**REORGANIZED DEBTORS' MOTION FOR FINAL
DECREE CLOSING THE GTAT CORPORATION
CHAPTER 11 CASE PURSUANT TO BANKRUPTCY CODE
SECTION 350(a), BANKRUPTCY RULE 3022, AND LBR 3022-1**

GT Advanced Technologies Inc. (“GT”) and its affiliated reorganized debtors (collectively, “GTAT” or the “Reorganized Debtors”) hereby submit this motion (the “Motion”) for entry of the *Final Decree Closing the GTAT Corporation Chapter 11 Case Pursuant to Bankruptcy Code Section 350(a), Bankruptcy Rule 3022, and LBR 3022-1*, a copy of which is attached hereto as Exhibit 1 (the “Final Decree”). In support of this Motion, GTAT respectfully represents as follows:

Jurisdiction and Venue

1. This Court has subject matter jurisdiction to consider the Motion pursuant to 28 U.S.C. §§ 157 and 1334. This matter is a core proceeding pursuant to 28 U.S.C. § 157(b)(2). Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409. The statutory bases for the relief requested are section 350(a) of title 11 of the United States Code

¹ The Reorganized Debtors, along with the last four digits of each reorganized debtor’s tax identification number, as applicable, are: GT Advanced Technologies Inc. (6749), GTAT Corporation (1760), and GT Advanced Technologies Limited (1721). The Reorganized Debtors’ corporate headquarters are located at 5 Wentworth Drive, Unit 1, Hudson, NH 03501.

(the “Bankruptcy Code”), Rule 3022 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and LBR 3022-1.

Background

2. On October 6, 2014 (the “Petition Date”), GTAT commenced voluntary cases under chapter 11 of the Bankruptcy Code in this Court. The cases were consolidated for procedural purposes only by order entered October 8, 2014 [Docket No. 47], and have been or are being jointly administered pursuant to Bankruptcy Rule 1015 under Case No. 14-11916 (the “Lead Case”).

3. On March 8, 2016, the Court entered an order (the “Confirmation Order”) confirming the *Debtors’ Amended Joint Plan of Reorganization Under Chapter 11 of The Bankruptcy Code, Dated March 7, 2016* (the “Plan”) [Docket No. 3310]. The Plan defines “Corp Debtors” as that group of seven debtors comprised of the chapter 11 cases of (i) GT Advanced Cz LLC (Case No. 14-11925), (ii) GT Advanced Equipment Holding LLC (Case No. 14-11929), (iii) GT Equipment Holdings, Inc. (Case No. 14- 11917), (iv) GT Sapphire Systems Group LLC (Case No. 14-11923), (v) GT Sapphire Systems Holding LLC (14-11924), (vi) Lindbergh Acquisition Corp. (Case No. 14-11922) and (vii) GTAT Corporation (Case No. 14-11919).

4. Paragraph 19 of the Confirmation Order provides that, as of the Effective Date, the Corp Debtors will be substantively consolidated, with the assets and liabilities of the Corp Debtors deemed the assets and liabilities of one entity. Pursuant to the Confirmation Order, the chapter 11 cases of the Corp Debtors were consolidated into the chapter 11 case of GTAT Corporation, Case No. 14-11919.

5. On March 17, 2016, the Plan became effective and was substantially consummated (the “Effective Date”). *See Notice of Occurrence of Effective Date of Debtors’*

Amended Joint Plan of Reorganization Under Chapter 11 of the Bankruptcy Code, Dated March 7, 2016 [Docket No. 3353].

6. On April 11, 2016, the Reorganized Debtors filed the *Reorganized Debtors' Motion for Final Decree Closing Certain Chapter 11 Cases Pursuant to Bankruptcy Code Section 350(a), Bankruptcy Rule 3022, and Local Bankruptcy Rule 3022-1 Nunc Pro Tunc to the Effective Date* [Docket No. 3397] seeking entry of a final decree closing the cases of the each of the Corp Debtors, with the exception of GTAT Corporation which would remain open (such cases, the "Fully Administered Cases"). A final decree closing the Fully Administered Cases was entered on April 26, 2016 [Docket No. 3426]. As a result of the closing of the Fully Administered Cases, three chapter 11 cases of the Debtors remained open, *i.e.*, GT Advanced Technologies Inc. (Case No. 14-11916), GTAT Corporation (Case No. 14-11919), and GT Advanced Technologies Limited (Case No. 14-11920) ("GT Hong Kong"), and continued to be jointly administered under the Lead Case.

7. Upon the closing of the Fully Administered Cases, the case of GTAT Corporation remained open such that any unresolved matter or any matter that arose with respect to any of the Fully Administered Cases would be considered in connection with the chapter 11 case of GTAT Corporation. In addition, at least one chapter 11 case remained open for each of the classes of general unsecured claims established under the Plan; specifically, GTAT Corporation remained open for Class 4C general unsecured claim against the Corp Debtors.

Remaining Tasks and Open Matters

8. With the occurrence of the Effective Date, the remaining requirements for the Reorganized Debtors under the Plan primarily concerned the prosecution of certain preference actions, the administration of claims and the making of distributions on account of claims. The

Reorganized Debtors assumed the management of the property dealt with under the Plan and have been making distributions contemplated by the Plan.

9. In accordance with Section 16.8 of the Plan, and pursuant to section 1930 of chapter 123 of title 28 of the United States Code, all fees payable as of the date hereof have been paid and will continue to be paid to the US Trustee. GTAT does not owe any fees to the Clerk of the Bankruptcy Court as of the date hereof.

10. Class 4C creditors will receive a 1.5611% recovery under the Plan. As of the date hereof, final distributions to Class 4C creditors of the Corp Debtors will have been made pursuant to the terms of the Plan; *provided, however*, that distributions have not been made to those certain Class 4C creditors from which a completed W-9 is still required, pursuant to Section 16.2 of the Plan. The Reorganized Debtors have, or in the process of requesting, W-9s from applicable creditors. Once a completed W-9 is received, the Disbursing Agent will issue distributions to such creditor.² Notwithstanding the foregoing, the Reorganized Debtors do not believe that it is necessary to keep the GTAT Corporation case open to complete these distributions.

11. Further, as of the date hereof, no appeals are pending against GTAT Corporation nor are there any open adversary proceedings involving GTAT Corporation.

Relief Requested

12. By this Motion, GTAT seeks entry of the Final Decree closing the GTAT Corporation chapter 11 case. For the avoidance of doubt, the chapter 11 cases of GT and GT Hong Kong (collectively, the "Remaining Debtors") will continue to be jointly administered under the Lead Case.

² If such creditor fails to provide a completed W-9 within one year of being requested, such distribution will be deemed an unclaimed distribution pursuant to the terms of the Plan. *See* Plan at § 16.2.

Basis for Relief Requested

13. Section 350(a) of the Bankruptcy Code provides that “[a]fter an estate is fully administered and the court has discharged the trustee, the court shall close the case.” 11 U.S.C. § 350(a). Bankruptcy Rule 3022, which implements section 350 of the Bankruptcy Code, further provides that “[a]fter an estate is fully administered in a chapter 11 reorganization case, the court, on its own motion or on motion of a party in interest, shall enter a final decree closing the case.” Fed. R. Bankr. P. 3022.

14. The term “fully administered” is not defined by either the Bankruptcy Code or the Bankruptcy Rules. The Advisory Committee Note on the 1991 amendments to Bankruptcy Rule 3022 comments, however, that “[e]ntry of a final decree closing a chapter 11 case should not be delayed solely because the payments required by the plan have not been completed.” This Advisory Note also sets forth certain factors that should be considered when evaluating whether a case has been fully administered. These factors are:

- (a) whether the order confirming the plan has become final;
- (b) whether deposits required by the plan have been transferred;
- (c) whether the property proposed by the plan to be transferred has been transferred;
- (d) whether the debtor or the successor of the debtor under the plan has assumed the business or management of the property dealt with by the plan;
- (e) whether payments under the plan have commenced; and
- (f) whether all motions, contested matters and adversary proceedings have been fully resolved.

15. Courts have generally used the six factors listed in the 1991 Advisory Note to determine whether a case has been fully administered. *See, e.g., In re Swiss Chalet, Inc.*, 485 B.R. 47, 51 (Bankr. D.P.R. 2012); *In re Commonwealth Ave. Corp.*, 213 B.R. 794, 795 (Bankr. D.

Mass. 1997); *see also In re McClelland*, 377 B.R. 446, 453 (Bankr. S.D.N.Y. 2007) (noting that the 1991 Advisory Committee Notes to Rule 3022 “list a number of factors for the Court to consider before entering a final decree”). The six factors, however, are merely guidelines that aid a court’s determination, and each of the factors need not be present before a court enters a final decree. *See, e.g., In re Swiss Chalet*, 485 B.R. at 51 (“These factors are not exhaustive nor must a party demonstrate all of them for the court to consider that a case to be fully administered.”) (internal quotation marks omitted); *see also In re Mold Makers, Inc.*, 124 B.R. 766, 768-69 (Bankr. N.D. Ill. 1990) (stating that “the Committee Note and the factors therein merely serve as a guide in assisting the Court in its decision to close a case.”).

16. In addition to the factors set forth above, courts have also considered whether a plan of reorganization has been substantially consummated to determine if a case has been fully administered. *See In re BankEast Corp.*, 132 B.R. 665, 668 n.3 (Bankr. D.N.H. 1991) (“This Court deems a chapter 11 estate to be “fully administered” pursuant to Bankruptcy Rule 3022 at the point of substantial consummation as defined by § 1101(2) of the Bankruptcy Code.”).

Section 1101(2) defines substantial consummation as follows:

- (a) transfer of all or substantially all of the property proposed by the plan to be transferred;
- (b) assumption by the debtor or by the successor to the debtor under the plan of the business or of the management of all or substantially all of the property dealt with by the plan; and
- (c) commencement of distribution under the plan.

17. Moreover, case law is clear that entry of a final closing decree is only an administrative task that does not determine substantive rights of the parties. *See Greater Jacksonville Transp. Co. v. Willis (In re Greater Jacksonville Transp. Co.)*, 169 B.R. 221, 224 (Bankr. M.D. Fla. 1994) (entry of a final decree is an administrative event which is not designed

to determine the substantive rights of parties in interest); *see also In re Gould*, 437 B.R. 34, 38 (Bankr. D. Conn. 2010) (noting that a final decree “simply delineates on the docket that the case is closed; it represents the administrative conclusion of the case for recording keeping purposes.”).

18. Here, the GTAT Corporation case has been fully administered within the meaning of section 350 of the Bankruptcy Code, making it appropriate for the Court to enter a final decree closing that case. Specifically:

- (a) The Plan has been substantially consummated and all the transactions contemplated by the Plan closed on the Effective Date;
- (b) All claim resolutions required on behalf of the Corp Debtors have been completed;
- (c) Commencement of distributions to creditors of the Corp Debtors (i.e., Class 4C) have commenced; as of the date hereof, final distributions to Class 4C creditors of the Corp Debtors will have been made pursuant to the terms of the Plan; *provided, however*, that distributions will not have been made to those certain Class 4C creditors from which a completed W-9 is required, pursuant to Section 16.2 of the Plan. Once a completed W-9 is received, the Disbursing Agent will issue distributions to such creditor; no other distributions on behalf of the Corp Debtors will be required; and
- (d) GTAT has emerged from chapter 11 as a reorganized business.

19. In addition to the foregoing, GTAT Corporation is required to pay quarterly fees to the US Trustee after confirmation and consummation of the Plan until its case is closed pursuant to 28 U.S.C. § 1930. Since the Effective Date, GTAT Corporation has paid tens of thousands of dollars in quarterly fees to the US Trustee. Additionally, as of January 1, 2018, the high end of the range of quarterly US Trustee fees increased substantially, resulting in a significant increase in costs to the Reorganized Debtors to keeping these chapter 11 cases open. Permitting GTAT Corporation to close its chapter 11 case at this time will eliminate this further expense that is an unnecessary financial burden on the Reorganized Debtors.

20. In light of the factors noted above, GTAT submits that ample justification exists for entry of a final decree closing the GTAT Corporation chapter 11 case.

Closing Report

21. Pursuant to LBR 3022-1, a debtor seeking to close a case must file a final report in the form prescribed by the LBR, outlining the professional fee payments and the steps taken to consummate the plan, including disbursements made during the chapter 11 cases. The final report is attached hereto as Exhibit 2, *provided, however*, GTAT requests that such post-confirmation reporting requirement set forth in LBR 3022-1(b)(2) (which requires certain reporting requirements related to professional fee payments to be filed as “Exhibit A” to the application for final decree) (the “Professional Fee Summary”) be deferred with respect to the chapter 11 case of GTAT Corporation because (a) GTAT’s chapter 11 cases have been jointly administered under the Lead Case, (b) GTAT has made all professional fee payments and Plan disbursements to date and will continue making such payments and disbursements, and (c) the Remaining Debtors’ cases will remain open. Furthermore, a final report will be filed upon the closing of the Lead Case and will include the information required under LBR 3022-1, including the Professional Fee Summary. As such, the requirement of LBR 3022-1(b)(2) will ultimately be satisfied.

Notice

22. Notice of this Motion has been provided by email, facsimile, or overnight courier to: (a) the US Trustee; (b) the Litigation Trustee; and (c) those parties who have formally filed requests for notice in these chapter 11 cases pursuant to Bankruptcy Rule 2002.

No Prior Request

23. No previous request for the relief sought herein has been made by GTAT to this or any other court.

Waiver of Memorandum of Law

24. GTAT requests that the Court waive and dispense with the requirement set forth in LBR 7102(b)(2) that any motion filed shall have an accompanying memorandum of law. The legal authorities upon which the GTAT relies are set forth in the Motion. Accordingly, GTAT submits that a waiver of the LBR 7102(b)(2) requirement is appropriate under these circumstances.

[Remainder of page intentionally left blank.]

WHEREFORE, GTAT respectfully requests that the Court enter the Final Decree attached hereto as Exhibit 1.
