6 is a list of the Claims to be disallowed.

Entry of the Confirmation Order will constitute a disallowance of each Claim listed on Schedule 9.6.

#### **9.7 Personal Benefit Claims.**

Any Claims filed by retirees of the Debtor should be asserted against the City of Pontiac and not the Debtor. The City of Pontiac maintains and administers the pension plan for the benefit of the Debtor's retirees. As such, these Claims filed by any retirees for wages and/or benefits should be disallowed in their entirety as to the Debtors. Attached as Schedule 9.7 is a list of the Claims to be disallowed.

Entry of the Confirmation Order will constitute a disallowance of each Claim listed on Schedule 9.7.

#### **9.8 De Minimis Claims**

Notwithstanding anything herein, the Liquidation Trustee shall not be required to make any distributions of cash less than \$10, and each such Claim to which this limitation applies shall be deemed disallowed and its holder forever barred from asserting that Claim against the Plan Debtors or their estates.

### **ARTICLE 10**

#### **EXECUTORY CONTRACTS AND UNEXPIRED LEASES**

##### **10.1 Approval of Rejection**

Entry of the Confirmation Order shall constitute the approval, pursuant to Section 365(a) of the Bankruptcy Code, of the rejection of all executory contracts and unexpired leases that have not already been assumed and assigned or rejected by any Plan Debtor, or that are the subject of a pending motion to assume or reject as of the date the Confirmation Order is entered.

##### **10.2 Rejection Claims**

If the rejection of an executory contract or unexpired lease pursuant to the Plan of Liquidation and the Confirmation Order results in damages to the non-Debtor party to such contract or lease, any claim for such damages, if not heretofore evidenced by a timely Filed Proof of Claim, shall be forever barred and shall not be enforceable against the Plan Debtors, the Estate, the Liquidation Trust, the Liquidation Trustee, or their properties, successors, and assigns, unless a Proof of Claim is Filed and served upon the Liquidation Trustee and his counsel, on or before thirty (30) days after the entry of the Confirmation Order.

## ARTICLE 11

(b) **Releases by Holders of Claims and Interest.** As of the Effective Date, each holder of a Claim that votes in favor of this Plan of Liquidation shall, in consideration for the obligations of the Plan Debtors under this Plan and the distributions to be delivered under this Plan, forever release, waive, and discharge the Released Parties from any and all claims, obligations, suits, judgments, damages, demands, debts, rights, causes of action, and liabilities whatsoever, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen, or unforeseen, the existing or thereafter arising, in law, equity, or otherwise, that such Claim holder would have been legally entitled to assert in its own right against such Released Parties (whether individually or collectively) based on or relating to, or in any manner arising from, in whole or in part, any act, omission, transaction, event, or other occurrence taking place on or prior to the Effective Date in any way relating to the Debtors, the Estates, the Cases, this Plan, or the Disclosure Statement, the restructuring of Claims and interest in the Cases, the negotiation, formulation, or preparation of the Plan and Disclosure Statement, or related agreements, instruments, or other documents, or any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date, other than any Claims or liabilities arising out of or relating to any act or omission of a Release Party that is judicially determined to constitute willful misconduct (including fraud) or gross negligence.

(c) **Injunction Related to Releases.** The Confirmation Order will permanently enjoin the commencement or prosecution by any entity, whether directly, derivatively or otherwise, of any claims, obligations, suits, judgments, damages, demands, debts, rights, causes of action, or liabilities released pursuant to this Plan, including but not limited to the claims, obligations, suits, judgments, damages, demands, debts, rights, causes of action, or liabilities released in this Section 11.2.

(d) **Special Provisions Regarding Releases.** Notwithstanding anything in Section 11.2 to the contrary, any person or entity may assert any claim released or purported to be released in Section 11.2 as a defense or counterclaim (but no affirmative recovery may be obtained) to any suit or action that (i) is commenced by a person or entity that grants or that was purported to be deemed to have granted a release under Section 11.2 of this Plan and (ii) asserts a claim or cause of action released or purported to be released under Section 11.2 of this Plan.

### **11.3 Exculpation and Limitation of Liability**

None of the Released Parties shall have or incur any liability to, or be subject to any right of action by, any holder of a Claim or an Interest, or any other party in interest, or any of their respective agents, employees, representatives, financial advisors, attorneys, or agents acting in such capacity, or affiliates, or any of their successors or assigns, for any act or omission in connection with, relating to, or arising out of, the commencement or any other aspect of the Cases, formulating, negotiating, or implementing this Plan, the solicitation of acceptances of this Plan, the pursuit of confirmation of this Plan or the property to be distributed under this Plan, except for their gross negligence or willful misconduct, and in all respects shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities under this Plan.

### **11.4 Injunction**

(a) Except as otherwise provided in this Plan, the Confirmation Order shall provide, among other things, that from and after the Confirmation Date all Persons who have held, hold, or may hold Claims against or Interests in the Plan Debtors that are treated or terminated under this Plan are permanently enjoined from taking any of the following actions against the Debtors, their Estates, any of their property, or any of the Released Parties, on account of any such Claims or Interests: (A) commencing or continuing, in any manner or in any place, any action or other proceeding; (B) enforcing, attaching, collecting, or recovering in any manner any judgment, award, decree or order; (C) creating, perfecting, or enforcing any lien or encumbrance; (D) asserting a setoff, right of subrogation, or recoupment of any kind against any debt, liability or obligation due to the Debtors; and (E) commencing or continuing, in any manner or in any place, action that does not comply with or is inconsistent with the provisions of this Plan; provided, however, that nothing contained herein shall preclude such persons from exercising their rights pursuant to and consistent with the terms of this Plan.

(b) By accepting distributions pursuant to this Plan, each Holder of an Allowed Claim will be deemed to have specifically consented to the injunctions set forth in this Section 11.4.

## **ARTICLE 12**

### **RETENTION OF JURISDICTION**

#### **12.1 Retention of Jurisdiction**

Notwithstanding entry of the Confirmation Order and the occurrence of the Effective Date, the Court shall retain exclusive jurisdiction of all matters arising out of or relating to the Case, the Plan of

Liquidation, the Liquidation Trust, the Confirmation Order, and the Estate pursuant to, and for the purposes of, Sections 105(a) and 1142 of the Bankruptcy Code and for, among other things, the following purposes:

- (f) To hear and determine any and all applications for the allowance of compensation of Professionals for professional services rendered and expenses incurred prior to the Confirmation Date;
- (g) To enter such orders as may be necessary or appropriate to implement or consummate the provisions of the Plan of Liquidation and the Liquidation Trust, and all contracts, instruments, releases and other agreements or documents created in connection with the Plan of Liquidation and Liquidation Trust;

The Plan Debtors, and the Liquidation Trustee and all other necessary or appropriate parties shall execute any and all documents and instruments that must be executed under or in connection with this Plan of Liquidation or Liquidation Trust in order to implement the terms of this Plan of Liquidation or to effectuate the Distributions under the Liquidation Trust, provided that such documents and instruments are reasonably acceptable to such party or parties.

**13.4 Relationship Between the Plan of Liquidation and Disclosure Statement**

To the extent that this Plan of Liquidation is inconsistent with the Disclosure Statement, the provisions of this Plan of Liquidation shall control.

**13.5 Reservation of Rights**

If the Plan of Liquidation is not confirmed by a Final Order, or if the Plan of Liquidation is confirmed and does not become effective, the rights of all parties in interest in the Case, including the Plan Debtors, are and will be reserved in full. Any concessions or settlements reflected herein (if any), are made for purposes of the Plan of Liquidation only, and if the Plan of Liquidation does not become effective, no party in interest shall be bound or deemed prejudiced by any such concession or settlement.

### **13.6 Post Confirmation Date Fees and Expenses**

After the Confirmation Date, the Liquidation Trustee shall, in the ordinary course of business and without the necessity for any approval by the Court, pay (in accordance with the provisions set forth in Article 7, herein) the reasonable fees and expenses incurred by him and any Professional retained by the Liquidation Trust, or the Committee from the Liquidation Trust Assets in connection with services performed for the administration of the Estate, implementation and consummation of the Plan of Liquidation and Liquidation Trust, the liquidation of the Liquidation Trust Assets, Causes of Action, Estate Litigation, the Claims objection/reconciliation process and any other matters as to which the Liquidation Trustee, the Committee and retained Professionals may be engaged. The fees and expenses of Professionals shall be paid within ten (10) days after submission of a detailed invoice therefore submitted to the Liquidation Trustee subject to the availability of Liquidation Trust Assets, less reserves established by the Liquidation Trustee, in its sole discretion for its on-going administration of the Liquidation Trust. If the Liquidation Trustee disputes the reasonableness of any such invoice and the parties cannot amicably resolve the dispute, the Liquidation Trustee shall timely pay (subject to the limitations described in this section 12.6) the undisputed portion of such invoice, or the Professional may pay to its general bank account from the amounts placed in escrow, and submit the dispute regarding the balance of such invoice to the Court for a determination of its reasonableness.

### **13.7 Binding Effect**

The rights, benefits, and obligations of any person or Entity named or referred to in the Plan of Liquidation or the Liquidation Trust, or whose actions may be required to effectuate the terms of the Plan of Liquidation or the Liquidation Trust, shall be binding on, and shall inure to the benefit of, any heir, executor, administrator, successor, or assign of such person or Entity, including but not limited to, any trustee appointed for the Debtor under chapter 7 or 11 of the Bankruptcy Code. The Confirmation Order shall provide that the terms and provisions of the Plan of Liquidation, Liquidation Trust and the Confirmation Order shall survive and remain effective after entry of any order which may be entered converting any of the Cases to a case under chapter 7 of the Bankruptcy Code, and the terms and provisions of the Plan of Liquidation and Liquidation Trust shall continue to be effective in this or any superseding case under the Bankruptcy Code.

### **13.8 Dissolution of Committee**

On the Effective Date, the Committee shall dissolve and its members shall be released and discharged from all duties and obligations arising from or related to the Case. However, the former Committee members shall retain standing to seek to remove the Liquidation Trustee if they do not believe he is acting in the best interest of Trust Beneficiaries. The Professionals retained by the Committee and the members of the Committee shall not be entitled to compensation or reimbursement of expenses for any services rendered after the Effective Date, except as may be necessary to File final requests for payment, and respond to any inquiries or objections and attend hearings on final fee applications.

## BACKGROUND OF THE DEBTORS

### **A. Description and History of Debtors.**

The Debtors commenced this bankruptcy proceeding on August 26, 2008. The bankruptcy was filed in order to facilitate the sale of the assets of NOMC so that the hospital could continue to serve the citizens of Pontiac, Michigan, which has been accomplished.

NOMC was a full-service, non-profit community hospital founded in 1910 and located in Pontiac, Michigan. At its peak, NOMC employed over 1,000 people and was one of the largest employers in Pontiac. NOMC Services is 100% owned by NOMC. It provided staff for physicians affiliated with NOMC. NOMC Physician Services is also owned 100% by NOMC. It provided billing and support services for physicians affiliated with NOMC. The debtors operated on land owned by the City of Pontiac and in a building allegedly owned by the Pontiac Hospital Finance Authority ("PHFA"). The Plan of Liquidation relates to NOMC and NOMC Physician Services. NOMC Services will soon move to dismiss its case.

Prior to filing bankruptcy, NOMC's financial condition experienced a steady decline, due primarily to treating fewer patients and the fact that the hospital provided a disproportionate share of treatment to indigent patients. In 2005, John Graham and Michael DeRubeis took over as Chief Executive Officer and Chief Financial Officer, respectively, of the Debtors. Under their leadership, NOMC was able to make extensive operational and financial changes, saving NOMC millions of dollars in operating costs. Despite these productive efforts, by the spring of 2008, it became clear that positive changes could not be made quickly enough to reverse NOMC's deteriorating financial position. As a consequence, management advised NOMC's Board of Trustees that NOMC would have insufficient liquidity to operate beyond May 1, 2008.

Management was thereafter approached by a contingent of its senior staff physicians who expressed an interest in acquiring NOMC's assets so that the hospital could remain open to continue to

serve the public. NOMC worked intensively over the ensuing four months negotiating the terms of this sale and negotiating bridge financing that enabled NOMC to continue to operate pending a sale. The bankruptcy was filed with the sale agreement and financing largely in place. After the bankruptcy filing, however, the prospective purchasers had difficulty securing sufficient financing to close the transaction. With last-minute assistance from the State of Michigan and hard work by all constituencies, the sale was closed on November 8, 2008. While NOMC recognized that not all trade vendors to NOMC would become vendors to the new owners, it was hoped that a substantial number would benefit from the sale by having this ongoing relationship.

**B. Principals and Management.**

As stated above, as of the Petition Date, John Graham was CEO of NOMC and Michael DeRubeis was the CFO. Corporate governance was provided by a Board of Trustees, chaired by the Rev. Douglas Jones. Following the sale of NOMC's assets, Mr. Graham accepted a position at another hospital. Mr. DeRubeis has remained as acting CEO to assist in the wind-down of the Debtors' business affairs. Rev. Jones has remained as the sole Board member for the same purpose.

The Debtors have received bankruptcy advice from Matthew E. Wilkins and Paula A. Hall of Brooks Wilkins Sharkey & Turco, PLLC and corporate advice from James Hughes of Dickinson Wright. Financial and restructuring advice has been provided by Thomas Back of Amper, Politziner & Mattia and David McLaughlin of Alvarez & Marsal.

**EVENTS OF SIGNIFICANCE DURING THE CHAPTER 11 CASES**

**A. "First Day" Motions and Orders.**

At the outset of this case, the Debtors obtained numerous court orders that allowed them to continue their operations uninterrupted and that enabled them to resolve various claims. The Court approved procedures for the submission and resolution of certain categories of administrative priority claims against the Estates. Many of these claims were in fact resolved and paid during the case. The Debtors also requested and the Court authorized the three companion bankruptcy cases to be administered jointly, saving the Estates significant money. The Court also authorized the payment to the Debtors' employees of pre-petition wages, and other benefits. Utility service was also secured on an uninterrupted basis. The Debtors also obtained Court approvals to retain the legal and financial advisors who would represent them throughout this case.

**B. Post-Petition Financing.**

So that NOMC had sufficient capital with which to operate until such time as it could transition to new ownership, NOMC negotiated and obtained post-petition financing pursuant to a complex agreement with McLaren Health Care Corporation ("McLaren"). Pursuant to its Post-Petition Loan and Security Agreement entered into with McLaren, NOMC was able to borrow \$2,750,000, which loan was essentially forgiven as to NOMC upon the closing of the sale of its assets to Oakland Physician Medical Center ("OPMC"), now operating as Doctor's Hospital of Michigan ("DHOM"). Absent this funding NOMC would have been unable to operate to the sale closing and would have had to cease operations and begin liquidation immediately. It was only through the structured funding package negotiated by NOMC that (a) NOMC was able to sell its assets and (b) any money was made available for NOMC's creditors.

**C. Schedules of Assets and Liabilities and Statement of Financial Affairs.**

With the assistance of its financial advisors, the Debtors compiled and timely submitted their lists of all assets and liabilities and detailed statement of financial affairs prior to the bankruptcy filing.

**D. Negotiations and Court Approval of the Sale of its Assets.**

The most significant event in this case was the multi-faceted sale of NOMC's assets to OPMC, which allowed the hospital to remain open to continue to serve the citizens of Pontiac and surrounding areas.

This case was filed to position NOMC to be able to sell its assets to OPMC essentially as a going concern. NOMC's principal assets were its business operations (its goodwill, cash, receivables and contracts).

While the framework of NOMC's sale was negotiated in advance of the bankruptcy filing, the details and funding of the sale occurred after bankruptcy. Between August 26, 2008, and the closing of the sale on November 7, 2008, NOMC's officers, directors and professionals worked tirelessly to finish the transaction.

Even after the sale received Court approval, the sale was placed in jeopardy because of the purchaser's unexpected inability to obtain financing. NOMC was, in fact, forced to cease accepting new patients over one four-day period. Ultimately, due to the efforts of many parties, and funding provided by the State of Michigan, the sale was closed. This sale preserved approximately 1,000 badly needed jobs and allowed the hospital to continue to serve the community. This is an accomplishment about which all parties involved, including the Bankruptcy Court, should be proud.

**E. Official Committee of Unsecured Creditors.**

The Official Committee of Unsecured Creditors in this case (the "Committee") has been ably represented by Sean Malloy and John Polinko of the firm of McDonald Hopkins. The debtors have worked with the Committee on a consensual basis throughout this case.

**F. Rejection of Collective Bargaining Agreements.**

As a condition of its acquisition, the purchaser of NOMC's assets required that the collective bargaining agreements covering any employees to be hired by the new owners be rejected. This was accomplished during the sale process and the majority of affected union members were re-hired by the new owners of the hospital.

**G. Resolution of BSSR Investment Properties Claims.**

During the case NOMC negotiated the resolution of an administrative priority claim filed by BSSR Investment Properties, LLC.

**H. Assumption and Rejection of Executory Contracts and Leases.**

NOMC negotiated the terms of and assumed certain leases in conjunction with the sale of its assets. All other executory contracts and leases have been rejected or will be rejected as part of the Plan of Liquidation.

**I. Defense of Stay Relief Motions.**

Throughout the case NOMC defended numerous motions for relief from stay filed by plaintiffs in negligence cases against NOMC. All of these parties ultimately elected to release the debtors and to participate in the pool of assets established through the settlement of the Malpractice Trust litigation.

**J. Resolution of Claims of National Labor Relations Board.**

Through a settlement reached with NOMC's various unions, NOMC was able to resolve and satisfy certain claims of the National Labor Relations Board.

**K. City of Pontiac/PHFA Administrative Claim.**

As part of the Malpractice Trust litigation settlement, the City of Pontiac and the Pontiac Hospital Finance Authority agreed to withdraw a significant administrative priority claim against NOMC.

**L. Negotiations and Payment of Priority Wage Claims.**

At the time it filed bankruptcy, the debtors had over 1,000 employees. Many of those employees were eligible to file wage, vacation and sick leave claims as administrative priority claims. The Debtors negotiated a complex and comprehensive settlement through their employees' union representatives to resolve and pay these priority claims.

**M. Malpractice Trust Litigation.**

In February of 2009, the City of Pontiac and the PHFA filed suit against NOMC alleging that certain funds being held in a trust for the benefit of parties with negligence claims against NOMC belonged to the City of Pontiac and/or the PHFA. If NOMC were to have lost this litigation, no funds would have been available to satisfy such claims, and those claims would have had to have been estimated and would have been added to (and greatly diluted) the unsecured creditors' pool of claims. This case was aggressively litigated by the City of Pontiac. On NOMC's motion, the Court ordered that the dispute be mediated. Over several extended mediation sessions in February of 2010, all parties to this litigation were able to reach a complicated, consensual resolution and settlement of the case, which was approved by the Court. The settlement: (1) enabled NOMC to confine all of its professional negligence claims to a portion of the trust funds and not have them spill over into the unsecured creditor pool of claims; (2) allow the Debtors' estates to avoid alleged administrative liability to the PHFA; (3) provided the malpractice claimants with some funds with which their claims could be satisfied as well as a facilitation process to quantify their claims; and, (4) provided the City of Pontiac with a significant payment at a time when it especially needed it.

**N. Ongoing Work.**

The Plan Debtors are involved in ongoing efforts to review and resolve certain additional administrative priority claims filed against the Estates. The Plan Debtors are also working to confirm their Plan of Liquidation.

**CLAIMS OBJECTIONS**

The Plan provides for and constitutes an amendment to the Plan Debtors' Schedules and an omnibus objection to various claims. Entry of the Confirmation Order will constitute an Order of the Court disallowing, reducing, and/or reclassifying the Claims described on various Plan exhibits. The

Claim objections in the Plan are set forth in detail in Article 9 of the Plan. The Debtors also intend to file separate objection to the following Claims, and reserve the right to file further objections<sup>4</sup>:

**A. Claims filed by Centers of Medicare and Medicaid Services, U.S. Department of Health and Human Services (“CMS”).**

CMS has filed Secured and Administrative Expense Claims against NOMC’s estate. However, any liability owed by NOMC to CMS was assumed by OPMC (n/k/a DHOM) in connection with its acquisition of NOMC’s assets. Pursuant to Paragraph 18 of the Sale Order, OPMC agreed “to assume all responsibilities, liabilities and benefits under the Medicare Provider Agreement that NOMC had, including the repayment of any overpayment made by Medicare to NOMC.” CMS was also aware that the sale process contemplated that the assumption of these liabilities by OPMC would absolve the Debtors of any such obligations. The Plan Debtors will seek to have any Claims filed by CMS disallowed.

**B. Claims filed by the State of Michigan, Unemployment Insurance Agency (“UIA”).**

The UIA has filed Administrative Expense and General Unsecured Claims against NOMC’s estate, asserting that NOMC failed to pay certain accrued unemployment insurance Claims. The UIA Claims seek to recover for liabilities accrued both before and after NOMC ceased its business operations effective October 31, 2008, and after the closing of the sale to OPMC on November 6, 2008. The Plan Debtors categorically reject any argument by the UIA that the Debtor has liability to UIA for any amounts accrued after the November 8, 2008. The Plan Debtors will seek to have all or a part of the Claims filed by UIA disallowed.

**LIQUIDATION ANALYSIS**

Each Debtors' assets, which include, but are not limited to: Cash, Causes of Action and Estate Litigation, and all other assets of any kind will be transferred to the Liquidation Trust upon the Confirmation Date.

**A. NOMC.**

Although significant risk factors exist, as discussed herein, NOMC projects the following sources and uses of the estimated cash assets to be transferred to the Liquidation Trust:

Cash and escrow(s) net of estimate accrued liabilities:	\$1,682,000
Estimated additional professional fees and costs and post confirmation expenses:	\$100,000
Document retention:	\$40,000
QUAAP/CHAAP Administrative Claim	\$499,000
Total Estimated priority liabilities	\$639,000
Cash balance available for Unsecured Creditors	\$1,043,000

Significant Risk Factors

1. The (Michigan) Unemployment Insurance Agency ("UIA") has filed an administrative claim against NOMC in excess of \$1.0 million. The UIA asserts that NOMC is liable for unemployment insurance payments after NOMC ceased doing business. It is NOMC's position that it has little, if any liability whatsoever with respect to this claim. If this claim were to be allowed in full, there would be no cash assets available for unsecured creditors

2. The (United States) CMS has filed an administrative claim against NOMC in excess of \$1.0 million. CMS asserts that NOMC is liable for Medicare and Medicaid overpayment reimbursement. It is NOMC's position that CMS approved and acknowledged OPMC/DHOM's assumption of this liability in connection with the sale of NOMC's assets, that OPMC/DHOM is responsible for it, and that NOMC has no liability to CMS on this claim.

3. The Plan Debtors' bondholders have asserted an unliquidated administrative and unsecured claim against the estates. The Debtors estimate the maximum possible demand, if the claim was liquidated, to be \$32,839,672.40. The Plan Debtors do not believe the claim is valid, but if allowed in part as an administrative claim this claim would substantially diminish the cash available for unsecured

creditors. In addition, if allowed as an unsecured claim, this claim would substantially dilute recovery for unsecured creditors.

**B. Physician Services.**

Approximately \$8,000 will be transferred from Physician Services to NOMC and from NOMC to the Liquidation Trust. This amount represents funds currently held in a depository account and is reflected in the chart above.

It is preferable to the debtor's creditors to have the debtors' estates liquidated pursuant to this Plan of Liquidation, as the liquidation under the Plan of Liquidation would be effected by parties who are already intimately familiar with the dynamics of debtors' cases, and with the various parties in interest. Additionally, if these cases were converted to Chapter 7 liquidations, then the estate would incur chapter 7 administrative expenses that will further diminish any distribution to all creditors. Furthermore, the Plan Debtors believe the Liquidation Trustee will be better able and more efficient in its management of the liquidation and this will also avoid the statutory fee of a Chapter 7 trustee, allowing the Liquidation Trust to maximize the value of their assets available for distribution. The Plan Debtors therefore believe that acceptance of the Plan of Liquidation is in the best interests each of the Estates, as it will allow for the greatest possible recovery.

**IMPLEMENTATION OF THE PLAN OF LIQUIDATION**

Because the debtors will not be operating their businesses as a part of the implementation of the Plan of Liquidation, no historical financial information is being provided as part of this Disclosure Statement, nor are any financial projections being provided for any period. Similarly, in light of the fact that the Debtors have ceased all operations, no information is being provided with respect to who will be in charge of such business and the compensation to be received by them, including fringe benefits; provided, however, that it is contemplated that the Liquidation Trustee, and other parties, will retain legal counsel and other professionals to represent, consult and assist in the administration of the Liquidation Trust.

The Plan Debtors will not be continuing in their current business subsequent to the Confirmation Date, therefore there will be no tax ramifications for the Plan Debtors, as continuing entities. As a result of implementation of the Plan of Liquidation, certain of the Debtors' outstanding indebtedness will not be paid in full, however, the remaining indebtedness will not be cancelled or discharged. In general, the Internal Revenue Code, with certain exceptions, provides that a taxpayer who realizes a "discharge of indebtedness" must include the amount of discharged indebtedness in gross income to the extent that the indebtedness discharged exceeds any consideration given for such discharge. Because the Plan of Liquidation does not grant the Debtors a discharge pursuant to Section 1141(d)(3) of the Bankruptcy Code, this does not apply to Debtors.

**LEGAL REQUIREMENTS**

**A. Voting Procedures**

Under this Plan, parties who have asserted Claims against and Interests in any of the Plan Debtors will, as applicable, be entitled to vote to confirm this Plan as to that Debtor. For example, a creditor only asserting a claim against NOMC will only vote to confirm, nor not confirm, the Plan as it pertains to NOMC.

Under the Bankruptcy Code, the only classes that are entitled to vote to accept or reject a plan are classes of claims, or equity interests that are impaired under the plan. Accordingly, classes of claims or interests that are not impaired are not entitled to vote on the Plan of Liquidation.

Creditors that hold claims in more than one impaired class are entitled to vote separately in each class. Such a creditor will receive a separate ballot for all of its claims in each class (in accordance with the records of the Clerk of the Court) and should complete and sign each ballot separately. A creditor who asserts a claim in more than one class and who has not been provided with sufficient ballots may photocopy the ballot received and file multiple ballots.

Votes on the Plan of Liquidation will be counted only with respect to claims: (a) that are listed on the Debtor's Schedules of Assets and Liabilities other than as disputed, contingent or unliquidated; or (b) for which a proof of claim was filed on or before the bar date set by the Court for the filing of proofs of claim (except for certain claims expressly excluded from the bar date or which are allowed by Court order). However, any vote by a holder of a claim will not be counted if such claim has been disallowed or is the subject of an unresolved objection, absent an order of the Court allowing such claim for voting purposes pursuant to Section 502 of the Bankruptcy Code and Bankruptcy Rule 3018.

Voting on the Plan of Liquidation by each holder of a Claim or Interest in an impaired class is important. After carefully reviewing the Plan of Liquidation and disclosure statement, each holder of such a Claim or Interest should vote on the enclosed ballot either to accept or to reject the Plan of Liquidation, and then return the ballot by mail to the debtor's attorney by the deadline established by the Court.

Any ballot that does not appropriately indicate acceptance or rejection of the Plan of Liquidation will not be counted.

A ballot that is not received by the deadline will not be counted.

If a ballot is damaged, lost or missing, a replacement ballot may be obtained by sending a written request to the Debtor's attorney.

## **B. Acceptance**

The Bankruptcy Code defines acceptance of a plan by an impaired class of claims as acceptance by the holders of at least two-thirds in dollar amount, and more than one-half in number, of the claims of that class which actually cast ballots. The Bankruptcy Code defines acceptance of a plan by an impaired class of equity interests as acceptance by holders of at least two-thirds in number of equity interests of that class that actually cast ballots. If no creditor or interest holder in an impaired class votes, then that class has accepted the plan.

## **C. Confirmation**

Section 1129(a) of the Bankruptcy Code establishes conditions for the confirmation of a plan. These conditions are too numerous and detailed to be fully explained here. Parties are encouraged to seek independent legal counsel to answer any questions concerning the chapter 11 process.

Among several conditions for confirmation of a plan under Section 1129(a) of the Bankruptcy Code are these:

1. Each class of impaired creditors and interests must accept the plan, as described in paragraph III.B., above, or at least one impaired class must accept and the debtors must meet other requirements under the “cramdown” provisions of the Bankruptcy Code.
2. Either each holder of a claim or interest in a class must accept the plan, or the plan must provide at least as much value as would be received upon liquidation under chapter 7 of the Bankruptcy Code.

**D. Modification**

The Plan Debtors reserve the right to modify or withdraw the Plan of Liquidation at any time before confirmation with the consent of the Committee.

**E. Effect of Confirmation**

If the Plan of Liquidation is confirmed by the Court, its terms are binding on the Plan Debtors, all creditors and Interest holders, and other parties in interest, regardless of whether they have accepted the Plan of Liquidation.

In this Case, paragraph 2(b) applies with respect to the treatment of Debtor in this Combined Plan of Liquidation and Disclosure Statement.

WHEREFORE, the Plan Debtors, Pontiac General Hospital and Medical Center, Inc. d/b/a North Oakland Medical Center and NOMC Physician Services, Inc., respectfully submit this Combined Plan of Liquidation and Disclosure Statement.

## **LIQUIDATION TRUST AGREEMENT**

### **1. Formation of the Liquidation Trust**

Effective as of the Effective Date, and pursuant to the Confirmation Order in the chapter 11 case of Pontiac General Hospital and Medical Center, Inc. d/b/a North Oakland Medical Center (“NOMC”), this Liquidation Trust is established for the sole purpose of liquidating and distributing the Liquidation Trust Assets in accordance with NOMC’s plan of liquidation (the “Plan” or “Plan of Liquidation”) with no objective to continue or engage in the conduct of a trade or business. In carrying out such purpose, the Liquidation Trustee shall have the authority to: (i) administer the Liquidation Trust Assets, (ii) analyze, and if in the sole discretion of the Liquidation Trustee, prosecute and/or liquidate Causes of Action, Estate Litigation and other Estate Claims (other than Released Avoidance Actions), (iii) resolve all Disputed Claims as of the Effective Date, and (iv) make all Distributions provided for under the Plan of Liquidation in respect of Allowed Claims and all other Claims that may become Allowed Claims subsequent to the Effective Date. The Liquidation Trust is intended to qualify as a liquidating trust pursuant to United States Treasury Regulation section 301.7701-4(d). The Liquidation Trust shall be governed under the laws of the State of Michigan. Any capitalized terms used but not defined herein shall have the meanings set forth in the Plan of Liquidation. This trust shall be known as the NOMC Liquidation Trust.

### **2. The Liquidation Trustee**

The Liquidation Trustee shall be designated by the Committee, in consultation with NOMC. A party is not precluded from serving as the Liquidation Trustee merely as a consequence of having a prior relationship with any Debtor or by serving as a professional retained by any Debtor or the Committee in the Chapter 11 Case. The person so designated shall become the Liquidation Trustee on the Effective Date. The Liquidation Trustee shall have and perform all of the duties, responsibilities, rights, and obligations set forth in this Liquidation Trust Agreement. The Liquidation Trustee may be removed by the Court for cause shown or pursuant to the terms of the Liquidation Trust Agreement.

### **3. Funding of the Liquidation Trust and Beneficiaries’ Interests**

As of the Effective Date, all Liquidation Trust Assets shall automatically and irrevocably vest in the Liquidation Trust without further action on the part of NOMC, the Liquidation Trustee or the Court, and with no reversionary interest in NOMC.

The Liquidation Trust Assets shall include the following: (i) all of the Causes of Action and Estate Litigation, other than Released Avoidance Actions, provided, however, that the ability to use Released Avoidance Actions defensively is a Liquidation Trust Asset; (ii) the Liquidation Trust Proceeds; and (iii) all other tangible or intangible remaining Assets of NOMC (including assets of Physicians Services transferred to NOMC pursuant to the terms of the Plan of Liquidation).

The transfer of the Liquidation Trust Assets to the Liquidation Trust shall be made for the benefit and on behalf of all holders of Allowed Claims against NOMC entitled to receive distributions from the Liquidation Trust under the Plan of Liquidation and holders of Disputed claims that are later allowed. The interests of each Beneficiary in the Liquidation Trust shall be uncertificated and shall consist of a fraction of all distributions from the Liquidation Trust. The interests of each Beneficiary shall be unassignable and non-transferable.

Upon the transfer of the Liquidation Trust Assets to the Liquidation Trust, NOMC shall have no other or further rights or obligations with respect to the Liquidation Trust except as specifically set forth in this Plan of Liquidation; provided, however, that NOMC will make reasonable efforts to cooperate with the Liquidation Trustee in achieving and effectuating the intent and purpose of the Liquidation Trust.

#### **4. Distributions**

On each Distribution date, each holder of an Allowed Claim that is entitled to a Distribution pursuant to the Plan of Liquidation will receive a Distribution on account of such Claim in an amount equal to (A) the amount of Cash that such holder would have been entitled to receive as if the Claim had become an Allowed Claim on the applicable Distribution Date (after giving effect to the allowance or disallowance of Claims through that date); minus the aggregate amount of Cash previously distributed on account of the Claim. Notwithstanding the foregoing, the Liquidation Trustee shall not be required to make a Distribution on a Distribution Date if the Liquidation Trustee determines, in its sole discretion, that making such Distribution would not be cost-efficient. Any Distribution to a holder of a Claim that has not been made shall be retained for distribution on the next Distribution Date for which such distribution is cost-efficient or such time as all Claims have been allowed or disallowed. Notwithstanding the previous provision of this paragraph, the Liquidation Trustee must distribute at least annually to the Beneficiaries the net income of the Liquidation Trust plus all net proceeds from the liquidation or sale of Liquidation Trust Assets, except that the Liquidation Trustee may retain an amount of the net proceeds and/or net income necessary to maintain the value of the Liquidation Trust Assets, to meet claims and contingent liabilities and pay expenses.

#### **5. Responsibilities of Liquidation Trustee**

The Liquidation Trustee will be in control of and authorized and empowered to carry out the terms and conditions of the Plan of Liquidation and this Liquidation Trust Agreement and will have those responsibilities created by the Plan of Liquidation and this Liquidation Trust Agreement upon the terms and conditions summarized therein, and will exercise the rights and powers vested in him by the Plan of Liquidation and this Liquidation Trust in the same manner, and use the same degree of care and skill in their exercise as a prudent person would exercise and use under the circumstances in the conduct of his own affairs, and further agrees to receive and disburse all of the Liquidation Trust Assets in accordance with the terms thereof and the Plan of Liquidation. More specifically, the Liquidation Trustee shall have the right, power, authority, standing and approval and shall be empowered to:

- (a) perform all of the obligations and agreements of this Plan of Liquidation and this Liquidation Trust provided for herein;
- (b) keep and maintain in a trust account for the benefit of this Liquidation Trust into which proceeds resulting from the initial receipt or from the sale or other disposition of, or from the income resulting from, all or any part of the liquidation of Assets and/or the prosecution of Causes of Action or Estate Litigation;
- (c) keep and maintain a trust account for the benefit of this Liquidation Trust, including a Disputed Reserve;
- (d) commence, continue, prosecute, litigate and/or settle and compromise Causes of Action and Estate Litigation (other than Released Avoidance Actions) on behalf of this Liquidation Trust and for the benefit of the Beneficiaries thereof, or chose not to pursue such Causes of Action and Estate Litigation;

- (e) object to any Claims (disputed or otherwise), and compromise or settle any Claims prior to, during or after objection without the need for Court approval for any settlements of Claims;
- (f) make distributions in respect of Allowed Claims and all other Claims that become Allowed Claims subsequent to the Effective Date in accordance with the Plan of Liquidation;
- (g) collect, receive and give receipt for all sums of money or other property due NOMC's Estate or this Liquidation Trust, or take any other actions necessary to the collection, receipt or disposition of any Assets of NOMC;
- (h) compromise or settle disputes with respect to disputes or debt obligations owed to NOMC, the Estate or this Liquidation Trust;
- (i) execute and deliver all releases, satisfactions and termination statements as may be required in connection with full payment of any debt obligation secured by any lien or security interest;
- (j) retain and/or terminate professional persons, in its discretion, to assist in the duties and responsibilities ascribed to him under the Plan of Liquidation and this Liquidation Trust. The reasonable fees and expenses of all professionals retained by the Liquidation Trustee shall be paid without any need for Court approval from the Liquidation Trust Proceeds obtained from the formation of this Liquidation Trust or the liquidation and/or prosecution of the Causes of Action and Estate Litigation. Professionals of the Liquidation Trustee may reserve in their client trust accounts amounts sufficient to pay such fees and expenses from the Liquidation Trust Proceeds;
- (k) satisfy all reporting requirements for the Liquidation Trust, and all assets held by or on behalf of this Liquidation Trust, to the relevant reporting authority;
- (l) file with the Bankruptcy Court, as necessary, semi-annual reports regarding the liquidation or other administration of property comprising the Liquidation Trust Assets, the distributions made by it, and other matters required to be included in such report; and
- (m) except as otherwise ordered by the Court, and subject to the terms of the Plan of Liquidation, pay any fees and expenses incurred by this Liquidation Trust on or after the Effective Date in accordance with the Liquidation Trust Agreement.

## **6. Claims Against Liquidation Trust**

All persons having any claim against the Liquidation Trustee or his Professionals in connection with his performance of his rights, powers and duties as such shall only look to this Liquidation Trust and the Liquidating Trust Assets for payment or satisfaction thereof.

## **7. Reliance on Others**

The Liquidation Trustee may rely upon and shall be protected in acting or refraining from acting upon any certificates, opinions, statements, instruments or reports believed by him to be genuine and to have been signed or presented by the proper person or persons, provided, however, that the Liquidation Trustee shall be under a duty to have examined the same to determine whether or not such writings conform to the requirements of the Plan of Liquidation.

## **8. Liability for Errors and Omissions**

The Liquidation Trust, Liquidation Trustee, and all Professionals and agents of same, shall not be liable for any error of business judgment or with respect to any action taken or omitted to be taken by him, unless it shall be proved that they or their agents shall have been grossly negligent or shall have acted with willful misconduct in ascertaining the pertinent facts or in performing any of their rights, powers or duties according to the Plan of Liquidation and this Liquidation Trust. Except as necessary to cause consistent valuation of the Liquidation Trust Assets by the Liquidation Trustee and the Beneficiaries, the Liquidation Trustee shall not make any representations as to: (i) the value or condition of the Assets of the Plan Debtors or any part thereof, (ii) the dollar amount, if any, which may be collected as a result of pursuing Causes of Action or Estate Litigation (iii) the amount at which Liabilities may be settled, (iv) the amount of any Distributions to be made in accordance with the Plan of Liquidation from the Liquidation Trust Assets and (v) the security afforded by the Plan of Liquidation, or as to the validity, execution (except its own execution), enforceability, legality or sufficiency of the Plan of Liquidation, and the Liquidation Trustee, and all Professionals shall incur no liability or responsibility regarding such matters.

## **9. Indemnification**

The Liquidation Trustee and his Professionals and agents shall be indemnified by and receive reimbursement from the Liquidation Trust Assets (whether or not distributed to the Beneficiaries) against and from any and all loss, liability, cost, damage or expense which it may incur or sustain in the exercise and performance of any of its powers and duties pursuant to this Plan of Liquidation and Liquidation Trust unless such loss, liability, cost, damage or expense shall be incurred or sustained as a result of the gross negligence or willful misconduct of the Liquidation Trustee, Trust Advisory Board, or their Professionals and agents. All claims of the Liquidation Trustee, Trust Advisory Board, their Professionals or agents for indemnification or reimbursement under this Article 7 shall be offset against any portion of the Assets of the Debtor including, but not limited to, the Liquidation Trust Proceeds or, at Liquidation Trustee's discretion, against any payment or distribution made or to be made in accordance with Articles 5 and 8 of this Plan of Liquidation; provided, however, that payment of all outstanding chapter 11 pre-confirmation Allowed Administrative Claims are paid in full.

## **10. Tax Treatment of the Liquidation Trust**

The Liquidation Trustee may pay taxes from the Liquidation Trust Assets as appropriate. In addition, the Liquidation Trust shall require consistent valuation of the property contributed to this Liquidation Trust by the Liquidation Trustee and the Beneficiaries for all federal income tax purposes. The Liquidation Trust is intended to be treated for federal income tax purposes as a liquidating trust for the benefit of creditors or claimants within the meaning of Treasury Regulations section 301.7701-4(d) and in accordance with IRS Revenue Procedure 94-45, and, as a grantor trust under Section 677 of the Internal Revenue Code of 1986, as amended. Accordingly, the Liquidation Trust Assets shall be treated for all purposes of the Internal Revenue Code as (i) a transfer of such distribution to creditors who are the Beneficiaries of the Liquidation Trust; and (ii) a transfer to this Liquidation Trust by the Beneficiaries, who will be treated as the grantors and deemed owners of the Liquidation Trust Assets. The Liquidation Trustee shall be responsible for filing all federal, state, and local tax returns for the Liquidation Trust as a grantor trust pursuant to applicable Treasury Regulations, including Treasury Regulation Section 1.671-4(a), and any income of the Liquidation Trust will be treated as subject to tax on a current basis. Subject to the receipt of any definitive guidance of the IRS or the Bankruptcy Court, the Disputed Reserve is intended to qualify and be treated as a disputed ownership fund pursuant to Treasury Regulation Section 1.468B-9 and the Liquidation Trustee will make an election to treat such Disputed Reserve as a disputed ownership fund. As such, Disputed Reserve shall report and pay any taxes on its income, the Liquidation

Trustee shall act as the “administrator” of the Disputed Reserve that constitutes the disputed ownership fund, and the Disputed Reserve shall be subject to the continuing jurisdiction of the Bankruptcy Court. Currently, no money or other property shall be distributed to any Person holding a disputed claim except to the extent that such disputed claim becomes an Allowed Claim pursuant to the Plan.

#### **11. Reports to be Filed by the Creditor Trust**

The Liquidation Trust may, but is not required to, file with the Court semi-annual reports regarding the liquidation or other administration of property comprising the Liquidation Trust Assets, the distributions made by it, and other matters required to be included in such report in accordance with the Liquidation Trust Agreement.

#### **12. Investment Authority**

The Liquidation Trustee shall have investment powers that are limited to those powers reasonably necessary to maintain the value of the Liquidation Trust assets and to further the liquidating purpose of the trust as further described in IRS Revenue Procedure 94-45. The Liquidation Trustee may only invest in demand and time deposits, such as short-term certificates of deposit, in banks or other savings institutions, or other temporary, liquid investments, such as Treasury Bills as specified in Revenue Procedure 94-45. Income earned on investments shall be deemed a part of the Liquidation Trust Assets. Notwithstanding the foregoing, the Liquidation Trustee may not retain cash or cash equivalents in excess of reasonable amounts needed to meet Claims and contingent liabilities, cover ordinary costs, expenses, and obligations of the Liquidation Trust, and to maintain the value of the Liquidation Trust Assets.

#### **13. Exemption From Certain Transfer Taxes**

Pursuant to Section 1146(a) of the Bankruptcy Code, any transfers from NOMC or the Liquidation Trust to any Entity pursuant to the Plan of Liquidation in the United States shall not be taxed under any law imposing a stamp tax or other similar tax. Such exemption specifically applies, without limitation, to all documents necessary to evidence and implement distributions under the Plan of Liquidation.

#### **14. Termination**

Termination of the Liquidation Trust shall occur no later than five (5) years after the Effective Date, unless the Bankruptcy Court shall approve an extension within six months of the beginning of the extension period based upon a finding that such an extension is necessary for the Liquidation Trust to complete its purpose.

#### **15. Privileges**

To the full extent permitted by law, the Plan Debtors shall irrevocably transfer to the Liquidation Trustee, as their legal successor, all rights of the Plan Debtors and their Estates to exercise or waive any privilege, including the attorney-client privilege, accountant-client privilege, work-product privilege or other privilege or immunity attaching to any document or communication (whether written or oral) (collectively, the “Privileges”), and NOMC and the Liquidation Trustee are authorized to take all necessary actions to effectuate the transfer of the Privileges. All such Privileges also shall vest in the Liquidation Trust and its representatives, to the full extent permitted under law. This transfer is self-executing as of the Effective Date, provided however, that the Liquidation Trustee and NOMC are authorized and directed to take any and all necessary actions to effectuate the transfer of such Privileges.

After the Effective Date, the Liquidation Trustee shall have the power and authority to assert or waive the Privileges.
